Winter is Here...

Although December was unseasonably warm, there's no doubt now that we're going to have winter this year! As great as life at Buckeye Lake is in the summer, the winter affords us wonderful opportunities too — especially as members of the Buckeye Lake Yacht Club.

With any luck, the lake will freeze over and we'll be able to get out on the water and enjoy the fun and leisure that it brings. This isn't something you can get just anywhere — TWO great seasons of fun on the water! I'm sure that Doug Stewart will be out there in an ice shanty enjoying the fishing and hopefully conditions will be favorable for our sailors to get the iceboats out this year. I envision fun afternoons at BLYC standing around the firepit enjoying a few drinks and camaraderie for those of us who prefer dry land.

With the clubhouse open year-round and a full schedule of entertainment

and activities, the winter can be fun and it goes by much more quickly when you're enjoying it with your fellow BLYC members. Join us for the various parties, Sunday euchre, and the Speaker Series. Before you know it, it'll be spring!

Your Board of Governors continues to work for the future with a wide variety of projects going on this winter in preparation for the upcoming summer. Elsewhere in this issue of the *Log*, you will read about the seawall and dock improvement projects as well as a number of changes on the island — both inside and out — to hopefully make your time at the Club more enjoyable. Please refer to the Governor's articles for more detail.

See you at the Club!

Commodore Don Dick

Ohio Boating Education Course

Saturday, February 23

HOUSE & GROUNDS

- Governor Charlie Campbell

It's hard to believe that by the time you read this Winterfest will be another great party of the past. I know you enjoyed it as much as I did. It is always special to party at the Yacht Club. When the party was over we went to work on sanding and finishing our wooden floors. Please — when moving tables, chairs, or items that can scrape our floor pick them up. The new steps to our club necessitated building a "wall" to keep the steps from caving in. It appears that Trump has taken an interest in its construction??

Our new Eastport docks are almost completely built and ready for installation. However, the first priority is our seawall replacement. We are on schedule for steel delivery and starting construction.

As some of you have seen, we are now giving our foyer a fresh new look. Final quotes for the new/replacement iron gate are in and the board is reviewing. A new bike rack and pad is now in service to accommodate those members who will be riding the dam pathway and need a break. Our thanks to Rick Thompson for donating concrete for the bike pad, Don Dick for one bike rack and Jeff Hamilton for the other. The pool will be open Memorial Day Weekend as always. A big splash party is how we open the swimming season so plan to attend. Spring cleaning is a chore in every household and certainly one at the club. It is scheduled for Sunday, April 28 for Spring 2019 and we need as many members as possible to help. Put on your old duds and come to help us get our club prepped for the summer.

Until next time, be safe.

Charlie Campbell
House & Grounds

RACE & REGATTA

- Governor Dave Paligo

Landlocked? Cabin fever? Have not seen the sun in days? Myself, I'm counting the days until winter is over and we're back on the water. My and many members' thoughts have moved from shrink wrap to re-commissioning, even though we are still in winter. It can't last much longer, right?

As we contemplate the full blow (sorry for the pun) of the sailing & boating season, I am reminded of the value of routine maintenance — including that of my knowledge. Even during these times, the old saying that "an ounce of prevention is worth a pound of cure" holds true.

So, I personally plan to attend the following events our Club will be hosting:

February 9: US Sailing One Day Race Management Seminar
This course leads to US Sailing Certification
(pre-registration required)

February 21: BLYC Speaker Series - Steve Harris
Demystifying Sailing for the Non-Sailor

February 23: ODNR Powerboat Education Course

March 3: Race Committee 101
*This is an introductory course for anyone
interested in helping on Race Committee at BLYC*

I hope to see many of you at these courses. Together, we can make this an even better Yacht Club designed around you.

I welcome all your thoughts and/or questions, please email me at moto97212@gmail.com.

BAR & KITCHEN

- Vice Commodore Mark Pyle

Traditionally, BLYC would experience a drop off in attendance at events and during regular dining hours over the winter months as snowbirds slip off to warmer weather and members huddle in the warmth of their homes. If January is any indication of the year to come, 2019 should be very exciting — we've seen exceptional participation from members at the OSU New Year's Day Tailgate, Friday evening Supper Club, the annual Parrott Head Party, the Speaker Series and, of course, the annual Buckeye Lake Winterfest! WOW! What a fun month it was!

