

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

The time has come!

Summer is winding down and so is my year as Commodore. This has truly been a special year for me, being Commodore of BLYC. Thank you for the privilege and your support.

As we focus on the new fiscal year and the election of officers it seems that your club is in great shape financially, with great new candidates, external accounting, stable board and staff. I would especially like to thank the 2013-2014 Board of Governors for their service and dedication to the Club. You are the best, Thank You!

I also want to thank Rebecca, Chuck, and Trent; people we often get overlooked but really help us as Governors and Members and make our jobs easier. You three were always there and I appreciate that. Thank You.

It truly has been a fun year. Like all Commodores before me, I learned a lot, I heard a lot, and I hope we as a Board accomplished a lot. Not everything gets done or fixed in one year, we can only try. So carry on Chuck Wadley and the Board, have a great year and don't forget the Membership. I know you won't.

Matt and Ginger: you are special people to do what you do for us Members and especially for me as Commodore this year, Thank you! I sincerely hope that good things will always come your way. Matt please thank Josh and Larry. They deserve a hand shake from all of us once in awhile (Calvin too). Ginger you have too many to name, great job with your staff and thank them all.

Well that about does it with the mushy stuff, see you all at the Annual Meeting for one last shot as Commodore.

Commodore Tim Ryan

As we conclude another great summer season at BLYC, it is once again time to select those individuals who will lead our Club as members of the Board of Governors.

On Friday, September 12th, please plan to attend Candidates Night. At this event, you will have the opportunity to meet the candidates and their sponsoring Commodores and to learn more about each candidate. Cocktails at 6:00, dinner at 7:00, followed by candidates' speeches. Steve Harris will serve as emcee for the event, along with his own unique brand of entertainment. Please call the Club for reservations.

The Annual Porch Picnic and Elections will be held at the Club from 9 am. to 1 pm. on Sunday September 14th, followed by the Annual Meeting at 2 pm. and the Commodores Reception from 4 – 6 pm.

September, 2014 - Vol. 23, Issue 9

This is your opportunity as a member to make your voice heard and help to select those that you feel will best guide the future of our Club. I strongly encourage each of you to come out and vote on Election Day and participate in election activities. EVERY VOTE COUNTS!

We are fortunate to have a slate of extremely qualified candidates seeking election to the Board. As your next Commodore, I would be honored to work with any of these fine individuals and am confident that they will serve our Club well. The following members are candidates for election to the Board of Governors:

Governor Dave Lawrence
Rose McEntire
Mark Severance
Bob Masone
Chuck Gleich

Please note that incumbent Governors need not run this year. They are at the end of the first year of a two-year term.

On Sunday, the polls will open at 9 am, and close promptly at 1 pm. Please plan to attend the Annual Meeting at 2 pm.. and the Commodore's Reception from 4 to 6 pm.

Come in and enjoy your Club!

Docks & Rentals

Well Mates, Fall is upon us, (officially September 22) and it's time to think about wrapping up the boating season. But first, I would like to make a plug for Autumn boating. With the lake level still high, with warm sunny days still in the 70's, and reduced boat traffic, all combine to make for an enjoyable afternoon or evening on the lake. Remember there are quite a few guest/transient docks available to use when coming by boat to the Club to watch the Buckeyes on our 10 ft. BIG screen TV or to have lunch/dinner on the porch. Just look for the green ribbons on the island (including the west basin) and area 300 opposite the covered docks.

For those of you eager to yank your vessel out of the water on Labor Day (and waste a fine month on the lake), there are some considerations. If there is any damage to your slip, please report it to me so it can be repaired before next season. Also, if you do not plan to keep your slip next season, please notify Rebecca in the Club office so she can remove you from the list and you will not receive an invoice in January. This will also free up the slip for others to rent next year. If you plan to keep the slip next season, you need not do anything and you automatically will be assigned that slip and be sent an invoice early next year.

I would like to take this opportunity to thank all of you who moved your boats

from the island during the Antique Boat Show so all of the classics could have a prominent spot. Your cooperation contributed to a very successful show! Also, this will be my last entry for the Log as Governor of Docks as I am running for re-election to the Board, and if re-elected will serve in another capacity. Although trying at times, it also was rewarding in many ways. I want to thank all of you who contributed to a positive experience for me. During my tenure, I can honestly say that I made many new friends whom I hope to keep for years to come. Thanks, Mates!

See you at the club!

