FROM THE BRIDGE ☆☆☆

October, 2013 - Vol. 22, Issue 8

**Commodore Tim Ryan**

Let me start the new year at BLYC by saying Thank you to Commodore Mulvey and the Board for setting a new course for the Club. I am grateful to have been a part of it. I would like to thank the Membership for the support and Friendship and trust that you have given me and allowing me to be Commodore of YOUR Club.

The Board and I will work to continue to find ways to ensure that Our Club is cared for and operated in a manner that will make the Membership proud. We encourage all Members to get involved, volunteer, participate in events and most of all support the Club by coming out and eating, drinking and enjoying this great Club.

We are currently working on the budget for the year and making a realistic goal that will help us save money and be able to apply funds toward much needed repairs.

Soon we will be introducing the Yachtsman Fund that will be used for capital improvements throughout the years to come. The Board hopes to have information on this program ready in the very near future.

Thank you all again for the support that you have given this Board and we will continue to work in the best interest of the Club.

See you at the Club!!  
Tim

## Auxiliary News

We had a big turn out for our September Auxiliary meeting which was our Annual Meeting. The following new officers were elected:

**President: Donna Parker**

**Vice President: Sue Harris**

**Vice President: Cherie Van Dyne**

**Secretary/Treasurer: Gail Beck**

Outgoing President Tami Schroeder thanked everyone for their support over the past year.

Steve Harris stopped by and talked about his exciting new position as Commodore of the I-LYA. Since this is going to be a huge undertaking for Steve, the Auxiliary agreed to help him financially. In order for this to happen, we are asking all Auxiliary

members to please bring in a bottle of booze, "top shelf" if possible, sometime during the next month so that we can start a basket of booze raffle. The Auxiliary will also help Steve throughout the year at various I-LYA events.

Nancy Ball invited everyone to attend the Licking County Humane Society's "Tail" Gate Party to be held at the BLYC on October 5th at 6:30 p.m. It is sure to be a pawsitively fun evening and is for a great cause. Tickets for this event are \$50.00 per person.

New President, Donna Parker, talked about plans for the coming year. We have new members and new officers which will bring in new ideas and events. Having monthly card parties was discussed and more

information should be coming about that. Our next meeting will be held on Saturday, October 12, at 5:30 p.m. during the cocktail party sponsored by the Auxiliary for the Snowball Regatta.

The Helen B. Dressel Outstanding Auxiliary Member Award winner was presented at the General meeting to Tracey Davis. Thanks Tracey for all that you have done for the Auxiliary this past year. The birdhouse raffle was won by June Jacobs and the parking place raffle was won by Donna Parker.

If you haven't paid your dues yet, they are \$25. Please drop off a check at the BLYC the next time you are there. We appreciate your support of the Auxiliary.

Gail Beck  
Secretary/Treasurer

I would like thank PC Gayle Fisher-Mulvey for her leadership during the past year. I appreciated your hard work. Thanks Gayle! I would like to thank Commodore Ryan for giving me the new opportunity to serve the Club as Governor of Docks and Rentals. I have just finished the year as Governor of Race and Regatta and look forward to the challenge.

*A line from the song "The Dock of the Bay" by the late Otis Redding was: "sittin on the dock of the bay, wastin time".*

Do you have a dock for next summer to sit on and waste time? It is not too early to think about next summer and to make plans for docking your boat. The club has very competitive rates for docks and the most convenient location on the lake, which is in the middle - near equal distance from each end.

## Docks & Rentals

### Governor Dave Lawrence

And, obviously, they are closest to the Club and the many activities afforded Club members. In addition, we have garages and boat yard storage.

If you wish to rent a dock, garage, or boat yard storage, please complete a "Rental Request Form". The form is available on the Yacht Club website under Docks and Facilities. The form may be submitted online, printed, or is available at the Club office.

Please submit this form if you wish to cancel or change your assigned space or add a boat hoist. All changes require prior approval.

**URGENT:** Members using the boat yard and docks, please remember to secure the gates as you enter or leave. A trailer belonging to Junior Sailing was stolen recently because the gate was not locked.

