### COMMODORE ROSE MCENTIRE

A true sign that the Dam Remediation project is nearing an end, is the installation of our new permanent bridge! You don't have to stop and guess where the entrance to the club is any longer — come right on in — your Club awaits you! The Commodores Association is going to help with the repair and replacement of our gate, so make sure you attend the Commodores Steak Nite — the gate will be a welcome sight!

Summer is off to a great start! I absolutely loved that we were able to host the Junior Sailing Camps at the Club again this year. Thank you to Michael Davis, our Coach, Matthew Davis, Susannah and Katy Schroeder, and Olivia Smith, our sail team members, for teaching the classes. This is a full circle — these five instructors started their love for sailing right here at the Club, just as our new Junior Sailors are now! How cool is that! Thanks to Governor Bruckelmeyer for doing such an excellent job with the Junior program, Thanks to the Davis and Schroeder parents and to Commodore Steve Harris for always lending your support to the Junior program AND a special thanks to all of the kids who took part in the program — we will see you on the water!

The Club is the place to be on the 4<sup>th</sup> of July week! The pool will be open on Monday, July 2<sup>nd</sup> with grill and bar service. On Tuesday, July 3<sup>rd</sup>, the Club and pool will be open normal hours. And, on July 4<sup>th</sup>, you will want to come early for the Junior pancake breakfast and stay for the 11:00 flag raising ceremony. We are the best spot on the lake to watch the boat parade — with our very own Howard Everitt serving as Grand Marshal — followed by music by the pool and our annual picnic buffet! Your BLYC is the place to be to celebrate!

Thanks to Commodore Lawrence for organizing the Cruise for Cancer raffle. BLYC will now donate \$6,000 to the James Cancer Hospital for research. Congratulations to the winner of the raffle — you will be joining many of your BLYC friends for an excellent week of caring and sharing for survivors and those currently battling this terrible disease all while raising money and celebrating with our beloved Buckeyes! O - H - ! Thirsty Thursday with AJ Angelo is always a great time. Thanks AJ for pulling the winning ticket! Mark your calendar for our next Thirsty Thursday with AJ on August 23<sup>rd</sup>.

We have lots of fun activities planned this month, make sure you mark your calendars to attend and don't forget to make reservations and... did you know you can make the reservations online! Check it out!

It is not too early for you to be thinking about running for the Board! Being on the Board is truly a labor of love for our BLYC! It takes work and it takes time, but I have to say I have enjoyed (almost) every minute of my time! Without members stepping up and volunteering their time and talent, our Club would not be possible. If you have questions or would like to discuss what all is involved, I or any member of the current Board would be more than happy to speak with you!

**I will see you at the Club!**

## DOCKS & RENTALS

- Governor Bruce Ames

### JULY — Where did June go?

The summer kicked off to a good start with a great Memorial Day weekend. Although I must say it was a little hectic for me as I dealt with boats in wrong slips most of the weekend. Please be courteous of others and don't park in a spot that is not yours.

The four docks directly in front of the club are available for transient day use as well as a few that are marked with yellow caution tape. **Overnight docking is not permitted!**

Eastport storage spaces are available for \$250/year. If you would like to lease one, you must first contact me. DO NOT just pull in and use an empty spot. It may already be leased.

**DOCKS:** Even though you may have paid for your dock, you must also sign and return the "Dock Rental Agreement" form before using your dock. I will be checking!

