COMMODORE
DAVE LAWRENCE

Greetings from the Bridge!...

... for the final time as this will be my last Log article as Commodore of BLYC. In mid-September, my year as your Commodore will come to an end and Vice Commodore Rose will assume her duties as the 105th Commodore of this great Club. It has been a very rewarding experience of which I am very thankful to have had the opportunity to follow in the footsteps of many great leaders who have walked the same path as I have. It has, at times, been very challenging as well. I have had some of the same headaches as many have had before me in trying to keep a 100+ year old building in good repair. Added to that, I, as Commodores Luttenberger and Wadley also experienced, was leading a Club on a lake with very little water. I am proud to say that we were able to come out of this historical time stronger than when we went in. To add to that challenge, as most of you know, I have also been dealing with a personal tragedy that has occupied a significant amount of my time. I would not have been able to accomplish what I did without a good Board of Governors who had my back. Additionally, Vice Commodore Rose was always there during the times that I could not juggle both. Thanks Rose! Also, Rear Commodore Mac McVey was always available to bounce ideas off of and provide

a different point of view. In addition to the Board, there were many Past Commodores who offered very good advice and guidance which was extremely valuable. To take a line from Jimmy Buffett's song, *The Captain and the Kid*, "That's when I came to understand the course his (their) heart still steers." Obviously, as most observed, Past Commodore Luttenberger and I spent a lot of time together discussing different ways of leading the Club through those difficult times and he deserves a special Thanks, Luttey!" If you were to ask the Past Commodores what was an important piece of this whole puzzle, they would tell you that it was a necessity to have a Board of Trustees who could work well together with the Governors for the betterment of the Club. Under the leadership of Commodore Steve Harris, I believe that we accomplished that goal! Thanks Steve! I would be remiss if I didn't thank the Auxiliary for all they did this past year to make our Club a more pleasant place to be. Thanks for your hard work. Next, I would like to thank the entire staff for all they did to make our Club a special place to be. As a past Governor of Race & Regatta, Docks & Rentals, House & Grounds, and Bar & Kitchen, I had an opportunity to work closely with the staff the past five years and learned to appreciate all that they do. Next, I would like to thank all of the caring members who were very supportive of me and helped me through very difficult times. You are very important to me — Thank You! Finally, I thank Lady Laura for her support of me as Commodore and with life. There were lots of meetings over the years that took me away from home, but she always understood my love of and dedication to our Club. I am truly honored and humbled to have been your Commodore this year. There are so many caring, loving people in this Club that have made this one of the best things that has ever happened to me, and why I was driven to do a good job. Thanks to all of you and bless you.

See you at the Club!

Commodore Dave Lawrence

ENTERTAINMENT

- Governor Chuck Gleich

It's fall and that means FOOTBALL!

You don't want to stand in lines waiting to eat — stand in lines waiting for beer — stand in lines waiting to get out of the stadium — when you can see it all here, in front of the big, BIG SCREEN!. If it's game time at OSU, its game time here. Our chef will be preparing tasty tailgate foods like chili and brats, and we'll be selling beer by the buckets. On the 10' screen it's just like being there. So, come on down to our stadium and enjoy the fun.

Now football is not all that's going on. We have some exceptional entertainment for you. To kick things off, Buckeye Lake legend, **The Paul Clark Party Band**, will be here Sunday afternoon, September 3rd, from 1:00-5:00 pm. No one can rock like Paul Clark and he'll be here to rock for you!

Labor Day, its **Pete Meedakis** on guitar at the swimming pool from 1:00-5:00 pm. Pete is an amazing guitar player with a broad repertoire of folk, rock, and blues. He has a great voice and lots of energy too. Get in one last big swimming pool party before the season is over.

On Friday, September 8th from 7:00-10:00 pm, we have Supper Club night with the smooth guitar sounds of the one and only **Terry Efaw**, member of McGuffey Lane, a signature Columbus band. Terry is one of the best smooth jazz players I know. Come in, relax and enjoy the FLOW!

