COMMODORE ROSE MCENTIRE

Happy Saint Patrick's Day!

20 days til spring !

We can do this – We can make it!

I want to invite you all to come out to the Club on St. Patrick's Day – we have a full day of fun and shenanigans planned! Starting at 11:00 am we will be playing Irish music in our "Watkin's Island Irish Pub!" Chef O'Daniels will have stuffed cabbage with mashed potatoes for lunch. Manager O'Eblin will be serving a variety of Irish beverages. Later in the evening, come do the Irish Jig to the music of The Paul Clark Party Band! Corned beef, cabbage and potatoes will be on the evening menu and of course... more Irish beverages!

In addition to parties, your board is working hard to get us in shape for an exceptional summer! It is our goal to have a new seawall installed around the pool area before Memorial Day. When this is completed, we will need to replace

the fencing. We will be repairing and painting the pool. We are repairing tiles on the kitchen floor – and the list goes on! We will continue to update you in our weekly news as we continue to make progress on our projects.

Governor Gleich and Commodore Harris are making plans for an active sailing season and getting our Sunday racing going again this summer; Governor Bruckelmeyer has an excellent plan for our juniors – you are going to want to get your kids and/or grandkids involved in this program! We are continuing our tradition of sailing at BLYC!

Just a friendly reminder that your 2018 membership dues are due no later than March 1. If you have not yet paid your dues, please contact Rebecca in our office to make arrangements to do so.

Please do not be offended – our staff has been instructed to ask for your membership number and they will be verifying that you are current with your dues. We are a members' club, and we want to make sure that we continue to cater to our active members!

May the Luck of the Irish be with you all month long!!!

See you at the Club!

Commodore Rose McEntire

ENTERTAINMENT

- Governor Mark Hedman

Ahoy!

Warmer days are coming at last!! This month we kick off the music on Saturday, March 3rd from 7:00-10:00 pm with the inventive, acoustic alchemy of *Pete Mernadakis*. Pete has a great voice and lots of energy to get you going. On Friday, March 9th, come in and enjoy Supper Club music with *Don Beck* from 7:00-10:00 pm. Get your Irish going on March 17th with one of the Club's favorites – *The Paul Clark Party Band* – as they lead our St. Patty's Day celebration. Get your reservations in early if you don't want to be left out in the fog. But wait... we're not done yet. Saturday March 24th, enjoy Lobster Night at the Club to wonderful music of the acoustic trio *Second Story*. So come on down and enjoy the fun, it doesn't get better than this!

BULLETIN: Besides these fun festivities, don't forget the *Speaker Series* is in full swing...

We kick off the month on March 1st with Ross Kirk with his story of the Granville Brewing Company. He will be followed by Rodney Helser of the Millersport Community Theater on March 15th. Wrapping up our 2018 series will be Mike Fornataro, Executive Director of Buckeye Lake 2030, who will update us on the group's efforts and work going forward.

DOCKS & RENTALS

- Governor Bruce Ames

March... Bring on Spring!

As I write this from beautiful south Florida I can only hope the weather here reaches us up in Ohio soon. And, by the time you read this article I am hopeful that the gates will be closed and the lake will be on it's way to summer pool.

I was hoping by now to be able to give you good news about the Boat Boys docks but can only remain optimistic at this point. If you had a Boat Boys dock last year and you are not sure if you are on the waiting list, I encourage you to go to our website and fill out the online dock request form. You can find it under "Docks & Rentals" in the "Our Club" dropdown menu. I will quickly let you know your status. There were some folks who "sublet" docks last year. This was clearly marked on your dock bill "For 2017 season only" and does NOT guarantee you a spot this year!

As always, I look forward to seeing everyone at the club.

Bruce Ames
Docks & Rentals

Jeff, Susan, Stephanie, & Julie
Your Auxiliary Board

BLYC AUXILIARY

Happy March BLYC!

As this winter is beginning to wind down, the annual summer fun is just winding up! We are looking forward to seeing old and new friends as we begin our regular meetings once again. There will be a special meeting on Thursday, March 8th at 7:00 pm. This meeting is to begin discussion about revising the By-Laws of the Auxiliary. Anyone is welcome to join. We will meet for cocktails at 6:30 pm and the dinner/meeting will begin at 7:00. Please call the Club to make reservations for this meeting if you will be dining with us. But, we encourage you to come and help us work through this much needed revision of our By-Laws.

