### COMMODORE ROSE MCENTIRE

*Thank you!* It has been my pleasure to serve on the Board and my honor to serve as your Commodore!

I have had the opportunity to work with wonderful Board and Trustee members through some difficult times for Buckeye Lake and feel confident in saying that we are a stronger membership having worked through all of this together.

Thanks to the Auxiliary who have done an excellent job at raising money in support of the Club! All of your hard work is greatly appreciated!

Thanks to all of the members from whom I have felt your support for my work at the Club. I appreciate your kind words! I love that you are coming out, enjoying and supporting your Club, and that many of you have donated so much time, your

talents, different materials, and money to the Club to help us to continue to thrive and improve!

A very special thanks to my Commadude, who when Commodore spoke, Commadude — did! Being on the Board, and particularly Commodore, without the support and help from Greg I would not have been able to do everything and spend the time needed.

Thanks to my family, Fr. Mike and Susie Gribble, and best friends Lu and Zeke Claus who have been by my side — they were given and completed many assignments over my time on the Board and have attended every one of my events! You are being left in very good hands with Commodore Donald Dick! Don's dedication and contributions to this Club are unbelievable! BLYC will only continue to get better under Don's direction!

It is every Commodore's hope that we leave our term having made a positive impact on the Club. I look forward to continuing my involvement and work for the Club as a Trustee for the next five years!

*Thank you!*

**See you at the Club!**

Commodore Rose McEntire

## BAR & KITCHEN

- Vice Commodore Donald Dick

### What a GREAT year!

It has truly been a great year for the bar & kitchen operation at BLYC — usage is up significantly, the food is top-notch, service is better than ever, accounts receivable are down, and our cost of goods is right on target. These accomplishments, though, are not mine alone. It has truly been a team effort! I would like to thank my fellow board members and the finance committee for helping to provide oversight of the operation, Paul & Josh for their excellent leadership with the staff to help reach our goals, and — most importantly — the members for coming out to enjoy the club, actively participating, and giving us constructive feedback when needed. Together, we make BLYC strong!

As this year winds down, we look to the next. I looking forward to assuming the helm from Commodore McEntire later this month with both anticipation and anxiousness. Rose's shoes will not be easy to fill. Over the past four years, her dedication and leadership to BLYC has been unparalleled. Rose — thank you for all you've done for the Club and don't go too far. We will certainly seek your advice and guidance moving

forward.

The highlight of September will be, as always, Club Elections Weekend — Friday, September 14 through Sunday, September 16. If you haven't experienced our elections before, you don't want to miss this. I know of no other Club or organization with as unique of a selection process as our BLYC traditions. We'll kick things off on Friday evening with Meet the Candidates Night. Come join us for a great meal followed by introductions of and speeches by those running for the Board this year. Once again, P/C Steve Harris will serve as emcee, bringing his unique form of entertainment to the evening. On Sunday morning, the candidates will set up on the front porch and serve you, the membership, brunch. The porch picnic runs from 9:00-1:00, coinciding with the times the polls are open. You'll definitely want to join us at 2:00 pm for the Annual Meeting, hear the year in review, and learn of our plans for the coming year. The day will culminate with the Commodore's Reception beginning at 4:00 pm. I'm sure that Peggy has grand plans and Chef Josh and his team will execute the event in their typical superb fashion.

We have an excellent slate of candidates running for the Board of Governors

this year. Each of them brings a great deal of talent and expertise to the table and I would be honored to have any of them as a part of our team for 2019:

**Jeff Hamilton**

**Barb Hein**

**David Paligo**

**Brian Thom**

I would also like to express gratitude to Chuck Gleich and Mark Hedman who are not seeking re-election this year. They have both served BLYC well and their sacrifices and efforts have helped to keep our Club strong. On behalf of the entire Club, Thank you gentlemen! As we look forward to a new year, we have many capital projects waiting in the wings and we will continue our efforts to serve the membership with an efficient, fiscally responsible operation. The dam remediation project is nearing completion and 2019 promises to be a great year at Buckeye Lake. Your 2019 Board will maintain a strong focus to keep BLYC at the forefront of activity at the lake and continue our century long role in the promotion of boating and improvements at Buckeye Lake for boating purposes.

