

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

October 2014 - Vol. 24, Issue 1

I am honored to be your Commodore for the next year. Thank you for your support.

Special thanks to Commodore Tim Ryan for his dedication and leadership this past year. He has set a course for the club to operate in a more fiscal efficient manner.

The new Board of Governors and I will be working hard to continue with the Yacht Club traditions and to provide the membership with a great experience at the BLYC.

The Board of Governors has accepted their new areas of responsibilities, and are already working on them. I would like to encourage membership involvement to help with the many projects and events at the club. Please consider donating your time, skills, and support.

Fall is a great time to be on the lake and to visit the Buckeye Lake Yacht Club. Come in and enjoy your Club!

House & Grounds

I would like to start by thanking Commodore Wadley for his trust in me in this new position. Also, I would like to congratulate all of our new board members elected to lead this fine club. As the new head of House and Grounds, I will be facing many challenges with a building 101 years old, but I am looking forward to taking care of the Grand old Gal. (Not you Zenna, lol) We are fortunate to have such a beautiful and historical building as our "Club House" and should be a source of pride for all members. We have a lot to do this year to spruce up, repair, and in general, to take care of things that have been put on the back burner for too many years. I will be putting out

the call for help in this endeavor because with so much to do, we will have to rely on volunteers to get some things done. I am quite sure that there are members that have the skills to make a difference. (painting, electrical, plumbing, construction, and "elbow grease")

FALL CLEAN-UP on OCTOBER 19TH

This will be the first opportunity to get involved in making our Club the kind of place we all want to visit. It will be held on Sunday the 19th starting at 9:00 with coffee and doughnuts. Typically, we end around noon with pizza, beer, and soft drinks. (Compliments of the House and Grounds department) The more mem-

bers that show up, the more quickly we get finished. Also, a pair of gloves is always a plus for tender hands. We have inside clean-up as well as outside. If you have helped before, you know that we have a lot of fun with the work. Also, it will give you an opportunity to meet and get to know new friends. Please come out for this important endeavor. As always, if you see things around the Club, please call it to my attention. You can leave a message at the club on call me on my cell phone - (614)975-1820.

See you at the club!

Dave Lawrence**

Docks & Rentals

Before I start my Docks and Rentals log article, it gives me pleasure to introduce your next Race and Regatta Governor: Governor Chuck Gleich! Chuck is a sailor and skipper of a Hunter 24. He's very excited to get started. In fact, he plans to assist me in closing out our 2014 season. Since Governor Chuck is "new" allow me to update everyone on Race and Regatta:

Congratulations Skipper John Vangilder, first place - Commodore Dwight R. Haggard BLYC Labor Day Long Distance Race, finishing a close second - Bill Reynolds. Calling all sailors, crew and anyone interested in assisting with our Snowball Regatta, October 11 and 12. Races to start 11:00am both days, weather permitting. Please support our sailing program by attending!

Race and Regatta awards will be presented after the completion of the Snowball on Sunday afternoon.

Docks and Rentals:
November is fast approaching so allow me to remind dock renters that all watercraft must be out of the water by November 1. (as per State Law ORC119.032 and your BLYC Dock Agreement) Any renters not planning to renew your dock rental, please contact Rebecca in our club office, 740.929.9941 by December 15 to avoid receiving an invoice in January. If you rent a space in the Eastport yard, please insure you tag your boat and trailer with your name. (and it's in the correct spot! Don't laugh, this has happened!) If you noticed any damage to your dock, please make me aware so I can have it corrected. For those renting covered docks, please be advised needed repairs to

the support structure will require all boats on hoists to be removed. If you have a dry sailor or lift, work can be done around them. Finally, always secure the gates after leaving the yard or dock.

Well sailor buddies and BLYC friends I do believe this is a wrap for this month's log article but in closing, I would like to congratulate Commodore Chuck Wadley, Vice Commodore David Luttenberger, Rear Commodore Dave Lawrence. Elected Governors: Chuck Gleich, Rose McEntire, and Mark Severance. (what a great board, I'm excited)

Your new Docks and Rentals Governor,
Tom Baltzell
See you at our Club!

BLYC Historian

What do all those flags mean?

This month's "history" article isn't so much historical as it is perhaps educational. Recently, several people have asked me about the flags that we fly on the yardarm in front of the Clubhouse. While flying such flags at a yacht club is a tradition, how is one to learn what they mean and why they're flown?

