Greetings from the Bridge!

Greetings from the Bridge! Well, as the cartoon character Snuffy Smith used to say, "Times a wastin'!" The month named for a Roman Emperor is upon us! That means we only have a third of the summer left! Although, I must confess, September and October are beautiful months to continue boating — breathtaking colors reflecting off of the lake, jeans and a sweatshirt, and the tranquility of few others on the lake. If you have ever done this, you know what I mean.

As we go down the home stretch, please make sure that you are using your Club! Members are reminded that bringing alcohol into the pool area or on the island is against state liquor laws and could result in fines for violating members and for our club, as well as the club losing our liquor license. All guests must be with a member while enjoying our club. We have plenty of great entertainment, and as I have said many times before, we have a million

dollar view to look at as we dine on our "veranda." Lady Laura and I have traveled to many seaside destinations from New England to Cancun and some of the most memorable visits were those with this "million dollar view," looking out over the water as we dined. All of this is included with the price of your membership!

See you at the Club!

We are pleased to welcome the following new member to BLYC:

Kyle Thorp

I encourage you to ask a perspective member (friend, neighbor, or relative) to visit the club. I would be more than happy to show them around and answer any questions they might have — so let me know how I can help us continue to grow membership in 2017. Please remember that your BLYC membership allows you to visit and utilize all I-LYA Yacht Clubs and several others around the country. The list of I-LYA Clubs is available on their website, www.i-lya.org

Don't forget — summer is the *best* time to show off the Club to potential members. Bring your friends, family, and neighbors and share with them all that BLYC has to offer!

ENTERTAINMENT

- Governor Chuck Gleich

It's August at BLYC and the entertainment is HOT, HOT, HOT!

We kick off the month with the musical piano stylings of **Dave Bott** on Friday, August 4th from 7:00-10:00. Dave is one of the best piano lounge musicians around. Crack a cold one, sit back and relax. We follow this on Saturday, August 5th from 7:00-10:00 with our favorite HOT, HOT, HOT band, **Arnett Howard** at the **LUAU!** Grab your grass skirt and leis and come on out for an incredible evening of great music, great food, and just plain fun!

Friday, August 11, you are invited to experience stars on the water with our very own **Lakeside Trio** jazz for an evening of relaxation and summer fun. Bring your honey and enjoy the dance floor waterside.

Friday, August 18 — What else could we do to really ratchet up our fun scale, how about the **Gatlins!** That's right, back by popular, and unanimous, demand, the best musical duo on earth! No, I am not exaggerating. If you have not seen these guys yet, come on out to the Club and enjoy one of the most entertaining musical teams on earth, you will not be disappointed!

We round out the month, and the summer, with a full weekend of entertainment for you. Friday, August 25, **Rese Jhordan** returns for Supper Club. Saturday, August 26, from 7:00-10:00, we have the show stopping, fun loving, **White Hot Nights** celebration at the **BLYC Auxiliary Fund Raiser**. Come on down and enjoy the fun, food, and festivities. This event is, as always, a real blast and important to the future of your Club as the money raised is invested in your Club to enhance your Yacht Club experience. **POOL PARTY!** As if supper club and the fundraiser weren't enough, we end the season on Sunday afternoon with a pool party, from 1:00-5:00, with the guitar wizardry of **Eric Solomon**, one of our favorite entertainers.

Water's up, boats are out, and the fun is waiting, non-stop, at your Club of Clubs, the BLYC. Put on your dancing shoes and come on out to enjoy the fun, on the water, with your friends and family at the place to be, all summer long, the Buckeye Lake Yacht Club. Be there, or be square!

See you on the water!

DOCKS & RENTALS

- Governor Bill Muryn

We have water!

In view of this, I have increased the number of transient docks on the island. In addition to the 4 docks in front of the club in the center basin, #48 on the right side of the basin and #44 and #45 on the left side will be transient docks. There are also 3 docks in the west basin as transient docks. All are marked with pink or green ribbons. The colors do not differentiate anything. Just whatever Greg had in his hand at the time. We will also be tagging open docks in Area 200 so that members can utilize those for transient docking as well.

As you might have noticed, we have replaced the walkways on the west side of the west basin. We are monitoring the docks and replacing boards as needed. If you see something, let me know and I will address it. We are reworking the power to the docks. It is a somewhat inadequate system and in need of updating.

