COMMODORE  
CHARLES WADLEY

We would normally be getting our boats ready to put in the water this time of year. But, due to the recent developments concerning the dam and lower than normal lake level, we are trying to figure out how we might be able to boat on Buckeye Lake. Certainly, boating will be limited and dock access will be a challenge. Be assured that the Buckeye Lake Yacht Club is open. We are getting ready for the summer season with expanded summer hours; the pool & pool bar; the great line up of entertainment; and other scheduled events.

The Yacht Club will be the premier place to be this spring and summer. Be sure to take advantage of all the benefits that your Yacht Club has to offer.

The Board of Governors is working hard to continue the Yacht Club traditions and to provide the membership with a great experience at the BLYC.

The Governors' areas of responsibility are listed on the back of the Log. If you have any questions or comments, please don't hesitate to contact us.

**Come in and enjoy your Club!**

#### **This Summer will be fun at BLYC...**

The Yacht Club will still have the best view and sunsets on the lake - come on out and enjoy the club and view with your friends! The Board is working very hard to come up with new, fun events to have at the club this summer since we will not be able to boat as easily. If you are not already signed up to receive our weekly email news blast - now would be a great time to do so. The weekly email will list everything that is going on at the club for that week and the near future! The pool will be ready and warm this summer with lots of fun activities planned - including water aerobics on Thursday evenings in June, from 5:45 to 6:30! Watch for additional information on this! If you have ideas or suggestions for the club, please let us know!

**See you at the pool soon!!!!**

## ADJOURNMENT

## HOUSE & GROUNDS

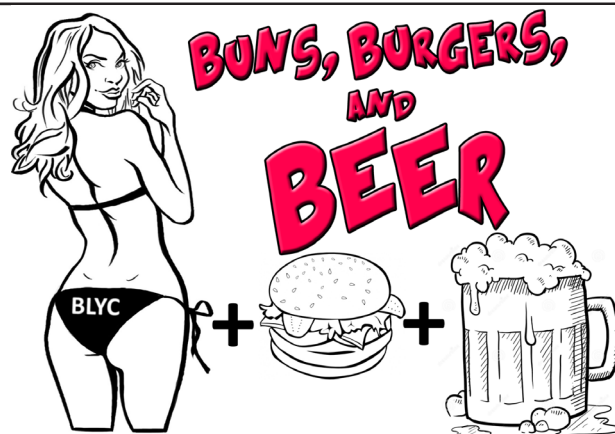

- Rear Commodore Dave Lawrence

I always look at the month of May as "the Threshold of Summer". We will be planting our summer veggies and flowers, sharpening the mower blade on the mower, and readying the pool. And just like at home, many of these same things we will be doing at the Club. In order for everything to look its best, it takes time and effort. As many of you know, Donna Parker, who has made the Club look beautiful for many summers, has stepped down from that role, leaving me to head up this effort. Donna has assured me that she will be of assistance but doesn't want to do the whole thing. I have some experience with plants as I worked at The Ohio State University greenhouses for two years as a student. However, I don't claim to know everything and even if I did, I can't do it all by myself. It takes a great effort in order to have beautiful plants. I would like to have a meeting on May 13, (7:00 pm @ the Club) for those who would be interested in becoming a part of a group who will oversee the flower and plants. Duties would include planting, pruning, deadheading, fertilizing and watering. If you can help with any of these and would like to be on the committee let me know at: [captdave.lawrence@gmail.com](mailto:captdave.lawrence@gmail.com) or call me on my cell - (614)-975-1820.

We are progressing with the pool with a goal of opening the pool on Memorial Day weekend. One project that required attention is finished. Where the pool had leaked in previous years, it washed out the soil under the sidewalk and needed backfill. I would like to thank those members who hauled limestone over the bridge and to the pool for several hours on a Saturday: Gov. Chuck Gleich, who was also our "expert" and spent additional time; Gov. Mark Severance, who also did some pruning; Scott Evans and his lovely daughter Helena; and Bob Snow. In addition, I would like to express my appreciation to architect, and new member, Fred Schwab for providing technical advice. Also, a tip of my Commodore's hat to Kathy Severance, who helped shovel the remaining stone down the ramp, Wes Cartwright who showed up to help the week before and the stone never did, and to Trent, one of our maintenance guys.

See you at the Club!

# DOCKS & RENTALS

- Governor Tom Baltzell

Hello all.

As I stated in last month's Log, I put together a new dock policy to give present dock renters options concerning your rental this season and for our members, who are not present dock renters, but wish to rent this season. This policy is a result of many suggestions from our dock renters. Thank you for your input!

The 2015 Dock Rental Policy has been approved at the last Board Meeting. If you are a present dock renter or member wishing to rent a dock this season, please familiarize yourself with this policy.

## 2015 Boating Season Dock Rental Policy

### Terminology:

**Present dock renters:** Members who were billed 2015 dock rent with their membership dues

**New dock renters:** Members who wish to rent a dock for the 2015 season and did not rent during the 2014 season

**\$45.00 Retention fee:** The fee paid to continue "rental rights" to your numbered dock

- ★ All Present dock renters shall be refunded the "State Dock Permit" fee. No New dock renter shall be accessed the "State Dock Permit"
- ★ All Present dock renters who have paid their dock rental fees and are unable to use their dock due to low water levels shall request a full refund of dock fees paid.
- ★ All Present dock renters who request a full refund because of non dock use - for a \$45.00 retention fee, they may retain the right to their same numbered dock for the 2016 Boating Season
- ★ All Present dock renters, who choose to pay the \$45.00 retention fee, will permit BLYC TO RENT their dock to a New dock renter for the 2015 Boating Season
- ★ All Present dock renters, who choose to pay the \$45.00 retention fee

and have a lift in their dock, shall be permitted to keep their lift in place. BLYC Dock Governor shall insure caution tape be put across the dock entrance for safety purposes. Lifts must be raised above water level to be visible. Docks with lifts shall be considered "non-rentable"

