## Commodore Gayle Fisher-Mulvey

Hello All! I hope everyone is having a wonderful fall season. The leaves are changing and with it comes some news at BLYC. Our front of the house manager, Andrea, has resigned from The Club so she can spend more time with her family. We wish her well. Matt (our chef), Rebecca (our bookkeeper) and Ginger (our lead server) have stepped up to the plate to keep Our Club the friendliest, tastiest and very best place to be. They are doing a great job and I am glad we

This is the start of the new Fiscal Year of 2012-13 for the Club and we will work hard to make it an even better year than 2011-12.

Chef Matt is looking at the menu and will be coming up with some new creative items to delight your taste buds and get you to come back again and again.

Be sure to say hi to Sonny our new bartender as well as Jennifer, she isn't new but she is back to help on weekends.

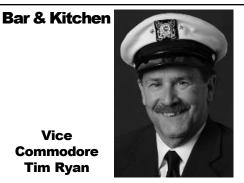

The winter months are upon us and I know many of you leave for somewhere warm durhave them. We also have a few new friendly faces in the bar and kitchen, so please say hello and introduce yourself, they are eager to meet all of our members.

The fall parties are always a great time to catch up with old friends and make new buddies around the Club and I expect we will see everyone at the OSU beats Michigan Party! Go Bucks!

BLYC was represented at "Trunk or Treat." This is a Halloween event sponsored by the Village of Buckeye Lake. They ask for local businesses or interested groups to allow local children to trick or treat from the trunks of participants cars at the local park so the children do not feel compelled to go door to door. It is a really neat idea for this community and the Board all chips in for the candy. Vice-Commodore Ryan, myself and our ever helpful spouses were handing out candy ... dressed in costume, of course!

Christmas is just around the corner and I look forward to all of our members contributing to the Buckeye Lake Children's Christmas fund. More information is in The Log. This is a wonderful tradition the Club shares with our Buckeye Lake community, and the committee is headed up by Commodore Joe Campbell.

I am so proud to be working with our new board at BLYC. We are facing some challenges but I feel quite certain that this board has the membership and the Club as their first and foremost concern.

member the CLUB IS OPEN and we want to see you here dining, drinking and having fun.

As many of you are aware and as the Commodore has mentioned, Andrea has resigned and Chef Matt, Ginger and Rebecca in the front office will keep the Club running efficiently, economically and FUN throughout the winter months. In the meantime, I can assure you the Board is working hard to find the best long term solution for our bar and kitchen and will always have the best interest of the Club and the Members in mind. **GREETINGS!** The entertainment season is off and running. By now you have enjoyed a spooky Halloween blast and a fantastic Snowball Regatta. Let's have a look at what is coming up for November:

#### ENTERTAINMENT:

Friday 11/2 - Zenna's Sayre's 90th Birthday Bash! Come and enjoy a joyful celebration of Zenna's 90th birthday. Zenna is to the Club like boating is to water. Per Steve Harris, "Zenna first came to the club in 1974 when she married Bud Sayre. She and Bud helped to start the wooden boat show in 1980 and she has remained active with it ever since. Over the years, Zenna has been a staunch supporter of the Club, the Junior Sailing Program, and, along with Bud, donated our beautiful mahogany bar. In 2006, Zenna commented that, "if you are lucky enough to work by the water and live by the water and have a beautiful Club to walk to, you are lucky enough." We, at BLYC, are very lucky to have Zenna as a part of our Club family. Help Zenna enjoy her birthday, surrounded by her friends and fellow boaters, while enjoying the Don Beck/Howard Everitt Duo. And don't think you are going to sit on your laurels, bring your dancing shoes!

# Saturday 11/10 (4-7) - Junior Sailing meeting

Saturday 11/10 (7:30 - 11:30) Dinner/Dance night with Eric Solomon 7:30 PM. Eric has been performing at the Island House for many years. Eric is an accomplished guitarist, composer and recording artist. For info check out Eric's website at http://ericsolo.com/ He's playing Country today, but he has a dynamite repertoire of 60's, 70's & 80's Rock & Roll. He is one of the only solo guitar players I know that can do ZZ Top and make it work! Entertainment

Governor Dave Luttenberger

Thursday 11/15 - Gypsy/Wine dinner. You don't want to miss this! "A 7 course meal prepared by Chef Matt paired with spectacular wines from around the world. A night fit for Royalty." Picture a blazing campfire, a star studded sky, the delightful aroma of gypsy food and the siren strains of a solo violin. Hold that image in your mind as you pick up the phone and make your reservations for this special culinary event. But don't wait long - SEATS ARE LIMITED. Chef Matt won't let you down.