Please join us for the **Children's Easter Egg Hunt** on Saturday, March 31st at 1:00 pm. All children and grandchildren of BLYC members are invited to attend. A very special visit by the Easter Bunny will be sure to delight the children. We would like to request that you call the Club if you are planning to attend with the names and ages of the children attending so that we can prepare.

April's meeting will be on Thursday, April 12th. Watch your email and the Club website for details.

Planning for the Annual Summer Auxiliary Party is already under way. A very special thanks to the committee members as they work to create a great experience for all to enjoy. Please reach out to the Auxiliary board if you would like to help with this worthy activity.

We invite you to check the Auxiliary section of the BLYC website, Twitter, Facebook and watch your email for regular updates.

See you at the Club!

Submit Your Rental Request Online
(Depending on location, a waiting list may apply)
www.buckeyelake.com
Select "Docks & Rentals" under the "Our Club" tab

If you rented one of the "Boat Boys" docks last year and wish to continue for 2018, please let us know through the request form on the website as well.

Whether you spend a day, a weekend, or live waterside at Buckeye Lake - you will find life here to be very special. Buckeye Lake is in a renaissance, and we're proud to help pave the way in this new era of lake life.

RACE & REGATTA

- Governor Chuck Gleich

YES! We're going to sail this season!

I am pleased to announce that the Snowball Regatta will return this year – Saturday, October 13 – here at Buckeye Lake! Now, let's just pray that Mother Nature and ODNR keep enough water in the lake to make it happen. The Interlake class has us on their Traveler Series schedule for that day and several sailors have already indicated that they plan to be here.

A lot of planning has been going on behind the scenes to retool our racing program and get sailboats back on the water here at Buckeye Lake. We've had a small "focus group" looking at options for the 2018 season to get us back out on the water and hopefully encourage new and potential sailors to get involved. This work will continue and I will keep you updated.

Some highlights... We will begin the summer series Memorial Day weekend. Our first race will be Sunday, May 27. This is the same day as the Junior Sailing Alumni Celebration, so we hope to see a lot of boats on the line. While we will still be racing, we want to de-emphasize the competitive side and focus on making it fun and getting more people involved in the sport. Experienced sailors – you are encouraged to take "newbies" along with you. Interested, potential new sailors – we invite you to come out and get involved. P/C Steve Harris has offered to do a session most Sundays to help new people learn about the sport and how it works and we're also looking to debrief after the races most weeks to help people learn and do better. All classes of sailboats are welcome! We're currently researching the best way to handicap the scoring. Do you know of other sailors on the lake who may be interested in sailing with us though they're not members of BLYC? Invite them to come race with us too. Who knows, they might have so much fun that they join the Club!

I am please to announce that Chuck Bendig and Dave Paligo are going to again offer their "Thursday Evening Cruises" that were so popular last summer. What a great way to introduce new people to sailing! We hope to recruit other sailors and boats to do the same.

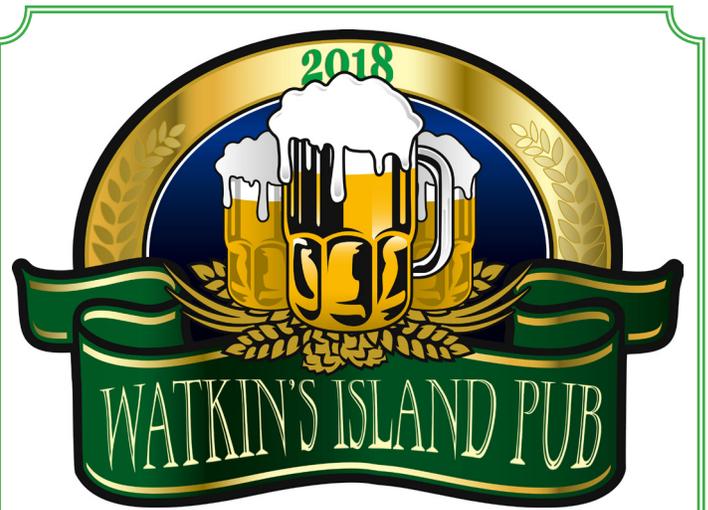

Another new feature that we're offering as part the new website (to be rolled out later this month) is a "SLOG" (Sailing Log). Here, we will keep you updated on the latest race results and sailing activities at BLYC as well as feature other articles of interest in sailing. We hope that it will serve to promote interest in the sport.

