FROM THE BRIDGE ☆☆☆

January 2015 - Volume 24, Issue 4

COMMODORE
CHARLES WADLEY

Happy New Year!

You will see several projects underway at the clubhouse over the winter months. Please pardon our dust as we make these improvements.

I am pleased to announce that there will be no increase for the 2015 Membership Dues. The invoices will be mailed out this month. Please remember that payment is due 30 days from receipt.

Josh Daniels continues his recovery. I wish to thank all the members and staff who have donated time and money to help Josh and his family. Special thanks go out to the BLYC Auxiliary. They have contributed all of the proceeds from their recent fundraisers to the Daniels Family. It is heartwarming to know, that the BLYC Members have so generously

supported Josh in this time of need. For that, we all should be proud...

Thank You!

Please check the BLYC event calendar and make plans to attend the events coming up this winter.

The Board of Governors are working diligently to continue the Yacht Club traditions and to provide the members with a great experience at the BLYC. The Governors' areas of responsibility are listed on the back of the Log. If you have any questions or comments, please don't hesitate to contact us.

Come in and enjoy your Club!

Commodore Chuck Wadley

ENTERTAINMENT

- Governor Mark Severance

Happy New Year!! **The Majestics** rang in 2015 with a bang and Chef Matt's fare was exquisite! Hope you enjoyed the other holiday entertainment with the jazzy tunes of **Studio 3** and your favorite Christmas tunes with **Jamie Whetstone**. The coming year holds more fantastic entertainment and fun at the BLYC. The Club will be closed New Year's Day but we will be back in action on January 2.

Ease into 2015 with our own **Lakeside Trio** on January 3 from 7:00-10:00 pm—a great time to bring your house guests for a relaxing evening of music—and YOU won't have to cook! **DJ Randy Cobun** will spin your favorite Jimmy Buffett and Caribbean music on January 10 from 7:00-11:00 pm. Don your favorite Hawaiian shirt, shorts, flips and parrot-gear for the ultimate **Parrot Head Party**. What's that song about Margaritaville??

On Saturday, January 17, mellow out with the exquisite guitar work of **Mark Williams** and a little (or a lot) of VINO during BLYC's Winter Wine Tasting event! Sample some great wines, enjoy the fireplace and great food! **Jamie Whetstone** returns on January 24 entertaining us with some dining and dancing tunes. Join us for an evening of Jazz with the **Jazz Gallery Project** on Saturday, January 31 from 7:00-10:00 pm.

Don't be a LONER! It's Euchre on Sunday afternoons at 1:30 PM beginning on Sunday January 11 and continuing through February 8. Join us for a "friendly" game of Euchre in Fireplace Room. Ryan Christy will be hosting this progressive Euchre event. You can still sign up at the bar or just show up! Chef will feature the pub menu. Grab a cold one, sample the new snack offerings or munch on complimentary popcorn.

In February, **Don Beck** entertains on February 6 from 7:00-10:00 with dinner/dance music. On February 14, make it a romantic Valentine's Day with **Dave and Friends**. Listen to those love tunes that will get you "In the Mood." OK... Mardi Gras will be long over but February 28 is the date **ARNETT HOWARD** could be with us! Don't miss this one! Celebrate a belated Mardi Gras and get "HOT, HOT, HOT!" from 7:00-11:00 pm. Break out the beads, dress in Mardi Gras attire, and party down with Arnett! CHECK HIM OUT!!!! <https://www.youtube.com/watch?v=W-LZ9nwMRhM>

The **Speaker Series** is always a winter favorite. This year's topics are both educational and maybe a little controversial. Chef Matt will prepare a "Blue Plate" special each Thursday.

DOCKS & RENTALS

- Governor Tom Baltzell

Happy New Year! I hope everyone had a wonderful Christmas and a very happy New Year's Eve. The Christmas party at BLYC was simply awesome (as always). We (Karen and I) are excited for the New Year's Eve party. BLYC puts on a great "year out, new year in" party. Thank you Ginger and staff for your help in making our holiday season special!

