This will be a fun evening with The Jack Gorham Band and a special menu from Chef Matt. Mark it down May 18 dinner, dancing and a chance to honor Commodore Gayle and many of our Former Commodores.

Everyone will be receiving an invitation

Hello All! The season is starting to spring forward and we are all looking forward to the sunny and warm months ahead, leaving the dreary winter months behind.

Thank you all for the many kind notes, thoughts and prayers of condolences for the loss of my mother, Marty Fisher. She was very close to me, my children and a lot of you. She had many, many dear friends at the club. She loved BLYC and Buckeye Lake, I will miss her dearly.

I invite you to join us at the Semi-Annual meeting on Sunday, May 5 at 2 p.m. It is a great opportunity to participate in the governance of our club. I am proud to be working with this strong, cooperative board. I encourage you to come and join us in making the club an even better place.

What is The Commodores Ball?

Most Yacht Clubs observe the tradition of holding an annual "Commodores Ball" which is often one of the premiere social events of the year. But, what, really, is a Commodores Ball? (And, for that matter, is it Commodore's or Commodores'? Where do you put the apostrophe? Does it belong to someone at all? But, I digress ...)

Unfortunately, historical references to the BLYC Commodores Ball are few and far between. But, here are some thoughts on this great Club tradition.

The dictionary defines "ball" in this usage as... a large, usually lavish, formal party featuring social dancing and sometimes given for a particular purpose, as to introduce debutantes. Well, I don't know that one can draw much of a comparison between BLYC Commodores and "debutantes" but one of the purposes of our Commodores Ball is certainly introductions. It is a tradition in most yacht clubs to recognize those who volunteer their time to serve and lead the Club.

At some Clubs, the event is held specifically to recognize the current Commodore. At others, like BLYC, we recognize all of

Looking Aft

P/C Steve Harris, Club Historian

our Commodores. BLYC Commodores are indeed a unique, diverse, and sometimes quirky group, but they all share one thing in common – years of service to, and a great love for, BLYC.

It seems appropriate that we should recognize that. It is the duty of the Vice Commodore to put on the Commodores Ball and the manner in which he or she chooses to recognize our Commodores is at his or her discretion. Some years, we've heard details of their accomplishments as Commodore, others, a bit about what else was going on in the world during their tenure. But, it always has included some good-hearted fun and frivolity – I still proudly display my "Commodore's Caricature" at home (Thank you Commodore Russell!) Given the well-

known humor and wit of Vice Commodore Ryan, this year's event is a "must attend" if for no other reason than to find out what he's got planned!

"A large, usually lavish, formal party..." may or may not describe our Ball. Having attended several other Club's Commodores Balls in recent years, I can attest to the fact that there are those Clubs that put on events that can rival a royal wedding in their lavishness and excess - tuxedos and evening gowns, \$100+ per plate dinners, and a "Grand March" of dignitaries – but BLYC's, while still a "formal" affair, is a bit less dramatic. Like any event at our Club, it is primarily for the enjoyment and sociability of all of our members, not just those being recognized and introduced.

That brings us to "... featuring social dancing..." This is definitely a part of the BLYC Commodores Ball. Like all of our events at BLYC, the fun is always the social part. All in all, the Commodores Ball is a great opportunity to have a great meal, socialize, dance a bit to a great band, and just spend some time with your fellow members.

Make your reservations today – See you May 18

Ahoy, me hearties! May has arrived and it's time to set sail, literally! The Commodore Chris J Lambrecht Cup racing series starts May 19, and will continue through October 6th. It will be divided into a Spring, Summer and Fall series. In addition, there will be three "long distance" races on Memorial Day, July 4th and Labor Day. The long distance races will be 2 to 3 times as long as the longest weekly race.