**Let's all have a great summer, see you at the club!**

## MEMBERSHIP

- Governor Brian Thom

Please join me in welcoming our newest members of the Buckeye Lake Yacht Club:

**Todd & Michelle Davis**

**David & Cindy Ronk**

If you see them around the Club, please be sure to say hello. As you are all aware, it's the busy time of the club year and there's lots of activity going on at the Club. This is also the time of year that many of us bring friends and family to the lake to enjoy our "little slice of paradise." We encourage you to invite your guests to the Club and enjoy all the benefits that your membership offers. Who knows? They may even decide to join and become members themselves! Keeping that in mind, however, please remember that, per our By-Laws, guests are limited to three visits per calendar year. It's not that we don't want guests at the Club, but rather to keep our focus on serving our members first. We are quite fortunate at BLYC in that our membership represents a very diverse group of people with a wide variety of interests. Please be accommodating and appreciative of your fellow members as we all enjoy our club for different reasons — boating, sailing, dining, swimming, etc. Let's all work together and keep BLYC the great, unique place that it is. As always, if you know of someone who has an interest and would make a great addition to BLYC, do not hesitate to reach out to either myself, Paul, or any member of the Board of Governors. We are more than happy to help you show them around and answer any questions they may have.

**See you at the Club!**

## JUNIOR TRAINING

- Governor Mike Bruckelmeyer

The **BLYC 2018 Sailing Camps** were a tremendous success! We are all so proud of our young sailors who learned the joys of sailing. Their excitement and confidence is contagious! A big THANK YOU to our Coaches, Michael Davis and Susannah and Katy Schroeder and their Crew Matthew Davis and Olivia "Mast Monkey" Smith. You guys are great! I also have a special thank you to our adult counselors Tracey Davis and Tami Schroeder. We could not have done it without you!

Be sure to come out to the **Annual Pancake Breakfast** on July 4<sup>th</sup>. Our youth will be serving up a delicious breakfast before the Club's flag raising ceremony. You will also hear about an exciting opportunity to help the Juniors purchase new equipment.

Registration for the **SCUBA Diving Discovery Class** (July 7<sup>th</sup>, 9:00 am) is open on the BLYC website. Space is limited and is for youth aged 10-18.

I hope to see you supporting and cheering for the BLYC Junior Sailors at the **I-LYA Junior Sailing Championship** (July 15<sup>th</sup> – 19<sup>th</sup>) at Put-In Bay. Junior Bay Week is an exciting event where the BLYC Team will compete against other sailors from I-LYA member Clubs. Team Night is Tuesday.

The **Shrimp Boil** on Memorial Day weekend was a tremendous success! Through your generosity and appetite the Juniors raised over \$2500. Everyone enjoyed the delicious dinner, auction, and, of course, the entertaining Lip Sync Battle. This will be an annual event so mark your calendar for May 26<sup>th</sup>, 2019!

Finally, thanks to your generosity, our fundraising has been successful and we look to add another Club 420 racing sailboat to our fleet this summer. We have a new opportunity to purchase boats used for the US Sailing Championships in Toledo — brand new boats at a significantly reduced price! If you're interested in helping us to grow our fleet even more, please contact me. Your consideration of this opportunity is appreciated.

## BLYC AUXILIARY

The lake is alive and merriment abounds at YOUR Buckeye Lake Yacht Club! At this writing, we have already had many great fun times with old friends and new members! Join in summer events!

**Trunk Show of New Showcase Items** - This year on June 14<sup>th</sup> we had a preview of the new items that are found in the showcase. Along with the new selection of shirts there are also boat blankets, BLYC jewelry featuring earrings, necklaces, bracelets, cuff links, and watches!, vintage framed map of Buckeye Lake, and colorful, fun socks-socks-socks! Check out the showcase selections and ask for assistance from an auxiliary officer or the bar staff. We can special order color and size to your specification! Proudly sport your BLYC colors in apparel and accessories!

**Junior Sailing Camps** - The camps are here and gone but what a great opportunity for children and grandchildren, nieces and nephews to enjoy a fun week learning to sail and making new friends. If your family kiddos, ages 6-18, missed camp this year, make it a priority for next year! Meanwhile, please help support this family oriented program with your donation gifts toward new boats and participation in their fundraising activities.

