COMMODORE ROSE MCENTIRE

Summer is officially in full swing – We have been waiting for this!

The pool looks and feels wonderful! Thanks go out to Governor Campbell, Chuckie, and Trent for all the work they have put in painting and fixing everything. The BLYC Members will be thanking you for the next 3 months!

You may remember last month I said that our bridge would be in before Memorial Day. Well... I am sure you have noticed that it is not in! ODNR is now telling me that it will be the middle of July before the new bridge is installed.

Once the bridge is in, the state will install a 3 to 4' gate on the dam side of the bridge with a sign that indicates that the bridge is to be used to access the Yacht Club only — no loitering or fishing from the bridge. Our committee working with ODNR is very happy about this. We had concerns that it would become a favorite fishing spot which is not desirable. Our old gate will get a face lift and will be placed on the island side of the bridge.

We are anticipating that as the dam remediation project comes to completion, Buckeye Lake will see an increased number of visitors and curious folks who will want to see

what the finished project looks like. This is a good thing, but it means that the Club needs to be more aware of security, monitoring our property, and making sure that it is not being used by non-members. We need everyone to help with this. First of all, make sure that you have your parking sticker in your car window. We are placing a notice on cars without stickers, letting them know that our parking lot is private property and that they need to park at the State Park. If you are meeting guests at the Club, please ask the staff for a guest parking pass. We want to make sure that we have room for you and your guests to park when you visit the Club. We are also looking into a card key system, fob or some other way to secure our gate coming onto the island. Again, we will all need to make sure that the gate securely closes. There will be more information on this as our plans progress.

The Boards of Governors and Trustees have approved the funding to connect the Club to city water! This will be happening very soon, and it will be great for our Bar and Kitchen operation! We have also approved the upgrade to the electric coming onto the island — this is necessary to accommodate future projects and to help more evenly distribute the power that we are using.

We continue to work with ODNR and the Army Corps of Engineers to get the approval for the sea walls around the Club. The first phase will be to replace the sea wall around the swimming pool which is desperately needed. It is our goal to have the permit so that immediately after Labor Day, we can get this phase started and completed before the water level is lowered for the winter.

We are making progress and moving forward! Let's all take time to enjoy our family and friends this summer at the Club. The lineup of activities is amazing — sailing, cookouts, pool activities, the wonderful food, and, of course, the entertainment!

I will see you at the Club!

Commodore Rose McEntire

BAR & KITCHEN

- Vice Commodore Donald Dick

The New Menu is Here!

Chef Josh rolled out the new Summer Menu last month and the reviews have been great! If you haven't been in to try some of the new items, it's time to get out to the Club. Dining on the front porch, with our panoramic views of the lake, has got to be one of the best parts of being a member of BLYC. Where else in central Ohio can you enjoy such a beautiful, peaceful dining experience?

Mothers Day was again a great success this year. The staff did a fabulous job and the Club looked great! Please remember that in order for the staff to provide high levels of service, reservations are a must. Please remember to make your reservations when possible. We hope to roll out a new online reservation system over the coming weeks that will help to streamline that process and make it more convenient for you.

The pool opened up Memorial Day Weekend and the pool bar & grill is now open daily, weather depending. The pool is one of the great amenities that we enjoy as members. This year, in order to help control access and keep the pool for our members and their invited guests, the staff will be asking you for your member number to open a tab. You can still pay with cash or a card in addition to member charge when you close out.

We still have a few summer positions to fill so if you know of someone looking for seasonal part-time employment, please have them contact Paul at the Club or apply through our website.

See you at the Club!

Don Dick

DOCKS & RENTALS

- Governor Bruce Ames

JUNE — WHO LET THE BOATS OUT !!

AHHHH! Finally, warm weather!

It is nice to finally have some decent weather so that we can get the boats back out on the water and start to enjoy this boating season.

Minor repairs have been made to the area 300 & 200 docks — just enough to get us through this season as we do not own these docks. At this time all docks have been rented.

If you are the owner of any of the kayaks scattered on the island docks please remove them immediately. They do not help the looks of our island and they are impeding the usage of the docks that they are cluttering! If they are not gone before June 15th, we will be forced to remove them.

Eastport storage spaces are available for \$250/year. If you would like to lease one you must first contact me. **DO NOT** just pull in and use an empty spot. It may already be leased. **Dock Renters** — Even though you may have paid for your dock, you must also sign and return the "Dock Rental Agreement" form before using your dock. I will be checking!

Let's all have a great summer, see you at the club!

