COMMODORE
DONALD DICK

Happy New Year!

I trust that everyone had a pleasant and enjoyable holiday season with friends and family. Thank you to everyone who joined in the holiday festivities at the Club. We had a great time with good food, drink, & fellowship — exactly what the Club should be!

Just because we're entering the "off-season" at the lake doesn't mean that you need to take time off from BLYC. While the weather is certainly not what one may call "boater-friendly" right now, there's still plenty going on at the Club. The Speaker Series starts up this month and some of the best parties of the year are coming up the next few months. Our staff is on hand throughout the winter months so that we, the members, can continue to enjoy good food, drink, and fellowship year-round. Don't be a stranger — use your Club!

One note about winter weather... it seems like at least once each year we face the need to close or modify our hours due to inclement weather and safety concerns for our staff & members. We are very fortunate in this day and age that we can easily and quickly get that information out to you. If you haven't already done so, I encourage you to follow us on Twitter & Facebook and to sign up for the weekly e-News. These are our primary vehicles for getting such last minute information out.

If you've been around lately, you know that we've got quite a few projects going on right now — entryway remodeling, replacing the steps and ramp to the towpath, Eastport expansion, and much more. Please pardon our dust! The results will be well worth it.

See you at the Club!

Commodore Don Dick

COMMUNICATIONS

- Governor Barb Hein

Happy New Year.

I am welcoming the joy of a new beginning. I am working on coordinating our current calendar with the photographer for our new directory that will be both electronic and hard copy. As dates come together I will be asking for help.

I look forward to seeing you at the club!

Barb Hein
Communications

ENTERTAINMENT

- Governor Jeff Hamilton

Happy New Year!

2019 is going to be an exciting year for Entertainment! We are going to have some of your favorites perform and some new acts that have never performed at the Club. I am really looking forward to enjoying the first year of no fences, dust and mud everywhere, and no more trucks beeping in the wee hours of the morning and night. Let the fun begin!

We start the New Year off with our beloved Buckeyes as they play in the Rose Bowl against Washington. The game will be at 5:00 pm. **We will be open for the game!** It will be a potluck and the bar will be open. There will not be any kitchen service. So, come out and cheer on the Buckeyes and bring your favorite dish to share.

On Friday, January 4th, we will have our first **Supper Club** with the wonderful talents of **Dave Bott**. Our **Euchre Sunday Funday** returns on January 6th. We will begin at 1:00 pm. We will continue Euchre every Sunday through the end of March.

You do not want to miss **Supper Club and Magic Show** on January 11th. **Lakeside Trio** will be performing as well as **David Newell, Magician**. David has been practicing and performing magic for 10 years. He got his start after seeing a magic show that fascinated him. Then shortly after that, his grandparents, P/C Don and Sue Harris took him to a magic shop in Columbus and the rest is history. I met David a couple months ago at the Club and he showed me a couple of card tricks and I was thoroughly amazed. You will be too as he walks around tables that evening as Lakeside Trio plays then he will treat us to a magic show.

This is a must see!

We also start our Thursday night **Speaker Series** beginning on January 17th at 7:00 pm. A special thank you to P/C David Luttenberger for scheduling all these wonderful speakers. Jerry Besanceney will kick off the Speaker Series and will discuss the subject entitled Future Shock. Jerry will explain the most dangerous situations we face globally. January 24th, we will have Mike Stamatikos and he will discuss the subject entitled The Universe. He will explain how big the universe is and where it came from. Finally, on January 31st, Brian Kemp will discuss his recent mission trip to Uganda.

The fun is not over yet! January 19th is our annual **Parrot Head Party**. So, dig out your shorts, Hawaiian shirts, and flip-flops and come party with **Cat and Howard Everitt**. This is always a fun way to cure the winter blues. To close out the month is **Buckeye Lake Winterfest**. This is always a fun and busy day at the Club. We will again have local artists showcasing their work at the Club. We will also have two musicians performing that day. We will start off at 9:00 am with **Matt Frampton**. Matt will be entertaining us from 9:00 am to noon. Finally, we will have **Pete Mernedakis** playing from 1:00 pm to 4:00 pm. This will be a fun and exciting day at the Club. We will need volunteers to help make this event a huge success. Please check the weekly e-News and the website for more information.

It may be cold outside but be sure to come out to the Club this month and get warm by the fireplace. There will be plenty of fun all throughout the month.

I look forward to seeing you at the Club!

