COMMODORE  
CHARLES WADLEY

The Yacht Club is in full swing for the summer season! Remember that we are open for lunch, Wednesday through Saturday, and breakfast on Sunday. The pool & pool bar is open 7 days a week.

The BLASST will be sponsoring the annual fireworks on July 3<sup>rd</sup>. On July 4<sup>th</sup>, don't forget the Junior Sailing's pancake breakfast from 8:45-10:30 followed by the Yacht Club's annual flag raising at 11:00.

Larry Enmen Jr., our Club Manager, is doing a great job of providing the membership with excellent service and a quality dining experience. Please don't hesitate to contact Larry if you have any specific requests. Please call ahead to make or cancel your reservations.

There are a lot of activities and events that you don't want to miss out on at the Buckeye Lake Yacht Club this summer.

For current events and updates, please refer to our new kiosks inside the club house, the website, the weekly e-mail blast, and the monthly Log.

The Board of Governors is working hard to continue the Yacht Club traditions and to provide the membership with a great experience at the BLYC.

**Come in and enjoy your Club!**

Commodore C. R. Wadley

### MEMBERSHIP

- Governor Kara Stanley

Please join me in welcoming our new members this month:

#### **Mike & Julie Bruckelmeyer**

If you see them around the Club, say hello and give them a big BLYC welcome. There's still a lot of activity at the Club and great events to attend. While boating may not be the top activity at our lake for awhile, the benefits of membership are still there - food, fun, camaraderie - and now is as great a time as any to join BLYC. Bring your friends who may be prospective members out and show them all that BLYC has to offer!

# ENTERTAINMENT

- Governor Mark Severance

Start off the July 4<sup>th</sup> weekend with a BANG with top-notch seats for the Buckeye Lake BLASST on July 3<sup>rd</sup>. The fireworks will be launched from Fairfield Beach across the lake from the Club starting at 10:00 pm. **Eric Solomon** will perform from 7:30-11:30 for this star-spangled event. We'll have sparklers for the kids (and those of you that are kids at heart) and plenty of great food and beverages. Continue the party on July 4<sup>th</sup> with **The Jack**. Come rock the night away! Again, make your reservations now to assure we have adequate seating and staff to accommodate your needs.

**Dave Bott** will join us on Friday, July 10<sup>th</sup> for some easy listening dinner music on the front porch. We're kickin' it up for the **Commodores' Steak Nite** with **AJ Angelo** on July 11. AJ is always a BLYC favorite. Our Past Commodores will be tending the grill and the kitchen will provide great sides. On Saturday, July 25<sup>th</sup>, **The Lords of Literature** will be playing your favorite rock and pop tunes. This "all teacher" band will teach you more than just reading, writing, and arithmetic.

**The ARK Band** (<http://www.thearkband.com/>) will join us for our **Luau** on August 1 from 7:30-11:00. This band has been rated as the number one reggae band in the whole Midwest USA. Don your grass skirts and flower leis for this special event. You won't want to miss it! **Bad Influence** (<http://badinfluenceohio.com/>) will hit Watkins Island on Saturday, August 8 from 7:00-11:00. Specializing in a wide range of hits from the 70's, 80's, 90's and today, Bad Influence is best known for their versatility and crowd participation. On Friday, August 14, **Randy Cobun** will DJ the evening and on Saturday, August 15, **Don Beck** will provide the tunes.

Join the Auxiliary for a little vice --Miami style-- on August 22<sup>nd</sup>. **Cat and Howard** are sure to provide some trendy music as well as special guest performers. The evening will feature an upbeat menu, tasty drinks, and a silent auction. **The Lakeside Trio**, featuring David Hogrefe on piano and Steve Harris on percussion, will play Saturday, August 29 as we bid good-bye to summer.

Join in the summer fun at the BLYC and bring along a few friends to help us celebrate summer!

Looking forward to fall and winter events, if you have entertainment requests or suggestions for the speaker series, please contact me via the BLYC website.