On Friday, September 22nd, from 7:00-10:00 pm, enjoy an evening with the 6 piece band, **Acoustic Steel**. "Acoustic Steel offers a unique blend of sounds from multiple music genres—a rich mixture of rock tradition, some jazz and blues and soul, and folk story-telling and song writing." Don't miss this great music event.

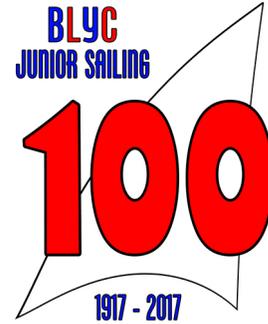

ROCK & ROLL JAM!!! Back, by ever popular demand, it's the last big rockin' date of the summer. On Sunday, September 24th, from 4:00-7:00 pm come join Howard Everitt and all of his rockin' friends for the annual Rock & Roll Jam. Musicians from all over the lake community will be there to treat you to an endless stream of rocking music. Better bring your dancing shoes too, you won't be able to sit still!

To round things out, on Friday, September 29th, we mellow things out with the lounge piano stylings of **Dave Bott**. Dave can play any song you want to hear while you enjoy a great meal and a glass of wine.

Summer's over, but don't be blue, we have everything you need right here, at your favorite place, your very own BLYC.

Go Bucks!

Chuck Gleich
Entertainment

COME JOIN IN THE CELEBRATION!

100 YEARS OF JUNIOR SAILING AT BLYC

Sunday, September 3

5:30 - 7:30 pm

We will honor and recognize all BLYC Juniors, past and present, hold our annual Spaghetti Dinner Fundraiser, and kick-off the 2017-2018 Fundraising Campaign. As we continue to grow the program, we are looking to raise money to purchase new boats and equipment this year.

Spaghetti Dinner

\$15 per person

12 and under — \$10

Under 4 — FREE

50/50 Raffle

Chinese Auction

RACE & REGATTA

- Governor Don Dick

It's been a slow year for Race & Regatta, but I am happy to say that we held races on both Memorial Day and the 4th of July. Thank you to the sailors who came out to give it a try in these uncertain conditions! The water is still up so we're planning to race the third and final Long Distance Race — the Commodore Dwight R. Haggard — on Labor Day. Come one, come all!

Looking ahead, I am pleased to announce that P/C Steve Harris has agreed to, once again, chair our Annual Snowball Regatta, the 72nd consecutive, October 7-8. We need to work out a lot of details still, but let's all come out, race, and keep this great BLYC tradition alive! We may race here, we may race at Alum Creek again — we need your input! Please contact Steve ASAP.

BONUS! — the Interlakes want to come back to Buckeye Lake and show their support during these difficult times! Steve has agreed to run "Snowball 2.0" on Saturday, October 14th here at BLYC and several Interlakes have already expressed their plans to be here. Two regattas in a row! If you can help out, please let either myself or Steve know ASAP!

See you on the Water!

Don Dick
Race & Regatta

BAR & KITCHEN

- Vice Commodore Rose McEntire

Fall is in the air.

September is a beautiful month on the lake as the leaves are beginning to change. We will get the fire pit going and, of course, we will be tailgating for all of the OSU football games! Chef Josh has a special tailgate menu all ready for us! Get ready for OSU trivia and lots of fun!

The pool activity is slowing down — we have had a great summer! It felt so good to be enjoying the pool while watching boats go by in the lake again! The pool will remain open through the Annual Meeting on September 17th. The grill and pool bar service after Labor Day will be limited and dependent on the need. Keep an eye on the weekly e-News for updates.

As this my last month directly responsible for Bar & Kitchen, I want to thank Chef Josh, Manager Paul and their entire staffs for working so closely with me over the past year! It has truly been our goal to make your every visit to the Club exceptional! I want to thank all of you for coming out and supporting the Club — We have had a very successful year in Bar & Kitchen! As Commodore, I will make sure we keep moving in the right direction!

See you at the Club!

Rose McEntire
Bar & Kitchen

HOUSE & GROUNDS

- Governor Brian Thom

Water, Water, Water!

