FROM THE BRIDGE ☆☆☆

September, 2012 - Vol. 21, Issue 7

**Commodore  
Bob Zeiher**

I cannot believe that this will be my last Log article. It seems like I just started my year as Commodore and now it is nearly over.

Hello all! The summer at the Club has brought us together in wonderful food, company and ambience! This has been a great summer to be a part of BLYC! Hopefully, the bad storms and power outages are behind us and smooth sailing awaits for the close of summer ... cooler days, warm nights and school for the kids (yay!). This has been a particularly wonderful season at the Club in the bar and kitchen arena, I am proud to say. Chef Matt and Andrea and the entire staff of BLYC has done an extraordinary job this season; and all year long! Please thank them for a job (beyond) well done.

The upcoming elections are always exciting and I truly hope everyone participates and enjoys the candidates night as well as breakfast on the porch! I personally invite you all to come out and vote and please stay for the reception. It is really for the mem-

I want to thank all of you that have made this an incredible year for me. I cannot begin to thank everyone who helped, especially my Flag Officers and Board. I can tell you that I am confident that the new Commodore, Flag Officers and Board will continue to make and keep our Club the best place for your family.

The parties this year have been fabulous. There were times that we had so many people on the island I was afraid it would sink!

By the time you read this the Boat show, Car show and Bob Dye Poker Run will have come and gone. I want to take this time to thank all of the wonderful volunteers that have helped with these projects and all of the other special events in the past year. We could not have done them without you.

I also want to thank the Auxillary. They do so many things for our Club. One look at the spectacular landscaping is all you need to see how much they do to beautify the island.

In closing I want to thank all of you for making my year as Commodore a memorable experience. It was one of the best years of my life.

See you at the Club.

bers, to enjoy the fellowship and food the Club has to offer, and I am sure, to offer some ribbing about the first woman Commodore. Chef Matt has promised a fabulous Italian reception similar to piada in Columbus. Please come join the food, fun, and yes, the annual meeting (it won't be so bad:) I look forward to seeing you all at Your Club.

## Membership

### Rear Commodore Tim Ryan

Thank You Membership for a great year!! We are coming to a close of the Fiscal Year for BLYC and I would like to say that it has been one of if not the best year that I have had at the Club. This year has been a wonderful year for a couple of reasons, Dianne and I were blessed with our first Grand Child, Nicolette Virginia Davis, June the 28th. The second reason is the Board of Governors that I had the privilege of working with this year and the job that we all did running your Club. The Board worked hard and we all had fun at the Club. When you see Bob, Gayle, Tim, Jeff, Dave, Mike, Gerry, John, and Chuck at the Club Thank Them and get them to buy YOU a drink!!!!

I would like to thank the entire Membership for the great year with New Members, we finished the year with 53 New Members!!!

This is My last article as Rear Commodore of BLYC. I will be standing for re-election this month and would be pleased to get your vote.

I want to encourage everyone to come out for the election on Sunday September 16, this is a great tradition and great fun, really it is. Did I mention there will be free food!!! Come out eat, drink, vote and stay around for the annual meeting, it has been a very long time since we had a quorum for the annual meeting so let's try and break that streak. We all look forward to seeing you on the porch for the election and also on the 14th for meet the Candidate night. You don't want to miss that Friday night, we might make fun of the Candidates or it might be quite serious, either way it is a great traditional evening at the Club.

One last thing as Rear Commodore and Governor in charge of membership, I would like all of the members to get a copy of the Constitution and By-Laws of your Club and read through it. This is an important document and it is the foundation to the operation of your Club.

Sincere Thanks to Everyone.

Remember VOTE SEPTEMBER 16th

I want to open this, my last log article, with a big thank you to all of our members, our excellent Board of Governors and fabulous staff for making my experience as Entertainment Governor so enjoyable. Special thanks to Andrea and Matt for putting their all into event planning and production. We are very lucky to have them and all of Team BLYC.

September begins with the Auxiliary Fund-raiser on September 8. Come out and enjoy the sounds of "Bad Influence." This is your chance to help the Auxiliary help the Club.

Howard Everitt's Rock and Roll Jam is scheduled for September 23. This is one of the best parties of the year and it features some of

AHOY! Well, when you read this, the Lambrecht Cup Summer Series will be over. But, not to fear, the season is not over because the Lambrecht Cup Fall Series is just beginning. We have five cruisers in the fleet and two one designs "duking" it out. And the racing is close, competitive (in a friendly sort of way), and exciting. So, if you haven't got into the racing yet, don't despair, don't walk the plank of sadness, come down and race in the Fall Series!

