What a week! I'm talking about the week of July 4th! No power, then power, our kitchen staff did a great job of feeding all the people who had no power and came to the club to eat. Then the terrific fireworks display followed by a super Junior Sailor pancake

Hello all! I hope everyone is enjoying this beautiful summer weather and the fellowship of The Club. This is the time we have all been waiting for and I'm delighted to say folks are coming out and enjoying the great food, attentive service and good friends! If you remember, please try to make reservations for dining. It may seem like not a big deal, but it helps the staff SO much to have an idea of how many folks are coming out for both the servers and the kitchen. Please understand...busy is great, but we want to be fabulous at busy and a heads up to the staff helps everything run smoothly. Put BLYC's number in your phone, 740.929.9941 and

breakfast the next morning ending with the Commodore's steak fry on Friday. I'm exhausted just writing about it!

Great parties all summer including the entertainment at the pool bar. What a fun place to spend time and enjoy the day.

The Junior Regatta was another huge success. This newsletter would be twice as long if I tried to list all the individuals who contributed so I'll just say a big thank you to all who gave their time and effort.

I love to meet and talk with all the new members. It's great to see them using the club and enjoying our facilities. I have gotten so many compliments but a big part of the success is team BLYC and our staff. And while we're talking about new members don't forget the luau. This party is our way of saying welcome aboard and introducing you to the "old" members. As always Matt has some really great menu ideas so come out and take advantage of all we have to offer. After all, you're only a new member once.

Next month will be my last article. I've enjoyed my year as Commodore and will be sad to see it come to an end. It's been a great year at BLYC.

See you at the Club.

It has been a firecracker of a summer! In spite of the heat and some violent storms, you the fine members of BLYC, have done a magnificent job in supporting our events. Team BLYC has worked hard to bring us the best food and service I can remember. It has made being your Entertainment Governor a fun job.

We open August with the Luau on August 4. The entertainment is the "Majestics with Jim Harris". Be there! Aloha. We welcome the return of "Soul Annex" on August 10.

50s/60s Night with "Dj John" is scheduled for August 17. The 2012 Classic Boat Regatta follows on August 18 with "Don Beck" playing great jazz, latin and rock and roll classics from 2-5pm.

The "Millersport Community Theater" with Broadway show tunes makes its first visit to the Club on August 24.

The BLYC Car Show is on August 26. Yours truly will be spinning the platters

All boat slips have been numbered and the State Park licenses are displayed.

Temporary dockage is available while you visit the club. They are the slips with the green ribbon attached. They are located directly in front of the club and a few are in the western basin. All others are rented to club members.

Please do not park in their rented slip.

The boat yard has been inventoried. All known property has been tagged with the owners name and space number. Please place your property in the correct spot.

If your property has orange flagging on it, we have no record of it. Please contact, Rebecca or myself to update our records.

In addition to docks, there are storage spaces and garages available to rent.

If you wish to rent a dock, garage, or boat-yard storage, please complete a "Rental Request Form". The form is available on the Yacht Club website under Docks & Facilities. The form may be submitted online, printed, or is available at the club office.

Please submit this form if you wish to cancel or change your assigned space or add a boat hoist. All changes require prior approval.

Members using the boat yard and docks,

from the past. The Bob Dye Poker Run is also scheduled for August 26. The ever popular Kay Carter Band playing from 4-8pm. Even if you're not in the Poker Run, please come out to the after party for one last Big Summer Bash with the Kay Carter Band.

Please make sure to come to the Club as much as possible in July and August. We have a chance to break even in Bar and Kitchen for the first time in years, a remarkable achievement!

Docks & Rentals

Governor Charles Wadley

please remember to secure the gates as you enter or exit. This will help to ensure that both you and your neighbors' property are protected.

Please contact me with any questions or concerns regarding docks, and Governor Lyons concerning the rental houses.

The Classic Boat Regatta is August 17-19, 2012.

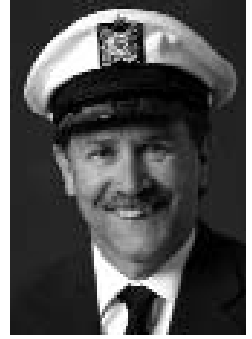

We are requesting that all Watkins Island dock holders without a lift, make their slips available during this event. (From Friday morning to Sunday evening)

If you need a slip to relocate your boat, please contact me and I will help you find an available slip.

The event is open to the public on Saturday, August 18, from 10am to 6pm.
COME AND ENJOY YOUR CLUB!

