As you read this July Log the Summer Solstice will have been celebrated at the Club, thanks Steve Goodyear and the ever changing seasons. Good Time. We also will be ready to celebrate the 4th of July!!! Happy Independence to ALL of US!!!

This is BLYC great summer fun, great sailboat races, Jr. Sailing, power boating, swimming pool, GREAT BAR and GREAT FOOD!! We are BLYC.

Here is a bummer ... BLYC does not have a carry out license. Please do not put our Staff in a tough position. We cannot sell alcohol to go. Sorry.

Hello All! It's a great summer at BLYC!

I was just looking over the calendar of events for the summer and it is very impressive! And busy! And fun!

Wow, thanks to Governor Luttenberger and Ginger and Matt for all the great ideas. Something for everyone! Thank you Governor Sanzone for keeping us so organized!

I hope everyone has had an opportunity to have the youngsters of their family participate in the Junior Sailing Camps. They are a lot of fun and a great learning opportunity for kids. If you get a chance, come out and watch the camps.

The Sunday sailing races are also a great way to relax a day away, too.

Don't forget to bring any items to the club that you would like to donate to the BLYC Auxiliary Annual Fundraiser Silent Auction to raise money for club projects. The fundraiser is July 13th - see you there!

This is the busy season and we all hope you will come out and enjoy the Club.

Let's all have a great JULY and PARTY at The Club.

PLEASE NOTE: Our Club is for our members and their guests! We will be checking Members in on July 3, so please be sure and know your member number. If you are expecting guest, please arrive with them, or ahead of your guest, and let the gentleman at the entrance know who your guest will be. We are sorry to have to implement these procedures; however, we have received an increasing number of complaints from members that there are a lot of non-members who are denying members the opportunity to observe the Nation's birthday at the Club. For this reason, we ask for your indulgence regarding this issue.

Greetings... I'm hoping each of you is having a great summer and have had the chance to spend some time at the club. Our staff is working hard to keep the club looking great and have completed many seasonal projects.

Recent projects include; painting both pools, tearing out and installing the front porch rail, putting motion sensors on the bridge lights (no more swarms of bugs to avoid while crossing the bridge), painting behind the pool bar, and running new computer cables from the pool bar to the upstairs office. These projects are in addition to the regular daily/weekly/monthly maintenance

RACE TEAM

We had our first I-LYA Travelers' series race; Hoover Sailing Club. And BLYC had a great showing. We had Michael and Matthew Davis, Susannah Schroeder, and Oliver Krajewski all race Radial Lasers; and Ian Smith raced a Full Rig Laser. They were in a crowd of 26 Laser racers.

As I write this, we are in "Race Week" getting ready for the Wednesday racing out of Edgewater Yacht Club in Cleveland and then over to Sandusky Sailing Club for practice Thursday and races on Saturday. We have 6 participants for this week of racing: Michael & Matthew Davis, Colin Gutridge, Oliver Krajewski, Susannah Schroeder, and Ian Smith. Also, our Coach, Devin Copfer will be there.

SAILING CAMPS

We had our first camp of the 2013 sailing season. We had 15 participants and we had

Junior Training

Governor Michael McVey

excellent instruction and sailing weather for them. Devin Copfer not only has excellent sailing experience, but her teaching skills are superb. I was very impressed with how she engaged the class and the activities she used to teach them sailing fundamentals (on the white board and on the water). Her assistant instructors (Colin Gutridge, Michael Davis and Ian Smith) were great help to Devin and learned a lot.

Also, I learned something new, "Paper

Plate Awards"! They are made by the instructors (mostly by the artists, Devin and Colin) and are individualized for each camp participant...lots of fun!!!

The next camp is June 24-28, then July 8-12, and finally July 15-17. Please check the log under "Sailing & Boating", then under "Junior Sailing" for the dates and further down the page for the Camp Application.

FUNDRAISING

Please don't miss the Pancake Breakfast from 8:30 - Noon on July 4! Come to the flag raising ceremony, then to the breakfast. See our Jr. Pancake Flippers!!!

WHALER

Finally, I want to thank Dave Levacy and the Buckeye Lake Marina for the work they did fixing up the Whaler; THANKS!

Ahoy Mates! Well, we are in the thick of summer now and in the thick of

sailing and the Lambrecht Cup racing series. We have had decent sailing weather so far. There have been some trying conditions but over all the gods of sailing have smiled upon us. We have had enough wind to sail each day and no weather cancellations - knock on wood. We have had very good competition and very close races resulting in two sailors neck and neck so far in the spring series. The Bill Reynolds and Bob Snow teams are in front with both garnishing the most first places. Don Harris team, after tuning his riggings, is coming on strong and Wes Cartwright, Chuck Bendig, and Steve Goodyear have been putting forth great efforts.

On Memorial Day, we held the first of our Holiday Long Distant races - with July 4th and Labor Day to follow. The Bill Reynolds team was the winner with a time

Race & Regatta

Governor Dave Lawrence

just under 2 hours. Second place went to the John VanGuilder team in that nice Flying Scot. Close behind in third was the Bob Snow team in Salad Girl. (Bob had the fastest actual time before the handicap was applied.) Rounding out the scoring in fourth place was the Don Harris team.

