FROM THE BRIDGE ☆☆☆

July, 2014 - Vol. 23, Issue 7

Commodore Tim Ryan

I would like to go over a few items with everyone. First the pool heater has had some gas regulator problems. We believe it has to do with the gas line and the demand on the gas flow. Our gas supplier will be working with us on the problem this week. Also concerning the pool it appears that there may be a leak, as we add several hundred gallons of fresh water every morning, this also adds to the water temperature issue. Everyone is working on this issue.

Parking permits are being issued. The first round of permits went out in last months bills. If you did not get a bill then you also did not receive a parking permit. We will get everyone two permits this week. Please keep in mind that everyone will receive two permits and the permits are designed to hang on your rear view mirror. Meaning they can be easily removed and used for another vehicle. I too have five vehicles and only two permits. As for your guests, there are guest passes available upon request. The guest passes will be dated for the day that they will be used, therefore there is no need to return them.

If you enjoyed the BLAAST please drop off a donation that we will be sure and get to BLAAST. Remember they are the best and they can only continue through generous donations such as yours.

Thanks for all of the support and please enjoy yourselves.

The 34th Annual Classic Boat Regatta is August 16, 2014

BLYC Members

This is a reminder of the Auxiliary Fundraiser and Auction. Join us as we transform the BLYC into the Copa Room from the Sands Hotel in Las Vegas. Dance to the sounds of Howard, Cat and their Rat Pack Friends. Walk the Red Carpet and have your picture taken by the paparazzi.

In the past, Auxiliary members have generously donated items for the auction. We are in need of items again this year and we are asking for your help. Please bring your items to the Club prior to August 16th if possible. Items will be locked in the Auxiliary Room and there is a tablet there where you can list information about the item you are donating.

The Auction has always been one of the Auxiliary's biggest events and with your help we can make this auction successful and continue with this tradition. The monies raised helps to pay for special projects at the Club.

I hope we can count on you to help. Remember to mark your calendar for August 23, 2014. Make your reservation early by calling the Club at 740-929-9941

We are looking forward to seeing you at this great event.

Docks & Rentals

As we near the halfway point of the summer, just a couple of items to think about concerning rentals.

First of all, there are still slips, garages, and storage spaces for rental. Any questions, feel free to contact me on my cell phone (614-975-1820).

Second, make coming and going to the club part of the experience! Get some friends and come by boat.

There are quite a few "transient" docks, slips to use when coming to the Club, on or around the Island. Many members only see those slips right in front of the club. There are also some in the "west basin" by the pool, and quite a few in area 300, across from the covered docks. These transient slips are marked by green ribbons and are for use for a few hours. Going home by boat after a fun evening is a relaxing, often beautiful way to travel.

Finally, don't forget next month is the Antique Boat Show (Aug. 16th) and all slips on the island must be vacated by renters for the weekend. Start making arrangements now. (Remember that was on the dock rental agreement)

See you at the club!

Governor Dave Lawrence

Race & Regatta

Ahoy,
Racing, racing, racing, sailboats that is! If you have not been to our Club on Sundays you are missing a great view of our sailboat fleet on the lake competing with each other and just having a wonderful time.

At this time, we are a few races into the Commodore Chris J. Lambrecht Cup Spring Series. This series is held every Sunday during spring, summer and fall. The races start at 2:00 p.m. Have a bite to eat, a cool drink, set back and allow our sailors to entertain you! Please make a point to join us. Also, if you have any questions about sailboat racing, such as all the different flags we use or the horn blasts we sound, come out to the "race shack", we'll be happy to answer your questions!

It gives me great pleasure to welcome Cory and Amy Jefferies sailing a Catalina 22 to our sailing fleet, returning sailor Kurt Alspach sailing an O'Day 25 and Chris Hebert, crewing for Don Harris who sails a Beneteau! It's awesome to have you all join our Race and Regatta team!

CONGRATULATIONS 2014 Champions Wes Cartwright and Walter Grub (jr) for winning the Commodore Edward C. Metzgar Long Distance Race, Memorial Day. Awesome sailing Wes and Walter! To all the others skippers and crew: "thanks for a great day of racing".

Our next long distance race, Commodore Earl O. Williams Long Distance Race will be held July 4 beginning at 11:00 a.m.

Results will be posted on our BLYC Race & Regatta website and in my August log article.

Well sailor buddies and BLYC friends, I believe this is a wrap for this month's article but before I close, a couple things:

Sailing Book of the Month: Sailor's Book of Small Cruiser Sailboats by Steve Henkel. Publisher - International Marine

Nautical Term: Whisker Pole - A light pole to hold out the clew of a head sail when running

Have a wonderful month!
See at our Club,

Governor Tom Baltzell

Auxiliary News

Thanks to everyone that attended our first annual vendor sale. It was a beautiful day and a lot of fun. We had seven vendors on the front porch of the BLYC selling their products. A portion of the proceeds went to the Auxiliary. A big thank you goes to Sue Wadley for organizing this new event and to all the vendors that participated.

Don't forget The Rat Pack is coming to the BLYC on August 23rd. This will be our fundraiser and will include a silent auction.

Howard and Cat and their Rat Pack Friends will be providing the entertainment. As you arrive, you will be walking the red carpet with the paparazzi taking pictures. Members are encouraged to dress in Rat Pack Era attire to truly experience the theme. Please continue to bring your items for the auction to the Club. Just give them to Ginger or Rebecca and they will put them in our storage area. We still need volunteers to help with this event. Hope you can join us.

Our next meeting will be a Bog Tour by Steve Harris and lunch at the Buckeye Lake Winery. Meet at the BLYC on Thursday, July 10th, at 11:00 a.m., and we will go by boat to the Bog and the Winery. We will be ordering lunch from the menu at the Winery and there is no charge for the Bog Tour. Don't forget to make your reservations.

Junior Training - Governor Michael McVey

Well...we're into the Jr. sailing season and so far lots of fun and action.

Racers: BLYC kicked off the I-LYA Travelers season. We had about 75 kids sailing from all over in over 40 boats. BLYC had 9 sailors in 7 boats (5 Lasers and 2 420's): Michael & Matthew Davis, Susannah & Katy Schroeder, Ian & Olivia Smith, Oliver Krajewski, Cora McVey Steele, and Ryan Kemp.

I want to thank many, many, many people for all their support in making this race happen. It begins with Steve Harris and Tracey Davis who marketed it brilliantly (don't know the last time BLYC had that many kids in boats racing) and planned it. The BLYC Board of Governors (Tim, David, and Dave) were there all day working! Matt and Ginger for serving the masses! Then there were many others such as the Reynolds, Tom, Bill and Sally Reynolds; Joan Hein, Charlotte Davis, Chuck, Simon Krajewski, Kirsten & Steve Smith, Don Harris, Jerry Besanceney...and others from other clubs such as Jamie Jones from Hoover Sailing Club. Thank you to all; WONDERFUL JOB! Very successful regatta!

Then we had four racers at Hoover (6/7), 7 at Edgewater (6/18), and 7 at Sandusky (6/21). Great Year!

Introducing:

- Fritz Schilling - past Jr. Racer with BLYC and Racer at The OSU; son of Steve Schilling. He's coaching our racers on Thursday evenings.
- Caroline Maiden - past Jr Racer and instructor at Vermilion Yacht Club off Lake Erie; Senior at The OSU. She's our instructor and another coach.

Welcome Fritz and Caroline!