- ★ New dock renters may request a dock rental at any time during the 2015 Boating Season. Cost shall be the normal dock rental fee, minus the State Dock Permit.
- ★ New dock renters, who request to rent a Present dock renter's dock shall be made aware the dock use will be for the 2015 Boating Season only and no lift will be permitted.
- ★ Present dock renters and New dock renters may request a full refund of rental fees no later than July 1, 2015.
- ★ Present dock renters who do not request a full refund, it shall be assumed you are using your dock.
- ★ The \$45.00 retention fee will be placed in a separate fund to be used for dock issues, as needed.

The Dock Governor and BLYC business office shall work together to insure this policy is correctly followed. If you have any questions, please do not hesitate to contact me.

Finally, if you are storing something in our Eastport Storage Yard, it's imperative that you are in your correct numbered spot. I'm receiving many requests for storage spots, at times I assign a spot only to find someone in the "unassigned" numbered spot. Please tag your property with a name and again, insure you are in your assigned numbered spot.

My friends, I do believe this is a wrap. If you need anything, call me at 740.739.2706 or e-mail [HDBikeguy@insight.rr.com](mailto:HDBikeguy@insight.rr.com).

# JUNIOR TRAINING

- Governor Michael McVey

Hello to All...

Sailing season is upon us...YEAH!

Unfortunately, ODNr water level have created some obstacles for boating. Fortunately, I have been working with Alum Creek, Hoover and the I-LYA Jr. Sailing Council.

The first adjustment is that Buckeye Lake Jr. Sailing and ACSA (Alum Creek) are co-hosting the May 30th Traveler Series Regatta at Alum Creek! This is a great opportunity for BLYC to shine.

"Stuff Happens" in life and those who do best are those who adjust and make the most of it. So...we need volunteers. Give either myself or Steve Harris a call, text, or email to be part of this challenge and show others "how it's done!"

There will most likely be some other adjustments - such as to camps... Stand by. To learn more, please check out my communications on BLYC's website. On the top of our Home Page is a "Juniors" tab; click it and then click "Latest News" and you'll find my "latest" communications!

Thanks for being there to support the Jr's and their families, your peer members! Come out and support your BLYC.

"Mac" McVey  
Junior Training Governor

## BAR & KITCHEN

- Vice Commodore David Luttenberger

**Summer is coming!** Don't let the lake levels get you down. We'll be keeping the swimming pool at full pool all summer long. Did I say "POOL?" That's right the first pool party is May 24 and we intend to make the BLYC pool the premier place to be on the lake this season. More menu items, more drink specials, and "curbside" service. Don't forget our Cinco de Mayo party either, with a special Mexican menu to spike your Fiesta! "Mucho Bueno!"

As you may have heard by now, our front house manager, Ginger Deuley, has decided that it is time for her to pursue other opportunities. She has done a wonderful job for us as front manager and we wish her success in her next adventure. In the meantime, our staff is stepping up to cover the gap and we promise to continue the excellent service you have come to expect. If you have any problems or issues with service please feel free to direct them to either myself or our Kitchen Manager, Larry Enmen. We want your experience at the Club to be Primo!

Don't forget - Come in and take advantage of our Happy Hour drink specials; Wednesday-Friday from 4-7 pm. We will be offering specials on beer, wine and well drinks. Don't get left out from the fun - be sure and call ahead to make reservations so we can be fully prepared to meet your needs. BLYC, your place for fun all summer long!

### And they're off...

What a great time! Who knew that crab racing would be so much fun? We sold out of the little buggers (they were so cute!) Thank you Terry "The Crab Man" Murnane! A big thank you to the staff. The munchies were perfect and the service was great. The winner of the final heat and prize money was Sally Voyles. Congrats!

Welcome to our newest Auxiliary members - Sandra Hurst and Tracy Vaccani.

Our next meeting is Sunday, May 3rd at 2:00 pm, during the BLYC Semi-Annual Meeting. We will be sipping margaritas on the porch, planning our future meetings, and hopefully enjoying abundant sunshine. We are putting together a booze basket to raffle off this summer. Please bring a "summer type" bottle of liquor or refreshing mixer to add to the fun. While you're at it, grab one of those items you just don't know where to put around the house anymore for the August auction. We are starting to gather items from ALL BLYC members early this year. We are planning a great event!

The itinerary for June has changed, so.... stay tuned.

Linda Masone  
Secretary

## RACE & REGATTA

- Governor Chuck Gleich

Canoeing and kayaking on Buckeye Lake... We might not get to do much sailboat racing this year, but let's go explore!

Still, being at the Club has so much to offer for us this summer. Looking forward to it!

Even though our sailing events will be curtailed this season due to lower water levels, we're still moving ahead and trying to make the most of it.

- ★ Check out the ad in this issue about an informational meeting for those interested in racing radio-controlled model yachts at the Club. Members Jean Claugus and Marty Headlee race these boats in Florida each winter and are happy to share their enthusiasm and expertise with you. Marty & Chad Headlee will tell us all about it. Please join us! - Thursday, May 7th @ 7:00 pm
- ★ P/C Steve Harris and his committee are hard at work making alternate arrangements for this year's Snowball Regata - the 70th Annual! A great BLYC tradition, the regatta will go on, although perhaps at another venue.
- ★ Other ideas? Just let me know!

Race & Regatta Governor