In February, we have a great lineup as the Club continues to host interesting speakers on Thursdays, the Valentine's Day Dinner with entertainment and dinner specials on February 14th, the annual Valentine's Dance on Saturday, February 16th and a Piano Bar event on February 22nd. We also have the annual boating safety class sponsored by ODNR scheduled for Saturday, February 23rd and race committee training for the sailing crowd this month. The month of February is chocked full of events so please make sure you call in or use the online system to make your reservations.

Chef Josh and the kitchen team are working on a few menu changes for spring which we expect will be ready to go in mid-March. We are also putting together some simple member comment cards so we can gather your feedback. We are working out the details on content, how the cards will be made available for your input, and how suggestions are to be addressed. As with any customer comment cards, we hope members will point out the positive aspects of their experience as well as noting actionable suggestions for improvement. The intent is to identify areas where changes are needed in order to continue improving the bar, dining room, and kitchen service and to continue doing the things that you enjoy or expect. Just to set expectations, please be aware that every recommendation will be reviewed and addressed but also may not result in immediate adoption.

ENTERTAINMENT

- Governor Jeff Hamilton\

Happy Valentine's Day!

It may be cold and snowy outside, but it is warm and cozy inside the Club. There is a lot going on this month so wrap yourself up and come on out to the Club and stay warm by the fire.

We start the month off with the delightful sounds of **Dave Bott** on the piano. He will entertain you on **Friday, February 1st** for Supper Club.

SHHHHH! It's a surprise party! On **February 2nd** we are having a surprise birthday for Evan Bruckelmeyer. **Agent 99** will be here to help celebrate Evan's 30th birthday. Come out and wish Evan a Happy Birthday. Agent 99 is Ohio's Premier 70's Band. You can check them out at www.agent99live.com.

Barefoot McCoy will return on **February 8th** for Supper Club. He is a folk rock singer-songwriter. He has performed previously at the Club and he is very talented. You can hear some of his music on his website www.barefootmccoy.com. Get out your bell bottoms and platform shoes because **Lakeside Trio with the Girlfriends in Therapy** will be performing "That 70's Show" featuring some of the greatest hits of the 70's on **February 9th**.

Love is in the air on **Valentine's Day, February 14th**. Chef Josh will have a special menu prepared for all you love birds. **David Hogrefe and Gayla Smith** will be entertaining us with love songs. David will be tickling the ivories and Gayla will be singing her heart out for you. **Second Story** will be at the Club on **February 16th** for the **Valentine's Dance**. We will have the first **Wet Your Whistle Wednesday** of 2019 on **February 20th** featuring **Eric Solomon**. He

will be playing from 6:00 to 9:00 pm. Monthly we will have either a **Wet Your Whistle Wednesday** or a **Thirsty Thursday**. So be sure to check the calendar or the weekly e-news to see who is performing.

Our **Speaker Series** continues February 7th with Mike Bryan. He will discuss Medicaid and Veteran's Benefits — Protecting Assets from Long-term Healthcare Costs. Our BLYC Historian, Steve Harris, will help us to Demystify Sailing on February 21st. Steve will introduce both the sport and leisure of sailing and explain the theories behind it for beginners. You know what sailing is, do you know why it works? Damon Pfeifer will speak on February 28th and he will discuss How to Make Whiskey. Damon owns and operates Hidden Lake Winery in Canal Winchester. He is going to show us how it is made and hopefully bring some samples.

Looking forward to next month, we will have another month full of fun at BLYC. We will have two **Wet Your Whistle Wednesdays**, starting with **AJ Angelo** on **March 6th**, the Speaker Series on Thursday evenings, the **Mardi Gras Day Party** featuring the **Mike Roberts Band** and the **St. Patrick's Day Party** featuring **Perfect Timing**. Finally, on **March 23rd**, we will have a **Pallet Painting Party**. The cost will be \$35-\$45 depending on the size of the pallet that you pick. You can see what we are doing be going to Facebook and search Amy's Pallet Painting Parties. I will have more details soon. Please remember to call and make reservations for any of the events. You can use the online feature or by calling the Club directly. I look forward to seeing you at the Club! Until then stay warm.

ONLY 48 MORE DAYS UNTIL SPRING!!!

Please join me in welcoming our newest members of BLYC...

