FROM THE BRIDGE ☆☆☆

**Commodore
Bob Zeiher**

Hello all! I hope everyone is enjoying this beautiful summer weather and the fellowship of The Club. This is the time we have all been waiting for and I'm delighted to say folks are coming out and enjoying the great food, attentive service and good friends! If you remember, please try to make reservations for dining. It may seem like not a big deal, but it helps the staff SO much to have an idea of how many folks are coming out for both the servers and the kitchen. Please understand..busy is great, but we want to be fabulous at busy and a heads up to the staff helps everything run smoothly. Put BLYC's number in your phone, 740.929.9941 and give a jingle, it really helps.

We are keeping the pool bar open later on the weekends and Governor Sproat has a fabulous line up of entertainment to keep things sizzling lake side! Our financial numbers are looking better for bar and kitchen than we have seen in years. A HUGE thanks to Andrea and Chef Matt and the rest of the

The 4th is upon us and we are all hoping for a great time as usual. The fireworks are always amazing and I can't wait to see what we get this year.

Our first poolside entertainment was June 10. Chris Gill played and sang for the crowd and there was a great crowd. I can't wait to hear Billy Reiter, our next performer.

It is so good to see the club full of people, both inside and out. The docks are filling up rapidly so contact Chuck Wadley to see if there is something left.

There are so many things planned for the 4th of July I can't begin to list all of them. Check the website for all the details. The Commodore's Steak fry is July 7th and despite the fact that I will be cooking I hope to see you there. Matt has promised to help me so I'm sure it will be perfect.

Don't forget to come out to the parties and entertainment or just for dinner and the best view in the state. Let's make this an unforgettable summer!

staff for their dedication and efforts to keep costs low and quality high! Please give The Club a call if the weather seems dicey if you are planning on using the pool bar.

In our continued effort to keep costs low, if the weather is poor or there are few in attendance, we may stop staffing the pool bar for the day. Of course, the upstairs would still be open and you could still come into the pool, but staffing is one of our biggest expenses and keeping a tight rein helps our numbers a lot. See you at The Club!

Don't forget the Long Distance race on the 4th of July. We have had tremendous wind and exciting competition. We hope to see more spectators on the front porch during racing events. Don't forget, if you are racing, or watching, you get \$1 beers on the front porch. So come on down and get blown away by the racing action and quench your thirst at the same time. Arggggggh!

This is an exciting year for me; watching the Jr's work and grow is such an exciting opportunity. We have over 50 juniors scheduled and/or completed sailing camp this year; with more scheduling every day for the final week of camp (July 9-12). I also want to thank Tracey Davis and my wife Karen for all of their help with the many Jr. Sailing activities.

Past Jr. Racers

Earlier this year I attended collegiate races at Hoover Sailing Club. BLYC was well represented:

Halle Harklau, Austin Miller, Evan Miller, Mallory Miller, Gwen Mulvey, and Libbi Dust (Michigan State University, past instructor and coach at BLYC). These sailors represented The Ohio State University, Ohio University, and Wittenberg. Gwen is the new Commodore of The Ohio State University sailing team; Congratulations Gwen!

Jr Racers

The first event was held at Hoover Sailing Club, June 9. BLYC had 5 participants:

- Colin Guttridge - Full Rig Laser
- Michael Davis - Laser

Publications

Governor Jerry Besanceney

Back in the 1970's, the Past Commodores of BLYC decided they wanted to do something nice for the membership. Thus was born the Commodores Steak Fry.

Each year, this fun, perhaps quirky group, comes together for a very enjoyable evening at which THEY do the cooking. (Don't worry Chef Matt keeps a close eye on quality control). Come join us for good, affordable food and entertainment – both the band AND the Past Commodores – Saturday, July 7. The Commodores would love to serve you!

I don't want to be a party p**per....but also and more important we don't want to jeopardize our liquor license.

