

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

September, 2013 - Vol. 22, Issue 7

Commodore Gayle Fisher-Mulvey

I hope everyone has been enjoying the Club this summer. As I write my last Log Article, there are many who have given of themselves to this Club and I would like to acknowledge them. I would first like to thank the staff for doing such a great job in providing a great place to be. Chef Matt's food creations are second to none and Ginger, as the front manager, has provided us with wonderful service and a welcoming atmosphere. Both have done a really good job at helping to keep the Club running smoothly in the bar and kitchen area. Both are always willing to discuss new ideas and cooperate fully in entertainment or any of the other MANY things we wing at them:

I would like to thank this amazing Board of Directors. Governor Paul Sanzone (with help from Steve Harris) has made important changes to how we distribute information to the membership with "blasts" and Facebook. It saves money for the Club and is more accessible for the members. Governor Dave Lawrence's enthusiasm for race and regatta is nothing short of contagious, he is such a great

guy to work with. Governor Lyons has gotten our flag pole straight and has dealt with a myriad of daily issues that come up with an old building and has done a great job. Governor McVey has brought new life into Junior Sailing, creating a Board of Directors and having the kids get so involved, it's been great to see. Governor Luttenberger has done a fabulous job with entertainment! He has given us unparalleled variety and the attendance has been phenomenal! Rear Commodore Wadley has brought in new members and has done a great job of being calm and steady through a few difficult meetings this year. Last but not least, Vice-Commodore Ryan; his passion for the Club and its members has been inspiring to me and the rest of the Board. He has become a very dear friend to me.

A huge Thank You to my family; especially my husband, Tom. The year started with a lot of joking of what "title" he should be addressed as typically the spouse of a Commodore is addressed as "Lady so and so". He heard all of the jokes and would just answer, "how about calling me Tom." He has always been so supportive of me with his typical dry humor. My kids, Kara, Gwen and Ian, have come to all the functions and again, supported me tirelessly. I lost my Mom this year, but I know she was proud of me; she always loved to hear about the "goings-on" at the Club. I am so fortunate to have the family that I have.

The end of my tenure as Commodore of The Buckeye Lake Yacht Club is bittersweet. It has been an interesting year, to say the least, and I have learned a lot. In all that we have accomplished this year, the main objective has been to "do the right thing" and to keep the well-being of the Club and its members at the forefront. As a Board, we made some big changes to the staffing and administration of the Club, for which I truly believe the Club will be better, both financially and in atmosphere because of the efforts. I am proud to have been a part of this Board. Thank you.

The year is winding down! Don't stay home, get to the Club and have lunch, dinner, and be sure and drink.

Remember the Club can only be successful if the Members come out and enjoy it.

Please keep in mind that the Annual Meeting and Election is Sunday, September 15. Candidates night is Friday, September 13. Please mark your calendars and make plans to attend both.

I wish to thank all the members who have sponsored a new member. We have 34 new members so far, this year. This is the best time of the year to join the Club. When a new member joins now, the next dues payment will not be due till January 2015. Applications are available at the Club or on our website.

All members are welcome to become involved in the Yacht Club. There are many different events, activities, and projects that you could help with.

Please contact any Board Member if you wish to help. Remember, this is YOUR Club!

COME IN AND ENJOY YOUR CLUB.

ENTERTAINMENT NEWS! Well, the summer may be winding down, and the Elections coming this September, but we still aim to entertain our members into the Fall and beyond. There has been a lot going on in entertainment to make next year a complete success. We now have a new HD projector and 120" diagonal screen mounted in front of the fireplace. (Yes, that's a 10 ft BIG screen!) This will provide tremendous new entertainment opportunities for the Club next year. We intend to use the screen to present major sporting events like the 2013 America's Cup Racing program, OSU tailgate parties, feature movie nights and speaker presentations Jan - Mar. This new screen and projector could also be used by companies for business meetings and seminars requiring up-to-date audio/visual equipment. Please let me know if you, or someone you know, may have an interest in this. Watch the schedule for upcoming events and come enjoy the BIG SCREEEN.

NEWS FLASH! So what's coming up in September; Candidates night, elections, supper club music, and tailgate parties. See below for details.