I can't report on the winners of the Summer Series at the time of writing, but here are the results to date:

7/15/12, 1st Race: 1st - Reynolds, 2nd - Snow; 2nd Race: 1st - Reynolds, 2nd - Snow; 3rd Race: 1st - Reynolds, 2nd - Snow

7/22/12, 1st Race: 1st - Snow, 2nd - Cartwright, 3rd - Green, 4th - Bendig, 5th - Harris; 2nd Race: 1st - Snow, 2nd - Cartwright, 3rd - Bendig, 4th - Harris, 5th - Green

7/29/12, 1st Race: 1st - Snow, 2nd - Bendig, 3rd - Cartwright

8/5/12, 1st Race: 1st - Reynolds, 2nd - Cartwright, 3rd - Bendig; 2nd Race: 1st - Snow, 2nd - Reynolds, 3rd - Cartwright, 4th - Bendig; 3rd Race: 1st - Snow, 2nd - Reynolds, 3rd - Cartwright, 4th - Bendig; 4th race: 1st - Bendig, 2nd - Snow

8/12/12 1st Race: 1st - Cartwright, 2nd - Snow, 3rd - Reynolds; One Design: 1st - Van Gilder, 2nd - Goodyear; 2nd Race: 1st - Cartwright, 2nd - Snow, 3rd - Reynolds; One Design: 1st - Goodyear, 2nd - Van Gilder

So, as you can see from above, there are a lot of contenders for the Cup, and this contest is for from over. Don't race, don't despair, you can come down to the race shack and help with the flags, comment on the racers, and enjoy a \$1 beer! That's right, for the sailors, crew and sailboat racing enthusiasts,

### Governor Dave Luttenberger

we have \$1 beer. Let that trim your sails!

SAILING NET: Here's an interesting app for you long distance sailors. Download, "Sailor's Log." For those of you who like to know what is going on, but can't afford expensive electronics, this thing is a sailor's dream! It displays speed, max speed, bearing, compass direction, trim, heeling and drift. If you have this on a pad, the readout is large and easy to see from the helm. Stick this on your hull, adjust the heel angle to 90 deg, and you have a fully instrumented consol. If you set it on record, it will produce a graph of your entire trip showing the angle of heel and speed at any moment in time. COOOOOOOOOOOL!

SAILING BULLETIN: Don't miss the Labor Day Long Distance Race. I have it if from "semi" reliable sources that the weather will be excellent. So be there, or miss the long distance race of a lifetime. That's right, we will push back the boundaries of what ordinary sailboat racing is like to create a genuine, offshore, adventure. Distant horizons, challenging conditions, and swashbuckling fun! Why knock about the world looking for exotic adventure when you can have it all right here, on our own Buckeye Sea.

Well Mates, that's it for now. You know what I always say, "You're the best bunch of sailors I know!" Arggggggggggh!

Dear Readers,

It's been fun doing the LOG. One of my favorite things is the Jazz Jam session with Howard on the 23rd, Sunday this month, 4 to 8 PM. Many talented musicians playing for the love of the music, an informal relaxing way to, dare I say, start closing the summer.

Also, our junior sailors did so well at Put-In-Bay this summer, our Club is recognized as the best at member support for the regatta.

Put it on your calendar for next year, what a blast.

Well ... Junior Sailing instruction camps and racing is over for the summer. But...we do have the Spaghetti Dinner coming up

### Junior Bay Week

Jr. Bay Week was a tough week; it was a great week. Michael Davis and Colin Gutridge represented BLYC during the four days of racing off of Put-in-Bay. And they did a fine job!

This was Colin Gutridge's third time (has 1 more year eligibility) and Michael Davis' second (has 4 more years eligibility). This was their first year for the classes of boats they sailed. Colin sailed a "full rig" Laser and Michael sailed a Radial Laser.

For the week, Colin was third out of three. He was tied for second going into the last/4th day (had a 1st and a 2nd on day three), but had another equipment malfunction (had one on day 2, also) that took him out of the race on day 4.

Michael was 20th out of 28 for the week. He too had an equipment malfunction during the week and a "collision" with the boom on the last day.

Note: the waves on Lake Erie were extremely big on at least two of the days, which gave a slight advantage to lake-side clubs such as PIBYC, EYC, and CYC. If possible, may get more open water experience for BLYC team in 2013.

Also, Colin and Michael won the Team Shipshape award for how well they kept their rooms (that's out of a 150 Jr's)!

Way to go guys, very proud of you! Great 2012; look out 2013!

In addition, "thank you's" go out to Governor David Luttenberger who came up with Jan Bass and brought his boat to support the event all week and Governor Jerry Besanceney who came up for the Wednesday evening Support the BLYC Jr. Racers event!

Finally, BLYC was superbly represented by

One more trivia : Where does "Regata" come from? Hundreds of years old it was

and is gondolear races in Venice. You know the guys with the straw hats and stripped shirts.

OK where does "Venice" come from? Well it means , as far as we got. Panicked Italians avoiding mounted barbarians baring down on them took a quick detour to the marshie coastal area to stop the horses ... Get it?

Kudos to Commodore Zeiher for a great year!

Best Regards.

Steve Harris and Matt and Tracey Davis. Matt and Tracey were the Co-Chairs of this year's event, which by the way, operated smooth as clock work. Matt is also a Vice President of the Board of Trustees of the I-LYA Yachtsmen's Fund. And Steve was not only one of the PRO's of the event, but is also the current Rear Commodore (part of the event planning) of I-LYA, which provides services to both sailing and power vessels (<http://i-lyla.org/>).

