### COMMODORE DAVID LUTTENBERGER

#### Ahoy shipmates!

We kicked off the spring with a wonderful Commodores' Ball. The decorations, service, food, and the musical stylings of the Dave Schubach Big Band were superb. I want to thank everyone for coming and all of the staff for the wonderful job they did. If you missed this, there are plenty more wonderful events coming up this year. Be sure and get your reservations in early, we will not disappoint.

**DAM UPDATE:** The soil mixing rig has passed the Club and is heading west. It has left piles of dirt in its wake which will have to be removed, but our entryway has been restored. I am told by the contractors that, once the drilling rig passes the primary spillway, where the new access road is located, they will be able to work on the temporary dam structure from either side of the Club and there will be less interruption to our access. We will continue to update you on future progress. In the meantime, we are up, running, and open for business as usual.

**BULLETIN:** Our new finance committee has recently filed for a "Lakes in Economic Distress" relief grant and loan. Please see the Finance Committee report by Mark Pyle for details. This is one more important function being done by our new Finance Committee. Thanks guys; we can use the money!

Now that the seasons are changing and the snowbirds returning, we expect an upturn in our business. As mentioned before, to better accommodate our members we will begin enforcing our parking policy. Please be sure to update your parking sticker and display it in your vehicle. If you have a car without a sticker, or if someone is coming to join you without a sticker, be sure to obtain a temporary parking pass at the bar and place this in the vehicle. Your cooperation with this important policy is appreciated.

**UNDUES DELAY:** We still have members that have not paid their dues. This is very important to the operation of the Club. If you have not sent in your dues yet, please do so. There is nothing more important that you can do for the survival of our institution.

In conclusion, the new summer menu is out, the pool will soon open, and your *Adventure in Paradise* continues. Please come to the Club and enjoy the ambiance, food, service, and escape that only *your* Yacht Club can provide.

**BLYC — the place to be all summer long!**

# ENTERTAINMENT

- Governor Mark Severance

April featured the great music of **Dave Schubach** for the Commodores' Ball, **The Gem Tonz**, **The Lakeside Trio**, and **Pete Mernedakis** on solo guitar. I hope you enjoyed the entertainment throughout the winter and spring. We are gearing up for a great summer.

May entertainment kicks off on May 7<sup>th</sup> from 7:00-10:00 with the Cinco de Mayo Fiesta with **SFM\$** (short for Suitcase Full of Monopoly Money) featuring Jamie Whetstone and friends. The band plays a super eclectic selection of rock, pop, funk, and jazz. Stop in early and enjoy the Kentucky Derby on the big screen with BLYC friends. Post time is at 6:34 pm. Enjoy Supper Club with the upbeat acoustic music of **Eric Solomon** on Friday, May 13<sup>th</sup> from 7:00-10:00. Check him out at <http://ericsolo.com/>. BLYC's own **Sunken Island Band** returns on Friday, May 20<sup>th</sup> (please note this is a change in date from what was published in the April Log) for the **Full Moon Party**. The last time the band played we danced the night away. It is always a fun party when **SIB** is in the house.

On Saturday, May 28<sup>th</sup>, **Second Story** will entertain us with acoustic jazz and blues (check out the band's Facebook page at <https://www.facebook.com/Second-Story-Acoustic-103926209652889/>). Join us on the porch for a relaxing evening. The official grand opening of the swimming pool is on Memorial Day Sunday — May 29<sup>th</sup> from 1:00-4:00. Welcome summer! **The Groove Band** (<http://www.facebook.com/thegroovecentralohioband>) will rock the afternoon. Sun, fun, food, and buckets of beer are on the menu. Don't forget the sunscreen!!

# FINANCE COMMITTEE

- Governor Mark Pyle

The State of Ohio recently passed legislation to assist those businesses impacted by the decision to lower lake levels and repair the dam. The Lakes in Economic Distress Grant and Loan programs were rolled out on April 12, 2016. The applications are being processed on a first-come, first-served basis by the Ohio Development Services Agency. The Club applied for both the \$10,000 grant and the up to \$20,000 interest free loan on April 12<sup>th</sup>. We received confirmation that the applications were received and will be working with the State to complete the process. In the meantime we are working on revising the budget to guide us for the remainder of the year, now that we have the results of the annual membership billing process. Financial results of the first six months will be presented at the Semi-Annual Meeting May 1<sup>st</sup>.

