

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

June, 2013 - Vol. 22, Issue 4

Commodore Gayle Fisher-Mulvey

Hello All! I hope everyone's long awaited summer is everything they have been anticipating! The Club is spruced up, painted up and waiting for you!! There is something going on most all of the time in the next weeks and months and I do hope you will

I want to thank the members who attended the semi annual meeting and the hundreds of members who understand and appreciate the work of the Board. We are members too, who care and volunteer our time to make the club a better place. For 100 years, this club has prospered through good times and bad, thanks to the participation of our membership. As a member of the club for more than 30 years, I encourage everyone to be active members "many hands make light work." This is your club.

The 2013 Commodore's Ball was another great success, we had 10 Commodores and many members who enjoyed the event, great food, and exciting entertainment. I

come out and enjoy. Ginger, Matt and the staff are doing a great job. We have some new faces on staff so please welcome them when you see them working hard to make your Club the best place to be.

Junior Learn to Sail Camps as well as the Junior Racers will be in full gear by the time this Log arrives to you. Please think of your children, grandchildren, neighbor children as potential campers. My three children all attended sail camps and loved it. We have a wonderful sailing instructor who will be safe AND fun!

Remember the 4th of July at The Club!! There will be lots of activities, fireworks and fun for the whole family. Make reservations early for seating on the porch for the night of fireworks. On the morning of the 4th, the Past Commodores and current Board of Governors has a "Raising of the Flag" ceremony that is a neat tradition. We will be tightening up security for the Club for the fireworks as parking is always at a premium. We will be asking for donations at the bridge that will go to the BLAAST group who puts on the fireworks for the lake. We will also be asking for members and guests names in an attempt to keep the Island reserved for the members and their guests.

Bar & Kitchen

Vice Commodore Tim Ryan

would like to thank the staff for their continued great service and professionalism. BLYC is operating well and we are ready for summer. Come on down!

Lastly, the Commodores Ball was this past weekend, and I would like to thank the past Commodores their spouses as well as all the members who came to the festivities. It was beautiful, the food was outstanding (as always)...it was just an outstanding event. Thank you to Diane and Tim Ryan for putting on a fabulous party! Come enjoy your Club for all the fun, food and relaxation that we can provide! See you at The Club.

This year the Club will celebrate its first "Island Hop" party. And who better to ring it in than Arnett Howard, the master of Creole Funk. Since the party hasn't happened yet we can still make anything of it we want. Resort wear, fancy drinks, tanned skin, bare feet, flip flops and Island music. What else do you need, how about a full moon ! No problem mon, we'll have it here for ambience. So come on down to the Club and bring your own idea of Island Hop fun. See you there!

So come on down to your one and only Buckeye Lake Yacht Club and enjoy the fun. WE AIM TO ENTERTAIN!

Docks & Rentals

Governor Jerry Besanceney

Look us up on the BLYC web site under OUR CLUB tab and see all our docks.

We will have vacant identified as soon as we resolve last three late payers, way ahead of last year.

Also look for new green guest dock markers, more than you think. Includes outer wall area now that we have removed angle iron and bolt protrusions, no more gougers.

Over 30 docks got deck repairs, all light bulbs are working.

The dock license stickers are going on docks now, matching boat stickers are in club office.

Enjoy our great club facilities this season.

Well, summer has started and so has sailing at the club. In fact, by the time you read this article, we will have had three weekly races (Lambrecht series) and a long distance race on Memorial Day. I hope many of you have had an opportunity to watch the sailing from the porch over lunch and a cool beverage. (Remember discount drafts during the races). At the time of press it appeared more folks would be sailing this summer and/or crewing. Don't forget, you do not need to commit to all of the races. Be there at 1:00 for the captains' meeting. Sailing races start at 2:00. Also, if you want to volunteer to help with the races, please be at the club at 1:00. By the way, there will no racing on Father's Day, June 16.

Also, for those of you who are not using your sailboat (or powerboat), we have new and old members who are contemplating starting sailing who might be a good fit for your old boat. Contact me through the club email or see me on Sunday at the races. I have heard of a 26 ft. O'Day in great condition with seven sails that is for sail (ha ha). If you are interested let me know and I will get more info or hook you up with the seller. There are a couple of folks interested in a Flying Scott sailboat if you are thinking

Lambrecht Cup

Race & Regatta

Governor Dave Lawrence

about parting ways with yours.

Well, it looks like this article is a rap. Next issue I hope to have some results from the early races. And now, I will leave you with the words of a boat song:

"Lakes below the mountain, flow into the sea

Like oils applied to canvas, oh how they permeate thru me

But there's this one particular harbor, sheltered from the wind,

Where the children play on the shore each day\And all are safe within"

Sail on

Junior Training

Governor Michael McVey

Well...it's sailing time and the Juniors are ready to go.

We kick off our first fundraiser with a raffle of the summers finest: a tub of cocktail ingredients...Rum, Gin, Vodka, wines, fancy ice cube trays, mixer...get your tickets! The first fundraiser of the season was on Memorial Weekend Sunday, May 26; a Boat Wash down at Eastport between noon and 4 pm. Hope you came on down and kicked off your boating season with a clean start!

