CHARLES WADLEY

August, already? July was a fantastic month at the Club. I hope that you have had an opportunity to enjoy some of the events, entertainment, and the pool this summer. What a great experience the BLYC has to offer. We still have the month of August with more fun & excitement to come.

I would like to encourage any member to consider serving on the Board of Governors. We need you to help support, operate, and continue the traditions of the BLYC. Please contact any Board Member or Trustee for more information. Candidate's Night will be on Friday, September 11. The Porch Picnic, Elections, Annual Membership Meeting, and the Commodore's Reception, will be held on Sunday, September 13.

Remember we are open for lunch, Wednesday thru Saturday, and breakfast

on Sunday. The pool & pool bar is open 7 days a week.

Larry Enmen Jr., our Club Manager, is doing a great job of providing the membership with excellent service and a quality dining experience. Please, don't hesitate to contact Larry, if you have any specific request. Please call ahead to make or cancel your reservations.

There are a lot of activities and events, you don't want to miss out on, at the Buckeye Lake Yacht Club this summer. For current events and updates, please refer to our new kiosks inside the club house, the website, the weekly email blast, and the monthly Log.

The Board of Governors is working hard to continue the Yacht Club traditions and to provide the membership with a great experience at the BLYC.

ENTERTAINMENT

- Governor Mark Severance

Hele mei hoohiwahiwa! Come celebrate and “hang loose” on Saturday, August 1 from 7:30-11:00 as **The ARK Band** (<http://www.thearkband.com/>) provides us with plenty fun music for the BLYC Luau. Wear your Hawaiian garb and hula the night away. **Bad Influence** comes aboard Watkins Island for a night of rock ‘n’ roll favorites from the 70’s, 80’s and 90’s from 7:00-11:00 Saturday, August 8. On Friday, August 14 dance on the front patio to **Randy Cobun** spinning your favorite tunes from 7:00 to 10:00. On Saturday, August 15 **Don Beck** will perform some of those old standards and jazz tunes for you dining and dancing pleasure.

We may not be at South Beach (and definitely not Hauover) but, the Auxiliary will transport you there with the tastes, music, and culture of Miami for their annual fundraiser on August 22. It’s Miami Vice! **Cat and Howard** as well as some special guest performers will provide the music. On Friday, August 28 the **Lakeside Trio** will perform Broadway, standard, and jazz music. This is the bass player Cole’s last performance before he heads off to NYC for grad school. Come out and bid him farewell.

By special request, **Andrea and Darryl Gatlin** will be back on Saturday, September 12 from 7:30-10:30. They always put on a spectacular show! Additional entertainment for September is yet to be confirmed. Watch for the next issue of *The Log* or the weekly BLYC e-mail blast for updates. As always, make reservations to assure we have adequate seating and staff to accommodate your needs.

Ohio State football tailgates parties start in September. Come cheer on the Buckeyes in front of the big screen. September 12-Hawaii 3:30 PM, September 19-Northern Illinois 3:30 PM, September 26-Western Michigan TBA. The kitchen and bar will have tailgate specials and buckets of beer. Decorate your table and get decked out in your Buckeye regalia.

Cheers!

HOUSE & GROUNDS

- Rear Commodore Dave Lawrence

August is here and time is running out on summertime at the Club! For those of you who have not frequented the Club this summer, you are "missing the boat" (we are all missing the boats, but you are missing the proverbial one.) The beautiful sunsets and the reflection of the moon on the water are breath taking. The music and entertainment have been outstanding! Many people who were at the Club on the Fourth to hear and dance to the music of The JACK have said this was one of the best nights ever! The "all you could eat" buffet of smoked meats, brisket, chicken breast, and pork loin put the exclamation point on a wonderful evening. There is a lot happening at the pool as well. There are pool parties, water aerobics, and a lot of relaxation poolside with a cold refreshment in hand. And, per request, the pool heater has been raised 2 degrees!

So, don't "get left at the dock!" During these hard times, we REALLY need members to come out to the Club often. If this happens, we will be able to "weather the storm" in which we find ourselves!

See You at the Club!

BAR & KITCHEN

- Vice Commodore David Luttenberger

NEWS FLASH! August is here and the BLYC kitchen is HOT! HOT! HOT! We kick off the month with the Luau on August 1. We will be providing real reggae music with the world renowned ARK band and an unforgettable, tropical island menu. We will also have a special party in the Commodore's lounge with free drinks and appetizers for our new members. Make your reservations early - this night is always a sell out! We follow with the Auxiliary's South Beach Night and our kitchen's taste of Miami! You don't want to miss this. Bring your friends and fill the Club to capacity! Surf's UP!

IMPORTANT: The BLYC is doing everything to maintain full bar & kitchen service during this difficult time with no water in the Lake. If you want to see our traditions continue during this period, the most important contribution you can make is to just come to the Club and enjoy the food, entertainment and the Pool.

The new menu is out and new specials are coming out every week. Have you tried our BBQ ribs? OMG! Our kitchen and front staff is trying very hard to give you the best experience possible. If you are enjoying the Club, please let your staff know. If not, please let Club Manager Larry or myself know and we will attempt to address your issues. We want your experience at the Club to be exceptional!

The pool bar is open every night of the week. The water is inviting, the drinks are cool and the experience - pure resort. Have an afternoon off and looking for something to do, come in, enjoy the pool, and take advantage of our Happy Hour drink specials, Wednesday-Friday from 4-7pm. We will be offering specials on beer, wine and well drinks. BLYC, your place for fun all summer long!