**See you at the Club!**

**SUMMER HOURS BEGIN  
WEDNESDAY, JUNE 1**

The **Drew Allan Band** is featured on Friday, June 3<sup>rd</sup> from 7:00-10:00 for Supper Club. Drew is joined by amazing saxophonist A.C. Collins. Check them out at <http://www.drewallanmusic.com/>. We're heading to the Lone Star State for a Texas BBQ on Saturday, June 18<sup>th</sup> from 7:00-10:00. Enjoy the great vocals and solid harmonies of **Perfect Timing** playing classic rock and light country. Enjoy Supper Club music on Friday, June 24<sup>th</sup> — performer **TBA**. On Saturday, June 25<sup>th</sup> enjoy a mix of great music, ranging from swing/jazz/big band to retro to country — an unforgettable evening with the **Kenny Wayne/David Joseph Duo** from 7:00-10:00 on the front porch.

The official **Sunday Euchre Club** will be on hiatus during the summer and we'll officially reconvene in the fall. Friendly reminder in the interim; please feel welcome to bring friends, grab a deck of cards, and play your own game. Check with the bar staff for a deck.

As always, please make reservations for club events so that the kitchen staff can prep food and ensure that an adequate number of bar and kitchen staff are available to serve us. If conflicts arise and you cannot honor your reservation, please call the club and cancel as quickly as possible so other members might be served.

**Cheers!**

## DOCKS AND RENTALS

- Governor Bill Muryn

The board is working on a plan to access the docks not attached to Watkins Island... more to come in next month's Log. I have no open spaces in Area 300 but, do have several in Area 200 if you are interested in reserving one.

We have 3 garages available for rental and 20 open spaces in the Eastport Boatyard. We are awaiting the arrival of a new tour boat for the lake, which will be stored in the boat yard until renovations are completed and the lake is useable. The river is too high to move it up.

**I look forward to seeing you at the Club!**

## HOUSE AND GROUNDS

- Governor Chuck Gleich

Thank you to all who came out to work on the spring clean up day. It doesn't take long when we all work together! The pool, pool bath, and deck is getting ready for opening day.

Thanks to Chuckie and Trent for the work they've done in preparation. Inside, Cindy keeps the club clean. Please give them, and all of the staff, a big THANKS!

Keep coming out to eat, drink, and dance at *your* Club.

## BAR AND KITCHEN

- Vice Commodore Dave Lawrence

### Greetings from the galley!

Welcome to the month of May – the month that transitions us to summer! Flowers are blooming and business will be booming too as the warm days chase away the remnants of winter. I am looking forward to Sunday brunch on the veranda with the beautiful views of the lake that we still have. The Club is going to have a wonderful Mother's Day Brunch like no other. We will have an omelette station, like the one we did at Easter — That was so popular on Bunny Day! These are made to order and my favorite was a crabmeat omelette with sautéed veggies. It was delicious. For Mother's Day, we will still have chafing dishes of typical brunch food — potatoes, bacon, sausage, and french toast — but we are also adding a carving station featuring fresh sliced meat. In addition, all mothers who make an advanced reservation before that Saturday will receive a Mother's Day corsage. So, give Mom a break from the kitchen and bring her to the Club for the best Mother's Day Brunch around! In addition to this great brunch, we have listened to our members and will be offering more variety in our normal breakfast omelettes as well.

Last month, we held our annual Commodores' Ball, a black tie affair, which most attendees said was one of the best ever. We had that "Big Band sound" featuring the Dave Schubach Band (thanks Governor Severance), an ice sculpture (courtesy of Governor Don Dick), roses on the tables, black table cloths, servers floating around with complimentary hors d'oeuvres, and a champagne toast to our current Commodore and those who preceeded him. A special thanks to our manager Larry Enmen, Paul Eblin, Chef Josh, and the entire B&K staff. Great job folks! Thank you for making this a "magical" evening! For those of you who missed it, please talk to the members who attended and make sure that you are part of this fine event next year. Finally, a special thanks to Steve Harris who designed the invitations and developed the scrolling tribute to our Past Commodores.

Please support the Club by coming out to dinner and check the Club calendar in this edition of the *Log* for the special events this month. In these trying times, it is very important that we have your support. Our new summer menu is drawing rave reviews. Give it a try and help us out.