For you kayakers, Gleich Beach is no more but, there is a platform in the west basin that junior sailing sometimes uses. I am sure we can all work together and you can use it for kayak launching as well this summer.

We have 21 open spaces in the Eastport Boatyard.

I look forward to seeing you at the Club!

BLYC CAR SHOW

- Mike Fornataro

On July 9th the parking lot of BLYC was filled with nearly 100 registered show cars, ranging from Model T Fords of the early 1920's to modern muscle cars — and everything in between. The BLYC Car Show Committee kept the show running smoothly and BLYC staff set up grills and beverages in the parking lot to feed the guests. It was another successful show made possible by our sponsors: Haslett Heating & Cooling, Specialty RV, Buckeye Lake Brewery, JEGS, Autosmarts Radio, Pizza Cottage, WYBZ FM, CoughlinCars.com, TLR & Associates and the Buckeye Lake Region Chamber of Commerce.

Special thanks to the Car Show Committee — Ann Fornataro, Dwight Shrigley, Mark & Gayle Scarrett, Jeff Lyons, Tim Ryan and Paul Sanzone. Stepping in to handle the entry gate was Jeff Clark. Thanks also to the BLYC members that made the public feel welcome.

Mike Fornataro
BLYC Car Show Chairman

BLYC AUXILIARY

On Thursday July 13th, the BLYC auxiliary met in the Cupola Lounge for their monthly meeting. The auxiliary's focus at this meeting was on the upcoming fundraiser that is Saturday August 26th. This annual event makes it possible for the Auxiliary to fund improvements to the club, support children's club events, and support local community charitable events. Just this year we funded the new carpeting for the new Cupola Lounge, front entry, stairs and the dining room. In previous years, working with the Board of Governors, the Auxiliary purchased the outdoor sound system, rocking chairs, dining room chairs, gas grill and much more.

Please book early for the August 26th **White Hot Summer Nights**, our annual celebration and fundraiser, featuring the **Eddie Pollina Band**. Members are encouraged to bring friends, book early and please come ready to support the club at both the silent and live auctions. We're building on the tradition of service and stewardship to BLYC to sustain the club for years to come. Also, please consider helping us with your talents, donations of unique auction items and experiences, and your generosity the evening of the fundraiser. We are striving to build a better experience for everyone at our club and our members are key to our success. Our goal is to have baskets and other auction items for the auction submitted by August 12th.

Below are upcoming, important events:

THURSDAY AUG 10TH — 7:00pm – Monthly Auxiliary Meeting

Any who are willing and able are invited to be a part of this meeting. We need your help. Please consider attending.

SATURDAY AUG 26TH — 6:00pm – Annual Auxiliary Fundraiser

All hands on deck during the day to help with set up and working during the event.

Please stop by the showcase as there are some wonderful new items in there. If you have any suggestions or comments or would like to get involved, we are always happy to have you! Please feel free to call us or email us.

See you at the Club!

JUNIOR TRAINING

- Rear Commodore Michael McVey

Hello to All!

Well...it's been an interesting time for the Jr's since our last Log article. We've — Attended Traveler Series Regattas — Engaged a US Sailing certified Sailing Instructor in our Sailing Camps...Susannah Schroeder — Had our 1st BLYC Sailing Camp on Buckeye Lake in 3 years — Engaged a BLYC "born & raised" Racing Coach that is so talented...Michael Davis — Had very successful fundraising activities: BLYC Golf Outing Hole Sponsorships and Mulligan sales, Auction, and Pancake Breakfast — Held a Matt Fisher "fireside chat" about his lifelong love of sailing — Participated in and excelled in I-LYA's Junior Sailing Championship (aka Jr Bay Week at P-I-B)...a 6th place finish and Sportsmanship Award

Sailing Camp was great. Susannah Schroeder, US Sailing certified instructor, had the help of Katy Schroeder and Olivia Smith to lead 13 youth, ages 7-14, through the 3 day course. When I walked in on the last day, I was greeted by kids and their parents, all complimenting the instructors and the coaches! It's back!

A big thanks goes out to Jeff Clark who organized the Golf Outing this year. He donated all "hole sponsorship" monies and mulligan sales to Junior Sailing...over \$700. Thank You!