## Docks & Rentals

### Governor Charles Wadley

Fringe pennant was installed on the Eastport docks, to help keep the seagulls at bay. I would encourage each dock holder to install deterrents of your own, available at Bird B Gone.com.

New rentals will be half the yearly rate, thru the end of year.

Temporary dockage is available while you visit the club.

They are the slips with the green ribbon attached. They are located directly in front of the club and a few are in the western basin. All others are rented to club members

Please do not park in the rented slips.

If you wish to rent a dock, garage, or boat-yard storage, please complete a "Rental Request Form". The form is available on the Yacht Club website under Docks & Facilities. The form may be submitted online, printed, or is available at the club office.

Please submit this form if you wish to cancel or change your assigned space or add a boat hoist. All changes require prior approval.

Members using the boat yard and docks, please remember to secure the gates as you enter or exit. This will help to ensure that both you and your neighbors' property are protected.

Please contact me with any questions or concerns.

COME AND ENJOY YOUR CLUB!

As fall approaches, we can look back on another successful year at BLYC and, perhaps, reflect on just how truly wonderful it is to have such a fun, friendly place to share our passion for boating with others of the same mindset. But, as you know, the 100+ year history of the Club would not be possible without the tireless dedication of the countless members who provide not only service to the Club, but also an example for the rest of us of what it truly means to be a "yachtsman." At the annual meeting each year, some of these individuals are recognized for their efforts. Our Club has two trophies awarded annually to such people: The Heber Yachtsman Merit Trophy and the Commodore Gustav Schell Award, "The Gussie." While many of us know Gus and his example which recipients of the "Gussie" typify, not too many people know the story behind the Heber Trophy.

One might assume that an award of such significance would be named for a Past Commodore of the Club, perhaps a great leader who carried us through a particularly rough time, a championship sailor, or one who went on from BLYC to serve boating in some national capacity. Not at all. Reg Heber was a very active member of the Club in the 1930's and 40's and, although he did serve on the Board of Governors, he only served one year (1942-43) and was never Commodore.

Reginald F. Heber was a successful Columbus printer. A graduate of the Ohio State University, in the late teens and early 1920's, he gained particular notoriety as the leader of a popular dance orchestra in

Columbus. It was Reg Heber who first envisioned, and subsequently dedicated and presented the Yachtsman Merit Trophy to the Buckeye Lake Yacht Club. It was, and continues to be, the highest recognition our Club bestows upon one of its members. However, he only lived to see it presented once - in 1942 - the same day on which Reg Heber was elected to the Board of Governors. And that, as Paul Harvey would say, brings us to "the rest of the story..."

On the afternoon of Sunday, October 17, 1942 there was a large gathering at BLYC with over 200 in attendance. As part of the festivities, Commodore Clarence E. Smith (1940-41) was giving rides on the lake in his speedboat. As later reported by the Newark Advocate, a combination of choppy waters on the lake and water in the bottom of the boat led to a tragic capsize at around 4:15 pm. Six of the eight persons aboard drowned, only Commodore Smith and one passenger, Miss Imogene Hughes, survived. Four of the six victims were recovered in short time, yet two remained missing for several days. Among the missing was Dr. Francis Keck, also a BLYC

member and good friend of Reg Heber. The search effort included Deputies from Fairfield & Licking Counties, State Park Officers, and countless volunteers, including Reg Heber - tirelessly searching for the body of his departed friend. As a result of countless hours on and in the water in the cool, autumn temperatures, he contracted pneumonia and, within a few short weeks, Heber also lost his life.

Dr. Keck's body was finally recovered on Sunday, October 24 at 4:15 pm - one week to the hour after the tragic accident - by volunteers from the Firefighters Protective Association and the Franklin County Red Cross.

The Heber Yachtsman Merit Trophy is given annually to a member who best displays the merits of Seamanship, Sportsmanship, and Character. One cannot question the character of the man for whom this trophy is named. His example of fidelity and friendship, of self-sacrifice and unselfish effort, if only from this single example, certainly adds to the value of this distinguished award.

As has been done every year since 1942, the Commodore will again present this coveted award at the conclusion of the Club's Annual Membership Meeting - Sunday, September 16 at 2:00 pm. See you there!

*A complete list of past recipients of the Heber Yachtsman Merit Trophy can be found online at [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com) in the "Hall of Fame" under the "Our Club" tab.*

Well, here we are coming to the end of another wonderful central Ohio summer. It's been great to see so many people renew their interest in the Club this year. Please continue coming out throughout the fall and winter months. We need your support!

I hope that you've seen some of the improvements to the club and grounds this year. We've taken on some much needed improvement projects and I think the results have been outstanding. I've received a lot of input from many members and am trying to complete as many upgrades as time and money permits. As always, thank you for being understanding to the occasional limited access, noise, and dust while we work to beautify our club.

It has been an honor and privilege serving on the Board of Governors for the last two years and I truly appreciate all of the support

I've received from you, our members, as well as the staff and fellow Board members. A special thanks to my wife, Michele, and my family for your support. I will be running again this year for another two-year term and I hope that you will all come out on election day to vote.

See you at The Club!