We're Here to Serve!

DOCKS & RENTALS

- Governor Tom Baltzell

Not a lot of Docks and Rentals information this month but I'd like to touch on a few things...

If you've requested a dock refund and have not received it, please contact Rebecca, BLYC office at 740.929.9941. If you've received a refund check and have not yet cashed it, please do so at your earliest convenience. (So I can keep current on the Docks and Rentals account)

As always, do not hesitate to contact me if you need anything! (740.739.2706)

Well my friends until next month,

BLYC AUXILIARY

- President Cherie Vandyne

The July 9th Auxiliary pool party turned into a party on the porch. Thanks to Mother Nature, it wasn't until 9 p.m. that a member (yours truly) was able to take a dip in our recently renovated pool. (Rumor has it, there may be a posting on face book) The temperature was perfect and everyone is doing a great job of maintaining it. We'll try again later this month. Watch for an email.

THANK YOU DONNA! Donna Parker stepped up to the plate and volunteered to sell booze basket tickets. She also picked cherries from the trees poolside, turned them into pies and then had them auctioned off! All for the benefit of our Auxiliary Fund. She's a peach. Hey, maybe we should plant some peach trees.

The "hottest" thing right now is that the BLYC Auxiliary is bringing, "VICE" MIAMI STYLE on August 22, 2015 for the Annual Auxiliary Fundraiser and Silent Auction. Howard Everitt and Cat with their own Miami Sound Machine playing shades of Gloria Estafon and other great South Beach tunes. Cocktails starting a 6:00. Have your picture taken with the Paparazzi in a tropical setting. Chef Josh will be preparing a great special menu that evening. Also there will be great items up for auction that evening, live and silent. Please make your reservations early. Remember the proceeds from that night benefit and support BLYC and all of it's members.

Speaking of the Auction, turn up the heat and bring in some hot items. Drop them off with the BLYC staff by August 14th for the event. We're also going to need volunteers to help decorate the porch, patio and pool area as well as to help with a few things here and there. Remember, "the more, the easier".

The next Auxiliary meeting will be Thursday, August 13th at 6 p.m. It will be a working meeting to put the table decorations together for the Fundraiser.

See you at the club/pool !!

JUNIOR TRAINING

- Governor Michael McVey

So...how many of you went to the Jul 4th Flag Raising and the Junior's Pancake Breakfast...and then saw the Safety Boat?! Yeah... what a beautiful sight! Rosa Clark and Bill Reynolds were the last of the big givers to take us over the \$22,500 mark. Thomas Greiner, who helped to select it and kicked off the donations with the first big check, went with me up north to pick it up and bring it back...Thanks to all who donated!

To help control the safety and security of the boat and increase its "lifetime," we created a Designated Operators list. Currently that lists includes: Junior's Coach, Junior Training Governor, and the three Flag Officers of BLYC... and no one else.

Okay, back to the Pancake Breakfast and other recent fundraising Thank You's...first - a big thank you to Tracey who organized the Breakfast including food donations. Others who helped and/or donated were Matt, Michael & Matthew Davis, the Schroeder family, Joan Hein, Lola & Linda, Chuck Gleich, Lois Maher, Figgins family, Smith family, Krajewski family, Kemp family, Bruce & Richard, Ann Oliver, Barb Hein, Charlotte Davis, and Bob & Linda Masone...thank you, thank you, thank you; we raised over \$800. Tracey also set up and ran the 50/50 on July 3rd which raised over \$500.

So...we're off to Jr Bay Week with eight racers: Michael & Matthew Davis, Oliver Krajewski, Tony Prenger, Katy & Susannah Schroeder, and Ian & Olivia Smith!!! It's going to be a great time all week. We look forward to seeing all of you on Wednesday evening at the PIBYC Pavilion at 6:15 to "Meet the TEAM"!

Finally, when we get back, Vic (who is volunteering all his time during his busiest business time of the year) and I will charge into putting up the first phase of the pavers beside the club and selling more pavers. Once you see it, you won't be able to resist!

Another great week at Put-In-Bay, Jr Bay Week! Lots of sun, sailing, fun, and growing. Watch these kids on the water sailing and on the shore engaging socially and they're AMAZING! I saw a room full of 13 - 18 year old sailors stand and applaud winners of other teams and thank them. The camaraderie and mutual support between these sailors is truly impressive.

Finally, congratulations to Oliver Krajewski for winning the Commodore's Award for the perseverance he showed in the face of many challenges on the water. Great job Oliver!

Thanks to All!

COMMUNICATIONS

- Governor Rose McEntire

WOW – August already!

We still have one full month of summer fun here at BLYC! Check out the Kiosk when you are at the club to see pictures from past events and news about upcoming events! This first year being a Governor has gone by very quickly, and I have really enjoyed being a member of the Board. I have learned that there is a lot of hard work that goes on behind the scenes to keep this Club running; and there is a large number of Members who volunteer a great deal of their time and in some cases money to help! Thank you! I have also come to witness and appreciate how rich the Club is in tradition and in family – and this has been awesome to see and be a part of.

I look forward to continuing to serve on the Board next year, and as always if you have suggestions or questions, please do not hesitate to contact any member of the Board. (contact information can be found on the web page).

See you around the Club!