Tracey Davis led the charge on the Auction and the Pancake Breakfast. But many others, including the Juniors and their parents, played roles in donating items for the auction and food for the breakfast and in labor to set up, cook, serve, clean-up, and collect money at the door. During this time we even received donation checks from several members. These two events resulted in close to \$2,500 in fundraising!

There are numerous other thank yous to mention such as Steve and Tracey designing and ordering the Juniors' team shirts for Bay Week, John Albrecht putting cup holders and a horn on the Coach/Safety boat, and Tami Schroeder, Barb Hein, Karen McVey, and the "Good Samaritan" pontoon boat helping for two hours to get the errant FJ out of the water, but I don't have enough space in this issue of *The Log*!

On to the 2017 I-LYA Junior Sailing Championships — aka Junior Bay Week (JBW). *"It's a hell of a day at sea sir!"* (from Overboard)

WOW. In this 100th year of BLYC Junior Training/Sailing we had a great I-LYA Jr Sailing Championship. Michael Davis, the first BLYC "born and raised" sailor to become BLYC Coach in recent years, was coach all week. He did a great job coaching and with safety situations. He even got to sail a couple of Lasers in on the last rough day! He's definitely "a keeper"!

We had seven racers — five Lasers and a 420. The sailors were: 420 - Abby Headlee (2 years at JBW) and Katy Schroeder (4 @ JBW); and Lasers - Clay Headlee (2 @ JBW), Cora McVey-Steele (2 @ JBW), Matthew Davis (5 @ JBW), Olivia Smith (4 @ JBW), and Susannah Schroeder (5 @ JBW).

So...sailing conditions:

- Monday & Tuesday: 3-5 knot winds
- Wednesday: 0-3 knots (flat and hot); went in 2+ hours early

- Thursday: 12-14 with up to 18 knot gusts with rolling seas (depth finder on BLYC Coach/Safety boat...42' swell followed immediately by 26' valley...16 foot difference): only 1 Race on each course.

Our racers, in individual races, placed as high as — Abby & Katy - 13 out of 35 — Clay - 2 of 35 — Cora - 16 of 35 — Matthew - 20 of 35 — Olivia - 17 of 35 — Susannah - 17 of 35

Clay Headlee took sixth place

overall out of 35 racers in the Laser class. **Way to go Clay!**

Relatively new to Lasers, he has spent most of his training racing an Opti — Look for great things in the future from Clay. He also was interviewed Thursday on Put-In-Bay radio (immediately after Steve Harris, event chair, was interviewed). You can hear it at their website, WPIB.com or www.PutInBayRadio.com.

Susannah, Michael, & Clay

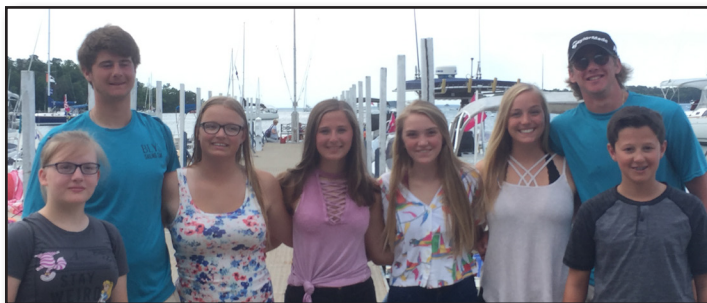

Susannah was awarded with the Commodore Art O'Hara Trophy for top female Sportsman which also includes a college scholarship from the Inter-Lake Yachtsman's Fund. This trophy only goes to one sailor each year and is considered one of the most prestigious awards in I-LYA Junior Sailing. **Way to go Susannah!**

BLYC Junior Sailing/Training has so many people for which to be thankful, so here goes:

