COMMODORE ROSE MCENTIRE

It is official...

It's *finally* porch sitting time!

I want to thank everyone who came out for work day and helped us get the Club all cleaned up, both inside and out! Tables are in place on the porch and we are ready for dinner, beautiful sunsets, and watching boats go by – all we need is the good weather to go with that!

The Commodores Ball was absolutely amazing! If you were not able to attend this year, you will want to make sure it is on your calendar next year! Vice Commodore Donald Dick and his wife Peggy had the Club looking beautiful, the food was excellent and all of our Members in attendance looked beautiful! A wonderful time was had by all! The staff was on their A game as well – service was excellent! Thanks to all who worked so hard to make this such an enjoyable evening.

May is the beginning of a very exciting, busy time for the Club. Governor

Gleich is working so that we can have an active sailing season, including races on Sundays. Governor Bruckelmeyer is scheduling great activities for our kids (and grandkids) in the Junior Program – the kids are the future of our Club so I strongly encourage you to get them active with the Junior program. Governor Hedman has great entertainment scheduled – beginning Memorial Day weekend and throughout the summer – keep an eye on the webpage, Facebook, and weekly electronic news, so you don't miss a thing.

Speaking of Memorial Day weekend, ODNR is telling me that if all goes well, our permanent bridge should be in place before Memorial Day and the temporary entrance removed. Governor Campbell has been working with our maintenance team to get the pool ready for the opening on May 25th! The pool will be open all weekend with The Groove Band playing poolside for the Grand Opening Pool Party on Sunday, May 27th! The Junior Sailing Alumni Day and the Lip-Sync Contest and fundraiser is on May 27th – this will be great fun and remember that donations to the Juniors are tax-deductible! Chef Josh will have the grill going, Paul will have the bar ready, music will be playing and we will be back together with our friends at the pool!

The dam renovation is nearing completion, our boats are in the water, the club is ready – summer season 2018 is upon us – let's have some fun!

See you at the Club!

Commodore Rose McEntire

ENTERTAINMENT

- Governor Mark Hedman

Spring has Sprung... and SUMMER is on the way!

May entertainment kicks off on Saturday, May 5th from 7:00-10:00 pm with the **Cinco de Mayo Party** featuring **The Digs**. Our chef and bartenders will offer up great food and drink specials fitting for the theme. Next up, on Saturday, May 12th from 7:00-10:00 pm, we bring a new band to the club – **Baker, Davis, & Moore featuring OGD Columbus**. This band will offer up awesome jazz and vocals for your listening pleasure. Its sure to be a good time so come on out! After that, we offer **Supper Club** with one of BLYC's favorites – **Lakeside Trio** – on Saturday, May 19th. Then folks – believe it or not! – it is finally time to open the pool! On Sunday, May 27th, from 1:00-5:00 pm, we will have our **Grand Opening Pool Party** featuring **The Groove Band**. Come out and wet your whistle *and* your swimming attire. And, to "DOUBLE DIP," bring the family out to our **Memorial Day Pool Party** the very next day – Monday May, 28th – with **Eric Solomon** from 1:00-5:00 pm. He always does an awesome job playing poolside.

SPLASH!

DOCKS & RENTALS

- Governor Bruce Ames

May... Let's Get the Boats Out!!!

As I write this *Log* article, the lake has risen to summer pool but the snow is still flying. Let's hope by the time you read this the weather has changed and we are preparing to get our boats on the water!

We have contracted to have the area 300 and 200 docks straightened up for use this boating season. I am hopeful that by the time you are reading this the work is complete. Unfortunately, we are currently out of dock slips and some of you are still on the waiting list. If we have any cancellations I will move someone into the slot based on your position on the waiting list.

REMEMBER...

In order to use your dock, you must be current on dock rental fees, membership fees, and any other outstanding debt to the club. ***Docks not paid for by April 30, 2018 will be offered to the next qualified member.***

HOUSE & GROUNDS

- Governor Charlie Campbell

Welcome Sprrrrring!!