Bruce Ames

MEMBERSHIP

- Governor Brian Thom

Please join me in welcoming our newest members to the Buckeye Lake Yacht Club:

William & Deborah Haptonstall

Lloyd Hudson

John Lemmon

Phyllis Morgan & Candy Prince

Ted & Judy Quinn

Doug Reedy & Molly McGrath

Summer is here! This is the "busy season" at the Club so please help our staff by making reservations and checking the Club calendar often to know what's going on at BLYC. Speaking of knowing what's going on... Do you receive the e-News, our weekly e-mail newsletter? Sign up online at www.buckeyelakeyc.com and you'll receive the latest updates right in your inbox. If you have already signed up but aren't receiving the messages, please check your "spam" folder. Depending on your service provider, you may have to allow the e-mails in order to get them in your inbox.

It's Summertime!

EXPERIENCE THE SYNERGY

POOL RULES

Please Observe at ALL Times

Pool Hours

8:00 am to Dusk - Every Day

No Lifeguard on Duty - Swim at Your Own Risk

NO DIVING — NO RUNNING

BLYC Member is responsible for observance of our pool rules and the safety of themselves, family, & guests

All guests must be accompanied by a BLYC Member

Children age 6 and under **MUST** wear a flotation device at all times when in the pool area

Rafts, tubes, noodles, soft balls, beach balls, and soft toys are allowed

Playing catch or tossing soft balls, beach balls, or soft toys is allowed

When using toys in the pool, please be considerate of other pool users.

Remove items when you exit the pool and take home when you leave

Only food and beverages purchased from BLYC are allowed in the pool area. Throw trash away in the appropriate container

No glass allowed in the pool or pool area

HOUSE & GROUNDS

- Governor Charlie Campbell

Due to the dam remediation project, the club entrance has changed several times. For those who have not experienced this "Mapquest journey," do not despair as it will be changing again soon to accommodate our use of the grassy area by the pool to get that ever so wanted summer tan.

The staff of House & Grounds has been diligently working painting and preparing the pool and furniture to open on time. Yes, all, the pool heater works. But, please keep in mind that the pool is not a sauna or hot tub. We don't want to eliminate the expected experience of "WOOOOOOOOO I'll get used to this!"

It has been quite an adventure getting the necessary permits to begin repair on our seawall but with cooperation from ODNR and the Army Corps of Engineers along with IBI engineering, we are finally moving forward.

Soon, we will be switching over to Buckeye Lake municipal water. A new one and a half inch water line will be installed and we anticipate making the changeover by early June. We will still keep our well for special limited use. AEP will be switching our electric service to better accommodate our needs just as soon as they can put our project on the schedule. As you have read, House & Grounds is, as usual, busy. When or if you know of something needing repair or see something that just doesn't look right, please let me know. That's it for now — there will be more.

Be safe!!

BLYC AUXILIARY

We welcomed spring to the Buckeye Lake Yacht Club by cleaning and beautifying the facility and grounds. Spring flowers bloomed and others were planted during work day. Thank you to Fran George, Jeannie Garbor, Don & Susan Hite, Jeff Hamilton, and Matt Fennen for completing our seasonal plantings in planters, beds, and hanging baskets during the month of May.

Auxiliary activities were reported to the club members at the BLYC Semi-Annual Meeting. Those included were... purchase and installation of the new awning and windscreen over the side steps to the front porch, support of community programs such as distribution of candy at Buckeye Lake Halloween Trunk or Treat, donations to local LEADS Food Pantry, contribution to and promotion of the BLYC Good Neighbor program, OSU basket raffle, membership dues raffle, revision of Auxiliary by-laws allowing additional contribution of \$5000 to the kitchen roof replacement, BLYC Children's Christmas party, Easter egg hunt for BLYC families, coordination of spring work day at the club, flower planting, upgrade of sound system to improve the sound quality both inside and outside the building.

We continue to serve the members and families of the BLYC by sending sympathy, get well, and congratulations cards. Any member may submit a name and address to Mary Muryn at marymuryn@gmail.com

The 2018 White Hot Summer Night Annual Auction is August 4th! Planning has already begun for this special fundraising event. We invite everyone to participate by planning to attend. Your special offerings for the silent or live auction are eagerly anticipated! Get your white duds ready for this fun, entertaining event!

The June 14th Auxiliary meeting will combine a short business meeting with a Trunk Show of the new offerings in the showcase. Everyone is invited to come and make purchases of the exciting new jewelry, apparel, boat accessories, and entertainment items all with your favorite BLYC insignia!

All BLYC families are eligible to join the Auxiliary! Come join us in contributing to the enhancement of the club by giving of your time, your talent and your goodwill!

Jeff, Susan, Stephanie, & Julie

ENTERTAINMENT

- Governor Mark Hedman

The Season is here!