Just a couple items for Docks and Rentals:

Work is progressing on the support post replacement in the covered docks. Thanks go out to Commodore Tim Ryan for managing this project.

Billing for docks, garages, and storage will be arriving soon. If you desire to make changes, please do not hesitate to contact Rebecca at the Club, or me by e-mail at hdbikeguy@insight.rr.com or by text at 740.739.2706

Finally, if you need a dock for 2015, please contact me.

That's a wrap for this month... See you at our CLUB!

THANK YOU BUCKEYE LAKE YACHT CLUB

Looking back on my year as I-LYA Commodore, I know that none of it would have been possible without the support of the best Club anywhere — **The Buckeye Lake Yacht Club!** It was truly an honor, not only to serve I-LYA, but also to represent BLYC. This year brought much recognition to our Club throughout the region. So many members and families from BLYC supported our efforts this year — through fundraisers, support at the meetings and regattas, and SO much more! The list is too great to thank everyone here, but to all of you - **THANK YOU! THANK YOU! THANK YOU!**

I would especially like to thank the BLYC Commodores' Association and the BLYC Auxiliary for their generous support and the Davis family — Tracey, Matt, Michael, and Matthew — for their time and tireless efforts in helping to make the year GREAT!

P/C Steve Harris, I-LYA 2014

BAR & KITCHEN

- Vice Commodore David Luttenberger

Greetings! It may be cold outside, but inside we have major events planned for January designed to excite your appetite and warm the cockles of your heart. We have special menu planned for the Parrot Head Party on January 10. Put on your best Buffett outfit, come on in, and get your "Cheeseburger in Paradise." We also have a special menu for Wine Night on the 17th, and wonderful comfort food menus for the Speaker Series every Thursday, January through March. You don't want to miss these wonderful speeches, or the Blue Plate Specials that go with them. Come on down, tease your brain, and tickle your fancy... all at the same time.

I want to send a special thanks out to all those that donated to the Josh Daniels Recovery Fund. I can assure you that Josh, his wife, and his two beautiful children thank you too. I want to also give special thanks to Ginger for overseeing the fundraising effort and the Auxiliary for their contributions. Also, a special Thank You goes out to Cat & Howard for providing the entertainment for last month's fundraiser. If you haven't donated yet, or if you would like to donate more, we will continue to accept contributions until Josh can come back to work. Make your checks out to Josh Daniels and please give them to Rebecca during the day, or Ginger Deuley in the evening. 'Tis the season!

Reminder: Come in and take advantage of our Happy Hour drink specials, Wednesday through Friday from 4-7 pm. We will be offering specials on beer, wine and well drinks. There will also be a special of the day. Got a thirst? Belly up to the bar at the BLYC!

Please remember to call ahead to make reservations so we can be fully prepared to meet your needs. We're here for you, our members, at your home away from home, the BLYC.

We're here to serve!

HOUSE & GROUNDS

- Rear Commodore Dave Lawrence

Happy New Year, 2015! It seems hard to believe that '14 is no more. With Thanksgiving so late in November, the holidays were on us so quickly that many felt they needed another week to prepare. I hope that all of you had a wonderful holiday season with friends and family. The Club was nicely decorated and festive looking. Ginger and crew had the inside looking wonderful and we put an emphasis on the outside this year as well. Thanks to Chuck and Trent, our maintenance guys, for helping me the Saturday before the Christmas party.

As mentioned in the December Log, we have plans to continue with needed improvements at the Club. Our standing practice is that any expenditure over \$500 must have three bids before submitting to the Trustees for approval. I invite all members who have businesses that deal in improvements—i.e. plumbing, electrical, landscaping, painting, flooring, refrigeration, etc.—to submit your name and specialty to me so that I can contact you if you are interested in bidding on any of the many projects that we hope to complete or may be of the emergency type. You are not expected to give us the lowest bid because you are a member and we are not expected to give you the job just because you are a member. The open bidding process helps to insure that the Club is getting a fair price. Although, if things work out, we would prefer to give the work to a member. Again, if you are interested in bidding on Club projects, I am assembling a resource file of businesses to bid on whatever projects or problems that occur, so notify me at the Club or online, (captdave.lawrence@gmail.com) or call (cell phone: 614.975.1820)

Well, that's all for this issue and I will close with a **Fun Fact...** Some early drawing designs for the Club included a "lighthouse" rising some twenty or so feet above the Club where the present cupola sits now.