Saturday 11/17 - Ohio State at Wisconsin TAILGATE PAAARTY! Starts one hour before kickoff. Watch the site for details. Happy hour beer and tailgate food. Don't sit home on that lonely couch, come on down and tailgate with your Yacht Club Pals! Hang on Sloopy!

Friday II/23 - Beat Michigan Party! Entertainment provided by OSU football and Paul Clark Band. Bring your dancing shoes because you will want to celebrate when OSU beats its perennial adversary. That's positive thinking for you! GO BUCKS!

#### LOOKING AHEAD:

Saturday 12/1/12 - Dinner/Dance night with Wendy Pennington. Wendy is a great singer/songwriter solo acoustic guitar player. She also has a great band, The Juice! For info check out her web site at *http://juicebandrocks.com/home.cfm* Click on the media link and listen to her performing at an OSU tailgate party.

Saturday 12/15/12 - You want to make your reservations now for what will surely be the most fabulous Xmas party you will attend this year. Fantastic food, a roaring fire, great company and an absolutely outstanding Jazz band out of Westerville called Breezin' Smooth Jazz. I'll have more about the band in the next issue. Listen to me - Don't miss this one! Christmas jazz, smooth jazz, and hothothot jazz you can dance to. Sleigh bells ring, are you listening?

**BULLETIN**: Still waiting for volunteers for the speaker series. The lines are open! If you've got a topic that interests you, we want to hear it. You can reach me at dbluttenberger@gmail.com.

**RESERVATIONS:** Remember; make reservations in advance to help us plan for you. No reservation, you may have to dine on the front porch! (Brrrrrrr!)

I know its Fall and, as the boats are put away, the Winter doldrums begin to set in. But we have the cure for doldrums right here, at your own resort, on the BLY Sea! So come on down to the Club and blow those blues away!

#### WE AIM TO ENTERTAIN!

As new Docks/Rentals Governor:

First, thanks to Rear Commodore Chuck Wadley for organizing the docks and rental so well and turning them over in good order.

Please contact me, Gov. Jerry Besanceney, at 614 394 3908 or email gebesanceney3@hotmail.com for any docks/ rentals issues.

Immediate objectives:

• Prepare docks for winter

# Docks & Rentals

Governor Jerry Besanceney

• Timely payments received for rentals

- Begin next season in good repair
- Conspicuously mark guest docks (there are more than you think )

Overall goal :

Thanks.

• Provide you the members with the best docks and rentals facilities consistent with the resources available.

Hello to all. October and November are typically uneventful for Junior Training. This year I've had lots of help closing up the Jr. fleet. We had Tracey, Vic, Ryan, Michael, Matthew, Susannah, Katy, Cora, and Ian help with about 8 hours of inventorying and storing. Thank You!

On Saturday, November 10, we have an evening (4-7 pm) with the Junior's; dinner and other "hands-on" activities. That evening we will begin to address creating a Junior Training Youth Board.

Also, I am currently working with Tracey and Matt Davis and the I-LYA to sponsor a I-LYA Junior Traveler Series Regatta at BLYC in June of 2013; we had one this year on June 23 ... very successful!

#### **Communications**

#### Governor **Paul Sanzone**

I really appreciate your support in the election, it has been an interesting first month on the board as we plan for 2013. Kudos to Commodore Mulvey for including the entire board in the budget process; did you know that the club incurred \$13,000 in credit card and bank fees last year? \$11,000 for linen service? Just a couple of examples to help explain how our dues are needed to operate the club. Our membership runs the club through the board and I think it's important that we are all involved, we are all invested and you can make a difference. My new role is to help us all communicate.

## Survey feedback - Why we love the club:

- Love the Pool and Pool bar
- Love all of the nice people, its like "cheers" where everyone knows your name
- Love club parties and events
- Love the location/views of the Lake
- Love feeling of calm when crossing the bridge to Watkins Island, our weekly "mini-vacation"
- Love the Dining room, white table clothes, best food around
- Love the benefits of Private club, Staff is very nice, makes me feel special
- Love Trap shooting at lake (Gun Club)

there or it is incorrect, please let me know via the BLYC web site.

Look ahead at the calendar of events for the club. Choose one to invite your friends and neighbors to let them see what they have been missing. If they join between now and the end of the year, the next dues payment would be in 2014.

At the Annual Meeting, there was an inquiry about the cut in the tow path off Seller's Point not being marked. I have been assured by the Regional State Park Manager that the channel marker buoys would be in place for the 2013 boating season.