Help is needed! We are in need of more volunteers to make all this happen. We have been short of race officials on a couple of occasions. Remember, no experience is needed,

and it is a good introduction to sailing. I would like to thank all the volunteers on the racing committee who have given their time to put on the races for our sailors: Don Day, PC Steve Harris, David Luttenberger (double duty as a crew member too) Tom Baltzel and Karen Baltzel - our photographer. Also, a special thanks to Sally Day for her moral support and keeping the Race Committee hydrated.

Well, me hearties, I need to get this article to press, so as always, I will leave you with the lines of a sailing song by a great sailor, Jimmy Buffett:

*"Take a holiday, you need a holiday.
Grab a pack and hit the trail,
Hoist a sail and wind up on some
moon lit bay"*

The Lambrecht Cup

In recent weeks, since Sunday racing has resumed, I've had several members ask me questions about the Lambrecht Cup. At first, I didn't consider the Cup "historical," but then I realized that this is the 15th year for this trophy at the Club. Simply put, the Lambrecht Cup is the "Best of Season Trophy" for BLYC's weekly sailboat races.

In the 1970's and 1980's, sailboat racing was a big activity at the Club. As mentioned in previous articles, several of our sailors from that time period have gone on to greatness in the sport. Unfortunately, BLYC sailing may have been a victim of its own success. As our sailors were more successful, they spent more time campaigning their boats around the country and less at BLYC. Throughout the 1990's, sailing activity here waned. By the mid- to late-1990's all that was left for Sunday racing was a small group of sailors in cruising-type sailboats - the large one-design classes were all but gone. However, week after week, this group of dedicated men and women would still come to the Club and race. In order to encourage racing (and hopefully increase participation), the Board established the Commodore Chris J. Lambrecht Cup - Best of Season Trophy for the 1999 Sunday series. The rules and instructions were written by your author (as Race, Regatta, & Junior Sailing Governor that year), and the beautiful silver cup awarded to the winners was donated by Commodore Nick (2001) and Michelle DeSantis. The inaugural winner of the Cup - Bill Reynolds.

Over its brief history, the rules have changed and modified as we've made adjustments to keep the race fair and up-to-date. Since boats of multiple designs are compet-

Looking Aft

ing in the same race, handicapping is a must. Currently, we follow the United States Performance Racing Handicap Fleet (US PHRF) guidelines and formulas for doing this. Including 1999, the Cup has been contested fourteen different times with seven different skippers winning.

But... who was Commodore Lambrecht?

Chris Lambrecht joined BLYC as a Junior Member in 1924 and was an active member up until his death. Over the years, he was an active sailor and race officer for BLYC, and served as Commodore in 1939. In his early days at the Club, Chris was very active on the race committee. In fact, his racing instructions for both sail- and powerboat races are reproduced in BLYC's Centennial History Book.

Incidentally, this wonderful book about BLYC History, expertly written by Dr. Tony Lisska, is an invaluable resource and enjoyable read. If you don't have a copy, they are available at the Club for purchase. This is a must have for every BLYC member! -

As a Race Officer reading Chris' sailing instructions, I'm not sure if things were simpler or more difficult in his day, but they were certainly different. In my early days as a Race Officer at BLYC, I would typically show up early on Sundays. Chris could always be found on the front porch for the

races. I probably learned more about sailboat racing from those casual porch conversations than from any book or training course. I would imagine many others at BLYC can say the same.

As a sailor, Chris was quite competitive in his younger years, in a variety of classes - most recently the Ravens. He frequently represented our Club at the Annual I-LYA Bay Week Regatta at Put-in-Bay. Although not competitively, Chris continued to sail his wooden Raven sailboat well up into his 90's. Always a fixture at BLYC, sitting on her lift in the front basin, it was a sad day when the Raven left the Club. Although currently in disrepair, the Raven is still around and hopes are to refurbish her and use her to train new sailors at the Club.

As Commodore of BLYC, Chris' term was marked by both accomplishments and challenges. At the start of his term the Buckeye Lake Building Company was dissolved and BLYC finally owned the island and clubhouse outright; the Club introduced the 15' Lyman Cat and K Boat sailboats to its racing fleet; and, there were many enjoyable parties and events. But, those were the pre-war years and while the country was entering a state of "preparedness," participation in recreational activities waned signaling difficult times ahead for both the Club and our country.

Commodore Christian J. Lambrecht passed away on December 22, 2005 at the age of 97, having been active at BLYC for over 80 years.

Races for the Lambrecht Cup are held every Sunday - late-May through September - at 2:00 pm. We welcome all sailors, future sailors, sailing fans, and everyone else to come on out and enjoy.

Bob Dye Poker Run

Bob Dye (Joan Hein's father and Tracey Davis' grandfather) joined BLYC in 1950 and was Commodore in 1975. He was one of the originators of the Friday evening poker games and was an avid power-boater; thus, the Bob Dye Poker Run!

Another one has come and gone. We had twenty five participants on June 15 who had lots of fun with the Poker and different bars around the lake and then many of them participated in the Karaoke contest in the evening.

I want to thank Copper Penny, Island House, Papa Boo's, and Woody's for participating: giving cards for the poker hands, serving our thirsty participants, and contributing to our door prizes (T-Shirts and certificates).

Joan Hein had the winning hand; Paul Sanzone was second, and Dwight Shrigley was third.

Thanks to all who participated.