Rear Commodore Tim Ryan

EVERYONE PLEASE PAY YOUR DUES. We don't want you to miss out on being a Member of this GREAT CLUB!

New Members this Month:

- James Johnson and Carol
- Brian Kemp and David Hogrefe

At this time we have welcomed 43 New Members to BLYC. Please all of you mark your calendars for the August 4th LUAU!!! What great party. This is also an invitation to all 43 of our New Members and their First Mates. We will be introducing all of you and we might have something special for all of you. So everyone be at the LUAU!!!

House & Grounds

Governor Jeff Lyons

Wow, what a great summer we're having. It's good to see the club and pool area full week after week.

Thankfully, we had no damage to the clubhouse or rental properties during the wind storm. We did however have a number of branches come down from the trees in the lower parking lot. I will be working with a local company to trim the trees and chip up all of the downed branches. Please pardon the mess in the overflow lot.

I'm very hopeful that the repairs and carpet replacement on the front porch will be completed by Labor Day. Thank you to those of you who've made generous donations in support of this project.

entertainment to keep things sizzling lake side! Our financial numbers are looking better for bar and kitchen than we have seen in years. A HUGE thanks to Andrea and Chef Matt and the rest of the staff for their dedication and efforts to keep costs low and quality

high! Please give The Club a call if the weather seems dicey if you are planning on using the pool bar. In our continued effort to keep costs low, if the weather is poor or there are few in attendance, we may stop staffing the pool bar for the day. Of course,

the upstairs would still be open and you could still come into the pool, but staffing is one of our biggest expenses and keeping a tight rein helps our numbers a lot. See you at The Club!

AHOY! The Lambrecht Cup Spring Sailboat Racing Series is over and the Summer Series is off and sailing! If you are not in on the sailing action yet, now's the time to get out that old, musty sailboat, shine it up and get in the race. Don't know how to race? No problem, our sailing team will tone you up and your fellow racers are shameless about showing others how to compete with them. Whether you have a boat, or just want to crew, we can help. You can find me wandering about the Club, or at the Race Shack every Sunday at 2 PM. Stop by and I will show you how to get in on the fun.

The Lambrecht Cup Spring Series winners are: PHRF Cruiser Class: 1st Place – Bob Snow, 2nd Place – Don Harris, 3rd Place – Bill Reynolds. One Designs (Honorable Mention): 1st Place – Steve Goodyear, 2nd Place – John Van Gilder, 3rd Place – Michael Davis. (Note: Actually, none of the One Design sailors had enough races to qualify to win an award. So these are unofficial standings.) Thanks to everyone for participating in the Spring Series and we hope to see you all back for the Summer Series.

Lambrecht Cup Summer Series Racing Results to date:

7/1/12: Race #1: 1st – Snow, 2nd – Harris

July 2012 Long Distance Race: The second Long Distance Race was a real, grueling, endurance test. We started out with winds at 4mph and ended with 12 – 15 mph. And what a wind it was, at 100 deg F. It was like racing on the Salton Sea in the middle of the desert. It was soooooo hot we had to shorten the course! Kudos to our participants! And the winners are: 1st – Snow, 2nd – Cartwright, 3rd – Harris. Honorable mention – Steve Goodyear. Steve was out, single-handed, in his new West Wight Potter and suffered a series of technical difficulties that increased his time on the course to an almost unbearable 3.5 hours. But he gutted it out! You the seaman Steve!

Sailing Net: There's a great new APP for your smart phone by Navionics called

"Marine&Lakes:USA." This is a real marine GPS application with charts of the fresh water lakes in the US including Buckeye Lake and Lake Erie. It's not inexpensive at \$9.99. But it's a bargain compared to the dedicated GPS systems that range from \$200 and up, plus \$150 for the charts. It's very versatile with waypoints, depths, route tracking, satellite overlay and wind forecasts. And the charts come with it! I will be using it this weekend at Lake Erie to make sure I can find my way back to the launch ramp. A truly functional APP that goes everywhere you go. Don't get lost without it! You can find out more about it at their website;

<http://www.navionics.com/mobile-pc-app> (PS, this works for you POWER boaters too. It will help you remember where the GAS docks are located!)

SPECIAL OFFER! Don't forget; the sailors, their crew, the racing team, and sailing racing watchers, get \$1 beers on the porch during Lambrecht Cup Racing on Sundays. Don't miss out on the excitement, come on down and support our racing teams. Remember, if it weren't for them, this wouldn't be a YACHT Club.

Well, that's it race fans. Don't forget, Lambrecht Cup Racing every Sunday at 2:00 PM, skippers meeting at 1:30, be there or get pilloried in the square. Arrrrrrgh!