Instruction camps first week is June 10 - 14. We've got a great lineup of instructors: Devin Copfer, Colin Gutridge, and Michael Davis. Other camps are the June 24 - 28, July 8 - 12, and July 15 - 17. The last one is two half-day camps, one in the morning and one in the evening. And, they are only three days long.

The morning camp is for future sailing racers. All three of our instructors are racers; Devin races for The OSU racing team and is racing in a national race this summer with Matt Fisher. The afternoon camp is for PolyWogs. Great time to introduce your young ones to sailing in a safe environment!

We have a good group of youth racers lined up: Colin Gutridge, Michael and Matthew Davis, Susannah Schroeder, Keegan and Kennedy Christie, Cora McVey Steele, and Ian Smith...so far!

And, thanks to David Luttenberger who started it and Dave Lawrence who is continuing it, the Juniors can compete every Sunday afternoon with the adult sailors. One Sunday afternoon last year, Matthew Davis won!

Something to be Proud of...

A brief history of Junior Sailing at BLYC

Although youth sailing has certainly existed at the Club as long as we've raced sailboats, the earliest references to Junior Sailing in our historical archives are from the 1950's - about the same time that the Inter-Lake Yachting Association began its "Junior Bay Week" Regatta at Put-in-Bay. Junior Bay began in 1956. In those early years, BLYC dominated. In both 1956 and 1957, skipper Jim Dressel (P/C 1980) along with crew Ed Ballenger (P/C 1981), Marty Headlee, and Jeff Dum won both Junior Bay and the US Sailing Area E Championships and went on to compete in the Junior National Championships for the Sears Cup.

Over the years, our Juniors have represented BLYC well and brought home numerous of trophies from Junior Bay and other youth events. Several who started their sailing careers here have gone on to be recognized as being at the top of the sport in the United States. Greg Fisher is, today, one of the most recognized and accomplished competitors in U.S. Sailing history - 21 North American or National Championships in seven different classes, and winner of the 2008 J/22 Class World Championship. Matt Fisher has won several National and North American Championships in both the Lightning and Interlake Classes, the Gold Medal at the 1991 Pan-American Games, and the 2009 Lightning Class World Championship. Will Petersilge, Dan Dressel, and Dan Roshon won the Junior National Championships and brought the prestigious Sears Cup home to BLYC in 1977 - the first ever inland lake Club to win it! Buckeye Lake has also produced three Lightning Class Junior North American Champions - Will Petersilge, Matt Fisher, and Mike Hein. Mike went on to crew on two Maxi Class World Championship teams and on the 1992 Americas Cup winning boat, America3. Over the years, a number of BLYC Juniors have also gone on to race competitively in college as well - in recent years; Evan Miller (OSU), Mallory Miller (OU), Halle Harklau & Austin Miller (Wittenberg), and Gwen Mulvey, Commodore of the OSU Sailing Team.

However, BLYC Junior Sailing is far more than just those who have made it to the top of the sport. Over the years, our Juniors have consistently been recognized for their performance both on and off the water. In addition to bringing home many trophies for sailing, BLYC Teams have won the Put-in-Bay Yacht Club Trophy for Team Sportsmanship at

Looking Aft

P/C Steve Harris, Club Historian

Junior Bay several times. Year after year, we hear compliments from regatta officials and other Clubs about our team. After all, the true success of our program is not the "hardware" our sailors put in the trophy case, but the fact that it produces lifelong sailors and boating enthusiasts who continue to participate not just in the sport of sailing, but also in helping to make our Club the great place that it is. Many of our past Juniors are still quite active in the Club - including (but certainly not limited to) P/C Jim Dressel, P/C Ed Ballenger, Marty Headlee, Sue (Ballenger) Headlee, Bill Reynolds, Tom Reynolds, Phil Schell, P/C Frank Foster IV (1998), Bill Kumler, Mike Jacobs Jr., Tami (Headlee) Schroeder, Tracey (Hein) Davis, Samantha Falter, Chris Reynolds, Ryan Russell, and Kara Mulvey.

While the 2013 season is just getting started, this year's Junior Bay Week Team includes

veterans Colin Gutridge and Michael Davis along with newcomers Matthew Davis and Suzannah Schroeder. As plans get underway this coming month, there are several other youth at BLYC who plan on competing in junior regattas this season, too. It should be an exciting time.

BLYC Junior Sailing is something that we all, as Club members, can take pride in. We are fortunate to have a great group of youth at our Club, not just those who sail but also those who help and support the program, and work in numerous other ways. This year, there are several opportunities to come out and show your support - Saturday Junior Regattas at Hoover, Sandusky, and Cleveland to name a few, and, of course, Junior Bay.

This year's Junior Bay Week is July 21-25 at Put-in-Bay and is being chaired by BLYC's own Matt & Tracey Davis. In its 58-year history, BLYC members have chaired this event 7 times! (Cliff Dum - 1957, 1964; P/C George & Marty Fisher - 1975; Tom & Patti Greiner - 1981 (as PIBYC); P/C Steve Harris - 2006; and, Matt & Tracey Davis - 2009, 2013). As we always do, BLYC will have a picnic on Wednesday evening at the PIBYC Pavilion to support and recognize our team. Come on up, watch some racing, enjoy the Bay, and support our Juniors. They are not only a highlight of our Club's history, they are also our future.
