Buckeye Lake Yacht Club

FROM THE BRIDGE AAA

COMMODORE CHARLES WADLEY

The boating season has come to an end, and activity on the lake is slowing down. But, activity at the Yacht Club is alive and well. There are many events planned for members to enjoy. Check the club calendar of events and plan to attend some or all.

The Board of Governors are working hard to continue the Yacht Club traditions and to provide the membership with a great experience at the BLYC. The Board has prepared the new budget, and submitted it the Trustees for approval. The work on the covered docks will begin this month. The problems with the pool have been identified and estimates for the repairs are being obtained.

The Governors' area of responsibility is listed on the back of the Log. If you have any questions or comments, please, don't hesitate to contact us.

Chef Matt, Ginger, and the staff are working hard to provide you with great food, drinks and service. Please help them out by calling ahead for dinner reservations and providing your member number when being served.

Please remember, when you invite a guest to the club, you (the member) must be present. Guests are permitted up to three visits per year. Then, we want them to join. Don't forget to display your parking pass. Yes, we are still checking.

The club will be closed on Thanksgiving Day.

Come in and enjoy your Club!

Commodore Chuck Wadley

ENTERTAINMENT

- Governor Mark Severance

October was a great entertainment month featuring the sounds of Acoustic Steel, Randy Cobun, Gayla Smith, our own Lakeside Trio, The Zen Band and "standing room only" OSU tailgate parties. November looks to be as exciting with dinner music by Loverduck and Dave & Friends as well as a "beat the team from up north" pep rally with Cat and Everett. Support the BLYC!

Entertainment is being booked for 2015. If you have recommendations please drop me an email via the BLYC website. Kudos to Vice Commodore Luttenberger for his hard work the past two years as Governor responsible for entertainment.

BAR & KITCHEN

- Vice Commodore David Luttenberger

Greetings from the BLYC bar and kitchen. We have a lot of interesting culinary events planned for you in November. Chef Matt has begun his new cooking class series, if you have not attended one of these sessions, this is a must for your calendar. Sunday, November 16 at 2:00 pm, Chef Matt will show you how to make some tasty, festive, Holiday Party Recipes. Don't just bring green beans & mushroom soup this year. Matt will show you how to stop the show! Then, on November 20, there is Matt's fabulous, all-inclusive, Gypsy Dinner. This is a culinary tour-de-force of food and wine pairings. Sit down, dig in, and enjoy. But act fast. There is only room for 40, so make your reservations now!

e-News: I know everyone waits for the Log every month to plan their adventures, but don't forget all the resources we are putting at your fingertips. For information on upcoming events, menus, hours of operation, race results, etc., please go to the Buckeye Lake Yacht Club website where you will find a wealth of information about the Club operation. You can also contact me, or any other Governor or Flag Officer, through the site and we will respond by email. We also send out a weekly email blast with information about upcoming events with links to other sites, like musicians we have billed to entertain you. If you are not receiving these, please go online to the club website at

www.buckeyelakeyc.com, click on "Our Club" tab and select "e-News" from the drop-down menu to sign up. If you have done this and are still not receiving the email, it may be blocked by your phone, or computer, as spam. If this is the case, you can go into your email settings and get this changed. If you are having any trouble with this, see me at the Club and I can probably help get it cleared up.

Reminder: Don't forget we will be tailgating all of the OSU games every Saturday. As always, we will be serving up our tailgate buffet of dogs, brats, chili, chips and dips and salsa. We will also be hosting a special "Beat Michigan Party" on Friday November 28 to get you ready to watch OSU beat the daylights out of Michigan on Saturday. You don't want to miss this party with entertainment by Cat and Howard. **GO BUCKS!**

Also, come in and take advantage of our Happy Hour drink specials, Wednesday-Friday from 4-7pm. Be sure and call ahead to make reservations for dinner so we can be fully prepared to meet your needs.

We're here for you, our members, at your home away from home, the BLYC.

We're here to serve!

JUNIOR SAILING

- Governor Michael McVey

This is a year of new foundation building for the Junior Sailing program at BLYC.

