## FROM THE BRIDGE ☆☆☆

May, 2014 - Vol. 23, Issue 5

### Summer Swing!

I want to take this opportunity to talk to the Members about two issues that constantly get brought to my attention and I hope that we have a solution for.

1. The Parking Lot and parking areas: We seem to have many non members using the parking lot throughout the year. People fishing, that think they have the right to park in our lot. People going for boat rides, to the islands, or just taking a walk, all of whom use our lot and may not be Members.

The solution to that we are going to use will be a windshield sticker. We will be sending all current Members 2 windshield stickers for your automobiles. These will have the BLYC logo on them, they will also have a sticker that will show that you are current with your dues for the year. Each year you will receive the annual sticker showing the dues paid for the year.

I am certain that there will be many questions about this so in the envelope you will find more detailed instructions as to the installation of the sticker, how to get additional stickers and where and how to get a guest sticker.

2. Membership ID's and Numbers: Our employees and Managers will be asking everyone, no matter how well they know you, for your Member Number. This number can be found on your Member Card. This is your account number and is how your charges are entered into the system. We are always getting calls about non members using the club and the pool.

The solution is to use the Member name and number. Please memorize it. If someone does not have their number or card they may be refused service. Please do not be offended when the Staff asks for your number, this will go along way in helping define who is a member and who is not. Management is training all Staff to just make this an automatic question, "Hi welcome can I have your number please? How may I help you?"

That is not too painful, right!? By the way parking will be enforced also.

As I said these are 2 items that Members have concerns about and we are trying to correct the issues.

Everyone have fun and let us know where and when we can help.

### Commodore Tim Ryan

Please join us in welcoming the following new members;

Summer hours will begin on May 21. The hours, along with other club information will be posted on our new "electronic bulletin board", located in the front entrance way. Check it out!

Come in and enjoy the great food, drinks, and service that Ginger and Chef Matt provide. Please confirm reservations to help us avoid empty seats due to a "no show".

Come in and celebrate Cinco de Mayo with the Kay Carter Band. Kay has a great band that plays all your favorite dance tunes backed by her beautiful trumpet. Enjoy Chef's special Mexican menu too! Mucho Bueno!

Friday 5/9/14 - (7:00 – 10:00) – Super Club music with Dave Bott, our master supper club pianist. Come in for dinner and let Dave take you on a lounge piano dinner cruise. Bon Appetite!

Saturday 5/10/14 – (7:00 – 10:00) – The Commodore's Ball with the Jack Fox Quartet. Come in and enjoy the music of the Jack Fox Quartet. This is a semi-formal event, but we want you to wear whatever feels comfortable. The Chef has a great menu lined up and you can check it out in this log and on the website. Jack Fox will have plenty of dance music to keep you going long after dinner is gone. Don't forget to make reservations early. This event will sell out!

Saturday 5/17/14 – (7:00 – 10:00) – Open Mike Night featuring the Sunken Island Band. Open mic night is hosted by the BLYC's own Sunken Island Band. All musicians welcome. Notify Rear Commodore David Luttenberger at the Club or through the website. You can perform with the band or solo. If you want to perform with the band drop the music off at my box, email it to me, or tell me the song and the key. WE WANT TO HEAR YOU PERFORM!

Saturday 5/24/14 – (7:00 – 10:00) – Real Jazz music with Jazz Gallery. Back by popular demand this band is just plain awesome. Real sax, real jazz, real music. This band is hot,hot,hot!

Friday 5/30/14 - (7:00 – 10:00) – Super Club music with Don Beck. Don is one of our favorite guitarists playing everything from standard jazz to rock and roll. He may be just one person, but close your eyes, and it sounds like a 4 piece band with real backing tracks all performed by Don. Come on in and dance...

Saturday 5/31/14 – (7:00 – 10:00) – Dinner/Dance with The Lakeside Trio. Our favorite Jazz trio to grace your dining pleasure with the gift of classic jazz, pop standards and just plain fun.

NEW EXCITEMENT: Trivia. The Sunken Island Band is named after our own Watkins Island which was originally called the "Sunken Island." Let's hope that doesn't happen again. The band is made up of Chuck Gliesch, Julie Whetstone, David Luttenberger - guitars, Mark Pyle – drums, John Winkel-bass, David Hogrefe – piano, Eric Boyd – lead guitar. The Sunken Island Band will host open mic night and back any musicians who would like to get up and perform, or, fill the empty space if no one else shows up. If you would like to perform, or, you know someone who would like to perform, just let me know and you can be a star. Please join us at the Club for an evening of fun and excitement.

So come on down to your one and only Buckeye Lake Yacht Club and enjoy the fun. We're your place for ENTERTAINMENT all spring long.

## What is the Commodores' Ball?

Most Yacht Clubs observe the tradition of holding an annual "Commodores Ball" which is often one of the premiere social events of the year. But, what, really, is a Commodores Ball? (And, for that matter, is it Commodore's or Commodores' ? Where do you put the apostrophe? Does it belong to someone at all? But, I digress...) Unfortunately, historical references to the BLYC Commodores Ball are few and far between. But, here are some thoughts on this great Club tradition.

The dictionary defines "ball" in this usage as... a large, usually lavish, formal party featuring social dancing and sometimes given for a particular purpose, as to introduce debutantes.

Well, I don't know that one can draw much of a comparison between BLYC Commodores and "debutantes" but one of the purposes of our Commodores Ball is certainly introductions. It is a tradition in most yacht clubs to recognize those who volunteer their time to serve and lead the Club. At some Clubs, the event is held specifically to recognize the current Commodore. At others, like BLYC, we recognize all of our Commodores. BLYC Commodores are indeed a unique, diverse, and sometimes quirky group, but they all share one thing in common – years of service to, and a great love for, BLYC. It seems appropriate that we should recognize that.