Why is everything about water? The last two years, we've dealt with not having enough water in the lake. This past month, it was all about not having water in the Clubhouse. As most are aware, BLYC's old well system has presented us with quite a few challenges this summer. After a lot of troubleshooting and some much needed repairs, I am pleased to say that we are 100% operational, safe, and back in business. Once we get through the dam remediation project and have a new permanent bridge to the island installed, we will finally be able to connect to the municipal water system and our days of softeners, filters, and well issues will be behind us. I would like to commend our maintenance staff, Chuck & Trent, along with member Greg McEntire for all of their hard work in addressing the problem and getting it corrected.

I would also like to thank the Boards of Governors and Trustees along with the entire membership for their help and support in this, my first, year on the Board. The challenges presented by a 104-year old facility are many, but I feel that we have addressed them and have done a good job of making long-term improvements and repairs, rather than simply putting "band-aids" on problems that then need to be addressed again later. Thank you all for making it a great year!

See you at the Club!

Brian Thom

Please Note: Governors Gleich, Hedman, and Thom are entering the second year of a two-year term and need not run this year. Vice Commodore McEntire will automatically ascend to the office of Commodore and also does not need to run this year.

FINANCE COMMITTEE

- Governor Mark Pyle, Treasurer

The end of the Club's fiscal year is August 31, and we continue to stay within the budget set at the beginning of the year. Final results are not available at this writing, but with the return of a navigable water level and dock rentals this summer our results should show a marked improvement over the last to years. The finance committee has been meeting monthly to asses the Club's financial condition and work on a long term capital plan for the facilities and grounds that will ultimately be available for members input. We still have a long way to go, but we are making progress each month. We hope to see everyone at the upcoming elections and annual meeting to review the year's financial results.

Mark Pyle
Communications & Finance

BLYC AUXILIARY

It's hard to believe that the summer has come and gone already. We have enjoyed a wonderful wine tasting evening with Hidden Lakes Winery and Chef Josh's wonderful food pairings and many of us tested out our hidden artist at the Wine and Canvas event in July. Great memories were made and new friends joined us. It is sad to see summer go, but never fear — the BLYC still has many upcoming events this fall that will be sure to keep us busy and entertained.

As of this writing, the Annual Auxiliary Fundraiser — White Hot Summer Night — has not yet taken place (August 26th is the date!), but there have been many people that have dedicated long hours to making this event successful. Hopefully, as you read this, you already have wonderful memories of that evening. We will report more in October.

As September is upon us, our Annual Meeting will be Sunday, September 17th at 2:00 pm. This is when we typically approve officers for the upcoming year. Gail Beck, who has been our treasurer for the last 8 years, is stepping down this year. Please join us in thanking her for her dedication and service to the both the Club and the Auxiliary. At this time, Jeff Hamilton, Susan Hite, and Julie Whetstone have agreed to stay on another year in their positions. Stephanie Dodd has expressed interest in taking over the Treasurer's position. If there is anyone else that is interested in serving on the board, please get in touch with one of the board members by e-mail or telephone. We always need more hands on deck! Please join us on this September afternoon as we plan for the upcoming year.

Continue to look to the *Log*, the website, and check your e-mail for upcoming events. We hope to enjoy a great deal more fellowship and comradery this coming year.

Jeff, Susan, Gail & Julie
Your BLYC Auxiliary Board

MEMBERSHIP

- Governor Mark Hedman

We welcome the following new members to BLYC this month:

Eric Koller & Tracey Bright

Peter & Lisa Meuse

Brittany Perrine

Jamie Roelle

David & Betsy Skobot

Andrea & James Taylor

Jerry "Barry" & Francheska Wright

I would like to thank everyone for making my first year on the Board a success and give a special thank you to all who helped to increase our membership this year. I look forward to next year working with Commodore McEntire.