WE AIM TO ENTERTAIN!

Bay Week 2013 was a great week; the kids of BLYC did great. BLYC took first and second in Lasers Full Rig (Colin Guttridge and Ian Smith), Michael Davis placed significantly higher than he did last year in Radial Lasers. We had 5 sailors this year as opposed to 2 last year (rookies Susannah Schroeder, Matthew Davis, and Ian Smith), BLYC won the Team Shipshape award, and while we were up there I-LYA gave us a trophy to take to back to BLYC for 1st place in Laser Full Rig in the I-LYA traveler's series for all of 2013 (Colin). Check it out in our trophy case.

In addition, BLYC was very well represented in Bay Week leadership and volunteers:

- Matt & Tracey Davis: Co-Chairs (2nd time - 2009)
- Steve Harris: I-LYA Vice Commodore and 420's PRO
- Dave Lawrence: 420 Committee Boat
- Mac (me): Laser #1 Mark Boat
- Gayle Fisher Mulvey, Joan Hein, Charlotte Davis, Tami & Vic Schroeder, Jeff Guttridge, Karen McVey, Steve & Kirsten Smith, Kirk Chambers ... hauled boats up and

Ahoy! Well, as summer winds down, sailing will continue. We are now in the Fall Series of the Lambrecht Cup and the Snow Ball Regatta will be coming up in the middle of October. We will need plenty of volunteers for the race so please let me know. Also, if you haven't had an opportunity to come out to watch the sailing from the porch, time is running out. In addition, if you would like to ride along with one of the sailors, be at the club around 1:00 pm on Sunday.

As you read this, the summer series will have concluded as well as the Labor Day Long Distance Race. At this time, the Summer Series is too close to call. We have had fairly good participation with the races this summer, but encourage all sailors to come out and race at least once this season. A tip of me three cornered pirate hat to the usual group of dedicated volunteers: Don and Sally Day, Tom and Karen Baltzel, PC

Docks used this week end for antique boats. We now have a waiting list for the new area 300

One party : Jerry and Gail Klink

We also have a list for garages : Please advise your interest there.

Lists are posted on porch.

We continue dock repairs and the removal of metal items from the outer sea wall was appreciated.

Thanks,

Every single parent and two grandparents participated in assignments, POD and Fire watches: Matt & Tracey, Jeff & Lin, Tami & Vic, Steve & Kirsten, and Ian's Grandparents.

And, we had 6 out of 9 of the Board of Gov's and one of the Board of Trustees came to the Wednesday evening "meet and support the racers": Gayle, Chuck, Jerry, David, Dave,

Governor Dave Lawrence

Steve Harris, Gov. Jerry Besanceney, and Gov. David Luttenberger.

As always, I will end with some lines of a sailing song.

"Mother, mother ocean, I have heard you call.

I wanted to sail upon your waters, since I was three feet tall.

You've seen it all. You've seen it all."

Mac, and Don.

All in all...an excellent week for Jr. Sailing! Thanks to all!!! If I missed anyone, please let me know.

Labor Day Weekend Jr. Sailing Regatta

Since the Jr's have been back from Bay Week, they have been on the water as often as they can. We are seeing more and more interest. So ... looking for something to do on Labor Day Sunday, September 1 ... why not bring your Jr Sailors to Buckeye Lake Yacht Club. Bring your Laser/Radial, 420/FJ, and Opti's racing will start at 11:30 am. Each class with 3 or more boats will have its own start.

Parents can enjoy watching the races from the clubhouse or swimming pool.

Any questions please text/call or e-mail 614-446-0131. Tracey Davis

SAILING CAMPS

Well another sailing camp season is over. Thanks for all the sailing "campers"; thanks to Devin, Colin and Michael (the instructors); and thank you to all the parents who registered, paid and got them there!

FUNDRAISING

The pancake breakfast was a hit!!! The Kids and Chef Matt did a great job; regular pancakes, blueberry cakes, and chocolate chip cakes with bacon and lots of syrup!

The Reverse Raffle is doing much better, much faster than we imagined. A chance to win \$1,000, \$500, \$250, \$150, and \$100. If you have interest or have any questions, please talk to a junior, to the bartender, or give me a text or call at 614.282.7105.