Finally, Buckeye Lake and BLYC are, ultimately, about the fun and friendships that we build. We hope to include more "social" sailing activities this year in addition to racing. We've got a few ideas going, but would love to hear your thoughts too. Look for more information in the coming weeks. We'll primarily keep you updated via the weekly e-News and the new SLOG" on the BLYC website.

Ideas? Comments? Questions? – let us know.

See you on the water!

HOUSE & GROUNDS

- Governor Charlie Campbell

We are close to starting the new club seawall. We are just waiting on ODNR to issue our construction permit. Once the seawall project begins, we ask that you obey the signs and stay on the safe side of barrier tape. This spring there are plans for more projects so don't hesitate to volunteer your expertise and free labor. It is always appreciated.

Mark your calendars for Spring Work Day – Sunday, April 22. There's always a lot to do to get the Club ready for the summer season. Plus, it's a fun time too!

The club has entertainment, great food, and your favorite drinks. So why not cross the bridge and enjoy a relaxing evening? Speaking of the bridge, it will be replaced with a new one by July.

Until next month, be safe!

Charlie Campbell
House & Grounds

BAR & KITCHEN

- Vice Commodore Don Dick

WOW! We've had some great parties this month! Chef Josh and his crew have really put out some great meals for our enjoyment. The gumbo & jambalaya at the Mardi Gras Party were phenomenal and a lot of folks took full advantage of his excellent offerings for Valentines Day dinner and the Valentines Dance. Coming up this month, St. Patrick's Day & Easter look to be outstanding too! As we look towards spring, we will soon be developing the summer menu for the 2018 season. As always, your feedback helps us to serve you better and is very much appreciated. If you have ideas or suggestions, please feel free to let myself or Chef Josh know.

Our latest Employee of the Month is not one of our service staff, but rather the best behind the scenes person any Club could have. Congratulations Rebecca! You truly are the glue that holds this operation together! Rebecca has been our bookkeeper/office manager/jack-of-all-trades for several years now. While many members may not have had the opportunity to work with Rebecca, or maybe only know her from over the phone, it is truly astounding the amount of work behind the scenes that she does for us to keep the Club running smoothly. Thank you Rebecca for all that you do!

Lately, we've noticed an increase of non-members using the Club multiple times. Please remember that guests are limited to three visits per year, no matter what member they are a guest of. While we appreciate their patronage and want our members to share with friends and family all that is great about the Club, it is important to remember that, as members, we pay dues to help keep the Club operating. We ask that all members keep the visitation rules in mind so that we can avoid these situations that are uncomfortable for both members and staff.

Finally, the summer season will soon be upon us. I, for one, am very excited for warmer weather and am anticipating more use of our lake this year. It won't be long until Paul will be hiring staff to help with the increased activity that summer brings to our island. If you know of someone who would make a good addition to our team and is looking for seasonal employment, please send them our way. The employment application is available on the club website under the "Contact" tab. It's never too early to apply.

See you at the Club!

- Governor Brian Thom

Please join me in welcoming our newest members of BLYC:

Michael & Susan Derlis

Spring is almost here and that means that summer isn't far behind – It won't be long until we're relaxing by the pool and back out on the water. This is also a great time to introduce your friends and neighbors to the Club and invite them to join. There really is no better place on our lake.

There are many benefits to being a member of BLYC. One that many may not be aware of is reciprocity with other yacht clubs. BLYC is a member of the Inter-Lake Yachting Association, US Sailing, and the Yachting Club of America. Our membership in these organizations gives you the opportunity to visit many fine clubs around our region, the nation, and the world. All I-LYA and YCA Clubs offer reciprocity and, often, our affiliation with US Sailing allows for the same. I-LYA (Lake Erie region) has a complete list of member clubs on their website at www.i-lya.org and there is a print directory for YCA clubs available at the bar for you to review. Keep in mind that different clubs have different rules regarding dress, payment, etc. It's always a good idea to call ahead when planning a visit. Some clubs may also require a letter of introduction from BLYC. This is easy to obtain by calling Rebecca in the Club Office. If you plan to visit another club, considering taking a BLYC burgee with you. Most clubs will trade burgees and then you can add to our collection in the BLYC bar area.