Jeffrey Cristos

Dianne Marshall

Oh... the weather was frightful, but we had a great time on January 19th for our "New Member Meet & Greet" prior to the Parrot Head Party. Thanks to everyone who joined in and helped to welcome our new members since the Luau. If you see any of our new members around the Club, be sure to introduce yourself and make them feel welcome.

Now is the best time to bring your friends who may be interested in joining out to the Club. The winter months tend to be a bit slower, but its also the time we have some of our best parties and social events. If you know of someone interested in the Club, bring them out. I (or any other Board member) would be happy to help you show them around and answer their questions about membership.

See you at the Club!

Happy winter to everyone!

I enjoyed shoveling snow last night and this morning. I hope you did too.

First, I would like to thank Barb McFall for taking the lead and taking charge of euchre this year. I am very excited to share with you Euchre Sundays are off to a great start and it is already growing. We have a fun group of people and I am inviting all levels of players to come join in. It is a rotation, playing with a new partner each round. You are welcome to come one time or continue to come each Sunday @ 1:00 pm. Come have lunch, snacks, drinks, and play euchre. Hope you can join in for the fun.

If you are interested in advertising your business in the Log, I will be happy to give you the details. Please feel free to call 740-208-7418 or email me blychein@gmail.com

BLYC AUXILIARY

February – the month of snow covered roads and fields, hibernation indoors and dreams of spring sure to come! Yet, the Buckeye Lake Yacht Club is alive with entertainment, fun, and planning for warm weather activities. Although the Auxiliary does not have monthly meetings during February, we are meeting with committees to plan for spring and summer events. Join us for those gatherings that interest you. We are always eager for new volunteers to add fresh ideas!

The Auction Steering Committee is chaired by Stephanie Dodd. Its initial meeting was on January 17th to begin building a schedule. All are welcome to join in for the second meeting on February 20th at 7:30 pm. You can contact Stephanie at stephaniedodd@gmail.com

The Landscape Committee will hold its first meeting on February 20th at 7:30 pm. We will be addressing the areas in need of rejuvenation as well as changes brought about by the dam renovation and subsequent club outdoor upgrades. All are invited to help create beautiful new gardens surrounding our BLYC facility. Bring your ideas for plantings that provide beauty yet low maintenance. You can contact Chair Susan Hite at susanhite@insight.rr.com

Showcase Sales are booming! Chaired by Claudia Belt, the Winterfest provided a new way to present lake inspired decorative items that the public would enjoy. We continue to offer your favorite BLYC apparel through the winter as well. Visit the showcase and place your orders in the size and color of your choice. You can contact Claudia at Cmbheronbay@hotmail.com

The Sunshine Committee is chaired by Jane Paligo. She is ready to send a warm greeting to anyone you wish to acknowledge in the club. Cards have been sent for get well, condolences, special birthdays or anniversaries and events. Contact Jane at jpaligo13@gmail.com Please include name, address, and reason for sending card in your email to Jane.

Happy Valentine's Day on February 14th!

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

The BLYC Junior Training program is offering the ODNR Powerboat License Class on February 23rd, 8:00 am - 5:00 pm at the Club. This FREE course is being offered to ALL boaters on Buckeye Lake. BLYC Members and their Children and Grandchildren (12yrs or older) will have the first opportunity to register. Please fill out the online form or call me at 740-503-0386 to secure your reservation. SPACE IS LIMITED to 50 participants – all reservations must be received by February 19th to assure your spot. This class is not just for the young boaters! Everyone can benefit from updating their knowledge of boating and safety. At the conclusion of the class, participants will take a test – graded on site – and if passing, they will receive a certificate of completion and card from ODNR. Lunch is available separately off the BLYC menu.

WHAT IS BUCKEYE LAKE 2036?

Buckeye Lake Region 2036 (BLR2036) is a grassroots Declaration created in January 2016 by over 270 volunteers to chart the economic growth of Buckeye Lake Region, in order to improve the well-being and prosperity of its residents and businesses.

Buckeye Lake Region Corporation (BLR Corporation) is a non-profit organization open to all political and civic entities of the tri-county Buckeye Lake Region, created to coordinate and implement the mission outlined in BLR2036.

DOCKS & RENTALS

- Rear Commodore Bruce Ames

FEBRUARY YUCK!

The only good thing about February is it the shortest month of the year!

THE ANTIQUE BOAT SHOW RETURNS IN 2019!

I would like to make all of you who rent docks on the island aware of the return of the Antique Boat Show. As in the past, you will be required to remove your boats from the island during the boat show to make space for the antique boats being displayed. I did not want this to be a surprise and will keep you updated as we get closer to the date.