RESOLUTION of COMMENDATION JULY, 2012 The BLYC BOARD

During the storms, resulting damages, record-setting hot weather and power outages, beginning June 29 and extending through July 10 of 2012, the staff, members and Board of the BLYC reflected great credit upon themselves and this club as exceptional effort and time was contributed to assure that food stuffs were preserved, functions scheduled were held even without power and that the club was open as a refuge for those suffering with out power during the record setting hot weather.

Former Commodore Steve Harris, Current Vice Commodore Gayle Mulvey, Manager Andrea Foster, Chef Matt Langstaff, Amy Gatton, Jennell Van Walsen and Cindy Melick in particular are noted to have contributed to this outstanding account of our club during a very difficult time.

Gracias! Dankeschon! Merci! Xie Xie! Arigatou Gozaimasu! Thank You! This month's log article is all about the THANKS!

A huge thank you goes out to TEAM BLYC and the BLYC board of governors for helping out during a very busy month of June. Since we were one of the only places on the lake with power, the club was hustling and bustling with members trying to cool off in the AC, utilize our Wi-Fi, clean up with our showers and fill their belly's with Chef's delicious food. I hope that everyone is up and running with power by now.

While the temperature was exceeding 100 degrees and the AC was in over drive, the ice machines could not keep up with the demand for cold libations. An enormous Thank You to Don Dick, who was kind enough to supply the club with hundreds of pounds of ice from Capital City Ice. Hats of to Don and Peggy!!!

From The Manager

Andrea Foster

Coming soon... Another big thanks to the BLYC Auxiliary for a donation of new lounge chairs for the pool. The auxiliary would like to extend a special thanks to Judy and Tully Rogers for their generous donation in remembrance of Evan Williams.

Finally, the BIGGEST thanks of all are for YOU, the members, for continuing your support of your club. I would like to thank those members who are making reservations; it is most helpful to TEAM BLYC in ensuring great service.

We've had an exciting year in Jr Sailing.

Sailing Camps

Trainees - We had a total of 60 attend the three weeks of camps, from places as far away as Washington, DC, Pittsburgh, PA, and Charleston, WV. They learned to sail (at different levels), had fun, and learned a little about life and themselves.

Instructors - We had an instructor, didn't, had one, didn't ... four days before the first camp we landed Nici Bregel from Hoover Sailing Club, who has done a fine job! In addition, Colin Gutridge and Michael Davis further honed their instructing skills as assistants to Nici. The near future could include Colin as the lead instructor (succession planning!) and Michael in the more distant future. And we had Matthew Davis and Keegan Christie as helpers; big future for them.

Stone Parker Memorial Regatta

Great success! First, Colin Gutridge and Michael Davis raced in the Laser and Laser Radial classes; Colin placed first and Michael 5th out of 15.

Second, many thanks to give...My thanks begin with Tracey Davis and Steve Harris; without their planning help and day of help, I would have had great difficulty. Their years of experience and numerous contacts throughout the I-LYA sailing community were critical. Also, Steve was the PRO and Tracey did an amazing job of coming up with the event title and the beautiful "collector" T-shirts with the Stone Parker Memorial graphics on the back...WOW!!!

The summer of 1977... Star Wars debuts and becomes the then-highest grossing movie of all time; The first Apple II computers go on sale; New York City suffers an electricity blackout lasting over 25 hours; Elvis Presley dies; the "Son of Sam" is captured; the first oil through the trans-Alaskan pipeline reaches Valdez; BLYC make Junior Sailing history!

As has been the case every summer since the 1950's, BLYC sends a team of Junior Sailors to Put-in-Bay for I-LYA's annual Junior "Bay Week" Regatta. However, back in 1977, only the Triplehanded boats sailed at the Bay, the others sailed in Port Clinton. The I-LYA regattas served as the Quarterfinals for the United States Yacht Racing Union (now US SAILING) Junior Championships. Winners from I-LYA would go on to compete against winner from other regional associations in "Area E." The winners from the Area E Semifinals then qualify for the National Championships.

In 1977, BLYC's Junior Sailors didn't just

Thanks go out to all the kids who helped out that day and to Simon Krajewski, Davis

Papson, and Kennedy Christie for co-chairing the event. And, thank you Karen McVey who worked with the youth co-chairs.

Also, the Raffle winners were: Jean Wright (guest of John Gattrel and Connie makely) and Cassie Weaver; Enjoy!!!