If you have been to the club recently, you have walked the path of a different entrance. Please be cautious when crossing the dam as heavy machinery is looming from left to right. When entering the club by the rear stairs, please hold the hand rail as the steel treads can be slippery. Our new bridge is soon to be installed. Although a considerable amount of construction is taking place all around the club, we remain open. The generator used for temporary power has been removed and we are back on AEP electric. The pool is set to open on time with new paint and leak stopping repairs.

Thank you to everyone who came out and supported the Club on Work Day, April 22nd. We had one of the biggest turnouts in years and the Club looks great!

THANK YOU FOR YOUR EFFORTS!

BLYC AUXILIARY

The BLYC Auxiliary resumed its regular meeting schedule on April 12th. The meeting was in the Fireplace room. Plans are underway for the **Auxiliary Fundraiser**, which will be Saturday, August 4th this year. This is three weeks earlier than the past few years. Entertainment will be provided by Perfect Timing and the theme is... back by popular demand.. **White Hot Summer Nights**. We are asking for volunteers to be a part of the committee. Please be on the lookout for communication about upcoming committee meetings. We encourage everyone to get involved as we need your ideas, support, and help.

The annual Easter Egg Hunt was held on Saturday, March 31st with over 45 children in attendance along with their parents, grandparents, and extended family members. It was a huge success with Julie Bruckelmeyer at the helm and her helpers Mike Bruckelmeyer, Elise Sayre, Rick and Marcia Henderson, Evan Bruckelmeyer, Evan Hoover, the Auxiliary board members and, of course, our special guest the Easter Bunny! The yard was full of wonderful, colored eggs and the children were delighted by craft tables and a beautiful display of cupcakes and cookies. This event just continues to get better and better. We are so pleased that the auxiliary can sponsor such a wonderful family event and we thank Julie for heading up this special day.

There was a lengthy discussion regarding the revision of the bylaws. We will have a final copy of the bylaws at the May meeting. A committee comprised of the current president and treasurer, two past presidents, and one past treasurer, has worked tirelessly to bring these bylaws current. A big thank you to Gail Beck, Marcia Henderson and Barb McFall for your valuable input.

The next meeting of the BLYC Auxiliary will be Sunday, May 6th at 1:00 pm on the porch. Our goal is to meet an hour ahead of the semi-annual meeting so those who wish to also attend that can do so. Come have a margarita and some chips and salsa to celebrate the beginning of a wonderful summer season at the Club.

As a reminder, Mary Muryn is in charge of the Sunshine Committee. Please be sure to contact her with names of individuals who may need to receive a card due to an illness, death in the family or difficult situation in their lives. Remember to check Facebook, Twitter, the weekly e-News, and the BLYC website for updates on Auxiliary sponsored events.

Happy Spring!

Jeff, Susan, Stephanie, & Julie
Your 2017-18 Auxiliary Officers

Next Auxiliary Meeting...
Sunday, May 6 - 1:00 pm

RACE & REGATTA

- Governor Chuck Gleich

SAIL ON SUNDAYS!

The 2018 season is about to start and I, for one, could not be more excited.

It's been a few years since we've been on the water racing at Buckeye Lake, but with all of the progress being made and promises

of higher water levels, we're going to get out on the water and give it a shot this year! Come one - come all! We are inviting all sailboats on Buckeye Lake to join us this year and start racing again!

2018 Sailing Informational Meeting...

Come join some social time with your fellow sailors and get all of the information on this season's racing. Steve Harris has been hard at work writing the NOR and Sailing Instruction for the 2018 Series and figuring out how to handicap the boats so everyone can sail. Remember, our focus this year is FUN first, competition second. We'll gather for cocktails around 6:00 and start the meeting at 7:00. Please bring your ideas on other non-racing sailing activities to share on this night as well.

The Season is Almost Here... FINALLY!

Chuck Gleich

COMMUNICATIONS & FINANCE

- Rear Commodore Mark Pyle

Greetings to all members who have endured another unusual Ohio winter and welcome back to our snowbird members for the marvelous month of May at Buckeye Lake. On the communications front, I'd like to once again invite you to take a look at the new BLYC website and the ease of access and navigation on your mobile devices. The website is full of information from Club history and governance to event notices to copies of the *Log* and photos of past events.