## RACE & REGATTA

- Governor Chuck Gleich

It's been great to see interest in sailing return to our lake this summer. With the lower levels, the ongoing dam project, and mother nature not being all too cooperative with the wind, it's been tough to say the least, but we are back on the water this season and loving it! As we get ready to wind down the season, I hope that we're able to get a few more Sundays in that we can sail and enjoy our time together on the water. While it may seem like we don't have a lot of participation, it is a whole lot more than what we've been able to enjoy the past few years. **FUN FACT** — 75% of the current 2018 racers did not sail at BLYC the last season we were able to race before the dam project began (2014). What that tells me is that there's a lot of new interest in sailing and next year we can build upon what we've been doing in 2018.

But... 2018 isn't over yet! We plan to race on Sundays through September and our perennial invitational regatta — The Snowball Regatta — will return to Buckeye Lake the weekend of October 13<sup>th</sup>. Steve tells me that there's quite a bit of interest among the Interlake class in coming over to race. Hopefully, we can also get out a lot of our local sailors, too. It takes a lot of work to put on an event such as the Snowball and I'm sure that Steve would appreciate any help you can provide. I'm sure it'll be top-notch racing as usual.

Finally, I would like to thank the membership for their support over the past four years that I have been on the board. It has truly been a rewarding experience and I appreciate the opportunity to be an integral part of such a fine, esteemed organization like BLYC. Sue and I love the Club and really enjoy all of the great friendships that we have at BLYC. I'll still be around and I look forward to the great things that our next generation of BLYC leaders will accomplish!

**See you on the water!**

Chuck Gleich  
Race & Regatta

## DOCKS & RENTALS

- Governor Bruce Ames

### September - Football is Back!

By the time you are reading this the Buckeyes should have their first win over the Beavers of Oregon State!

As we near the end of our boating season I would ask that YOU respect other members' docks. Just because a boat is not currently parked in a spot does not mean it is open for public use. Day use docks are marked with yellow caution tape.

Looking towards fall and clean up I would like to start thinking about getting the boat storage yard cleaned up. I ask that if you are renting a space you have your property in your spot only and in an orderly fashion. I have noticed some trailers encroaching on the neighbor's space and a jet ski in a spot rented to someone else.

Let's all enjoy what is left of the summer, see you at the club!

**Go Buckeyes!**

Bruce Ames  
Docks & Rentals

WATCH THE GAME AT BLYC - EVERY FOOTBALL SATURDAY

## SPECIAL TAILGATE MENU

**Chili — \$3**

**Hot Dog — \$2**

**Brat — \$2**

**Pulled Pork — \$5**

**Cheeseburger — \$6**

**Cod Sandwich — \$8**

**Junkyard Dog — \$6**

### SALADS

**North Bank Salad — \$10/\$7**

**Nut-Crusted Chicken Salad — \$15/\$9**

### SIDES

**Chips**

**Cole Slaw**

**Fries**

## BLYC AUXILIARY

It is hard to believe that after a year of planning, White Hot Summer Night (the annual fundraiser) is already over! This was a very successful event with 208 reservations. With the leadership of the Auxiliary Board and the Fundraiser Committee, an incredible effort was put into this event. The challenge was once again, given by our President Jeff Hamilton, to raise the bar and that was done. There will be a more detailed report in the October Log as not all proceeds and expenses have been reported yet. Thank you to all that helped in every way to make this event an incredible night to remember.

As September is upon us, our annual meeting will be Sunday, September 16<sup>th</sup> at 1pm. This is when we typically approve officers for the upcoming year. Jeff Hamilton, who has been our President the past two years, is stepping down in order to run for Governor. Julie Whetstone, who has served as our Secretary the past two years, is also stepping down. Please join us in thanking them both for their dedication and service to both the Club and the Auxiliary. At this point, Susan Hite has agreed to move to President, Sue Derlis has agreed to take the position of Vice President, and Claudia Belt has agreed to assume the Secretary role. Stephanie Dodd will remain as Treasurer. If there is anyone else that is interested in serving on the board, please get in touch with one of the board members by e-mail or telephone. We always need more hands on deck and we are looking for members who are willing to take on committee roles to help ease the burden. Think about where you might be able to serve.

Continue to look to the Log and check your e-mail for any upcoming events. We hope to enjoy a great deal more fellowship and comradery this year.

Jeff, Susan, Stephanie, & Julie

## HOUSE & GROUNDS

- Governor Charlie Campbell

### It's August and several signs of fall are starting to appear.

One is the closing of the pool. Monday September 3<sup>rd</sup> at sunset the pool will be closed until opening in 2019. The dam construction crews will be removing the sidewalk within our pool fence area and hopefully our new seawall construction will begin.