## COMMUNICATIONS

- Governor Rose McEntire

I want to encourage everyone to take a look at the new kiosks located in the bar and entrance areas of the Club. The kiosk provides a fun new way to stay informed on upcoming events at the Club and to check out the pictures from previous events. It is obvious that we have been having lots of fun this summer at the Club. We need to recognize and thank Past Commodore Steve Harris for designing and building this kiosk for the Club – you are so talented and it looks great Steve!

Rose McEntire  
Entertainment Governor

## HOUSE & GROUNDS

- Rear Commodore Dave Lawrence

"Roll out those lazy, hazy, days of summer... those days of soda and pretzels and beer..." Nat King Cole released his hit song in 1963 and those of you of my generation remember hearing that song on every radio channel, every day, all summer long! Well, I think that it is time to "roll out the barrels" at the Club as we are in the thick of summer. The Club is looking good and the projects are finished that were started in the spring. The grounds are looking great and the flowers are beautiful. As I have mentioned in earlier articles, the views are still spectacular and some members are even able to get to the Club by boat. A special thanks to our maintenance crew for their continued hard work, and a shout-out to Governor Gleich who has been involved in all projects and now is watering the plants. A little "shame on you" goes out to some of our members (and/or guests). I try to tidy up the flower beds when I can and have noticed cigarette butts in the beds, particularly off the front porch. In addition, many of our beautiful planters are also being used for ash trays! I have high regard of our membership and hope that they, in turn, have high regard for our Club and other members. Hopefully, we won't continue to see such unsightly litter.

Well, this was a somewhat short version of House and Grounds because we are basically on "cruise control" for now. We will be starting some new projects soon with information to follow. If you see things around the Club that need attention, please contact myself or any of our Board members who can pass it on.

**See you at the Club!**

## DOCKS & RENTALS

- Governor Tom Baltzell

The July Log Article! This happens every summer... "It goes way too fast". Mark my words, this time next month, I'll be submitting the August Log article!

Now, down to business.

Have you been to the Club? In my humble opinion I believe I've not seen the pool and grass areas around the Club look as wonderful as they do this year. A big "shout out" to Rear Commodore Dave Lawrence! Talk about some one who's worked hard for the members!

As you may imagine, there's not much happening in the Docks and Rental area. We still have a few spots available for rent in the boat storage yard. If you are interested, please contact me at 740.739.2706 so that we may set up an appointment to meet. I find it easier to walk the yard together to see what works for you.

If you have any questions regarding our 2015 Docks Policy, or need a copy of the policy, do not hesitate to contact Rebecca in the BLYC Office at 740.929.9941 or myself. By the way, what a awesome job Rebecca had done with refunding docks fees, tracking all the various changes in docks, sending out paper work per requests and just staying on top of it all... Between you and me, she's my new best friend this season!

Well I don't have any more to add this month. As always, do not hesitate to contact me if you need anything. Until next month, see you at our Club!

results in a better BLYC**

## JUNIOR TRAINING

- Governor Michael McVey

Wow...what a start to the Junior Sailing season! First on the agenda, we've added five new racing sailors: Tony and Nate Prenger, Gus Workman, Alec Kapps, and Christopher Chapman. Welcome aboard mates!!! Returning this season, we have Michael & Matthew Davis, Oliver Krajewski, Cora McVey-Steele, Katy & Susannah Schroeder, and Ian & Olivia Smith... all sailing Lasers. So far, through the first three Traveler Series Regattas (BLYC, Hoover, and Berlin), we have fielded 9, 10, and 7 racers.

Our regatta on May 30, which was held at Alum Creek, was super great for the Kickoff regatta. We had 77 sailors, representing 14 clubs, from as far away as North Cape and Grosse Ile Yacht Clubs. They sailed 59 boats in three classes: 420s, Lasers and Optimists. Steve Harris was the PRO for the 420s and Lasers and Don Harris was the PRO for the Optimists. Temperatures were in the upper 70's with wind at 7 - 13 mph. We just missed two storms and we had a slew of volunteers: Rod & Karen Chambers (Ian & Olivia's grandparents from Berlin Yacht Club); Don, Steve, & Sue Harris; Matt & Tracey

Davis; Dave Chapman (of Mansfield Sailing Club and also the I-LYA Inland Lakes Representative); Joan Hein; Marty & Sue Headlee; Marcia & Rick Henderson; Klaus & Bethany Krajewski; VC David Luttenberger; Coach Caroline Maiden; Melodie & Scott McVey-Steele; Tami & Vic Schroeder; and Kirsten & Steve Smith. Finally, we owe a great deal of gratitude to Sharla O'Keefe, Commodore of ACSA, who made her club accessible for the regatta.