RACE & REGATTA

- Governor Dave Paligo

Some of you will already be aware that I often sign my communications with "Prep well, sail fast, sail safe." This first quarter of the year the club will be focusing on "prep well" to support all of our boaters and sailors to have a great 2019 season. Whether your preparation need is on safety, rules, or techniques, there are educational sessions for everyone. While we always report on the current month's events in *The Log*, you can also find current and future month events on the BLYC website.

Safety and rules are something I personally repeat every year to remove cobwebs and rust from the brain, as well as learn any changes or new topics in these categories. I hope to see many of you in the upcoming seminars and classes.

So, remember to...

"Prep well, sail fast, sail safe"

Dave Paligo
Race & Regatta

HOUSE & GROUNDS

- Governor Charlie Campbell

Winter is officially here!

Hopefully Santa visited everyone and I hope that your Santa made your Christmas all it can be.

The foyer project is now moving forward. House and Grounds will try to keep the clothes rack in position so you don't have to lug that heavy winter garment to your table. But no promises.

Winterfest is Saturday January 26th so plan to attend. I mention this so you know that Sunday, the morning after, the club will be closed to all except construction personnel. We are having the main dining room floor sanded and refinished. We also will be installing a new kitchen dishwasher. The club is scheduled to reopen Wednesday night however all depends on how the floor coating dries. We will be open Thursday for certain.

By now, the new sidewalk is making entry to the club easier. Thanks again to the BLYC Auxiliary and Commodore Dick. Eastport docks are being made and steel for the seawall is arriving daily. The gate is designed as the old one. We are working on funding for construction and installation.

Until next time, Be Safe!

DOCKS & RENTALS

- Rear Commodore Bruce Ames

HAPPY NEW YEAR!

Cottage Maintenance has been busy prefabricating our new docks for the Eastport expansion. Their goal is to mobilize just as soon as we have water.

We still have nothing definite on the Boat Boys' docks but when we do, I will get the information out to you... somehow!

Next year's rental rates will be as follows:

- Covered docks - \$1,100.00
- All other docks - \$800.00
- Boat yard storage - \$275.00
- Garages - \$600.00

Please note — the State dock permit fee will be added to these amounts. We anticipate that to be around \$100.

As always, I look forward to seeing everyone at the club. Let's have a great winter enjoying each other's company.

Bruce Ames
Docks & Rentals

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

HAPPY NEW YEAR!

2019 is going to be an exciting year for your Junior Training program!

The Buckeye Lake Yacht Club Juniors will be hosting the first I-LYA Travelers Series Regatta on June 1, 2019. We can expect 125+ sailors and their families and friends for this event. It has been several years since we hosted this regatta and with the "Full Pool" we will have an opportunity to show off our wonderful Club! To pull this off we will need ALL HANDS ON DECK!

There will be a Junior Training planning meeting at the Club on January 19th from 10:00 am-Noon. Please mark your calendars and plan on attending as we will be drawing out our plans for events and programs for the year. The program is for all children and grandchildren of members of the Club. Bring the Juniors and bring your ideas!

Boating season is right around the corner so be sure to attend the ODNr Powerboat License Class on February 23rd. Watch the February *Log* for further details!

FINANCE COMMITTEE

The BLYC Finance Committee presented the budget for the 2018-2019 fiscal year at the December board meeting and it was reviewed and approved by the Board and forwarded to the Trustees for final approval.

As, previewed in earlier *Log* articles, the Board approved the recommended \$100 increase in dues and fees for 2019. The Board also approved increases for the distaff and non-resident member categories of \$60 and \$80, respectively. The increases in each class will be allocated between regular dues and capital improvement fees.

Rear Commodore Ames is once again challenged with coordinating dock rentals for 2019. The Board has approved 2019 dock rental fees of \$800 per open slip and \$1,100 for covered docks. The fees do not include the annual dock permit charged by ODNr which will be added to the rent charge. We anticipate the permit fee to be approximately \$100 per slip.

Finally, the Board has approved a 2019 new member initiation fee of \$2,000 beginning in January 2019. Approximately one-half of the budgeted new member initiation fees are allocated to capital projects in order to help cover the costs of significant upcoming capital projects.

BAR & KITCHEN

- Vice Commodore Mark Pyle

HAPPY NEW YEAR!

As the snowbirds begin their southern migration, those of us wintering here at balmy Buckeye Lake can take solace in the fact BLYC will be here for you with comfort food and specialty drinks to warm the body and gatherings with good friends to warm the soul.