As the boating winds down, remember that state dock licenses expire on Nov. 1. All watercraft should be removed within 15 days after this date. If you have any questions, please feel free to contact me at the club or online. There is plenty of fine boating weather in October! Come on out to the Club and take advantage of the beautiful season!

## Membership

**Governor  
Jeff Lyons**

Greetings from Membership! It's a beautiful time of the year to be out enjoying the club. There's something magical about Fall at the lake. Warm weather, calm waters, and the variety of colors as the leaves turn. I would like to encourage each of you to reach out this year and ask a family member or friend to join our club.

I am super excited about my new role since new members are vital to our club's current and future success. I will be reaching out to many of you for your thoughts/ideas to increase new membership and retain current members....."How Do We Improve The Members Experience?"

See you at the club!

## House and Grounds

**Governor  
Kara Mulvey**

I am very excited to be a part of this Board, and I'm looking forward to serving this club and its members. There was a great turn out at Election Day!

As the house and grounds governor I first and foremost need to thank Donna Parker, she does such a wonderful job with the flowers!

Chuck does an awesome job, he is always so helpful and hardworking.

I am asking the men, women, and kids to please come out to work day, Sunday October 20th starting at 9 am. This is such an important day to get the club ready for the winter, while we get a lot done, it is also a fun time with fellow members. After the work is done we have pizza and beer as well! We need as many people as we can, there is a sign up sheet at the bar to help get a rough estimate for how many people will be coming. The more people who are able to help, the better we can get the club looking.

If you see anything around the club that needs attention please let me know! You can e-mail me directly at [karamulvey@yahoo.com](mailto:karamulvey@yahoo.com), and I will get back to you ASAP.

Hope to see everyone at 9am on workday, on October 20th!

### Howard & Rosa Clark Jr.Sailing Scholarship

The Howard & Rosa Clark Jr.Sailing Scholarship recipient for 2013 is Colin Gutridge. Colin has sailed at BLYC for ten years, including four years on the race team. At the Bay Week Regatta this year, Colin took First Place in Laser Full Rig class! Colin lives in Dayton and is attending Wright State.

*Colin Gutridge receives a \$500 check from Commodore'92 Greg Miller.*

## Race & Regatta

**Governor  
Tom Baltzell**

Before starting my "first Log article" as Race and Regatta Governor, I would sincerely like to thank everyone who supported me. I will always have the best interest of the Club and membership in mind. I'm excited and look forward to working with Commodore Tim, the Flag officers and our Board of Governors. I'm so excited!

Now the Scuttlebutt:

I hope everyone had a great summer and enjoyed all that our Club has to offer!

It's been a awesome spring, summer

and fall for Race and Regatta. Thank you Governor David Lawrence and everyone who assisted David for making it a very successful season.

I look forward to continuing our great tradition of sailboat racing.

Also, Thank you Don Day for working to get all our Sailing Trophies up to date. (a never ending task!)

We are just completing the Commodore Chris J. Lambrecht Cup Series. I will post the winners in next month's Log.

Next on our schedule is the Commodore George Fisher Snowball Regatta.

Saturday, October 12, start TBD

Sunday, October 13, start TBD

Awards will for on Sunday following the races.

This event is always a highlight of our racing season. This year's event will host both local and visiting sailors in Interlakes, as well as BLYC's own PHRF fleet of cruising sailboats. Be

sure to mark your calendar and come join us for a fun weekend of racing!(be sure to check the BLYC web page for additional info)

Congratulations to John and Rob Vangilder for winning the Labor Day Commodore Dwight R. Haggard Long Distance Race. Great racing John and Rob.

Finally, I've decided to add a Sailing theme "Book of the Month".

My first pick:

Before the Wind by Charles Tyng (let me know if you read it)

In closing let me leave you with a sailing term:

RUN - To sail with the wind aft and the sheets eased out!

See you at the Club!

## **"The Father of Buckeye Lake"**

Our Club, like many, is adorned with a wide variety of historical pictures, plaques and trophies. For most of us, they've become so commonplace that we walk by with little thought as to their significance. One, which I'm sure we've all seen, hangs in the dining room and reads as follows...