**White Hot Summer Night Auxiliary Auction** - August 4<sup>th</sup>!!! Be sure to make your reservations early for this annual event as tickets are selling quickly! ## HOUSE & GROUNDS

- Governor Charlie Campbell

**The pool is open!!** That was the sound along with all the splashing, oohs and ahhs. A big thank you to Chuck and Trent, our maintenance guys, for preparing the pool for opening as scheduled. When a little one is using the pool who is young enough to wear pool pants please use them. "Floatees," things that are not Baby Ruth Candy bars, in the pool make for a lot of work and closes the pool for 24 hours. As I promised last writing the pathway to the pool and club was changed. But for those who have not experienced entering by way of new concrete just wait there is one more opportunity, when the new bridge is installed sometime in the next few weeks.

Our engineering firm will have the application for our seawall around the pool complete soon. This should be the last hurdle in getting our ODNR permits to start construction as soon as the pool closes. We are now on Buckeye Lake Village water! If you see or know of something that needs repair let me know. Until next time be safe...

Charlie Campbell  
House & Grounds

This year our project will be to raise funds to improve, rebuild, and glam up the two entrances from the parking lot to the walk at the top of the dam. They need our attention and restoration for safety as well as aesthetics. The Entrances Restoration Project will require lots of planning and funds to create an inviting entry to our club and the new bridge leading to Watkins Island.

We invite everyone to consider making a donation for the silent or live auction of something special you can offer. Our talented membership always surprises us with new items that delight our auction bidders. Use your donation form from the auction letter sent by the Auxiliary to describe your item or contact an Auxiliary officer to discuss your donated item — Jeff Hamilton, Susan Hite, Julie Whetstone, Stephanie Dodd. Thank you in advance for your monetary gifts or auction item donations!

As always, we are grateful for the time and effort given to the planning of this big event. If you are willing to help, please contact an officer or e-mail the Auxiliary at [blycauxiliary@gmail.com](mailto:blycauxiliary@gmail.com)

**Next Auxiliary Meeting is July 11<sup>th</sup>** — on Wednesday this month — at 7:00 pm in the Fireplace Room! Due to scheduling conflicts, we are having this meeting on Wednesday, rather than the usual Thursday date. Our meeting will be devoted to making final plans for the auction soon to follow. We can use your help! Please come and join us!

## BAR & KITCHEN

- Vice Commodore Don Dick

### YOU CAN MAKE YOUR RESERVATIONS ONLINE!

In today's hustle and bustle world, it can sometimes be difficult to remember to call to make your dining reservations. Now, for your convenience and thanks to the efforts of Rear Commodore Mark Pyle (Communications) and our webmaster P/C Steve Harris, you can now make your reservations online at [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com)! In addition to the ease of use for you, the member, this new system will allow the staff greater efficiency in a number of critical areas — time management of reservations, table assignments, etc. Our hope is that this will be another feature to help us provide you the best possible dining experience at the Club.

Making reservations may seem like a small thing but it is critical to the smooth operation of the restaurant and kitchen — particularly during this busy time of the year and for our larger events. We strive to control costs and keep meals affordable and this requires good numbers for proper planning. We strive to provide quality, timely service and this requires that we space out orders in a way that keeps the kitchen running at peak efficiency without orders getting back logged. Please make reservations whenever possible and please try to arrive to be seated at your reserved time. You can still call in reservations if you prefer. The staff will be happy to enter them into the system for you. Same day reservations must be made by phone. This month's Employee of the Month is Lisa Brownlee. Lisa does it all — server, bartender, pool bar guru, you name it! Lisa will celebrate her 5<sup>th</sup> anniversary with us this coming month. When you see her, be sure to congratulate her, not only on this recognition and anniversary at BLYC, but also on her upcoming wedding this summer. Congratulations Lisa!

**Don't forget — We are now on summer hours!** The Club is open Wednesday through Saturday for lunch at 11:00 am — Breakfast is served every Sunday from 9:00 am until 1:00 pm (lunch service begins at noon) — The Pool Bar & Grill is open daily at 11:00. So many options, so many ways to enjoy a great lakeside dining experience at BLYC!