Spring series: May 19, 26, June 2, 9, 16, 23

Summer series: June 30, July 7, 14, 21, 28, Aug 4, 11, 18

Fall series: Aug. 25, Sept. 1, 8, 15, 22, 29, Oct. 6

Your Help is Needed - BLYC Racing Team

The Club will be putting on 24 racing days between now and the first Sunday in October. The racing team is made up of the sailors who race and the Race committee - BLYC members who volunteer their time to make this happen every week. Some of the members are sailors and some have never sailed. (You may have volunteered to be an official at school track relays and never have run track.) The only requirement is an interest in volunteering or sailing or both. No experience is needed. For those of you who are not familiar with sailing, this is an excellent opportunity to "get your feet wet" so to speak, (not literally). You will not be expected to be present for all of the races. Hopefully, we will have enough folks volunteering so no one will "have to do it all".

The Race Committee is made up of the following positions: principal race officer; timer; recorder/spotter; signaler; wind reader; line sighter; scorer and mark boat operator, which also serves as a rescue boat. Some of these jobs can be combined if necessary, but the more single the responsibilities, the better the product.

If you are interested in becoming a member of the racing team/committee, please contact me via the club email, see me at the club, call me at (614)975-1820 or show up

Race & Regatta

Governor Dave Lawrence

on May 19, at 1:00 pm on the first race day.

Become Part of a Tradition

The Yacht Club has a storied tradition of watching the sailboat races on the front porch on Sundays during the summer. Many of the spectators were not sailors, but used the occasion to celebrate summer. Come out for lunch on "the veranda" or sip a refreshing cool beverage. Once again, discount draft beers will be available on the porch from 2:00 until 5:00 pm. Also, a fine dinner in the cool of the evening is always a special treat. Continue the tradition with a group of your friends or family!

Become a Sailor

Don't forget that there are opportunities to sail as a crew member for the racing season. Most sailors would welcome you aboard as a passenger or a crew member. No experience is needed. As mentioned in the April Log, if the interest is there, we can provide lessons for adults. Also, don't forget that BLYC has an outstanding Jr. Sailing program for your children or grandchildren. Look for information in the Log or sign-up information at the Club.

In conclusion, I will leave you with some lines of a nautical song:

"Shores, distant shores; that is where I am headed for.

I have the sun to light my way, I'll sail into the light of day."

Junior Training

Governor Michael McVey

Hello Juniors!!! Hopefully you're all gearing up for the summer. With the beautiful weather we've had recently, probably difficult to stay inside now!

Anyhoo...well we're now set for instructors. We've got the three musketeers (or amigos) lined up; very impressive group. Devin Copfer, who was the instructor and coach for the Juniors at the Hoover Sailing Club last year and is the current Coach Rep on the I-LYA Junior Sailing Council, will join Colin and Michael for our classes.

So go to the website to sign up for classes!

House & Grounds

Governor Jeff Lyons

HERE COMES THE SUN! I'm sitting here writing this article and picturing a warm Saturday afternoon at the lake, relaxing by the pool, Jimmy Buffet tunes playing, cold drink in hand, and my wife nagging me about putting on another layer of SPF 5000 ... Ahhhh Summer! Can you feel it?

Our staff is busy preparing the club for the upcoming season. I hope to have the pool open on May 15th. but, as always this is dependent on the condition of the pool and the weather. Also scheduled are repairs to the front porch railing and I'm hopeful to have enough in my budget to replace the front porch carpet. We will do our best to minimize the inconvenience to you, our members, as we roll into another awesome summer season.

See you at the club!

New Communications

"e-Newsletters" are periodic emails to the membership with information on upcoming activities and events at the Club.

To sign-up, visit www.buckeyelakeyc.com, select e-news on the "Our Club" menu and follow the directions on the registration form.

Coming soon! The new BLYC Facebook page, where you will be able to see what's happening at your club, see and share photos and comments, and catch up with members near and far.

Please note, we will hold a meeting at 8:30 p.m. on May 16 to update our Club Calendar. Hope to see you there!