RULE 25 of The BLYC Bar Rules clearly states, " Do Not take sealed or open containers of alcoholic beverages off the PERMIT PREMISES " ,folks this means off island ,including on to a boat.

This includes guests , attendees of private parties as well as members. We MUST comply , do your part to keep us happily in compliance, make on the spot corrections ,when you see an infraction.

We will all appreciate you for it.

DONNA PARKER:

A special THANKS from your BLYC friends.

Flowers everywhere and beautifully done thanks to your near daily volunteer work to plant and care for them.

One person can make a difference. When you see Donna don't forget to say ... Thanks for the flowers!

Because of the mass attendance by our members, I can only hope that it is because you are all having a great time here with fabulous food, delicious drinks and fun family time. There have been a few concerns with linen tablecloths on the porch tables. I believe I have found a solution. We will leave the tables as is during lunch service and cloth them for dinner service.

Thank you so much from all of us at TEAM BLYC. It allows us to provide the service you deserve. If you don't make reservations, you are always WELCOME at your

BLYC's first Classic Boat Regatta ...

In the late 1970s and early '80s, sailboat racing was king at BLYC. If one peruses the old issues of the Log available on the BLYC website (Thank you P/C Frank Foster, III for making these available), it's easy to see that most of the Club activity at that time centered around sailboat racing and social events. There just doesn't seem that there was that much geared toward our powerboating and non-racing members. In 1981, BLYC's 75th Anniversary year, that changed.

It was first announced in the December, 1980 Log by Race & Regatta Governor Gordon Forster that a new weekend activity was being developed ... "An invitational classic and antique WOODEN power and sailboat regatta." The first chairman was P/C Ed Metzgar. The entry fee was \$20 per boat and 28 boats participated. According to the post-event write-up in the Log ...

Commodore Jim Dressel, committee members and entrants were more than pleased after launching the first, of what's hoped to be many, antique boat contest.

The weatherman cooperated by bathing the north shore area with plenty of sun, perfect to bring out the patina of lovingly cared-for mahogany, gleaming chrome and mellow brass. Last minute scurrying before judging found them polishing hulls and wiping tell-tale finger and foot marks from chrome

hardware and touch-me-not-decks.

In the past 30+ years, the show has certainly evolved. The name has changed, it now includes classic non-wooden boats, and each year may bring different types of boats and participants from different parts of the country. But, it doesn't sound like that much has changed. Every year since 1981, BLYC has hosted this highlight event of our summer season and, just as in that first show, nervous boat owners clean & polish and prepare their pride-and-joy crafts for judging and the admiration of spectators.

At the 1981 event, the "Best of Show" Trophy went to Mrs. Zenna Sayre for her 1928, 26' triple cockpit Chris Craft Runabout, Cherokee. The First Place trophy for "Nearest to Original Condition" went to Phil Schell for a 1948 Chris Craft Sedan, Margus. If I'm not mistaken, both of these families have had boats in every Classic Boat Regatta BLYC has hosted. And... 1981 wasn't the only time they've taken

home well-deserved trophies.

Other BLYC members earning trophies in 1981 included Mrs. Nancy Benson, 1st Place "Oldest Restored," for her 1928 Chris Craft Runabout and P/C Gus Schell, "Sailboat Special Award," for his 1931 Ludke "K" Boat, Cat's Paw. I'm pretty sure that both boats are still around Buckeye Lake, although I know that the years have taken their toll on Cat's Paw. She is one of the last "K" boats remaining of what was once one of the premier sailing fleets in this region.

This year's Classic Boat Regatta, under the Chairmanship of Governor Chuck Wadley, will be held the weekend of August 17-19. Just as in 1981, it will certainly be a highlight of our summer season. Not only is this a great event for our members, it is also a time when we have the opportunity to show off our great Club to the public at large. Make plans now to attend, participate in, or volunteer for this great BLYC tradition!

For more information on this year's Classic Boat Regatta, please visit the BLYC website at www.buckeyelakeyc.com or contact Governor Chuck Wadley at crwadley@hotmail.com