I would like to thank ASI and Ruhlin Construction, the dam builders, for their fixing of the sidewalk behind the club. It had been a trip hazard for quite a while. This leads into the second sign of fall.

There are TV shows and big game hunters always looking for Bigfoot. It seems he makes his appearance in early fall. As stated new concrete was poured behind the club. Cones with directions to go around and yellow tape saying do not cross were in place. Obviously, these must have been as invisible as Bigfoot is. But we have "evidence" this creature could exist as we have his footprints in our new concrete. House and Grounds always thinks of safety first when doing a project. Please observe the signs and follow the instructions provided.

We are going to have a new entrance gate built for the club. Anyone interested in submitting a drawing depicting what it should look like please do so. Contact House & Grounds Governor Campbell for dimensions/information.

Please attend the election and annual meeting September 16<sup>th</sup> to vote for your candidate to be on the Board of Governors.

**Until next time, Be Safe!**

Charlie Campbell  
House & Grounds

# COMMUNICATIONS & FINANCE

- Rear Commodore Mark Pyle

As we come to the close of another wonderful summer and fiscal year at BLYC, I'm proud of this Board's accomplishments under the unwavering leadership of Commodore Rose McEntire. She set the bar very high for those of us following in her footsteps. We're just fortunate she will be moving on to her role as a Trustee and will still be available to provide her clear, common sense advice. Thank you, Commodore Rose!

## Sign, sign everywhere a sign

### Blocking out the scenery, breakin' my mind

### Do this, don't do that, can't you read the sign?

Well, the Five Man Electrical Band pondered the concept of signs way back in 1970 and I thought I'd put my twist on those philosophical lyrics. As we come to the close of a wonderful summer at the Club, based upon some recent member observations and comments, it's obvious that some folks either can't read the signs or if they can read them, they totally disregard what they say. Personally, I agree that more signs "block out the scenery" and we've made a concentrated effort to keep them to a bare minimum. This is especially true with respect to maintaining the bulletin board in the entry to Club sponsored events and relocated or removed unapproved flyers hung randomly at the Club. When we post signs its clearly to keep you safe or informed. With respect to the Club, the signs are there to enforce security and safety measures (safety tape around construction), minimize risk (pool and alcohol rules), or meet a legal requirement (permits, licenses, or labor laws). In any event, we've recently witnessed individuals totally disregarding the safety tape and signs routing everyone around the Club for the ten days the back sidewalk was under

construction. Now we have our own version of "Footprints in the Sand," except it's footprints in the new concrete. A living example of the disregard for signs alerting folks to a slightly inconvenient and temporary condition. Another sign occasionally ignored resides as one of the key rules in the by-laws every member agrees to follow when you apply and is clearly posted at the entry to the Club and at the pool – No alcohol can be carried on to the island from the shore or boats and no purchased alcohol can leave the island (except corked wine bottles), regardless of the container the alcohol travels in (coolers, to-go cups, Solo cups or koozie disguises). If you come by boat, the best course of action is to leave your coolers on your boats until you leave the island or take the coolers to your car in the parking lot after disembarking your boat. I would argue that having the liquor license held by the Club not only enhances the experience of a visit to the Club, but being able to sell liquor is an essential element of the financial viability of the Club. Placing the Club's license in jeopardy is not only senseless and selfish, but also subjects a member to the Club's disciplinary process. Believe me, not a single Board member or staff member wants to confront a member violating the rules and would prefer to enjoy our time at the Club in lakeside bliss like everyone else. That said, I sure would not want to be the evil force causing a fine from liquor control – or worse yet, having our liquor license suspended. We will be reluctantly vigilant, pleading for compliance and hoping no one has to "answer for the wicked that he done." We'd prefer to sit by the fire joining Toby Keith and Willie simply singing, "We'll raise up our glasses against evil forces singing, whiskey for my men, beer for my horses." For your safety and the Club's health, please read the signs, and follow them.

Mark Pyle  
Communications

## WHAT IS BUCKEYE LAKE 2030?

Buckeye Lake 2030 (BL2030) is a grassroots Declaration created in January 2016 by over 270 volunteers to chart the economic growth of Buckeye Lake Region, in order to improve the well-being and prosperity of its residents and businesses.

Buckeye Lake Region Corporation (BLR Corporation) is a non-profit organization open to all political and civic entities of the tri-county Buckeye Lake Region, created to coordinate and implement the mission outlined in BL2030.