Jr. Racers

By the time you receive this edition of the log, the racing season for the Jr. Racers will be over. Jr. Bay week at Put-in-Bay is the pinnacle of the season and was held July 16 - 19. In the September Log, I'll let you know about how the Jr. Racers did and about all the fun the Jr. Racers, their families, and BLYC Governors had at Jr. Bay Week.

Jr. Sailing Save the Dates

Sunday, September 2nd at 3:30 pm, Parents and Jr. Racers first meeting for the 2013 season - All juniors and their families are invited to a short meeting to plan for the 2013 season: who is interested in racing, what boats they want to race.

Bob Dye Poker Run

Mother Nature had its way with the originally scheduled poker run on June 30, so we've rescheduled it for Sunday, August 26 at 11 am for registration. Then we'll hit the water and head off to Papa Boos, Copper Penney, Island House, and Captain Woody's. You'll need to be back by 4:30 for the tallying and prizes!

Thank you!

win - they won almost everything! At the Smythe (singlehanded) and Bemis (doublehanded) semifinals in Port Clinton in July, BLYC's Lon Moyer dominated the Laser fleet with finishes of 7-1-1-1-1 to easily secure his spot in the Semifinals. In the doublehanded class, Steve Beeson and crew Mike Hein also easily won the Quarterfinals and went on to sail in the Semifinals at Cowan lake in August. The Sears (triplehanded) Quarterfinals were, of course, sailed at PIB in Thistles. After a rough start in the qualifying series, BLYC's Sears team of Willy Petersilge,

Dan Roshon, & Dan Dressel rallied to finish the series with three straight first place finishes to secure their spot in the Quarterfinal Championship Series. From there, they sailed strong the rest of the regatta, easily winning the Quarterfinals and continuing a strong BLYC winning tradition at that time - our fourth championship in six years! They went on to win the Semifinals at Buffalo Canoe Club in New York against very strong competition from throughout the Great Lakes.

Fantastic Fireworks!

The crowd gathers on July 3rd in anticipation of the annual Buckeye Lake fireworks display. It was a beautiful night with a brilliant show that once again delighted all in attendance.

Auxiliary

July has been a great month at BLYC. Sizzling temperatures and July 4th festivities have brought many members, their friends and families to the club. Over sixty people enjoyed the magic show sponsored by the Auxiliary on July 4th! The newly painted pool area looks great - a big thank you to Tony for all his hard work!

The Tour of Cranberry Bog was fantastic. Thank you to Jerry Klenk for boating us all to the Bog and to Commodore Steve Harris - our very informative tour guide!

The fun continues through the summer months with a Game Party Lunch on August 9th starting at 11.30am. Bring a wrapped door prize and your best poker face! Reservations are required for this event.

September 8th is the Auxiliary Fundraiser which will include a silent auction and a celebration of Commodore Gus Schell's 100th birthday! Local band "Bad Influence" will be playing. Items for the auction can be dropped off at the club.

Reservations for all auxiliary events can be made by calling the club at (740) 929-9941. If you are not yet a member of the auxiliary we welcome new members at any time of the year - male or female! For more information please contact a member of the Auxiliary Board Committee.

While the conditions were challenging and varied, Willy, Dan & Dan easily won the Semis and earned the honor of representing BLYC in the National Finals in Dallas Texas in late August.

After BLYC's team's dominance at the I-LYA Championships in all classes, strong finishes (including one win) at Semifinals, numerous other sailing trophies earned throughout the season.. could it really get any better? Could BLYC make the trip to Texas and be the first Midwest Club in decades to win - the first ever inland-lake Club to win?

The headline in the October 1977 issue of the Log reads... BLYC SAILORS BRING TOP SEARS TROPHY HOME
Yes, they did. In conditions very different from those normally seen here at home on Buckeye Lake - winds of "10-20 mph and at times to 30-50 mph" - BLYC's team sailed extremely well. According to the October 1977 article...

"The competition was really tough but the combination of teamwork, attention to detail, sailing know-how, and sheer determination to win put Will Petersilge, Dan Roshon, and Dan Dressel in first place after the fourth race, a position they held for the rest of the series."

Beating teams from New Jersey, California, Texas, Maine, Washington, North Carolina, and Long Island, BLYC's team won the Nationals - the first, and only, BLYC Junior Team to do so.

There is a photo hanging in the Commodores' Lounge of the BLYC Clubhouse which shows all six of these young men with their trophies and medals from 1977 and a certificate in the Trophy Case for their sweep of the I-LYA Championships.

A repeat of the October 1977 article detailing the Championships Regatta by then-Rear Commodore Carl Petersilge is online in the BLYC History Archives