I would also like to congratulate P/C Steve Harris on an excellent year as Commodore of I-LYA.

See you at the Club!

RACE & REGATTA

- Governor Chuck Gleich

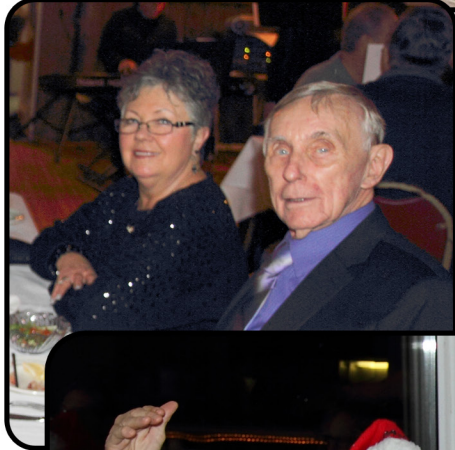

Not being able to be on the lake for the next few months gives us time to dream. The next best thing is being at the Club watching a sunset, enjoying a drink, food, and talking about sailing and boating.

I look forward seeing you soon.

Get ready for the Summer SAILstice! More information coming soon...

Lets get on board!

BLYC AUXILIARY

"... and to all a good night."

The grand finale of the Auxiliary's 2014 year was a shining star. Kimberly of Kimberly's Creative Canvas brought out the artist in all of us. Thank you Kim! The food and staff were great, as usual. Look for pictures on the BLYC website. We also added two new members at the December meeting! A big welcome to Cindy Lape and Steve Harris!

Many thanks to all of the participants in the 50/50 raffle for Josh Daniels at the Beat Michigan Party. Mark Severance won and donated his winnings back to help Josh and his family.

Our booze basket fundraiser was also a huge success! All of the proceeds went to the Josh Daniels Recovery Fund. Bruce Ames was the winner. He is certainly going to have lots of visitors this winter! We have so many caring and generous folks at our Club — guests as well as members pitched in.

Bless You!

The BLYC Auxiliary Children's Christmas Party was fun for all. We are so happy that Santa was able to come and visit. A huge thanks to our Head Elf, Nancy Ball, for all the organizing and shopping for Santa. "Elf Junior," Stacy Baumgardner, was also a hit with kids and parents alike. Our Santa hats go off to Gail and Jay Beck for photographing the entire event.

We will not be meeting in January or February, but we have a special meeting planned for March 12th to kick off the upcoming summer season and work on the August fundraiser. If you have any ideas for the Auxiliary, please email our President, Cherie VanDyne, at jvandyne@aol.com

Happy New Year! See you at the Club!

JUNIOR TRAINING

- Governor Michael McVey

Imagine crossing the walkway bridge to Watkins Island, Buckeye Lake Yacht Club, with your family, friends, or business associates. As you step onto the island, there in front of you is a brick pathway with engravings.

The engravings record, celebrate and honor current and past members of BLYC, including members of your family. The engravings can include:

- Names, Dates, Commemorations —
 - A special anniversary, a sailing championship, remember a loved one
- Positions on the Board of Governors or the BLYC Auxiliary
- Your boat name, your business, etc.
- Other Ideas? The possibilities are endless!

There will be two sizes of bricks:

- 4 x 8 (32 square inches) \$120
- 12 x 12 (144 square inches) \$450

This pathway will be a part of BLYC for many, many, many years to come!

Be a part of BLYC history and help support Junior Sailing at the same time!

Please contact Michael McVey, Tom Greiner, Steve Harris, Tracey Davis, or Tami Schroeder to order yours and ask questions. Vic Schroeder has very graciously volunteered his time to construct the pathway—Thanks Vic!

BLYC is a yacht club because of the many boating activities, of which Junior sailing camp and racing is a vital part. Without boating, we would simply be the "Buckeye Lake Club."