Mark Hedman
Membership

DOCKS & RENTALS

- Governor Bill Muryn

Sure hope that everyone has enjoyed using their docks this summer. It's hard to believe, but with school starting, we realize summer is almost over. Therefore, I am passing on some information concerning what to expect on our lake through the next couple of months. As we have already seen, ODNR will continue the practice of aggressive and proactive water control management. Returning to winter pool will begin on October 1st. This is expected to take about 4 weeks but is dependent on the weather. The stop-logs will be put back in place on March 1st, and the lake will be allowed to refill to the interim summer pool as we have experienced this summer. Check out next month's log to learn the procedure for obtaining docks for the summer of 2018...

Bill Muryn

JUNIOR TRAINING

- Rear Commodore Michael McVey

100 YEARS of Junior Sailing! — from Frank H Miller & Max Slaughter in 1917 to Matthew & Michael Davis, Abby & Clay Headlee, Cora McVey-Steele, Katy & Susannah Schroeder, and Olivia Smith in 2017!

*Hope to see you at the celebration at 5:30
on Sunday, September 3!*

The goals for 2017-2018 are more sailing camps led by US Sailing Certified Instructor Susannah Schroeder, better racing under Coach Michael Davis, and more paver sails (sales) and other fundraising to obtain three racing boats (two 420's and one Opti).

Please go to the BLYC website and click on Juniors at the top. Then see "Support BLYC Juniors!" to get your paver! Commemorate your experience at BLYC, those times of others in your family (past and present), or your friends!

Thanks & Best,

"Mac" McVey
Junior Training

SUNSET TIKI BAR

Friday, September 1
Special Guest Bartender - Jeff Hollen
5:00 - 7:00

Jeff will be leaving his position at BLYC after Labor Day Weekend to care for his wife who is battling leukemia. Please join us for this, the final guest bartender night of the season, and show your support for Jeff and his wife as they embark upon this next leg of life's journey.

THANK YOUR JEFF FOR BEING PART OF OUR BLYC FAMILY!

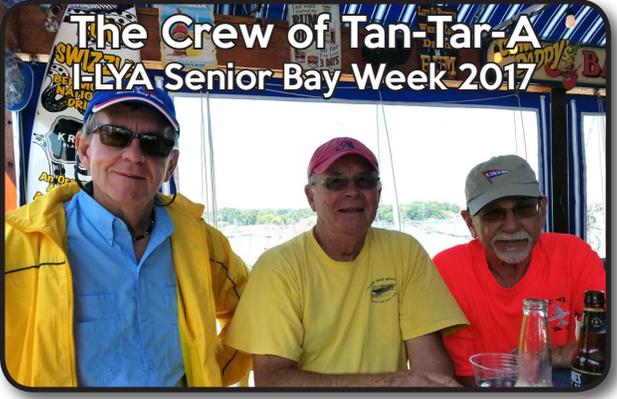

Congratulations Chuck!

LOOKING AFT

- P/C Steve Harris, BLYC Historian

A Brief History of Elections at BLYC...

BLYC certainly has the most unique election process of any Yacht Club, or any organization for that matter, with which I am familiar. For those who haven't experienced the excitement of Club Elections weekend, we kick things off on Friday evening with Candidate's Night — following a wonderful dinner at the Club, candidates for the Board of Governors, selected and approved by the Nominating Committee, will be introduced by their sponsoring Commodores and give their election "stump speeches." On Sunday morning, candidates set up tables on the front porch and provide "brunch" for the membership. It's always fun to see what interesting food items the candidates choose to help sway votes to their campaign. In the years I've been involved, I've witnessed everything from traditional breakfast items such as eggs & sausage, pancakes, biscuits & gravy, and pastries... to homemade chili... to hand-dipped Weldon's ice cream! It's always good food, a fun time to socialize, and, of course, a great reason to go to the polls and vote. This "porch picnic" and the polls are both open from 9:00 am to 1:00 pm. Following the election and the counting of the votes by the tellers, the Club's Annual Membership Meeting is held at 2:00 pm. Later in the afternoon, from 4:00-6:00, we welcome the new Commodore at a reception in their honor. What a full day! Exactly when and how each of these traditions began is not particularly clear, but there is some information available.