## COMMUNICATIONS & FINANCE

- Rear Commodore Mark Pyle

Summer is in full swing as the Club hosts several fun activities. Remember to put your parking pass in your vehicles and obtain a visitor pass from the hostess stand for your guests. Also check in with our new e-News blasts, website, kiosks, bulletin boards, Facebook and Twitter regularly as weather and sometimes construction can cause plans to change unexpectedly. Please be safe through the Fourth of July holiday and all of your summer fun activities.

The Club received the first \$5,000 installment from the Lakes in Economic Distress grant program and we await the second installment. Please remember that the Buckeye Lake Yacht Club is a private, not-for-profit, members only organization under 501(c)(7) of the Internal Revenue Code. Because of that designation the Club does not pay income taxes on the vast majority of its income. In order to maintain that designation, most of the Club's revenues must be from our members and member activities. Remember that your guests are only to attend the Club three times per year as outlined in the Club By-laws. A significant amount non-member revenue for a year could cause more of the Club's income to be taxed or at worst impact our IRS designation. Bottom line, if your repeat guests enjoy being at the Club for dinner, pool fun, or many of our events and activities, they should belong to the Club.

## RACE & REGATTA

- Governor Chuck Gleich

### SAIL ON SUNDAY!

The 2018 racing season is off to a good start and we're getting more and more participation each week. I would like to thank all of those who are helping to make this year a success - Steve Harris, John Albrecht, Dave Paligo, and most especially the BLYC Juniors. The Club pontoon is in need of serious repair and the Juniors have been very gracious to let us use their safety boat to set the marks this year. It's great to have our programs working together for the benefit of all at BLYC! We can always use help on race committee so, please come out on Sunday and join in. It's fun!

Remember, this year, we're inviting all Buckeye Lake sailors and sailboats to participate. It's more about FUN than competition. No racing experience required. No need to be "scared" about the rules. We'll help you learn and our primary goals is FUN. To that end, I am pleased to share that the Club will once again offer "Sailor Beers" for all participating sailors and race committee on Sundays — Miller Lite draft at Happy Hour prices! Now, if you were looking for a reason to come sail, you've found it! I'm looking forward to seeing you **SAIL ON SUNDAYS!**

# LOOKING AFT

- P/C Steve Harris, BLYC Historian

## The Sayres and the Sayre Marina...

Before there was a Buckeye Lake Yacht Club, there was a "Sayre Marina." In 1904, Mr. William Henry Sayre built a two-stall boathouse, with living quarters above, just east of "Sunken Island" along Northbank. Henry & Mary Sayre had three sons — Earl, Fred, and Raymond — and a daughter, Eva. Henry Sayre, along with sons Earl and Raymond, all appear in the 1906 BLYC Member Directory and are assumed to have been charter members of the Club. This directory lists their professional affiliation as "Sayre and Sons, Newark." Henry Sayre repaired boats and sold boat supplies from his Northbank location. The three sons would later take over the family business and change the name to Sayre Brothers Marina. In the 1920's, Earl and his wife Blanche also operated a restaurant, open from Memorial Day through Labor Day, located just west of the Marina (presumably the location of the current yellow house below the dam).