Member Reservations

We start picking up the pace with added events and activities at the Club so please check the weekly e-News each Wednesday for the latest updates. Our technology expert, Steve Harris, is working diligently to leverage the new website capabilities to deliver an online reservation process and hopes to have the functionality developed and operating for June. Until then, we implore all members to call and make reservations for any dinner time or event.

Parking Considerations

In May we start to see an increase in the number of members attending the Club and using the parking lot along with a number of non-members. As a member of BLYC you should expect parking in the paved lot or overflow lot, if necessary. With your paid-up dues you should have received a 2018 parking sticker and if you didn't you can obtain one at the Club office. Please make sure to display the sticker on your front windshield. If you do not have your sticker where it

can be viewed, you should expect to receive a notice under your wiper blades this year reminding you that you are parked in a private parking lot and are trespassing. If you invite visitors to the Club and they park in either lot, there are visitor parking passes available at the hostess stand just inside the front entrance, or at the bar. Guest passes should be displayed on the dash and visible.

Finance Committee Update

We received good news at the Finance Committee desk in April. BLYC applied for and was approved to receive a grant of \$10,000 under the Lakes in Economic Distress program offered by the State of Ohio. This program was spearheaded by Representative Tim Shaffer and supported by key members of BLYC. These monies, when received, will be put to good use as we continue to seek approval from ODNR and the Army Corps of Engineers to repair and maintain our seawall around the island in anticipation of a full summer pool in 2019.

Member Finance Reminder

As a reminder, any outstanding dues must be paid in full to be eligible for dock use or member charge privileges. In addition, any member with charges over sixty days outstanding will be charged interest on the outstanding balance and will not be permitted to member charge at the Club until the amounts are paid in full. Consult Article V, Finances of the Club in the Constitution and By-laws with questions about your responsibilities as a member.

MEMBERSHIP

- Governor Brian Thom

This past month, we've received several new applications for membership in BLYC. We'll vote on these at our upcoming Board Meeting. Don't forget that now is the best time to show off the Club to your friends and neighbors. New members are always welcome at BLYC!

Part of my role as Membership Governor is, of course, helping to bring in new members to BLYC but the other part is member retention. As you are aware, dues are now past due. Some of you may be considering not continuing at the Club this year. Please let us know your intentions and, if you would, give me a call so that we can discuss options... Did you know that you can take a one-year demit from BLYC? We never want to see a good member leave and I would appreciate the opportunity to speak with you and discuss your concerns and options as a member.

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

Boating Season is HERE!

After a rough start, summer is underway and nothing welcomes it to Buckeye Lake like a festive Memorial Day Weekend! So, mark your calendar for May 27th for the Junior Sailing Day at the Buckeye Lake Yacht Club!

The **2018 Junior Sailing Day** begins with the Junior Sailing Alumni Event where *ALL* Junior Sailing Alumni are invited to return the Club, reminisce, and hoist a sail again on our beloved lake. Please contact Governor Mike Bruckelmeyer and register for this exciting day.

Festivities continue in the evening with a special **Fundraising Dinner** (more details coming soon – check your e-News and the website), and a silent auction. Entertainment that evening will be the PREMIER of the **“BLYC LIP SYNC BATTLE”** where members and youth will dazzle us with their dancing and lip syncing skills! Please register your TEAM on the BLYC website or registration form in the Log.

Registration for this year's **Sailing Camps** (June 11-15 and June 25-29) is open. You can print the registration form or register online under the Juniors tab of the BLYC website.

Other Dates to Remember:

- Youth DIVE-IN Movie Nights by the pool (June 15 and June 29)
- SCUBA Diving Discovery Class (July 7)
- I-LYA Junior Sailing Championship (July 15 – 19)

Fair Winds and Following Seas!

BAR & KITCHEN

- Vice Commodore Don Dick

Summer Menu is Coming!

Chef Josh continues to amaze me! Looking over the new summer menu for 2018, I am impressed with the great offerings that he and his kitchen crew have planned for us – light "summer" sandwiches, Freshwater Walleye, Salmon, his famous Seafood Chesapeake, and all your BLYC favorites. Oh yes... RIBS are back! We plan to roll out the new menu beginning **Wednesday, May 16th** and it should be available online for your review a week prior. Check it out! You'll definitely want to make plans to come out and enjoy this great summer fare, dining lakeside on the front porch.