It is the duty of the Vice Commodore to put on the Commodores Ball and the manner in which he or she chooses to recognize our Commodores is at his or her discretion. Some years, we've heard details of their accomplishments as Commodore, others, a bit about what else was going on in the world during their tenure.

It always has included some good-hearted fun and frivolity – I still proudly display my "Commodore's Caricature" at home (Thank you Commodore Russell!) I'm certain that Vice Commodore Wadley has some great plans for this year's introductions!

"A large, usually lavish, formal party..." may or may not describe our Ball. Having attended several other Club's Commodores Balls in recent years, I can attest to the fact that there are those Clubs that put on events that can rival a royal wedding in their lavishness and excess - tuxedos and evening gowns, \$100+ per plate dinners, and a "Grand March" of dignitaries – but BLYC's, while still a "formal" affair, is a bit less dramatic. Like any event at our Club, it is primarily for the enjoyment and sociability of all of our members, not just those being recognized and introduced.

That brings us to "... featuring social dancing..." This is definitely a part of the BLYC Commodores Ball. Like all of our events at BLYC, the fun is always the social part. All in all, the Commodores Ball is a great opportunity to have a great meal, socialize, maybe dance a bit, and just spend some time with your fellow members.

Make your reservations today – See you May 10th

## Docks & Rentals

NOTICE: A good number of dock renters have not returned their "Dock Rental Agreements". This is a contract between the Club and the Renter, which MUST be signed and returned in order to rent a dock from the Club. This instrument provides liability protection for the club as well as guidelines and rules for the Renter. Please return these immediately if you have not done so. Calls will go out to those who don't follow up on this...

As mentioned in this article in the April Log, please make sure that the Club has your updated personal information so that we can contact you in case of emergency or to discuss your account.

The deadline has passed for receiving payment for your slip, which unfortunately, means your slip may be made available to others to rent. In the past, some members have waited until June or July to let us know that they will not be renting, which often results in lost revenue for the club.

If you are having difficulty coming up with the funds at this time, contact us and we will look at making arrangements...

Speaking of rentals, we still have some of the best slips on the lake available

## Governor Dave Lawrence

## House and Grounds

Hello everybody! I'm writing this log article prior to spring Work Day; I'd like to thank everyone that came out and helped get the club ready for summer. I really appreciate everyone's help. Spring Work Day always gets me excited knowing that summer is just a few short weeks away.

Please excuse the dust in the next couple of months as we remodel the women's restroom!

The changes that we are making are going to be an awesome addition to the club. I'd like to thank, Diane Ryan, Cherie VanDyne, and L. Sheffield for giving me assistance in planning the remodel. Their ideas and expertise have been so valuable in making decisions.

I'd also like to thank the Auxillary for donating the paint, and a monetary donation towards the remodel.

If anyone sees any issues around the club regarding house and grounds please let me know, my email is karasmulvey@yahoo.com, I'll get back to you in a timely manner.

Have a great spring, summer will be here before we know it!

## Governor Kara Mulvey

## Auxiliary News

The April meeting was our welcome Spring theme where we wore our Easter/Spring finery including our best bonnet. We had a contest for the best bonnet or outfit and Zenna Sayre won.

At our meeting, we voted to purchase new umbrellas and weights for the tables in the front of the Club and also at the pool area. They should be arriving soon.

The Spring fundraiser is a basket of booze raffle. Please purchase tickets for our raffle the next time you are at the BLYC. Your support of the Auxiliary is greatly appreciated.

The Easter Bunny was at the Club last month and left eggs and goodies for all of our kids and grandkids. Thanks to the BLYC Junior Sailing Race Team members for helping out with this fun-filled event.

Our next meeting will be on Sunday, May 4th, at 2:00 p.m., at the same time as the Semi-Annual Meeting. We will have margaritas and share some of our favorite stories about the BLYC. Hope you can join us.

## Gail Beck Secretary/Treasurer

## Race & Regatta

Ahoy, If you've been to the Club the past few weeks, you've probably noticed the sailboat masts. Yes, many sailboats are in the water waiting for our first practice race and start of the 2014 season! We had an awesome turnout for sailboat rigging and launch day. It was wonderful to "hangout" with my sailing buddies again! Thanks everyone for assisting. It was a long day but we had a fun time. Because of all the help, rigging and launching was so much easier this year.

Next on the Race and Regatta schedule will be Practice Sunday races. They are scheduled for May 18th. and 25th.. Starting time will be 11:00am for both dates.

Our first official race for 2014 is the Commodore Edward C. Metzger Memorial Day Long Distance Race. It is scheduled for Monday May 26 starting at 11:00am.

The Lambrecht Cup Spring Series will commence Sunday June 1 at 2:00pm. Sailors, if you do not have your boat shipshape and race ready, throw that anchor off and get moving! Start time waits for "no sailor"

A reminder for sailors, Bill Reynolds won the Commodore Edward C. Metzger Memorial Day Long Distance Race and Bob Snow won the Lambrecht Cup Spring Series last season (just sayin)

Finally, if you know anyone interested in sailing or assisting with Race and Regatta, please have them contact me or better yet, bring them to the races!

That's it for this month so in closing let me leave you with a couple things:

- Sailing Book of the Month: The Book of Sailing Knots by Peter Owen (I know a couple sailors who could use this)
- Nautical Term: Painter - a rope attached to a dinghy, or small boat usually used to tow or handle at dockside or in the water.

See you at our Club,

## Governor Tom Baltzell