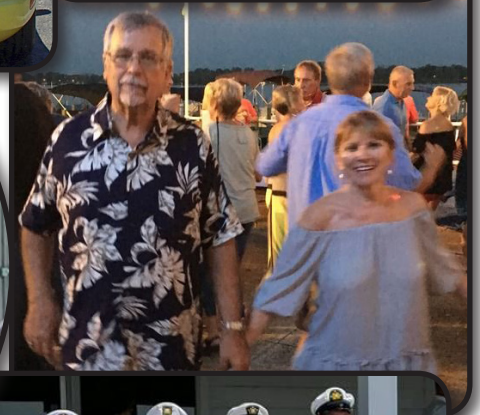

Commodore Dave & Laura Lawrence, Vice Commodore Rose & Greg McEntire, Commodore Dave & Jan Luttenberger, Anna & Mark Pyle, Linda, Mike & Lola Romano, Bill & Mary Muryn, Bill & Diane Koman, Bruckelmeyer Family, Commodore Steve Harris, Commodore Don & Sue Harris, Barb Hein, Chef Josh, John Albrecht, Commodore Tim & Diane Ryan, Mark & Kathy Severence, Susan & Don Hite, Don & Sally Day, Tom & Patti Greiner, Steve & Karen Roshon, Don Dick, Jeff Clark & the BLYC Golf Outing, BLYC Auxiliary, Buckeye Lake Winery, Bobby & Christy Boehm, Bill & Sally Reynolds, Bruce Ames, Active Glass & Mirror, Linden Lighting, Coconis Furniture, The Auxiliary, Matt Fisher, Matt & Tracey Davis, Chad Headlee, Melodie McVey, Scott Steele, Vic & Tami Schroeder, Steve & Kirsten Smith, Rod & Karen Chambers, Charlotte Davis, Marty & Sue Headlee, Joan Hein...I know there are more. I apologize, but will recognize more in next month's Log. THANK YOU to the Members of BLYC!!!

Stay Tuned for the 100th Year Celebration of BLYC Juniors!

LOOKING AFT

- Dr. Tony Lisska, Guest Historian

When the Klan Came to the Lake

The Lake that most of us know as a peaceful and tranquil respite from our busy lives also has several dark spots in its history. Buckeye Lake was established as a watershed for the Ohio Canal, built beginning in 1826 from a marshy area that Native Americans called "The Big Swamp." With the demise of the canal age for travel in the late Nineteenth Century, George Watkins — after whom Watkins Island is named — was instrumental in getting the reservoir donated to the State of Ohio for recreational purposes. The interurban line from Columbus to Zanesville then constructed a spur line from Hebron to the Lake and assisted in establishing the amusement park. The flatlands of central and northeast Ohio and most of central and northern Indiana served as easy land for the construction of interurban rail tracks. It was this massive interurban system that provided the means of transportation to the Lake from a wide catchment area. Among those taking advantage of these trains were members of the Ku Klux Klan. The Ohio Electric Company even ran special cars to transport the Klansmen and women — called "Camellias" — to Buckeye Lake.

The Ku Klux Klan experienced a second major revival in the early twentieth century, and by the 1920s Indiana and Ohio were burgeoning areas for recruitment. The Klan was especially influential in state governments. During this time, the Indiana governor was a Klansman and locally the mayor of Newark wore the hooded white robes and masks. The "Grand Dragon" of the Indiana Klan, D.C. Stevenson, had a summer home at Buckeye Lake. Under Stevenson's leadership, in 1923 and 1925 two large Konclaves were held at Buckeye Lake. The 1925 gathering

The group above were the "Police Force" for the Klan. Note the guns circled in white.

was billed as the "largest Konclave in the United States," with estimates of nearly one hundred thousand persons attending this second event. While these attendance numbers might be inflated, nonetheless the shores of our peaceful lake served as a massive meeting ground for this quite toxic organization. National speakers dominated the KKK platforms and even Klan marriages were performed on the shores of Buckeye Lake.

While certainly not a pretty picture historically, these two Konclaves were significant yet now largely unknown historical events. Stevenson was eventually charged and convicted with manslaughter of a young woman he kidnapped and drugged; he was sentenced to life in prison. Likewise the Indiana governor and the mayor of Newark were indicted on corruption charges. With the leadership largely undergoing serious legal problems, by the end of the 1920s the influence of the Klan withered away to almost nothing. There is no historical evidence that the Yacht Club was involved with this eyesore, although one might surmise that some members of the Club were associated with the Klan.

We are very grateful to long time BLYC member Tony Lisska for contributing to this month's edition of the Log. Among many other accomplishments, Tony is the author of *An Illustrated History of the Buckeye Lake Yacht Club: A Narrative of the Origin and Development of the Club through its First Century: 1906-2006*, written in celebration of BLYC's Centennial. He has also been a much appreciated and invaluable resource to your historian in our efforts to preserve the rich history of our Club and the Lake.
