COMMODORE DAVID LUTTENBERGER

Ahoy shipmates!

This will be my final *Log* article as the Commodore of the Buckeye Lake Yacht Club and it is with a mixture of pride and sadness that I leave this office. Serving as Commodore of BLYC has been one of the greatest challenges of my life and I hope I leave the Club better than I found it. As you all know, these have been difficult times with the temporary loss of our boating and docking businesses. However, with the complete cooperation and strength of our Board of Governors, the Trustees, and the entire membership, the Club has survived and even thrived. I want to give special thanks to the Board that I worked with this year. Every member pursued their goals with energy and tenacity. VC Dave Lawrence, working with Chef Josh and Club Manager Larry, has produced an excellent menu and dining experience; RC McEntire has succeeded in sustaining our membership; Mark Pyle has become our Treasurer and secured a disaster relief loan; Mark Severance has offered up an incredible string of successful performers, shows,

dance classes, and speakers; Bill Muryn has cleaned up our dock and yards; Chuck Gleich has maintained our Club, contributed Gleich Beach, and refinished the floors in the new Library; Mike McVey has improved, and increased, our Junior Sailing program participation; and, Don Dick has pursued and funded a whole list of important projects, including the remodeling of the pool bathrooms. Throughout this period we have had the complete cooperation of the Trustees and the Auxiliary. We operated as a finely tuned machine with one thing in mind — the success of the BLYC.

Most importantly, our members have stuck with the Club and helped wherever they could and so I want to give a special thanks to the members without whom this Club would not exist. No one knows what the future will hold, but I can tell you that with the talent, dedication, and love of Club possessed by our membership, BLYC will continue down through the ages. This is no ordinary restaurant & bar operation — this is a grand, extended family reaching back to our founding fathers in one long continuous act of devotion. And, thanks to the efforts of our members in their contributions in time and effort to the construction of the new Club Library under the direction of Steve Harris and Bruce Ames, we will preserve these traditions through the ages for our children, their children, and future generations of members to come.

Don't forget to continue our traditions by voting for your new Governors on Sunday September 18th. There is nothing more important. I'll see you at the Club! Thank you for this wonderful opportunity. I hope I have served you well.

May this Club live forever!

Commodore David Luttenberger

THE 71ST ANNUAL BLYC SNOWBALL REGATTA

OCTOBER 8-9
ALUM CREEK RESERVOIR

Volunteers Needed!

Contact P/C Steve Harris

Again this year, thanks to our friends at Alum Creek Sailing Association, the Annual BLYC Snowball Regatta will be held on Alum Creek. The regatta is open to all PHRF/JAM Cruisers and Interlakes. Interlakes will race on Saturday only. Just as last year, ACSA is making docks available to our sailors for both the Snowball Regatta and the ACSA Old Fox Regatta the following weekend.

Last year, in addition to participating in our regatta, ACSA Commodore Sharla O'Keefe and her husband Brent instituted a new trophy to encourage competition and camaraderie between our two Clubs. This trophy, the "Snow Fox," is awarded to the boat with the best overall combined finishes in the BLYC Snowball Regatta and the ACSA Old Fox Regatta. The inaugural winner was BLYC's own *Tan-tar-a*, skippered by Don Harris with crew David Luttenberger, Larry Haggart, and John Albrecht. Word has it that Alum Creek sailors are gearing up and trying to take the trophy away from BLYC this year!

ATTENTION ALL BLYC SAILORS COME OUT AND RACE!

Let's keep the "Snow Fox" Trophy at BLYC!

BAR & KITCHEN

- Vice Commodore Dave Lawrence

The days of September are upon us. We can expect crisp nights, shorter days and the start of the changing of the leaves. Even though summer has come to an end, there is still a lot going on at the Club. Make plans and a commitment to use the Club throughout the fall and winter. As we continue to deal with less revenue, our members can make a difference by frequently coming to the Club for dinner and entertainment. It will make a BIG difference for our finances. September also brings a change in leadership of the Club as our annual elections will occur on September 18th. We will see some new members on the Board and a carry over of existing members. Many Governors and Flag Officers will have a new job for the coming year. As Vice Commodore, I will ascend to the Commodore's office. This year I was in charge of Bar and Kitchen at the Club and feel that we made some progress with our service, with our appearances, and with the menu items. The next leader will take this to an even higher level. I must thank some individuals who were instrumental in improving our overall performance. First of all, our Front of the House Manager, Larry Enmen. He grew as a leader as the year went by and I have confidence that his professional growth will continue. Next is Paul Eblin, our Assistant Manager. Paul is a rising star, who is a very professional young man. I believe he has a good future in the business.

Finally, the bartenders and serving staff are the real stars of the front of the house. I have received very positive feedback from our members concerning the serving staff. Moving to the back of the house, our kitchen, I have to start with the best chef on the lake and one of the best in central Ohio. We are very lucky to have Chef Josh at our Club. Finally, our kitchen staff continues to crank out a quality menu under trying kitchen conditions.

Looking ahead for this month, the pool will be open in September through the Annual Meeting, September 18, weather permitting. We will have limited pool bar/grill service 11:00 - 4:00 Wednesday through Friday, 11:00 - 6:00 on Saturday, and 11:00 - 5:00 on Sunday. Bar/grill service will be based on demand. If it is only being used by a few members, economics may not make it feasible to keep it open. Keep checking the weekly e-News for updates concerning pool hours.