With the help of a large number of people (Friends of Jr. Sailing) including a new Juniors Board of Trustees and working closely with the BLYC Board of Governors, we have created an 11 point plan covering functions such as: Coaches & Instructors, Camp Equipment, Race Equipment, Fundraising & Finances, Additional Youth Activities, Marketing and Planning.

Each of the 11 points will be managed by a team of people. They will create plans, policies and procedures on such items as: care of equipment, who can operate which equipment when, safety practices, and care of club property. And, they will carry out these and manage them.

Junior Sailing is growing! Members have children and grandchildren that should have a fun, learning and safe time at our club. Plans, follow through and accountability help to make this happen. If you'd like to learn more, please contact me.

Michael McVey Junior Sailing Governor

RACE & REGATTA

- Governor Chuck Gleich

The 69th Annual George Fisher Snowball Regatta was held October 11th and 12th, 2014. The Snowball is one of the longest continously running regattas in Ohio. This event marks the final race of the 2014 BLYC sailing season.

Governor Tom Baltzell and his first mate Karen did a great job working all season on the races & regattas. I was able to work with them to get a better understanding of running our 22 week season. Governor Tom has raised the bar. I very much appreciate all the help he and our other Governors have provided me.

Commodore Steve Harris ran the Snowball Regatta - a great two days of competition! Good Job Steve!

A total of 13 boats raced on Saturday, October 11 and four boats raced on Sunday. Following Sunday's racing, the awards were given out.

Congratulations to all of the skippers & crew!

I know that it is a sad time of year when we are all getting our boats out of the water for winter but the good news is that spring is right around the corner and we'll start a new and exciting boating year.

Thanks to all!

BLYC AUXILIARY

Greetings BLYC Auxiliary and Club Members!!

The October 9th Auxiliary meeting had a fabulous turn-out. All of our tables were full and many wonderful ideas were shared. The best fiendish fedora prize was awarded to Ann Oliver. Chef Matt's dinner was "devilishly delicious" and anticipation for the upcoming year's events was in the air.

We have some exciting things happening with our showcase!!

Commodore Wadley addressed our group with appreciation of the help that the Auxiliary gives the club each

year. He presented his "wish list" and it was responded to with an "Aye-Aye Sir"!

We will be selling 50/50 tickets at the Adult Halloween Party on Friday, October 31st and the Beat Michigan Party on Friday, November 28th.