Governor Dave Lawrence

Race & Regatta

Ahoy,

The article for the September Log, how can time go so fast! Anyway, sailboat racing continues at BLYC. We've have a few good Sunday race days, really windy but then again we've had rain and just plain sun. (no wind) It's been challenging for our skippers but all in all we've managed to complete the Commodore Chris J. Lambrecht Summer Series. The winner will be announced in next month's Log. Now on to the Fall Series.

Also, coming up in our racing schedule will be The Commodore Dwight R. Haggard Labor Day Long Distance race. It shall commence at 11am on September 1. The Snowball Regatta will be held October 11 and 12. Information on this will be available as plans develop.

Before I close this month's article I would like to share an article from the BLYC "e-Newsletter"

BLYC well represented at I-LYA Bay Week - BLYC Sailors Don Harris, John Vangilder, Bob Snow, Jerry Besanceney, Tom Shain, and Chuck Bendig participated last week in this year's I-LYA Bay Week at Put-In-Bay. Racing in the Cruising Class, the BLYC Team finished in fourth place. It has been several years since BLYC participated in the "Senior" Bay Week Regatta and their return was noticed and well received by all. This year's Regatta attracted 108 boats from all over the Lake Erie region and beyond racing in 17 classes. Several other BLYC members were on hand to lend their support and encouragement to "TEAM BLYC" and to help with the regatta activities. In addition to the team, BLYC mem-

bers Matt and Tracey Davis, Matthew Davis, Michael Davis, Ian Smith, Sue Harris, Mark & Kathy Severance, and 2014 I-LYA Commodore Steve Harris were up on the island and helped with the event.

A round of applause for all involved! Well sailor buddies and BLYC friends, I do believe this is a wrap for this month's article but before I close, a couple of things:

Sunday, September 14,
9am - 1pm Porch Picnic Elections
2pm - Annual Meeting
No Sailboat racing on this day.

Have a wonderful month,
See you at our Club,

Junior Training

July was a big month for junior sailing as always. We began with the July 4th pancake breakfast and I have to tell you that Tracey Davis was superb heading that up for us. She worked diligently to get donations of food products such as pancake mix, juices, fruit, syrup, butter, sausage, bacon, etc. she worked with others to organize the many many volunteers that we had there and in the end we had many members and their families and friends who showed up thank you to all

Caroline did a great job finishing the last two camps of sailors and then moved over to help Steve and Tracy with the two days of race practicing, prepping for Bay week. Finally she was like, I like junior sailing week so coach showed up early on Sunday to help

with the unloading of the boats and every day she met early in the morning and prep the kids for races talked about their strengths of things to focus on individually organized, about the race courses. Thank you Caroline we look forward to having you back next year

Finally Bay week: we had six sailors this year; four on radial lasers (Michael and Matthew Davis Suzanne Schroeder and Ian Smith) and two on a 420 (Katy Schroeder and Olivia Smith). Was well the weather on the first day Monday we waited and waited and waited and finally they canceled the whole day of racing due to no wind; tuesday Wednesday and Thursday we had raise one of the days was a particularly tough day lots of wins racers coming in one after the other not finishing the day but not the one from BLYC didn't

finish the day didn't finish a race. Even Katy and Olivia on the 420 together with all that sail square footage (who's combined weight is about the same as Ian) stayed on the water. In the end everyone had fun the kids had some life lessons and Ian place 10th out of over 40 boats in the radio lasers

As usual we had lots of BLYC adult volunteers we had Steve as a PRO Matt and Tracy and Kirsten were all on committee boats Vic, Tami and I worked launch and recovery. Parents all work fire watches and we even had grandparents who worked launch and recovery, registration, etc.

Great July for BLYC Jr's.

Thank you all for your support!

Auxiliary News

The Rat Pack was at the Yacht Club for our annual fundraiser in August. Howard Everitt, Cat and Company did a great job entertaining us and the auction was a huge success. The evening started out with members arriving on the red carpet in their Rat Pack attire with the paparazzi taking their pictures. (see below)

There was a special food and drink menu for the evening and a cigarette girl selling cigars and candy. Thanks to Karen Baltzell for taking pictures and to Linda Masone for being our cigarette girl. A big thank you goes to Cherie Van Dyne for organizing this fundraiser. We will have more information in our next Log Article on our fundraiser.

Many thanks to all of our sponsors and everyone that donated auction items. (it was really a great success)

Our September meeting will be our Annual Meeting with the Election of Officers on September 14th, 2:00 p.m., at your Buckeye Lake Yacht Club.