This month marks the beginning of our annual Speaker Series on Thursday evenings and, once again, Chef Josh will be offering featured dishes each evening along with the regular menu — including our daily specials. Watch the website, Facebook, and Twitter for updates. Also remember to make your reservations for the two Supper Club events scheduled for Friday, January 4th and 11th. One way to beat the winter blues is by joining friends at the annual Parrot Head Party. Pull out your favorite beach wear for a fun filled evening on Saturday, January 19th featuring Cat & Howard. Chef Josh will be serving the regular menu and also offering a tasty tropical treat to complement the evening.

The Club will be bustling on Saturday the 26th for the annual Buckeye Lake Winterfest. As in the past, we will have the Bloody Mary, Screwdriver, & Coffee Bars set up all morning. This year, we will also offer a Pastry Bar (À la carte) in addition to Chef Josh's Biscuits & Gravy (\$6). Breakfast will be served from 6:30 am until we run out! Lunch service will begin at 11:00. Check the ad elsewhere in this issue for details. See you there!

- Governor Brian Thom

Please join me in welcoming our newest members of BLYC...

Ken Marshall

Doug Schumacher

Lynette Halstead

David Ittner

New Member "Meet & Greet" — On January 19th, prior to the Parrot Head Party, the Board will host a mixer from 5:30-7:00 for all members who have joined BLYC since the Luau at the end of August. Don't forget to wear your Parrot Head gear and join us for the Parrot Head Party after. Please make reservations!

As you are already aware, effective January 1st the Initiation Fee and Annual Dues have gone up. See the Finance Committee article for details. That said, BLYC is still one of the best private club deals out there! — don't keep the Club a secret! Let your friends and family in on the fun and invite them to consider the advantages of membership.

See You at the Club!

BLYC AUXILIARY

Happy New Year!!!

We look forward to the fun indoor activities planned for member enjoyment during the winter months. There are many opportunities to serve your club as well so we hope you will lend a helping hand when the call goes out.

The BLYC Auxiliary does not hold regular meetings during January, February, and March. Instead, during that time we will schedule planning meetings in preparation for spring and summer activities. We ask that you stay tuned through the e-News notifications & website along with the monthly *Log*.

Winter planning will include these areas, please help as you are able:

- **Winterfest** — The Auxiliary will have a presence at this event and some artists will be dedicating sales of some of their art toward Auxiliary donations. We will also display some items from the showcase that would interest the broader audience present at Winterfest. We will work with Entertainment Governor Jeff Hamilton to see how we might fit into this event.
- **Landscape** — Auxiliary members will be taking a look at the current landscape plan and incorporating new areas such as walkway and bridge into the beautification of the exterior of our facility. We will be working with House and Grounds Governor Charlie Campbell to replenish and redesign plantings that will be easily maintained and change with the seasons.
- **Auction/Fundraising** — As we learn the current rules and regulations concerning fundraising at the club, we will begin looking at our usual events with a fresh perspective. We are working with Vice Commodore Mark Pyle to make sure we are in compliance with club standards.
- **Children's Egg Hunt** (April 20) — Julie Bruckelmeyer will be planning the event again this year. She will be asking for volunteers to help with the planning, preparation and event supervision. Both the Christmas party and egg hunt for children have been very successful.

And here's a shout out to Julie Bruckelmeyer for planning and preparing another outstanding

Children's Christmas Party in December!! There were 70 reservations for children which is a record number of participants! Also thank you to Mr. and Mrs. Claus and the Junior Elves who helped at the party and the adult Elves who helped behind the scenes.

As the service organization of the club, we look for new ways to help make the experience of being a member of the BLYC better and better. Please be aware that we send out cards from the club recognizing all kinds of events for our members. In times of illness, bereavement, successes, special celebrations, we can all use a little extra love from our club. All members are welcome to help by sending the names, addresses, and reason for card to our Sunshine Chair Jane Paligo at Jpaligo13@gmail.com or call her at 1-503-807-9103.

With a little extra love from your 2019 Auxiliary Officers,

Susan Hite, Sue Derlis, Claudia Belt, Stephanie Dodd

Clubhouse Open All Winter... Snakehunters & Ice-Breakers

CLUBHOUSE WILL BE OPEN ALL WINTER

Members Plan to Main- tain Operation of Buck- eye Yacht Club Under New Officers.

Columbus, O., Sept. 28, (AP)—The Buckeye Lake Yacht club planned today to keep the clubhouse open during the winter under the leadership of Robert Irwin, elected commodore at a fall meeting yesterday.