A bit of background.... A "yard" is a horizontal spar on a mast from which sails are set. In the days of the old sailing ships, signal flags were hoisted on halyards (lines) off these yards, or yardarms, to communicate with other vessels. Our yardarm at BLYC, like those found at yacht clubs all over the world, serves a similar purpose.

At the top of the yardarm on the "mast" flies our BLYC burgee. This identifies our "ship," our club. Burgees are also flown on boats to identify the owner as a member of the club as well.

On sailing ships, officer flags are flown to indicate who the ranking officers are that are on board at the current time or which officer in the fleet is in command on that ship. On the right halyard of our yardarm as you look from the porch towards the lake, we fly officer flags for the three "flag officers" of the Club – Commodore (white on blue), Vice Commodore (white on red), and Rear Commodore (red on white) – and one for our Past Commodores (3 stars and a fouled anchor; white on blue). At some clubs these are flown only when those officers are present. At BLYC, we usually fly them all the time to show respect for those officers.

On the left side of the yard arm you will find flags indicating our Club's affiliations with other organizations. In the top-most spot on that side, we fly the burgee of the Inter-Lake Yachting Association, our regional sailing & boating organization in this area. Below that, we fly a pennant bearing the logo of US Sailing – the national governing body for the sport of sailing – of which we are also a member. Finally, we fly the burgee of the International Order of the Blue Gavel, an association of Past Commodores of Yacht Clubs.

Often, Clubs will also have a "courtesy" spot on their yardarm from which they may fly the burgee of another club when someone from that Club is visiting.

If one looks around the Clubhouse, there are plenty of other flags and Yacht Club traditions that probably could stand to be explained too. I'll have to look around for topic ideas for future articles

Auxiliary News

The September 14, 2014 meeting was our Annual Meeting. The following officers were installed:

President: Cherie Van Dyne
Vice Presidents:
Dianne Ryan and Sue Wadley
Secretary: Linda Masone
Treasurer: Gail Beck

Our meeting was held on the porch and it was a gorgeous day. We had a wonderful turn out for the meeting and we hope you will all continue attending our meetings. Gail Beck was chosen for the Helen B. Dressel Outstanding Auxiliary Member Award.

A special thank you goes to Skip Van Dyne for buying champagne for the Auxiliary members to enjoy after the meeting.

Our fundraiser in August was a huge success. The weather was perfect for an outside event. Howard, Cat and Company did a great job of entertaining us and the food and service was great. We had over 100 items at the auction and the local businesses around the lake were very generous donating items for our auction. Thanks to everyone that helped with the fundraiser.

Our next Auxiliary meeting will be on Thursday, October 9.

We plan to start at 6:00 p.m. for cocktails and ordering dinner from the menu. The meeting will begin at 7:00 p.m. Even if you can't attend at 6:00 p.m., please feel free to arrive at any time that works for your schedule, even after the meeting has started. We are looking forward to a fun and prosperous year.

If you haven't paid your dues yet, they are \$25 for the year. Please drop off or mail a check to the BLYC. Thanks for your support of the Auxiliary.

Communications

Election Sunday was a lot of fun and I enjoyed meeting so many members. I want to thank everyone who voted for me, giving me an opportunity to serve our club!

I am the Communications Governor and am happy that my predecessor Governor Sanzone was organized, documented his responsibilities and is willing to help with the transition – so let the learning begin!

I look forward to the upcoming year and to seeing you at the club.

Governor Rose McEntire

Junior Training

It has been busy for Jr supporters, the Jr Board, and I. We've created a Jr Sailing plan, held fundraising committee meetings, researched a new safety boat (including a trip to Port Clinton with Tom Greiner to check it out), and had a Jr Sailing Board meeting.

I have a few more thank you's: Dave Lawrence for working a committee boat during Bay Week and for sitting in for Chuck Wadley on the Jr Board meeting; Greg Miller and Tom Greiner (separately) for meetings and phone calls to help my planning process; Tracey & Matt Davis, Tami & Vic Schroeder, and Tom Greiner for being on Fundraising Committee; and for rest of Jr's Board, Robert Boehm, Evan Miller, and Bob Snow.

Here's to the future of Jr Sailing!