Fellow members and water lovers — June is rockin' just for you! We kick the month off on Saturday June 2nd from 7:00–10:00 pm to enjoy the beautiful jazz & dance music of **Studio 3 Jazz Ensemble** featuring a great female vocalist to play your favorite dance, swing, blues, and rock songs. Bring your dancing shoes! On Saturday June 16th, from 7:00–10:00 pm, the **Dawson Cooper Duo**, husband and wife, will entertain us with their masterful guitar work — they both play — and her beautiful, lyrical vocals. They present a wonderful mix of folk, country, and rock to enjoy during our **BIG TEXAS BBQ!** Chef Josh has smoked some wonderful food for your dining pleasure. Be there or be square! On Sunday June 17th, it's a pool party from 1:00–5:00 pm with the old time rock n' roll of **Lee Gilkerson**. Lee is a Buckeye Lake resident who has been playing the Island House for years. Put on your trunks, belly up to the bar, and enjoy the fun. Next we have the wonderful acoustic trio **Second Story** on Saturday June 23rd from 7:00–10:00 pm. These guys know the music you want to hear. They'll keep it low and swinging while you're dining and then juice up when you're ready to dance. We end the month on Saturday June 30th from 7:00–10:00 pm with **Reelin' in the Years** with their rock and roll!

So, come on out to the very best place to be all summer long — the BLYC — your Club, your friends, your mini vacation — right here on Buckeye Lake.

See you on the water!

Mark Hedman

COMMUNICATIONS & FINANCE

- Rear Commodore Mark Pyle

After a long Memorial Day weekend honoring the men and women who died while serving in the U.S. military, we look to the longer, sunny days of June and summer fun with the Club running at full steam. Your safety is of paramount concern to the Board and Trustees and many of the longstanding rules were put in place for that reason. We've updated the pool rules which are posted at the pool and also published in this edition of the Log, so please familiarize yourself with the rules for your safety and that of your family and the other members. The pool and pool bar & grill are open and we remind all members that NO alcohol is permitted to be brought on to island and members need to be mindful that the pool closes at sunset each evening throughout the summer. The continued success of the pool grill depends upon members support so please refrain from bringing food into the pool area. We have a great entertainment lineup this summer and regularly scheduled events along with a few surprises. Check the Club calendar on the website and all of our other media options to stay abreast of breaking news.

Call for Future Board Members

For all of the members who enjoy our Club, I want to remind you that your Board and Trustees are working behind the scenes to keep things running as smoothly as possible. As you enjoy the Club this summer, we ask that each member evaluate his/her personal situation and consider running for the Board this coming September. I'm aware that it takes some time to decide when to step up and gather the information you may need to make the decision to run. Feel free to ask any current or past Board members to get a better understanding of the commitment and of the rewards that come from serving. *The Club's future success depends upon you!*

Finance Committee

The Finance Committee continues to move forward on obtaining the \$10,000 Lakes in Economic Distress Grant from the State of Ohio. As a Club, we've been successful the last couple years in holding the line on annual dues, capital fees, food and drink prices, and dock and house rental charges. Our only significant increase last year was to increase the one-time new member initiation fee to \$1,500 — some members will remember it was once as high as \$2,500. While we

have resisted increases, the Finance Committee will be evaluating some of the necessary capital expenditures and communicating what we find as those future costs come into focus. As Commodore Luttenberger mentioned at the semi-annual meeting, he is leading an effort to develop a capital improvement investment club that would provide for an opportunity for members to contribute financially and receive long-term recognition of their generosity.

Mark Pyle

BUCKEYE LAKE YACHT CLUB CLASSIC CAR SHOW

The BLYC car show is July 8th, beginning about 9:00 am. If your business or group would like to sponsor a class in the show please contact Mike Fornataro at mformataro@buckeyelake2030.org.

Just \$75 sponsors a class, \$100 includes a small display in the show. Expenses are up this year and your support would be greatly appreciated.

Thanks from the Car Show Committee.

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

Thank You!

Thank YOU to everyone who donated, volunteered, and participated with our Junior Sailing Shrimp Boil and Fundraising event over Memorial Day weekend. Without all of you, it would not have been a success. We have come a long way towards acquiring a new sailing vessel for our Junior Sailing Fleet! I will announce the final tally of the event in the July Log.

Sailing Season Is HERE!!!

Registration for this year's Sailing Camps (June 11-15 and June 25-29) is open and available on the BLYC website. Registration forms are also available at the Club. Children and Grandchildren of Club Members are welcome to come learn to sail and gain a lifelong love of sailing.