Other officers named were: Chris Lambrecht, vice commodore; Henry Weaver, secretary-treasurer; governors, Commodore Edgar T. Wolfe, Commodore W. S. Marshal, Charles Hunter and Paul W. Holstein. All are Columbus residents.

The above article appeared in the *Piqua Daily Call* in September of 1937. Up until that time, BLYC would close up after the Annual Meeting in the Fall and, except for a few special winter events, remain so until spring. During the late 30's however, activity at the Club and Buckeye Lake was back on the rise in a post-depression boom to the economy. The Club hired a full-time resident steward and meals were regularly available in "Gob's Mess."

To remain open all winter must have been a challenge though. Best that I can deduce from our history, the only way to heat the building at that time was the fireplace. Oil heaters were installed in the fall of 1947 to encourage more off-season activity but, in the winter of 1937-38, it must have been quite the job for the Club Steward to keep the building warm and inviting for the membership. Fortunately, it's now a lot easier to enjoy our time at BLYC in the "off-season."

I recall that when I first joined BLYC (about six decades later), throughout

the winter months, the Club would hold monthly events referred to as "Ice-Breakers." Generally, it was an evening of dining and entertainment, not unlike our "Supper Club" nights of today. I recently came across a bit of the history of these events and, given that we're entering another "off-season," thought it good to share.

The following article (slightly edited) appeared in the October, 1969 Log...

Greetings: It is not often that a plain, ordinary member of B.L.Y.C. requests permission to write an article for publication in the Log. I certainly appreciate this opportunity which has been granted me by the Board of Governors and Flag Officers.

In the past several years, it has been customary for a group known as the "Snake-Hunters" to meet the first Friday of November and thereafter the first Friday of each month, through the month of May, for drinks, dinner, congeniality, and just plain gab-fests. We had a lot of fun!!! Remember how nice it was to sit back and watch that nice, big fire in the fireplace? It can happen again! We all know that the snakes have hibernated for the winter. I would like to start the "Ice Breaker Gang." We need a group like this. Our club is not a summer club. It needs support the year round, all 12 months of the year, and only you, the Members and Officers, can make this possible. During the winter months, the Club offers many advantages on Fridays, Saturdays, and Sundays - Ice boating, skate sailing, ice skating, trap shooting, hot soups and chili, and many more delicious items from the kitchen for your pleasure. Lots of fun and enjoyment for all.

Now all you Snake-Hunters, Sailors, Stink-Potters, Harbor Hillikens, Ice-Breakers, Officers... Let's get together and make this a genuine year-round Club. Come out. Enjoy the fireplace, food, drinks, and just have fun. Support your Club!

Howard J. Glenn
Head Snake Hunter - Chief Ice Breaker

Sounds like good advice. While we don't call our winter events Ice-Breakers any more, Mr. Glenn's statements are just as correct today as they were nearly 50 years ago. The Club *does* have a lot to offer in the winter months. From our traditional holiday parties — Halloween, Christmas, Valentines Day, Mardi Gras, and St. Patty's Day — to our more casual dining nights with entertainment, BLYC is a great place in the winter months. No doubt that Governor Hamilton and Vice Commodore Pyle are already planning some exciting, wonderful evenings for us this coming "off season."

So what became of the Snakehunters? It appears that the Snakehunters were originally all BLYC members — likely those who lived here year-round and likely in the immediate vicinity of the Club. Why the group faded out at BLYC isn't completely clear, but it was later re-organized by Northbank residents and includes both BLYC members and non-members alike. They still meet the first Friday of the month throughout the winter and maintain a close attachment to the Club, holding several of their functions with us.

But what the heck is a Snakehunter? It certainly seems like an odd name for a "dinner club." Finding the exact origin or meaning of the word has proven quite difficult. I had always understood it to be a (possibly derogatory) term that referred to the people who lived in towns along the canal route in the 1800's. Some sources even allude to such people as being the "less desirables" of the time. However, I recently came across a 1953 article from Indian Lake — also a canal reservoir — that suggests the term referred to "visitors and vacationers." Again, possibly derogatory, but also distinguishing them from those who lived year-round in the area. Maybe they were just people who actually hunted snakes?

Either way... Snake Hunter, Ice-Breaker, or just a regular BLYC member wanting to enjoy the winter months at the Club, I think that we should all make an effort to support the Club this winter and enjoy this "second season" at the lake!