See you at the Club!

DOCKS & RENTALS

- Governor Bill Muryn

I would like to remind everyone who is storing property in the boatyard, that it is your responsibility to maintain your equipment. There are some boats that have torn covers, etc.

All of the Club's accessible docks, those attached to the island, are spoken for and have extensive waiting lists. The waiting lists are posted on the porch. The other docks the club rents have been disconnected from the main land as a part of the dam renovation. As such, they are presently not useable.

The board is still working on a plan to access the docks not attached to Watkins Island. I have no open spaces in area 300 but we do have several in area 200 if you are interested in reserving one. We have 1 garage available for rental and 21 open spaces in the Eastport Boatyard.

I look forward to seeing you at the Club!

COMMUNICATIONS & FINANCE

- Governor Mark Pyle

To my fellow Club members, thank you for all your support throughout my first year on the Board!

While we've touted accomplishments such as changing our electronic mail provider to establishing a finance committee in the last twelve months, we still have several improvement ideas that we intend to pursue over the next fiscal year. As we have this past year, we're committed to providing you with greater insight into the fiscal aspects of the Club.

Please plan to be at the Club on Friday, September 16th for Candidates' Night and Sunday, September 18th to cast your vote for your favorite candidates for the Board of Governors and participate in the Annual Meeting. At the Annual Meeting we will announce the new Board of Governors, Flag Officers and assignments for the upcoming year. We will also report on all of the committee activities and review the financial condition of the Club and we heartily encourage you to participate.

Finally, thank you to Commodore Luttenberger for the incredible effort he put forth this year on behalf of the Buckeye Lake Yacht Club.

JUNIOR TRAINING

- Governor Michael McVey

Hello All!

As usual, July was one heck of a month for Junior Sailing!

Participation in Traveler Series (TS) Regattas was at its peak this year for BLYC Junior Sailors and performance was up. Cora, Katy, Olivia, and Susannah all participated in five TS Regattas; Michael and Matthew participated in four. Out of 48 Laser sailors, we had four finish the season in the top half — Susannah 14, Katy 16, Olivia 18, and Cora 22.

We had 10 sailors participate at Bay Week — 2 in a 420 and 8 Lasers. Our highest finish for the week was Susannah who finished 22 out of 34. We did have some high individual race finishes as well — Michael 6th, Oliver 9th, and Susannah 10th.

We also had fantastic participation ("workers") at Junior Bay Week by parents and other club members in activities — Overall PRO, Race Committee, Coach & Safety Boat, Registration, Event Planning, Launch & Recovery, Fire Watches... and on and on. Some of those who participated were: Commodore Luttenberger and Vice Commodore Lawrence, Rod & Karen Chambers, Matt & Tracey Davis, Steve Harris, Don Harris, Joan Hein, Bethany & Klaus Krajewski, Melodie McVey & Scott Steele, Karen Prenger, Tami & Vic Schroeder, and Kirsten Smith.

It was a great year!!! Thanks to everyone for all your help!

Another note — three of our sailors are participating in the new High School Sailing competitions in 420's — Cora McVey-Steele and Katy & Susannah Schroeder! Way to go!!!

If you want to go cheer them on their schedule is as follows:

BLYC AUXILIARY

We would like to extend a heartfelt Auxiliary thank you to all the gracious members of the club, the Auxiliary and area businesses that helped make this year's Hard Hat Hop themed Fundraiser such a success!

We hope you enjoyed the evening highlighted by the Luxury Brown Band featuring Meredith Evans. We are building a better life here at BLYC and your kind generosity, support, warmth and friendship make this club the special gathering place it is.

Happy travels to all who won the auctions for our destination packages or experience events and a special thanks to our donors: Jeff Hamilton (Breckenridge, golf), Donna Blake (Sarasota), Jim and Claudia Belt (Naples), Mike and Linda Perez (gourmet Italian dining), Julie Whetstone (OSU tickets), Debbie Fisher/Fisher's Marina (paddling your new Kayak), Donna Parker (BLYC cherry pie), Doug and Cindy Stewart (fishing tours) and Susan Hite (Columbus Jazz Arts Orchestra) to name just a few.

Because of your generosity toward helping the club put its best foot forward, the Auxiliary voted last month to have the Governors and Trustees gather bids on three key improvement projects which your donations will help fund:

1. an awning for the east stairs (permanent structure or canvas) to protect the accessible lift and the stairs from ice, rain and snow with the goal of improving winter safety accessing the club.
2. flooring for the new cupola room & cocktail lounge as part of the 2nd floor renovations headed up by Past Commodore Steve Harris.
3. replacement flooring for the formal dining room and the area around the salad bar.

We look forward to reviewing bid submissions, samples and maintenance plans as the next stage of this funding process.

Upcoming meeting dates:

- **Wednesday, September 14** — 6:30 pm BLYC Book Club *The Only Witness* by Pamela Beason. Feel free to drop in any BLYC Book Club session for a lively conversation. All are welcome.
- **Sunday, September 18** — Our monthly meeting changes from its normal date and will coincide instead with the Club's Annual Meeting @ 2:00 pm. Nominees for next year's board are Jeff Hamilton (President), Susan Hite (Vice President), Julie Whetstone (Secretary) and Gail Beck (Treasurer). Please stay and join us for the annual Commodore's Reception after the election and welcome the incoming 2016-2017 board!