The first officers of the Club were elected at the organizational meeting held in Columbus on April 24, 1906. These officers were later confirmed by the membership at the first "official" meeting of the Club, held on Orchard Island, on Sunday, May 6. That fall, new officers were to be elected for the 1907 season. But the original Constitution did not provide a method for the election of officers so it was left in the hands of a nominating committee appointed by the Commodore. Nominations were taken from the floor at the Annual Meeting and a ballot, including spaces for write-in candidates, was later mailed to the members. It took nearly three months for all of the ballots to be returned and the results tabulated! While BLYC did not have the strong off-season program it does today, this left BLYC without any real governance for quite some time. Compounding the issue was the fact that several officers who were elected by write-in votes soon resigned their new positions for a variety of reasons. Obviously, this was not an ideal method for choosing those who would lead the Club. In 1909, the system was changed to one of a separate, secret ballot distributed and collected at the Annual Meeting in the fall.

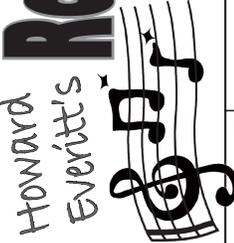

In 1919, in what is presumed to be an attempt to be more efficient in collecting ballots and reporting results, the voting was moved to the morning prior to the Annual Meeting. Candidates were selected by the nominating committee and members were presented with ballots showing two candidates for each office. A copy of the first ballot of this type is on display in the Cupola room upstairs. There were two "tickets," red and blue, perhaps modeling the two-party system we all recognize from state and national elections. It is not known if there were specific

"platform" differences between the two tickets or not. But, given the tenor of the times, and having found some evidence that it was a contentious issue at the Club as well as in society, one might presume that the two differed in their stance on the prohibition of alcohol at BLYC. Whatever the differences may have been however, this change appears to have eventually led to what would later become the "weekend" of elections as we now know it. According to Commodore Armstrong in his 1956 book, *Story of the Buckeye Lake Yacht Club*, "torch-light parades had featured campaign demonstrations just before election day."

Through the years, there were minor changes to how officers were elected, but the most significant came in the late 1940's and early 1950's. On September 19, 1948, BLYC held its traditional "Trophy Night" for the season. Being on the eve of Elections and the Annual Meeting, according to Armstrong, "... the evening degenerated into a confusing babble of Campaign Night... which went on until well into the morning of election day." Thus, what we now know as "Candidates' Night" was born. The following year, trophy presentations were moved to earlier in the fall following the conclusion of the summer regattas, and "Campaign Night" was officially born as a separate event. At the Semi-Annual Meeting in the spring prior to the 1948 election, the decision had been made to change the terms of office from one year to two, transfer the election of flag officers from the general membership to the Board of Governors, and establish the nominating committee as existing of three members — one elected by the membership, one appointed by the Board of Governors, and one appointed by the Board of Trustees — as it is today. Given all of the changes, not necessarily popular among all members, Armstrong referred to this election as "one of the hottest campaigns in BLYC history." In July of 1951, a special meeting was held and terms were changed back to one year — a change which would last nearly half a century. Our current system of two year terms began with the election in September of 1998. With "Campaign Night" well established, this tradition (later known as "Election Eve") has continued for nearly 70 years. In 1993, the event was moved from Saturday night to Friday night and the name was changed to "Candidates Night" in 1996. Exactly how and when the "Porch Picnic" developed is not particularly clear. Hopefully, over the coming years, we can uncover more information on that. But, regardless of its origin, it is a unique, fun experience and a great reason to come out to the Club on Sunday morning — don't forget to vote!

The Commodore's Reception as we know it began in the fall of 1999. Incoming Commodore Howard Clark wanted to do something nice for the members to begin his year as Commodore. He and his wife Rosa were very active in BLYC and quite obviously had a great love for the Club and their fellow members. Commodore Clark put on the first Commodore's Reception at his own expense as his gift to the members. It was so successful that it was continued the following year by Commodore Nick Desantis and his wife Michelle. With each successive Commodore, the reception, too, became a Club tradition. Now, nearly two decades later, it has become a much anticipated, regular feature of the Club year.