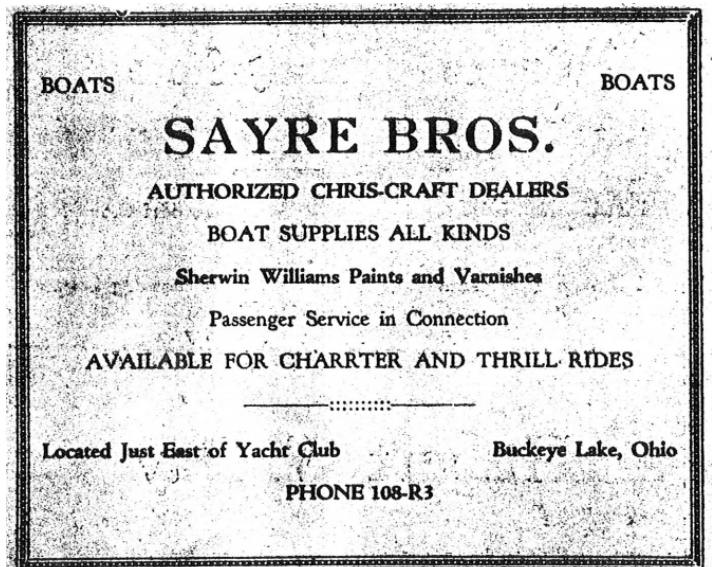

When BLYC located on "Sunken Island" (now Watkins Island) in 1907, and built the original Clubhouse, Henry Sayre became our first "caretaker." He was very active on the building committee and could frequently be found working on improvements to the Club's new home. At the Club's 3<sup>rd</sup> "Tar Social," held in Newark on December 17, 1908, in recognition of Mr. Sayre's service to BLYC, as caretaker, "improver of the island," one of its hardest working members, and in demonstration of the high esteem in which he was held, the Club extended Mr. Sayre's membership for the rest of his life without further payment of dues — making him BLYC's first Honorary Life Member.

At the time of its closing, Sayre Brothers was the oldest continuously operating Chris Craft dealership in the United States. In 1926, Edgar T. Wolfe, Sr. (BLYC Commodore, 1934) traveled to New York for a boat show. While there he took a fancy to the Chris Craft line of boats. He told the company representatives that he would purchase one, but only if he could get it serviced at Buckeye Lake. The company contacted Fred Sayre and he answered that he would be happy to service Mr. Wolfe's boat, but only if Sayre Brothers was given a franchise... which they were — one of the first two ever issued. Incidentally, according to a letter to BLYC from early member Frank Miller, Chris Smith, founder of Chris Craft, held membership in BLYC in the 1930's. It is believed that this was likely a result of the close relationship between Chris Craft and the Sayre Brothers Marina.

Fred Sayre had a daughter, Blanche, and one son, Bud. Growing up on the shores of Buckeye Lake, Bud was always "messing around with boats." However, he had little interest in taking over the family's marina business. He wanted to become a grocer. But, while Bud was serving in World War II, both his father and his uncle Earl passed away. Returning home from the war, he found

Henry & Mary Sayre c. 1920 at BLYC

1932 "Buckeye Lake Guide" Advertisement

two recently widowed women and an aged uncle who needed his help to keep the business operating. He assisted them and gradually assumed the helm of the operation. Following the death of his wife, Fran, Bud married Zenna and gave the business to his new wife. He continued to serve as an advisor until his death in 1997. Zenna continued operation of the Marina until its eventual closing in 2008.

Over the years, the relationship between the Sayres and BLYC has been a strong one. While Fred never joined BLYC, his father, brothers, and son were all members and the marina provided great service to the Club for many years. Prior to the installation of our hoist at Eastport, Sayres would haul in and out all of the visiting sailboats at the annual Snowball Regatta free of charge. They also did the same for the Classic Boat Show for many years. Bud and Zenna were also very helpful and instrumental in the development and growth of the Boat Show through the years. In 1996, Bud and Zenna donated the mahogany for the "new" bar at BLYC — now one of the most iconic highlights of our Club. Zenna continued to be active in the Club and with the BLYC Auxiliary until her death in 2015.

Reflecting on her family's long association with BLYC at the time of our Centennial, Zenna thoughtfully remarked, "At eighty-three, in this one-hundredth year of the Buckeye Lake Yacht Club, I am still active in the Club as a perpetual Distaff; I have been a member of the Ladies Auxiliary since my introduction to the Yacht Club in 1974. If you are lucky enough to work by the water and have a beautiful Club to walk to, you are lucky enough."

Like many early landmarks of the lake, Sayres' Marina is now gone. But it should not be forgotten. Commodore Tim Ryan and I are working to include a small, permanent display recognizing the marina and the long-standing friendship between the Sayres and BLYC upstairs in the new Cupola Lounge.