## JUNIOR TRAINING

- Governor Michael McVey

All Sailors and Supporters —

Well, this “dam” thing is going to cause one last year of unusual hurdles for Junior Sailing — racing practices and sailing camps. I’ve been meeting with Caroline and working on a number of opportunities for Junior Sailing including some ideas as to how we can organize practices at other clubs. We have a meeting with parents in the beginning of May to “cement” a plan.

BLYC co-sponsors the June 4<sup>th</sup> I-LYA Travelers Series Regatta at Alum Creek Sailing Association — plans are in place. Please come out and support your sailors! Junior Sailors are to be there at 8:00 am to register, rig, and attend the competitors’ meeting. But, the fun for observers doesn’t begin until 11:00 am and goes through 4:00-ish!

I want to again thank all who contributed to the purchase of our Safety Boat:

**Cash:** Rosa Clark, Tom & Patti Greiner, Mac & Suz McVey, Bill & Sally Reynolds, Steve & Karen Roshon, Dan Roshon, Bob Snow, Steve Harris, Matt Fisher, Marty & Sue Headlee, Bruce Ames, Steve Goodyear, and Steve Schilling

**Paver Purchases:** Steve & Kirsten Smith, David & Jan Luttenberger, Dave & Laura Lawrence, Joan Hein, Rose & Greg McEntire, Jim & Jane Baumann, Chuck Gleich, Mark & Anna Pyle, Bill & Mary Muryn, the Lyttle family, John Sproat’s family, Chuck & Sue Wadley, Barbara & Ron Hupman, Norb Kaylor, the Charles family, Mark & Kathy Severance, Steve Harris, Bob Snow, Ernie & Lil Wilson, Jeny & Dave Reynolds, and Rip, Denise, & Jon Hale.

**Other Fundraisers:** Led by our team of racing parents!

If I missed anyone, I apologize and please let me know so that I may recognize you in the future! Thanks to everyone!

"Mac" McVey

## BLYC AUXILIARY

We thank everyone for attending the May 1<sup>st</sup> 2:00 pm Auxiliary Semi-Annual Meeting and porch party! Twice a year, our monthly meeting date shifts to coincide with the Club’s Annual Election (September) and Semi-Annual Meeting. Normal meeting times resume in June.

Planning continues to progress for the August fundraiser — entertainment has been selected (come prepared to dance!), menu selection is underway in coordination with Chef Josh, and we look forward to exciting new auction items. Please plan to support our Club by participating in this fun event! Funds raised are reinvested in club improvements and activities for all to enjoy.

BLYC Book Club continues May 11<sup>th</sup> @ 6:30pm in the Commodores’ Lounge featuring *The Nest* by Cynthia D’Aprix Sweeney. Feel free to drop in for a lively conversation. New members and occasional participants are most welcome. Please check the Auxiliary section of the BLYC website regularly for updates.

We would like to extend a heartfelt thank you to...

- ★ All members, spouses, partners, and family who participated in Spring Work Day!
- ★ The Annual Fundraiser Committee which is diligently putting a great evening together for all for the benefit of BLYC.
- ★ All who attended and made BLYC Family Easter so enjoyable! Chef Josh, Larry, and the staff served a marvelous meal and Amanda (Moonda) beautifully decorated BLYC. Children attending the egg hunt joyfully plucked about 700 candy filled eggs from the yard, then were greeted by the Easter Bunny carrying a special basket of eggs containing prize tickets. After the hunt, families were treated to a prize and candy buffet in the Commodore’s Lounge. Pictures and thank you notes are available on Facebook. Everyone’s generosity bringing joy to the children and their families (some of them four generations deep as in the case of our very first BLYC Easter Bunny Joan Ford) was evident in the guests’ faces.

**Friendly reminder:** please check your email spam filters regularly. Both club and Auxiliary emails and invites occasionally are caught in various email server spam filters. Please also check the Auxiliary part of the BLYC web page, weekly e-News, Facebook, and the kiosk for Auxiliary updates.

Your 2016 Auxiliary Officers  
Dennis, Anna, Kathy, & Gail

## LEARN TO SAIL

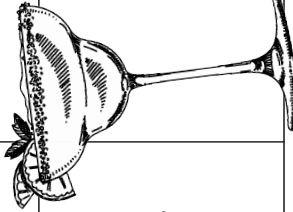

Each summer, BLYC offers learn to sail camps for children and grandchildren of members and their friends. Sailing Camp is a week of learning, confidence building, and FUN!