HOW CAN I HELP? Go to [BLRFoundation.org](http://BLRFoundation.org) and click on "DONATE NOW"

## JUNIOR TRAINING

- Governor Mike Bruckelmeyer

### THANK YOU!!!!

As a result of your tremendous generosity the Junior program purchased **TWO NEW Sailboats!** The new boats are two-person ZIM 420 Racing boats and are the first new equipment the program has been able to acquire in quite a long time. The boats were part of the US Sailing Junior Championship races held last month on Lake Erie and in fact, one of the boats won the Chubb Championship! The junior sailors are really excited about this new equipment and are preparing for an exciting 2019 season. The new boats will be sailing for the first time on Buckeye Lake on September 2<sup>nd</sup>.

Mark your Calendar for Labor Day Weekend. Junior Sailors who participated in our sailing camps will participate in our own Junior Race on Sunday September 2<sup>nd</sup>. Come on out and cheer for our sailors competing on the water!

### Fair Winds and Following Seas!

Mike Bruckelmeyer

## ENTERTAINMENT

- Governor Mark Hedman

### AHOY MATES!

The summer may be coming to an end but it is going out with a BANG at the BLYC. Join us Sunday September, 2<sup>nd</sup> from 1:00-5:00 for the legendary **Paul Clark Party Band**. There isn't a rockin' song these guys don't know. Then, on Labor Day, it's the scintillating guitar styling of **Pete Mernedakis** at the swimming pool from 1:00-5:00. If that isn't enough Rock 'n Roll, you need to come to the yearly **Rock 'n Roll Jam** featuring nearly every great musician on the lake and headed up by Howard Everitt on September 23<sup>rd</sup> from 4:00-7:00. Don't forget — It's football season and we will be "tailgating" here for every game:

## WATCH THE GAMES ON THE BLYC BIG SCREEN

Oregon State — September 1<sup>st</sup> — Noon

Rutgers — September 8<sup>th</sup> — 3:30 pm

TCU — September 15<sup>th</sup> — 8:00 pm

Tulane — September 22<sup>nd</sup> — TBD

Penn State — September 29<sup>th</sup> — TBD

Come and down to enjoy the fun, drink some beer, and enjoy the tailgate cuisine. It's all right here at the best place on the Lake, the Buckeye Lake Yacht Club!

### ADJOURNMENT

## MEMBERSHIP

- Governor Brian Thom

Please join me in welcoming our newest members of BLYC.  
When you see them at the Club, say hello.

**Jaqueline & Kyle Bergeron**

**Greg & Jill Brewer**

**Jeff & Joelle Brock**

**Robert & Mary Elizabeth Dodd**

**Jason & Kristen Hardcastle**

**Dee Dee Petry**

**James & Christie Torchia**

**Tom & Peggy Turpin**

**Alan Wentz & Deana Reedy**

I would like to thank all of the members who have supported our efforts this year to maintain and increase our numbers. It has truly been a great year for the Club. I appreciate the support of all of the members who have assisted me in this effort. Like all aspects of the Club, membership is a responsibility of all members and your efforts have paid off in 2018! We have not only maintained through these difficult times, but our membership numbers have increased. *Thank You!*

As we look to the fall, elections will soon be upon us and we look forward to another Club year. I would like to thank Commodore Rose McEntire for her leadership and guidance this year and wish her well as she transitions to the next phase of her Club career serving us as a member of the Board of Trustees.

Over the past two years, I have had the great opportunity to serve the membership — first as House & Grounds Governor and this year in Membership. I have been truly blessed by support from the members, staff, and the rest of the Board. For that, I am grateful. Please join us on Sunday, September 16<sup>th</sup> for our annual elections. I would appreciate your continued support.