- Add dedicated membership service during private parties
- Follow up on rumors and act or dismiss rumor publicly (Log)
- outings, etc.
- Add Adult sailing activities, lessons,
- Add more variety on the menu

#### AHOY!

I would like to start by thanking Commodore Gayle Fisher-Mulvey for appointing me Race and Regatta Governor. I am very excited to be part of the current Board and look forward to leading the BLYC into the next year. Also, I would be remiss not to thank David Luttenberger for an outstanding job as former Governor of Race and Regatta. Under his watch, racing at the Club enjoyed a fine year. He worked hard to promote sailing and was a true sailor's friend. We will miss him and his "Racing News" but look forward to his leadership as entertainment Governor. I have big shoes to fill!

We are entering a slow time for Racing and Regatta as winter will soon fill the air. This does not mean we will be dormant, however. As in the past, we want to hold a series of seminars on rules, strategies, techniques and general racing knowledge. Commodore Steve Harris has agreed to do PRO training at some point for our club or in conjunction with another club. Sailors should consider attending the training even though they do not intend to be a race officer. Also, we want to contact our friends at Hoover Sailing to do some joint peer sharing. Finally, we want get together over some cold beverages and revisit this season's sailing in an attempt to keep the camaraderie going that Lutty generated with the sailors. Look in future editions of the The Log for dates and times.

In mid-October, we held the Snowball Regatta and once again BLYC stepped up to the plate! Word has been out for awhile that BLYC puts on a great Regatta/Sailing event and the Snowball was no exception! The response was overwhelmingly positive and our visitors left appreciative of our hospitality and professionalism in running a regatta. A

#### Auxiliary

The sun is setting on another summer! The pool is closed and boats are coming out of the water but that doesn't mean the fun has to stop - we just move it inside!!

Reserve your seat for the November Auxiliary Meeting on at 6:30 p.m., on November 8. Order dinner, have a drink and listen to our meeting speaker, Commodore

special thanks to a number of people who helped make this a success. First of all, John Watson, long time committee chair and his wife Susan who handled registration; Steve Harris - PRO; David Luttenberger - manager; Don Day - awards; Michael and Karen McVey- awards; Tom Reynolds- picture boat; Karen Baltzel - photographer; Dwight Shrigley - mark boat; Donna Parker burgees; and finally, Chef Matt, Ginger, Bruce and the rest of our BLYC staff for ensuring that everyone had a great weekend.

We had good participation with nine Interlake boats and five cruisers on Saturday and four cruisers on Sunday (the Interlakes only raced on Sat.) The conditions were near perfect on Saturday, but challenging on Sunday with high winds. The sailors handled the first two races quite well in spite of winds gusting to 17 mph. However, at the start of the third race, Poseidon and his son Aeolus, Greek god of winds, tired of sparring with mere mortals, unleashed 3 foot waves and 25 mph winds, throwing Bob Snow's Salad Girl into the committee boat - cutting our anchor rope and damaging Bob's motor. Thus, the racing ended on Sunday.

The Auxiliary is a great inexpensive way to take part in many fun events while also getting more involved in your club. Dues are 3rd - Mike McClinchie

Cruisers 1st - Bob Snow 2nd - Wes Cartwright 3rd - Chuck Bendig

For more complete results and entries, go to the Club web site and click on Race and Regatta and then on Snowball Regatta.

One of my goals is to increase participation in sailing - either as skipper, crew, or spectator. I encourage those of you who sail to come out for some Sunday racing and test your sailing skills against your fellow club members -even if for a few times. If you are not competitive, that is okay because most of our sailors sail for the love of sailing . Don't own a boat? No problem. Our sailors often need crew (no experience necessary) and are more than happy to allow folks to"sign on" to crew. This is my situation. I don't own a sailboat (yet), but crewed for various skippers on several occasions. Also, many skippers will take you on as a passenger . I grew up on power boats and there is something special about the serenity and quietness of a sailboat gliding through the water powered only by the wind. Finally, if this is not for you, come out for lunch on the porch and watch the sailors compete against each other and the wind.

I will leave you with a line from a sailing song by Jimmy Buffet:

" ...sails, they're just like wings, the wind can make them sing ... "

Sail on!

only \$25 per year and membership is open to men and women! If you have questions about the role of the auxiliary or would like to join please contact any one of the board members (Tami Schroeder, President; Michelle Lyons, Vice President; Gail Beck, Treasurer; Claire Sanzone, Secretary.)

#### "Ballenger Park?"

Prior to 1983, BLYC's real estate holdings consisted only of Watkins Island, the attached docks, and the small lot at the end of the footbridge. We had use of the parking lot only through an arrangement with our neighbor, Alice Rosebraugh (which required putting 50¢ for parking in a coffee can each time you drove in the lot). Without Alice, or had she sold the property to someone else, we would have been without parking. We also had no dry sail area, boat storage, or a hoist sufficiently large enough to launch boats. While BLYC was active and prosperous, the need to address these concerns was a constant part of the club's long-range plan.

