FROM THE BRIDGE ☆☆☆

This month is a very active month for our Club. Jamaica Mon with the Ark Band, Put-in-Bay racing with our Juniors, Classic Boat Regatta, Bob Dye Poker run, Golf Outing, The Auxiliary Fundraiser on the 23rd, be there!!!

The Fiscal Year for The Club is winding down and that means that our annual meeting and election is fast approaching. So I would urge any Member that might be interested in running for the Board to contact one of the members of the nominating committee, Mark Russel, Chuck Wadley or Don Harris. September 12th is Candidates night, September 14th porch fun & election followed by the BLYC Annual meeting and Commodore's Reception.

This has been a wonderful year and a fantastic experience being your Commodore at BLYC. I have many people to thank but the most important person that I need to thank is my wife, Dianne!! I could not have gotten here without Her support and Love. Thanks Di !!

I will get to the rest of you next month!

Commodore Tim Ryan

We have four Governor positions to be filled. All members in good standing are eligible and encouraged. Please consider getting involved in the operation of our club. BLYC Board Election Day is Sunday September, September 14, 2014.

The Lifetouch complimentary portraits are available at the Club for members to pick up. While you are here, come in and enjoy the great food, drinks, and service that Ginger and Chef Matt provide.

Please call ahead for dinner reservations and provide your member number when being served.

Please sign in when visiting the pool. You will need your member number to order from the pool bar. A limited kitchen menu will be available for pool guests. The pool grill is always open.

If you make a reservation and can't make it, please, call and cancel. Many times we have a waiting list, and the seats remain empty, because of a "no show".

Auxiliary News

Are you having an event or private party? Then you will want to attend the Auxiliary Rat Pack Fundraiser on August 23rd and bid on one of our amazing auction items. Howard Everitt and Cat have generously donated a performance at your next event or party. It will go to the highest bidder and it could be you! Chef Matt has come up with a fantastic menu and Ginger has some great cocktails planned for the event. Don't forget that you will be walking on the red carpet with the paparazzi taking your pictures which will be available later that evening for purchase. Members are encouraged to dress in Rat Pack Era attire to truly experience the theme.

We will also be having a 50/50 drawing that night. Auction items are still needed so please try to bring them to the Club as soon as possible.

Our July meeting was a Cranberry Bog tour by Steve Harris. After the tour, we went by boat to the Buckeye Lake Winery for lunch. The weather was perfect and we all had a lot of fun. Thanks so much to Steve Harris, Jerry Besanceney and Darrel Berkowitz for their assistance with the Bog Tour and boat transportation.

The booze basket raffle was drawn at the Commodore's Steak Nite. Thanks to everyone that bought raffle tickets.

Congratulations to Lisa Durant who won the booze basket.

Spish Splash we are planning a bash! You don't want to miss the August 14th Auxiliary meeting at 6:00 p.m. It will be pool side and we will order from the pool bar grill menu. Bring your swim suit if you want to take a dip, or just sit in the shade. Also bring your ideas and excitement as we are gearing up for our August fundraiser.

Docks & Rentals

Well, here we are in August already, with about a month of summer left. It seems to go by more quickly each year. The crazy weather pattern this year has not helped. I have a few important issues to mention as we go into the last third of this summer. First, the Antique Boat Show, a long lasting tradition at BLYC, is August 16. It is very important that all boats on the island are moved on Friday the 15th, or before, so the exhibitors can park their boats there. Boats can be moved back on Sunday.

I will tie green ribbons on all unrented slips to make it easier to find a place to temporarily dock your boat. Some boaters may have to go to the Eastport area where there are more slips available, while others will simply dock at a friend's house. Remember, the dock agreement necessary to rent a slip specifically states that moving boats for the Antique Boat Show is part of that agreement.

We still have slips, storage, and garages to rent. Yes, we are still renting them! At the time this was written we had just rented two more slips -

both were members wanting a slip available to them when they come to the Club for dinner.

In wrapping up, a reminder to keep the gates locked at the Eastport storage area and slips. Remember, carrying gasoline onto the docks is prohibited by insurance regulations and Club By-Laws. Enjoy the remaining summer days on the water!

See you at the club!

Governor Dave Lawrence

Race & Regatta

Ahoy It's been the best time, it's been the worst time for sailboat racing! Awesome wind one Sunday, no wind the next. Sunny then rainy, choppy water, smooth water, a real mixed bag of weather conditions this racing season. But.... aside from all the weather variation, the July 4th Buckeye Lake Yacht Club Commodore Earl O. Williams Long Distance Race turned out to be a great sailing day. Also, we completed the Buckeye Lake Yacht Club Commodore Chris J. Lambrecht Cup - Spring Series. So without further ado the winners are:

July 4th Buckeye Lake Yacht Club Commodore Earl O. Williams Long Distance Race:
First Place - John Vangilder
Second Place - Steve Goodyear
Third Place - Bob Snow

July 4th Buckeye Lake Yacht Club Walter Knapp Long Distance "Bringing up the Rear" Award goes to Cory Jefferies

Buckeye Lake Yacht Club Commodore Chris J. Lambrecht Cup - Spring Series:
First Place - Bill Reynolds
Second Place - Robert Snow
Third Place - Don Harris

Reminder: 2014 Buckeye Lake Yacht Club Commodore Edward C. Metzgar Memorial Day Long Distance:
First Place - Wes Cartwright
Second Place - Bill Reynolds
Third Place - Bob Snow

A round of applause for our winners. Skipper and crew, we appreciate the hard work it takes to win a sailing race. Good job, one and all.

My Yacht Club friends, please plan to attend our Sunday races, support our sailors and the sailing tradition of our wonderful Club!

Well, sailor buddies and BLYC friends, I do believe this is a wrap for this month's article but before I close, a couple things:

Sailing Book of the Month: The Voyager's Handbook by Beth Leonard

Nautical Term: Ketch - A two masted fore and aft rigged sailboat with the aft mast (the mizzen) mounted (stepped) afore the rudder

Have a wonderful month,
See you at our Club,

Governor Tom Baltzell

Junior Training

Junior sailing, loving the Wind on Water! BLYC had a great showing at Mentor Harbor Yacht Club up on Lake Erie. We had 4 Lasers (Ian, Matthew, Michael and Susannah) and one 420 (Cora and Katy). Katy and Cora placed third; YEAH!

Lots of fun; little wind! So...this year BLYC Juniors participated in five Travelers Series regattas; great year.

Last week we held race practice for a day and a half to prep for Bay Week. Tracey Davis and Steve Harris worked with Coach Caroline in setting up race courses and then practicing about 30 starts and 12 full races. And the wind was great; 10 - 16 mph.

Now it's Bay Week for Jr. Sailing. Matthew & Michael Davis, Katy & Susannah Schroeder, and Ian & Olivia Smith are ready for the wind. And Coach Caroline has the kids ready!

Occasionally I'm asked about the value of Jr. Sailing. In the last few weeks I've seen value in a multitude of ways, many situations. Our Juniors learn:

A Sport
Ownership/Responsibility
Organizing & Planning
Competition and Resiliency
Teamwork and Leadership
Learning Skills
Social Skills
Sounds like good value to me!

Thank you for your support,
Governor Michael McVey