Brian Thom

# LOOKING AFT

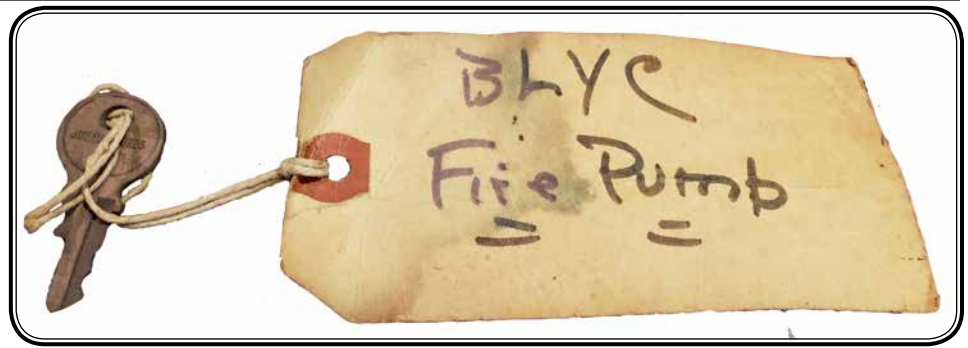

- P/C Steve Harris, BLYC Historian

## BLYC "Artifacts"

Not all historic "artifacts" are flashy or "cool." Sometimes, they're just everyday items from days gone by. Recently, Tom Blake found a few things at his house he thought I might be interested in. Tom and Dona live on North Bank in what was Commodore John Sproat's house. If you haven't been by lately, you should see what they've done to the place! It is truly beautiful. In the basement shop area, Tom found an old key labeled "BLYC Fire Pump." It is now on display upstairs in the Library. On the back of the tag, it reads, "Not for pumping out boats. — Board of Governors."

In my time at BLYC, I've heard talk that it might be good to have a pump that we could use to pump lake water should the Clubhouse ever catch on fire, but I didn't know that we once had one. Frank Foster tells me that there was indeed a "fire pump" for just that purpose. It was stored under the Commodores' Lounge. He thinks that this key was likely used to start it and that it probably belonged not to John, but to his uncle, Roundy Sproat, who lived in the house previous to John. Frank tells me that each work day, the pump would be serviced and started to ensure that it was ready should the need arise. He says that it sucked water out of the lake and put out quite a high pressure stream. Sounds like it would have been a great asset if fire broke out in the Clubhouse.

I never knew him, but I've heard that Roundy was well known along North Bank and at BLYC as a tireless volunteer. If there was a project that needed completed, Roundy was always willing to help, or often took it on himself to complete. In 1980, then BLYC Historian "Whitey" Limes wrote an article in the *Log* about Roundy. I thought I'd share it with you this month...

## Who was once called the "Mayor of the Towpath?"

*It was the spring work day at BLYC in 1965. It was also a rainy, dismal Sunday as is usual in April. E.C. Metzgar and the writer were given the job of replacing all the state tax dock tags on the various docks around the Yacht Club. In those days each dock had to have a separate tag on it. Now the dock tax is paid in a lump sum.*

*Metzgar (who later became Commodore) took the front basin docks and the writer took the back basin docks. While working on a rather stubborn dock tag, the writer had noticed that someone had approached where he (the writer) was working. As you have seen in the movies, I am sure, first you see the boots, then the legs, then the body, and then the face. There he stood smiling as always and said, "Hi, I'm Roundy Sproat. Can I help?" This was the writer's first meeting with Forest "Roundy" Sproat.*

*"Can I help?" seems to be Roundy's pet question. He seems to be helping someone all the time. Many of the members of BLYC and the people living along the towpath in the immediate vicinity of BLYC can attest to that.*

*Roundy does many things on his own. In the summer he can be seen regularly using his large electric mower cutting the grass along the towpath. Not satisfied with that, he uses a hand mower to cut the grass such as it is behind the cottages around his home.*

*In the winter when snow is on the ground, he converts the tractor-mower into a slow blower and cleans off the sidewalks in front of and the roadway behind the same homes and cottages along the towpath.*

*To see his workshop is a dream come true for any "tinkerer," hobbyist, or anyone who likes to work with his hands. The writer was asked upon visiting Roundy's workshop, "How many power tools do you think are here?" Still flabbergasted, the writer said, "I would say ten or eleven." His reply was, "Would you believe at least thirty-five?" It was in this workshop that he made the gun rack used by the gun club each trap shooting season.*

*Roundy and his wife Catherine live at 5031 North Bank (towpath). He retired from active business in 1954. As near as can be ascertained, Roundy and Catherine moved to Buckeye lake in 1957. He joined the BLYC in September of 1941. He was the recipient of the Heber Award in 1948.*

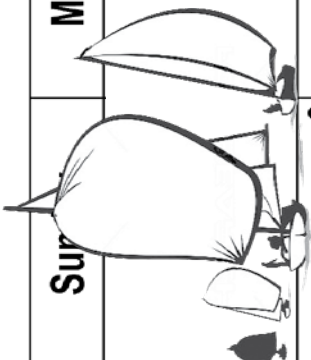

*His motto, "Ready, Willing, and Able" to lend a helping hand in any way earned him the title of "Mayor of the Tow Path." One bit of advice if you borrow a tool, a pump to bail out a boat, a special screw, bolt, or nut, be sure you return the tool or item. Not to do so can cause the willingness to help in the future to disappear.*