See you at the Club!

Brian Thom

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

What Dam Remediation Project?

Summer on Buckeye Lake will kick off with a fantastic Memorial Day Weekend which will include an extraordinary day on May 27th! Mark your calendar for our Junior Sailing Alumni Day and fundraising dinner. Entertainment that evening will be the “**BLYC LIP SYNC BATTLE**” hosted by the BLYC Auxiliary. Get your act together, rehearse and be ready to have a lot of FUN. In other news, Sailing Camps are scheduled for June 11-15 and June 25-29, the Youth DIVE-IN Movie Nights by the pool (June 15 and June 29) and our SCUBA Diving Discovery Class (July 7).

Don't forget about the Junior Training Work Day on April 21! Watch the *Log* and website for updates!

COMMUNICATIONS & FINANCE

- Rear Commodore Mark Pyle

With the glow of the romantic Valentine's Day dining and entertainment experience waning we look forward to festive St. Patrick's Day gatherings in anticipation of the first day of spring. The Club will be hosting a variety of events in the month of March so keep an eye on the weekly e-News and follow the BLYC Facebook page for up to date information.

Please remember to make reservations before attending events to help us plan and better serve you. Be aware that we continue to accept member advertisements for the *Log* as we work toward presenting two pages of member business ads. Also note that a new, updated, mobile-friendly BLYC website is currently under construction and will be available later this spring. For those of you who have already paid your dues, we thank you for your timely payment. This is the first year in a long time we have been able to manage through the fall slowdown without taking on short term borrowings.

The Finance Committee continues to address financial policies and procedures to assist the Club office in fairly administering member payments, to tighten cash management practices, and to help minimize future accounts receivable write-offs. As a result, we are moving to implement a change in the bar and kitchen member charge process. Any member with bar and kitchen member charges on an invoice over 30 days past due will see a past due notice stamped on their next monthly bill. Once the invoiced member charges reach 60 days past due, member charge privileges will be blocked in the Club restaurant order system until the outstanding balance is paid in full. Any charges incurred while the member charge privileges are suspended will require payment in full by cash, check, or credit card. Any member with an outstanding balance over 30 days will continue to pay 1.5% per month finance charge on the outstanding balance. The Finance Committee also evaluated annual dues payments in coordination with dock rentals. As you are aware, annual dues are expected to be paid by March 1 of each year for members to remain in good standing. We are aware that unusual circumstances arise where a member might not be able to pay timely and it is the member's responsibility to notify the Club office so payment arrangements can be made. Members may request docks, based upon availability, for rent as long as the member is in good standing. Dock assignments will not be made available for members who have not paid their annual member dues in full before the boating season even if the member has paid their dock rental charge.

LOOKING AFT

- P/C Steve Harris, BLYC Historian

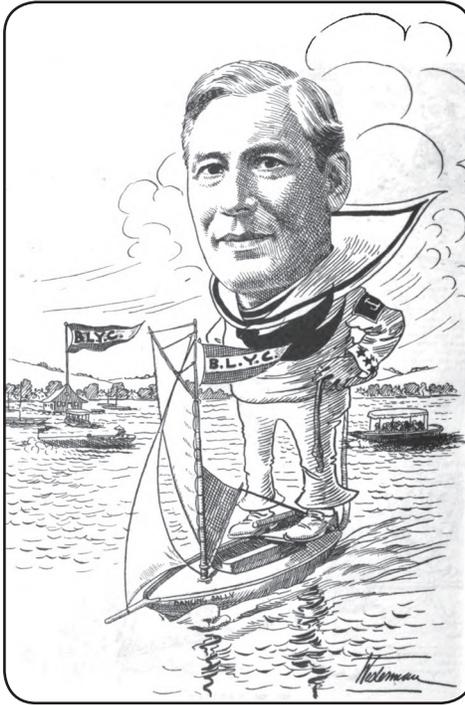

Commodore George Mooney

On the evening of April 24, 1906 a group of Columbus yachtsmen met at Leachman's Chop House at Broad and High streets in Columbus and what would 11 days later become the Buckeye Lake Yacht Club was formed. Among those fifteen original members was George Francis Mooney.

