## FROM THE BRIDGE ☆☆☆

January, 2014 - Vol. 23, Issue 1

**Commodore Tim Ryan**

I hope all our Members had a wonderful Holiday Season. The Christmas party was wonderful, the Children's Christmas party was great and New Years, well as I recall...

It was fantastic!!

In an effort to control cost and to lessen the need to draw on our line of credit The Board will be putting a new policy in effect starting in January. As you all are aware the Club has Member charging privileges. After looking at our aging report, this is a report that shows the amount of charges that are 30 days or older, we have decided to put a 1.5% surcharge on all charges past due 30 days. For instance charges that show on your January statement will be considered past due if not paid before the February statement and subject to the

1.5% charge. Here is an example if you come the Club and do a member charge in January that will show up on your February statement, if you pay the bill prior to the next statement (March) you will not have an interest charge.

Please consider this, when the Club borrows money from the credit line the Club is paying a higher interest rate than the 1.5%. Cutting down receivables helps the Club control costs and borrowing, I hope all of you understand and if you have question let us know.

Hope all is well and We will see you around the Club.

## Docks & Rentals

**Governor  
Dave Lawrence**

A Dock: a gateway from land to water. The Club has plenty of "gateways" to rent for the 2014 summer boating season.

A reminder that all requests need to be in writing and can be done on-line or by picking up a request at the Club. Also, if you do not want to renew your dock for next year, please put that in writing as well and forward it to Rebecca at the Club or to me.

This is all that I have for this month, kind of short and sweet. I would like to take this opportunity to wish you all a Happy New Year and to say that I am looking forward to working with you in the coming year.

"e-Newsletters" are periodic emails to the membership with information on upcoming activities and events at Buckeye Lake Yacht Club.

Sign up @ [buckeyelakeyc.com](http://buckeyelakeyc.com) select e-news on the "Our Club" menu and follow the directions on the registration form.

## Junior Training

**Governor  
Michael McVey**

### I-LYA Traveler Series

For those of you who aren't familiar with this, BLYC is part of the I-LYA (Inter-Lake Yachting Association). They work with all of the member clubs to put together a summer racing series.

Sailors from Ohio, Michigan, Indiana and Pennsylvania go from club to club on the weekends (one or two weekdays) and race each other in three types of boats: Laser (Full Rig and Radial), 420's, and Thistles. At the end of the season they conduct the Bay Week Regatta (at Put-In-Bay).

I submitted a request to hold a race at our club, went to the I-LYA event on December 7 (in Westlake), and it was approved. BLYC will conduct the 2014 season "kick-off" regatta on Saturday, May 31, 2014. This is great! So put it on your calendars.

Also, North Cape Yacht Club will be holding clinics and races on the weekend

of June 28. Once I learn all scheduling information, I will inform you. This is an event that BLYC sailors should attend for at least three reasons: more time on the "big" water, the clinics, and FUN!

### Junior Fleet Captains

Steve Harris was just elected Commodore of the I-LYA. (Congratulations Steve!) As such he appointed a number of positions to help him carry out their mission for 2014. He appointed Michael and Matthew Davis and Ian Smith (BLYC junior sailors) to be Junior Sailing Fleet Captains!

Congratulations guys!

Thank You & Happy New Year  
Gov Mac

Hello to All Junior Sailors, Potential Junior Sailors and Parents

Well we're off and running. In the last month a number of activities have taken place that make 2014 an exciting year.

### First Meeting of Junior Sailing

The first planning meeting for Junior Sailing will be held @ noon on Sunday, February 9, 2014 @ BLYC. All current Racers and anyone interested in Junior Racing, juniors and parents, should be there to help plan the season.

## Auxiliary News

### Auxiliary News

The Children's Christmas Party was a lot of fun. Santa, Mrs. Santa and the Elves came to the BLYC to entertain our children and grandchildren. All children received a gift from Santa and also had their picture taken with him. Thanks to everyone that helped with this event. A special thank you goes to Austin, Carley L., Carley E., Keaten, Nico, Matthew and William in the MH Classroom at Millersport High School. They assembled 70

Christmas stockings for the party. This was a special project for the young people in the classroom and was completed in two days. A big thanks also goes to their lead teacher, Misty Baird, and our Auxiliary Member Nancy Ball for coordinating this project.

The Booze Basket raffle was drawn at the Adult Christmas Party and was won by the Hupman's. Thanks to everyone that bought tickets for the raffle. We also sold a lot of items from the Showcase that evening.

Sondra Ballenger sold jewelry at the party and generously donated one half of the proceeds to the Auxiliary.

As we mentioned last month, we plan to meet during the winter months. Our next meeting will be a time to relax with friends and unwind from the holidays on Thursday, January 9th, at the BLYC at 6:30 p.m.

Gail Beck  
Secretary/Treasurer

Wow, another Holiday season at BLYC is now a memory. I believe the Club has never looked as festive as it did this season. The decorations were very beautiful. Thank you Ginger and staff for a job well done. I hope everyone had a wonderful time at the Club!

It's time now to look forward to spring and the start of our sailboat racing season. As your Race and Regatta Governor, I'm especially excited to begin the season. All skippers, I'm sure, share my excitement! In just 14 short weeks, we'll be cleaning the winter off our boats and getting them race ready! But before that happens, we shall have a few Race and Regatta meetings. The first is scheduled for January 12 at 2:00pm. please attend.

If anyone would like to add something to our meeting agenda, e-mail me at [hdbikeguy@insight.rr.com](mailto:hdbikeguy@insight.rr.com)

Congratulations Steve Harris, 2014 I-LYA Commodore! On Saturday, December 7, Buckeye Lake Yacht Club's Past Commodore Steve Harris became the 122nd Commodore of the Inter-Lake Yachting Association. He is the third Past Commodore of BLYC to do so, following P/C Edgar T. Wolfe (1934; 1937) and P/C Gustav Schell (1951; 1975).

## Race & Regatta

### Governor Tom Baltzell

The Inter-Lake Yachting Association is an organization of 147 Yacht, Sailing, and Boating Clubs throughout the Lake Erie region. I-LYA Clubs can be found in Ohio, Michigan, Pennsylvania, Indiana, New York, and Ontario, Canada. BLYC joined I-LYA in our second year, 1907, and was the first inland club admitted.

Commodore Harris would like to express his gratitude to BLYC and it's Members for their past and continued support of his efforts within I-LYA. Without this support, his efforts would not be possible. In particular, he would like to thank the BLYC Auxiliary and the BLYC Commodores' Association for their financial assistance this year. He would also like to thank the many BLYC members who traveled to Westlake, Ohio and those who are vol-

unteering their help with the 2014 I-LYA Administration. BLYC leads the way in the generosity and volunteerism of it's members, a fact noticeably recognized at the I-LYA Fall Meeting. Thank you!

Again, Congratulations I-LYA Commodore Steve Harris.

BLYC and I would like to thank Dave Levacy, Buckeye Lake Marina for winterizing the Club's pontoon and whaler again this year! Dave, your assistance during our Race and Regatta season is very much appreciated.

That's it for this month so in closing let me leave you with a couple things:

Sailing Book of the Month: Around the World in 79 Days by Cam Lewis and Michael Levitt. This is about a great sailing adventure in our time.

Nautical Term: As the Crow Flies - A direct line between two points.

See you at our Club,  
Tom