September 1 (Sunday of Labor Day weekend) is the Spaghetti Dinner & Silent Auction. The hours are 5:30 to 8:00 pm. The Silent Auction already includes: a five hours of Sailing & Picnic with Scott & Karen Evans; a Business Portrait by Greg Miller; Holiday Dinner and Music at the McVeys; and Iron Sailing Art by Colin Guttridge!

Jr. Sailing Facebook

Yup; thanks to Evan Miller we have our own Facebook page. Thanks to Paul Sanzone we have a link from BLYC's Facebook (facebook.com/BuckeyeLakeYachtClub) page or you can go directly there at facebook.com/BLYCsailing.

Finally, thanks to Simon Krajewski for saving the Jr's Whaler. He was observant and saw that it was off the lift and taking on water. He took initiative; got it back on the lift and drained the water. Thanks Simon

Greetings from House & Grounds. What a great Summer at the yacht club. I'm sure many of you, like me, have kids back in school and don't get to spend as much time at the club as you'd like, but please don't forget about all of our fun late Summer and Fall activities.

The pool will remain open through Set.17h, so come on out and enjoy our typical warm sunny Sept weather. Take a dip in the pool during the half time of an OSU game tailgate party. Go Bucks!

New carpet has been ordered for the front porch and will be installed soon. This much needed replacement will be the finishing touch on our newly renovated front porch. Recent upgrades include new railing across the front, hand rails down the steps, lighting across the top of the porch and new ceiling fans. I hope you all enjoy.

Fall work day is scheduled for Sunday October 20th.9:30am-1pm. Please come out and help us ready the facilities for the coming winter season. We provide donuts, coffee, and juice in the morning and then pizza/beer for lunch. Please remember that the bar/kitchen are closed for business on the cleanup day to allow for a thorough cleaning in both areas.

House & Grounds

Governor Jeff Lyons

We've completed many large projects including a large pavement repair, sealing and striping of the parking lot, two large concrete repairs on each side of the club, tree trimming, painting the outdoor wood railings white, sanding and staining the pool deck, painting the main & kids pool, front porch rail replacement, and front porch carpet replacement. In addition numerous smaller tasks are being completed all the time.

It has been an honor and a privilege serving as your House and Grounds Governor for the past two years. I've enjoyed this role immensely and hope that you have seen the many positive improvements. See You At The Club!

Auxiliary

Thank you to all who donated items to our summer fundraiser and helped make it such a success. We had a lot of fun and made enough money to cover the cost of new porch fans and lights which are looking great! The new speakers at the pool have also been well received by members - we heard "they rock!"

The August card party, hosted by Joan Hein was a great time. A big thank you to Joan and to Donna Parker for putting such a fun event together!

We'd also like to thank Donna for taking care of the flowers around the club again this year. We're sure all our members will agree that she has kept the flowers and shrubs looking amazing this season.

Labor Day weekend at the club is not to be missed. Music, food, Junior Sailing Regatta and fundraiser, more food, drinks and hopefully lots of sunshine!!

Election Day is September 16. If you are interested in holding a Board position on the Auxiliary there will be some great opportunities coming up. For more information contact President, Tami Schroeder at vics3chicks@yahoo.com or 614-402-5546. Our next meeting will be at 2 pm on Election Day. See everyone at the club. - Your Auxiliary Board

As many BLYC members are already aware, I have been working my way through the chairs of the Inter-Lake Yachting Association, our regional sailing and boating association. This December, I am to become the third Commodore of I-LYA from Buckeye Lake Yacht Club. I am truly honored and humbled to represent our club in this position, following in the footsteps of Commodore Gus Schell (1975) and Commodore Edgar T. Wolfe (1937). I am fortunate to come from such a fine, supportive club as BLYC and sincerely appreciate the support and efforts from our membership thus far. Without your support, this would not be possible.

I would like to personally invite each of you, your family, and friends to join in the I-LYA activities this coming year. There's a lot to do, and a lot of fun to be had. Several BLYC members have already accepted offices within the 2014 administration and/or volunteered to help with various events and activities, but... the more the merrier!