IN MEMORIAM  
HON. GEORGE H. WATKINS  
PRESIDENT  
STATE BOARD OF PUBLIC WORKS  
1906 – 1910  
-----

ERECTED BY MEMBERS OF  
BUCKEYE LAKE YACHT CLUB AND  
OTHER FRIENDS IN MEMORY OF HIS  
SERVICES AS THE FATHER AND  
PROMOTER OF IMPROVEMENTS AT  
BUCKEYE LAKE

But, other than that small memorial description, who was George Watkins? Why did BLYC honor him by naming our island after him?

George Watkins was a canal man. Born and raised near Portsmouth, Ohio, he spent much of his career working on the Ohio-Erie Canal, eventually becoming Canal Superintendent. The last canal boats passed through what was then the Licking Summit Reservoir in the late 1890's and the former canals and reservoir became a hodge-podge of semi-public water supply, waste disposal, and flood control. In 1906, Watkins was elected President of Ohio's State Board of Public Works. In addition to other duties, he was charged with the maintenance of over 300 miles of the former canal system and its reservoirs – much of it in disrepair – including the Licking Summit Reservoir. Fortunately for Watkins, he found an enthusiastic group of Columbus businessmen who wanted to form – of all things – a yacht club in central Ohio... and he knew just the location!

As the founding members of BLYC set to work writing by-laws, building a clubhouse and establishing themselves as a "real" yacht club, Watkins used his influence in Columbus to spur improvements at what had now come to be known as "Buckeye Lake." Throughout the Club's early years, state workers replaced the old, wooden waste-weir with one of concrete, returned locks, sluices, and gates to serviceable condition, removed many underwater hazards, and repaired considerable portions of the north embankment. To the delight of the fledgling yacht club, the old reservoir was quickly becoming a real lake. Over the coming years, further improvements at the lake brought both Club members and visitors alike. Buckeye Lake had become a destination, the Club prospered and all due to the improvement efforts of "Uncle George" – as he had come to be known. As he usually did, Watkins addressed the BLYC membership at their annual "Tar Social" in the winter of 1908. He talked "interestingly and entertainingly" about the

Lake and its improvements, accomplished and contemplated. He reported that boat registrations at the lake that year had resulted in revenue of over \$6000 – quite a lot in those days – which would be used for maintenance and improvements in the coming year. At the conclusion of his talk, the members, overjoyed with his report, called a spontaneous, resounding, unanimous vote declaring that the Club's once-watery real estate of Sunken Island should be renamed "WATKINS ISLAND."

In 1910, Watkins was again a candidate for the Republican Party's nomination for re-election to the state's Board of Public Works. In their appreciation for all he had done for Buckeye Lake and the Club, a sizeable delegation of BLYC members assembled at the Statehouse on July 26 to rally for "Uncle George."

Exhibiting their colors and sentiments, these BLYC mariners marched out across the capitol's west concourse to their chant of "We-Want-Uncle-George-We-Want-Uncle-George..." Crossing High Street, the procession halted traffic... In the old Neil House, these boosters for Uncle George passed out cards... and pinned Watkins badges on delegates and visitors. None, there convened, was left unapprised of Watkins' candidacy and qualifications... Needless to say, Uncle George was nominated and, ultimately, re-elected that fall.

Such was the admiration and appreciation BLYC had for George Watkins. Over a period of a few short years, George Watkins had transformed a dilapidated, murky, muddy, barely-navigable canal reservoir into a vibrant, active lake community. Unfortunately though, his leadership was not to continue.

On February 3, 1911, BLYC held its sixth "Tar Social." Noticeably absent however – for the first time – was "Uncle George." Just 5 days previous, he suffered a stroke at his home in Portsmouth. He passed away on February 8, 1911 leaving a legacy of improvements that made our Lake and our Club possible. Improvements which we still enjoy today.

On Friday, July 3, 1925, a group of Mr. Watkins' friends, along with yacht club members, dedicated our island to his lasting memory with the "imperishable bronze tablet" that now hangs in the dining room: *George H. Watkins – (a) member and lover of the Club, friend of the common people, (who) departing, left to them in Buckeye Lake a beautiful and valuable heritage to which his spirit invites us to return again and again to enjoy the fruits of his labors.*