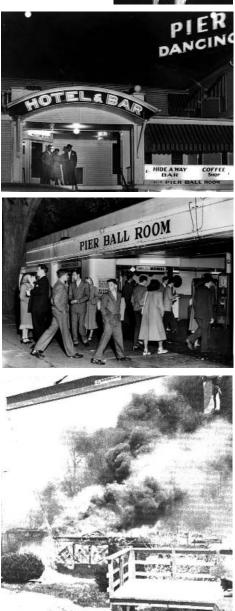

In March of 1983, the Board of Governors voted to purchase a piece of property on the towpath, east of BLYC. Over the years, this property had been the site of the Lake Breeze Hotel and Pier Ballroom, part of the amusement park, and, at the time the Club purchased it, home of the "Foxy Lady" bar and a few apartments. The acquisition of this property required using the Club's investments in the Fire & Casualty Fund and, therefore, approval of the membership. As insurance coverage was both sufficient and affordable, the Board felt that moving these investments into real estate was in the Club's best interest. Not only was real estate on the lake a good investment, but this property would give BLYC permanent access to the lakefront and room for future development and expansion. At the membership meeting, there was considerable opposition to using the fund, but in the end, approval was obtained and the purchase went forward.

Work on the property began almost immediately. That same September, our current hoist was installed for members to launch and work on their boats. The building that housed the bar was in disrepair and, after the tenant didn't renew the lease, the Club decided that the costs of repairing the building were too great. On April 30, 1984, the building was used as a training fire for the Ohio Fire Academy and the work to repurpose the site for boat storage began. An 8' security fence and lighting was installed and storage/drysail spots were made available to members for the cost of \$75-\$100 annually. The first member to rent a spot was Mac Wood, long time member and tireless volunteer at BLYC and father-in-law of our current Vice Commodore, Tim Ryan.

Commodore Foster's June, 1983 Log article began with the simple statement,

#### Looking Aft

P/C Steve Harris, Club Historian

The former Breeze Hotel and Pier Ballroom, in a state of disrepair, was torched to make way for the Eastport boatyard in 1984.

"Eastport is ours!" While Commodores Foster and Fisher negotiated the deal on behalf of the Club, it was initiated the year previous by 1982 Commodore Ed Ballenger. Ed's foresight and leadership throughout was invaluable to the project. So much so that in Commodore Foster's Log article announcing the purchase, he suggested that "the property could fairly be named Ballenger Park." Ultimately though, it was named Eastport. Frank recollects that "well, it's East of the Club and it's a port, which is a quite nautical word." Frank started using the name, and it stuck. He says, "It was easier than naming my children!" (Really, Frank? How hard was it to name your oldest son?)

One major shortcoming of the property, however, remained for years to come. After the heyday of Big Bands at the lake, the Pier Ballroom closed and was later used for the Dodge 'Em Car ride at the park. Abandoned when the park closed in the late 1960's, the Pier Ballroom later burned to the waterline in the early 70's. This left many old piers in the water as significant hazards to navigation.

After many years of discussion and planning, in October of 2000, Governor Dan Knaul announced that the Board and Trustees had approved the construction of 38 new docks to be located at Eastport. This project required far more than just building docks, however. All of the old piers left from the fire that had been "prop-killers" for years had to be removed first. The contract was let to P/C Frank Foster, IV and thanks to his creativity and skill, literally hundreds of piers (and three Dodge 'Em Cars) were removed. The new docks, wider and longer than those on Watkins Island to accommodate newer boat designs, were dedicated Memorial Day Weekend of 2001 by our Fleet Chaplain, Fr. Mike Gribble, and Commodore Nick Desantis.

Over the years, this fine facility, along with the Rosebraugh property purchased in 1989, have certainly benefitted the Club. We now have new docks, storage, a drysail area, sufficient parking, and a home for the BLYC Junior Sailing program. Thanks to this facility, we've also been able to host several large sailing events such as the 1992 and 2011 Interlake National Championships, the Lightning Ohio District Championships, and I-LYA Junior Regattas. It's also a great place to work on your boat and just hang out with friends. Meet me for a beer in Ballenger Park this weekend?

More information on the purchase of both Eastport and the Rosebraugh property can be found in the 2006 Centennial History book available at the Club. Also see Commodore Foster's article about purchasing the Rosebraugh property in the History Archives at <u>www.buckeyelakeyc.com</u>