Several years ago, a caricature of George F. Mooney was donated to BLYC. It shows him sailing atop his K-boat, *Dancing Sally*, sailing under the "new" BLYC burgee. Further research revealed that this caricature had been drawn by famed Columbus cartoonist Harry Westerman as a part of the book "Club Men of Columbus in Caricature" published in 1911. Until recently, this was the only picture of Commodore Mooney we could locate.

George Francis Mooney was born in Steubenville, Ohio in 1867. After completing his schooling, he worked for several years teaching music, but eventually ended up working the retail liquor business in Columbus. In 1896, he purchased the Pabst Brewing distribution agency in Columbus and was very successful. In the fall of 1905, he was a founding partner of the Washington Brewing Company in Columbus and served as its Secretary and General Manager up until its closing, due to prohibition, in 1919. Located at 2nd Avenue & Perry Street in Columbus (in what is now the Harrison West neighborhood), no evidence of the brewery remains, the area having been converted over to single family houses years ago.

George Mooney was not just a founding member of the Club, he was also very active from the start. At that first meeting in April of 1906, Lawrence Sackett was elected our first Commodore and one of his first actions was to appoint a committee to develop a Constitution & By-Laws to govern the new Club. Mooney, along with Club Secretary Charles D. Lynch, and Rear Commodore Al Corrodi were charged with this important task. He frequently participated in the Club's regatta's on *Dancing Sally* (unfortunately dismasting in the 1906 Labor Day event) and was part of the

committee established to find a location and build the first Clubhouse. He was instrumental in the effort to secure the unpaid lease on Castle Island (now part of Brook's Beach), which was ultimately unsuccessful, and later helped to found the Buckeye Lake Building Company which then took over the lease of Colonel Wm. Wells (also a founding member of BLYC) on Sunken Island. Having served the Club enthusiastically in his efforts to build the original Clubhouse, he was elected to the Board and served as our Vice Commodore in 1910 and as Commodore in 1911. One of his first actions as Commodore, was to abandon the design of the "old" burgee, in favor of our current burgee which was much more in line with the design of other, well establish yacht clubs of the time. Under his leadership, and with his involvement and influence in the Building Company, he would finally get the ball rolling towards building a "real" Clubhouse, our current Clubhouse, for BLYC – an effort that had been talked about since the beginning and came to fruition in 1913. During his tenure, BLYC and Buckeye Lake's greatest ally, George H. Watkins, State President of Public Works and truly the "Father of Buckeye Lake," died suddenly of a massive stroke. Commodore Mooney established a "Watkins Memorial Committee" to appropriately honor Watkins, although it would take another 14 years until he would finally be so honored with the bronze plaque that hangs in our current

dining room.

As Commodore of BLYC, he presented a silver loving cup trophy to I-LYA to be awarded in the 1911 Regatta. This Cup, known as the "Buckeye Lake Yacht Club Trophy," won that year by Commodore W. F. Brown of Toledo Yacht Club. The cup is silver, 11 inches high overall – the cup itself stands 7" high with three handles and is 6" in diameter at the top. The base stands 4" in height with a 4½" diameter at the base.. It is beautifully preserved and displayed in the trophy case of the Toledo Yacht Club. It appears that the Cup was only awarded at the I-LYA Regatta in 1911. In 1983, TYC returned the cup to competition as a PHRF-class trophy for the annual Mills Trophy Race.

BLYC was very active in I-LYA during Commodore Mooney's time. Mooney served on the Entertainment Committee under I-LYA Commodore Winton in 1911, and was an integral part of the Perry's Victory Centennial Celebration committee in 1913 under I-LYA Commodore George Worthington. Later that year, Mooney was elected to the office of Rear Commodore of I-LYA. Why he never moved up the ranks to Vice Commodore and Commodore is not known.

The Buckeye Lake Yacht Club Trophy

There isn't much information about Commodore Mooney to be found after 1925, although some sources suggest that he re-opened the Washington Brewing Company in 1933 following the repeal of prohibition. Commodore George F. Mooney passed away in 1951 and is interred at the Amaranth Abbey Mausoleum in Columbus.