Our April Employee of the Month is Amanda Tonneman – AKA "Moonda." I think that everybody knows Moonda well and the great service that she provides our members. But, did you know that she's the creative brains behind all of the great decor and centerpieces at the Club? Often on her own time and sometimes with her own money, she frequently goes way above and beyond to make our experience at BLYC better with great decor and atmosphere. We cannot thank her enough for all that she does. We love you Moonda!

Finally, I would like to thank all of you who joined us for the Commodores Ball last month. Peggy and I were very happy and honored to host this traditional Club event this year and hope you enjoyed the evening. I would especially like to thank Peggy and her crew for all of their work in preparing for the evening, the staff for providing top notch service, and the kitchen for the great meal. It was truly an enjoyable and rewarding evening for us.

See you at the Club!

Don Dick

LOOKING AFT

- P/C Steve Harris, BLYC Historian

The BLYC Pool

I'm ready for summer! And, of course, summer at BLYC means fun times with friends at the pool. As we gear up for the Grand Opening Pool Party later this month, I thought it may be nice to share a bit of the history behind this great amenity the Club offers our members... it hasn't always been this way.

Through most of BLYC's history, if one wanted to swim, they did so in the lake, just to the west of Watkins Island. In fact, since the early days, there was a "swimming beach" there. I've been told that at one time, there was even a slide into the lake. It wasn't until the late 1980's that BLYC built a swimming pool and several years more before it came to completely have the "resort atmosphere" we now enjoy.

Recently, I was perusing some old files that Commodore Frank Foster gave me regarding the purchase of the Eastport property. In those files was a drawing showing proposed improvements to the property – tennis courts, a shower house facility, and, yes, a swimming pool. Now, don't be fooled – the driving factor behind the purchase wasn't recreation. It was parking.

At that time, BLYC didn't own our parking lot and, although we had a very good long-standing relationship with the owner, Alice Rosebraugh, she was getting along in years. We had been unable to purchase it from her and the future of that agreement was perhaps uncertain. A primary reason for purchasing Eastport was access and parking. It was a good "fallback plan." Well, the pool and recreational facility at Eastport never happened but, in 1986 a committee was appointed to research building a pool on

Watkins Island. Commodore Don White (1986) told me some years back that it was a contentious proposal and debate at the time. But the project proceeded and it has proven to be one of our greatest assets today.

Financing a project as expensive as a swimming pool isn't easy. In order to do so, the Club sought pledges for the purchase of notes by members. \$30,000 would be needed. These notes would pay a dividend of 5% simple interest and were staggered in their maturation to allow the Club time to pay them back. Approved at the Semi-Annual Meeting in May, all \$30,000 was collected by October and construction began on November 13, 1986. Much of the work was done by member volunteers and it was no easy task. The equipment used had to be brought over by bridge and concrete had to be pumped from the parking lot up and over the dam to the island. The bost hoist on the back of the island and the old playground were removed (Walter Grubb, then a small child, is still none to happy about that ☺)

Substantially completed in March, the pool was ready to open for the 1987 season. One of the first events held at the new facility was the July meeting of the BLYC Auxiliary that summer. Of course, a pool needs restroom and shower facilities. The existing "Juniors Lounge" under the Clubhouse was eliminated and that area converted over to the current shower rooms in the summer of 1987. In 1992, the pool deck was added and pool furniture purchased for members to sunbathe. In 1993, the pool bar and grill was opened – but only on weekends.

Through the years, the pool and pool area have undergone a number of changes, additions, and improvements. For many years, as an example, there was a stately old maple tree along the west side of the Clubhouse. When the pool was constructed, this tree remained and later provided shade for the pool bar area. However, age took its toll and for the safety of both the Clubhouse and the pool, it was removed in 2002. Herb and Carolyn Caulder donated the awning over the pool bar and, in 2004, under the leadership of then Rear Commodore Mark Russell, the large umbrella was purchased and installed. Each year seems to bring new improvements, new ideas, and new ways that we can enjoy this great feature of BLYC.

**See you at the Pool
Memorial Day Weekend!**