***We have raised the money and the new safety boat is ours!***

Thank you to everyone who donated to make this a reality - everyone who donated and purchased pavers helped to make this happen. In particular, I would like to thank our "Top" donors (\$500 and up) - Rosa Clark, Tom & Patti Greiner, Mac & Karen McVey, Bill & Sally Reynolds, Steve & Karen Roshon, P/C Steve Harris, Vic & Tami Schroeder, Bob Snow, and Dan Roshon.

We are still selling pavers to help with ongoing program and equipment expenses. Look for installation to begin later this month!

**See you on July 4th!**

## RACE & REGATTA

- Governor Chuck Gleich

Not a lot going on with Race & Regatta, given the current depth conditions. However, each day, it seems there's a little more activity on the lake. Maybe we'll be able to get some racing done in the Interlakes and Flying Scots.

Speaking of getting out on the lake... BLYC now has a canoe & kayak "beach." We've repurposed an area under the covered docks where members can easily launch and get out on the water. We have added steps, a ramp to get your boat down, and smoothed out the area for easy launching. Bring your canoe or kayak down and *let's get on the water!*

## The Commodores' Steak Nite

Since the 1960's, each summer, the Past Commodores of BLYC, don their summer whites and get together for an evening of grilling and fun at BLYC. Sounds like an exclusive event, doesn't it? Not at all. The purpose of Steak Nite is the same today as it has always been - to provide the members with a good meal and good entertainment at a reasonable price while raising some money for the BLYC Commodores' Association. In fact, it is the only fundraiser we do. All of the monies raised go directly back into Club improvements. Over the years, the group's projects have included remodeling the upstairs men's restroom, purchasing the metal entrance gate, and helping to preserve our history by restoring and reframing the pictures in the Commodores Lounge, to name a few.

Originally, it was called the "Commodores' Steak Fry" and, in the early years, the Commodores would bring their charcoal grills from home, set up on the front lawn, and cook for the members. Back then, regular restaurant service wasn't available at the Club. The Steak Fry was a unique treat. Exactly when it began is unclear, and the event has changed some over time. But, it's been an integral part of the Club, and one of our great traditions, for many years.

Commodores are indeed a unique lot and come from many, varied professions. While we certainly have fun when we get together, we also realize that none of us are chefs by trade. Although it is called the Commodores' Steak Nite, Josh and the BLYC kitchen crew do the real cooking. We assist, swap stories, and add to the evening's entertainment in our own unique way. As in the beginning, the Commodores are there to provide a fun, affordable evening for the members and give back, in some measure, to the Club we love.

## BLYC AUXILIARY

- Cherie Vandyne, President

The June Auxiliary meeting was a hit. We went shopping.... and it didn't cost us a dime! Everyone went home with a bag of accessories that even Zsa Zsa Gabor would envy.

The Auxiliary is proud to be helping with the purchase of a commercial grill for the pool area. It should be together and heated up by the time we have our July 9th Auxiliary meeting poolside.

Speaking of heating things up, get ready for the August Fundraiser and Silent Auction. Sand, surf, and the lights of Miami are coming to our own BLYC. We have Howard Everitt, Cat, and their own "Miami Sound Machine" providing the music. There are unique drink menus and, of course, some very special dinner items. Mark your calendars for Saturday, August 22nd because you don't want to miss this party!

WE NEED AUCTION ITEMS. Small ones. Large ones. We'll take them all. Get that spring cleaning done. Donating items is a great way to start. Drop them off at the club anytime. Our staff will place it in the office for safe keeping.

Want a refreshing summer time drink when you can't make it to the club?? Then purchase a few tickets for our booze basket. It's loaded with summer items that will cool you down in no time. Just ask the staff or one of your Auxiliary members.

Secretary