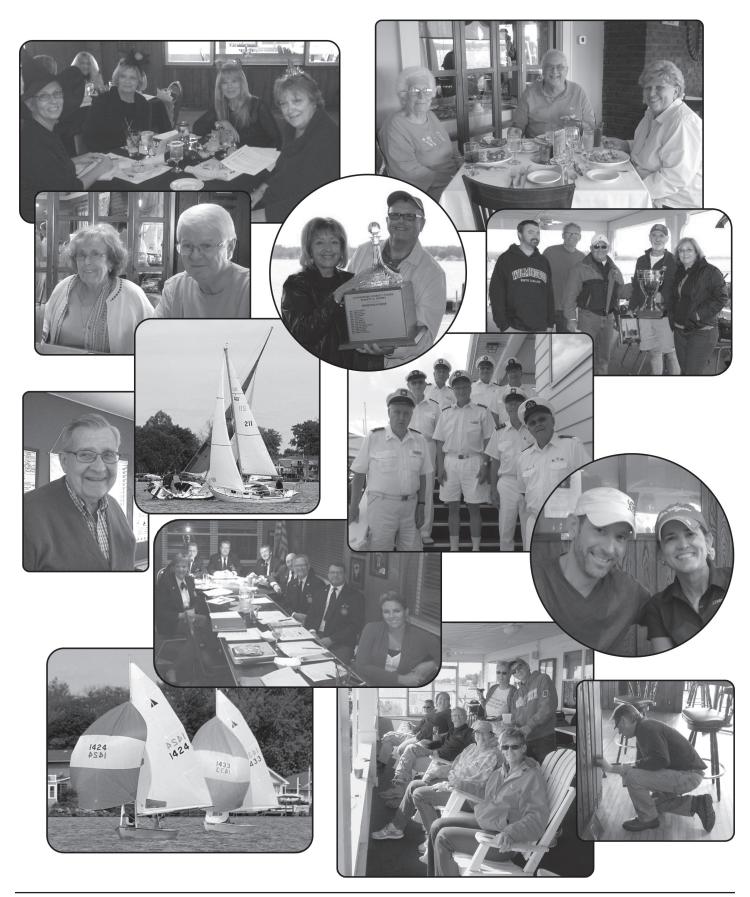

Our next meeting is on Thursday, November 13th at 6 pm. Chef Matt is putting a meal together to be thankful for and Michelle DeSantis will be demonstrating a fall flower arrangement which will be drawn for after the meeting. Remember, even if you can't make it until after 7 pm you are still welcome. There will be a flyer distributed by email, the Blast and posted in the club with details of this meeting. Don't forget your reservations! Please drop off a bottle of liquor BEFORE the November meeting so that we can prepare the holiday booze basket.

Our December 11th meeting – Canvas, Cocktails and Canapés' – featuring Kimberly's Creative Canvas is filling up fast. It's limited to 30 people and we will be painting a winter scene of our beloved BLYC. This event will be open to Club members as well as Auxiliary members - join in the fun!

Remember, any BLYC Member, Spouse, Significant Other or Adult Child can join the Auxiliary. We would love to have you.

HOUSE & GROUNDS

- Rear Commodore Dave Lawrence

I would like to thank everyone who came out for our Fall Clean Up Day! This was my seventh Clean Up day and I am am always amazed and proud to see how everyone pulls together to get all of the tasks done. If you have never been to a clean up day, please give it a try. As I mentioned in last month's Log, the work is not all drudgery, but a lot of fun as well. There are always tales of past clean up days to be told and camaraderie to be shared as we celebrate the day's toil.

As nice weather wanes in late fall we are moving toward our goal of repairing and sprucing up the Club. By the time this article is read, the leak in the pool should be fixed and we will be reviewing bids for a new pool heater. Also, we are looking at replacing the windows in the cupola, as some are literally falling out. In addition, we are taking bids for preventative maintenance for all of the refrigeration units associated with our bar and kitchen. There are other plans for repair and replacement, but they are only in the planning stage for now.

Please take the time to report anything that is a hazard in the event that we are not aware of it.

Fun fact: Did you know that our pool holds 39,000 gallons of water?

See you at the Club!

COMMUNICATIONS

- Governor Rose McEntire

BLYC would like to GO GREEN!

The club could save trees and money by reducing the number of printed logs each month. Did you know that the Club spent over \$8,000 in 2013 to print and mail the logs to our members. The log is a very important tool to keep in touch with our members; we would like to encourage you to consider "opting out" of a printed copy and agreeing to view the latest information online!

There are many benefits to viewing online:

- ★ The Log would be at your fingertips from your smart device when needed! Including the Calendar!
- * Fewer trees will be sacrificed
- ★ Saves money that can be used on other projects!

Just go to the website; Click on the box to "GO GREEN", provide your email address and we will do the rest! You may also email me and I will get your name and email address added to the list!

DOCKS & RENTALS

- Governor Tom Baltzell

The Board of Governors and Trustees have approved the repair/replacement of all posts supporting the overhead cover (roof) above the "covered docks". By the time you receive this log, work will have commenced. This improvement is necessary for the safety of the renters and their boats. Post replacement will be completed April 1st. I shall, during the course of my term try to organize our Boat Storage area and make needed repairs on the the docks in the west basin area. Some docks in that area are not safe to rent. Overall, most of the other docks are in good quality. If you are renting a dock and know of any concerns, please contact me so repairs may be scheduled.

A few reminders and suggestions:

We currently have a few garages for rent. If you are in need of additional storage, contact me as soon as possible. Also, now is the time to rent a dock for next season, as I always say: "Don't be docked out this spring"... If you desire boat storage, we have space available in the storage area. All that needs to be done, to do any of the above, is to contact me at: hdbike-guy@insight.rr.com.

Please remember, those who are renting space in our storage area, HAVE YOUR BOAT TAGGED WITH YOUR NAME and insure you are in the correct space! If you have any questions, please do not hesitate to contact me. I do believe that's it for this month so allow me to leave you with this...

"Working together for a common purpose results in a better BLYC"

See you at the Club,