Other Dates to Remember:

- Youth DIVE-IN Movie Nights by the pool (June 15th & 29th)
- JULY 4th Independence Day Celebration & Pancake Breakfast
- SCUBA Diving Discovery Class (July 7th).
- I-LYA Junior Sailing Championship (July 15 – 19)

Fair Winds and Following Seas!

WHAT IS BUCKEYE LAKE 2030?

Buckeye Lake 2030 (BL2030) is a grassroots Declaration created in January 2016 by over 270 volunteers to chart the economic growth of Buckeye Lake Region, in order to improve the well-being and prosperity of its residents and businesses.

Buckeye Lake Region Corporation (BLR Corporation) is a non-profit organization open to all political and civic entities of the tri-county Buckeye Lake Region, created to coordinate and implement the mission outlined in BL2030.

HOW CAN I HELP? Go to BLRFoundation.org and click on "DONATE NOW"

RACE & REGATTA

- Governor Chuck Gleich

We're Back!

Our first scheduled races of the 2018 season were Memorial Day weekend and hopefully the weather cooperated and we had a good turnout! It's been awhile since we have been able to do much sailing on our lake, but we're back and we're ready for a great 2018 season. We will be racing every Sunday afternoon at 2:00 pm. Remember that this year we're trying to de-emphasize the competitive aspects of the sport and focus more on the FUN of sailing. We want everybody to get involved! Many of our regular sailors are always ready and willing to take new people interested in learning more about the sport out with them — just show up and ask! This year we are inviting all sailboats on the lake to join us — BLYC member or not. We're all about growing the sport and we welcome any Buckeye Lake sailors to join in as our guests on Sundays. If you have a friend or neighbor at the lake who may be interested in joining us, please encourage them to do so. If they have questions, feel free to direct them to either Commodore Steve Harris or myself. We're also looking into other ideas for non-racing sailing events this year - "Cruises" to other destinations on the lake, Evening "Raft-Ups" on the lake, etc. Do you have ideas? Please share.

Remember, sailing is for everyone! Whether you race, cruise for fun and relaxation, help out on Race Committee, or just enjoy watching from the front porch of the Club... We want YOU to get involved!

See you on the water!

LOOKING AFT

- P/C Steve Harris, BLYC Historian

The following article was written by P/C Frank Foster and originally published in the March, 1987 issue of the Log. Now that we're getting back out on the water to sail again, I thought it would be a good article to share.

- SGH

Porch Sitting & Race Watching... a Long Tradition

Commodore Frank H. Foster, III

Public notice of a meeting to form a club was given in late April, 1906. Through the summer and fall of 1906, the Buckeye Lake Yacht Club was formed. That winter, around January of 1907, a corporation was formed to sell 1,000 shares of stock at \$5.00 each for the purpose of acquiring land and constructing a clubhouse. About that same time the incorporators of the building corporation took over a lease on "sunken island" and a half lot on the lake's main shore facing the island. It was a spot of sometimes land with several half grown trees, mostly willows, surrounded by always shallow water and, especially in the spring, frequently flooded completely. They envisioned that it could be raised and enlarged and the waters around it deepened. It offered privacy because it was an island and was located only about 300 yards from the interurban railway. Drawings of a beautiful building were prepared, and I have a copy of it and published it in an earlier log. When the bids were opened, the building was too expensive and the club officers decided to confine their efforts to the bare necessities within their

limited needs. Bids were requested for a simpler building and a contract was awarded for \$1,811.00. Construction began in early summer of 1907 and was completed in November.

In the summer of 1908 a porch was built across the building's outer end extending somewhat past the easterly and westerly walls.

In 1912-1913 the new, present clubhouse was constructed and the old one was modified, later damaged, and ultimately replaced by our current boat houses on the east side of the island.

Thus, it appears that this picture must have been taken between 1908 and 1912. The picture looks north-easterly or east-northeast down toward our present Eastport facility. Much as we do today, it appears that a group had gathered on the front porch and was watching the racing sailors. Others were pursuing their activities. From the appearance of the flags, the wind seems to have been at the same slow speed we often find now

days. As you can see "Sunken Island," now Watkins Island, was raised and a seawall poured around it. The island, in fact, was considerably more circular and smaller than now. Since the porch was so close to the water they must have been able to hear pleasant sounds of the water slapping against boats, docks, and seawall. Our new deck, adjacent the swimming pool on the west side of the island, may afford us an opportunity for the same pleasant sounds.

From the appearance of the shadows it must have been around mid-day, probably a Sunday. Our lawn is certainly in much better shape now that it was then.

While the building is a neat, old building, I certainly am glad they later acquired a stronger financial position and built the current clubhouse. They sure had the right idea for a good way to spend a Sunday afternoon.

Hope to see you on the front porch this summer!