The Board is still in negotiations with the new owners of Boat Boys —AKA TRD BL DEVELOPMENT. As I write this I unfortunately have no news to share. Hopefully by the time you read this, we will have a firm direction and will get that information out as quickly as we can.

As always I look forward to seeing you at the club!

Bruce Ames

explorebuckeyelake.com

FINANCE COMMITTEE

By now, most members should have received invoices for dues, fees, and docks if applicable. As you might remember, two years ago the Club started charging a 3% surcharge for payments made by credit card for private parties, dues, and dock payments. The purpose of the surcharge is to make the Club whole since credit card companies charge approximately the same amount for processing and because the dues receipts are a major portion of the Club's annual income. A significant number of our members already pay by check and the surcharge assures the Club receives the same amount from each member.

You should also have received parking stickers with your annual dues statement. Please remember to place your parking stickers in the windshield of the cars you plan to park in the Club lot. With the return of full pool, we anticipate more visitors at Buckeye Lake this year and we will need to be more vigilant with non-members parking in the Club's lot. A security gate for the parking lot off of Walnut Road is currently under consideration. Until a gate is in place, we will need to identify member vehicles as towing may need to be enforced to control unauthorized parking so that the parking lot is available for member use.

Work is continuing on the Eastport dock construction and the steel was ordered for the west seawall repair project. As a result, progress payments will need to be made in the near future and the finance committee is working to assure the funds will be available to make the timely payments. Discussions are continuing with respect to making other long-term dock options available for our members at an affordable price. We will be able to share more in the coming months as a planned course of action becomes clear.

COMMODORE'S BALL

SAT. APRIL 27, 2019

LOOKING AFT

- P/C Steve Harris, BLYC Historian

February 18, 1909

The Birth of Watkins Island

In the Club's early years, members didn't have the opportunity to enjoy the Club as much in the wintertime as we do today. The first Clubhouse was much smaller, situated over the water on the east end of the island, and transportation was far more difficult than it is today. But, BLYC members have never shied away from an opportunity for a good party! In those early years, members would gather for a "Tar Social" each winter at various banquet halls in Newark and Columbus.

The Fourth Tar Social — February 18, 1909 — was billed as a "Big Improvement Jubilee." The Club had its home on "Sunken Island" which had recently been raised with dredge material and the original clubhouse and docks had been built. But, there was more to do — not only to make BLYC a "real club" but also to help make Buckeye Lake a "real lake."

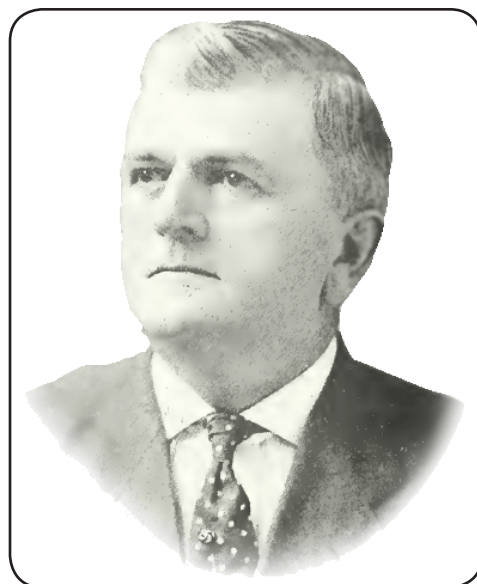

The event was held at the United Commerical Travelers building on Goodale Street in Columbus (current location of Hyde Park Steakhouse) and the evening began as scheduled with the Club's eastern contingent from Newark along with five large delegations from other Inter-Lake clubs arriving by train. The hall was decorated in nautical fare — walls & ceilings draped in burgees of I-LYA and other member clubs intermingled with ship's wheels, ropes, sailcloth, and other gear. A company of "sailors" in jackets and flared trousers stood at the ready to serve the meal. "Clang, Clang" rang the bell from Commodore Lynch's station and some 250 freshwater sailors enjoyed the meal...

Oyster Cocktail — Watkins Sauce
Queen Olives — Rownd Island Variety
Almonds & Peanuts — Hole-in-the-Wall
Gerkins — Richardson Sweets
Roast Pig Cunningham
Pea Patties — Shell Beach Cases
Mashed Potatoes — Akron Importation
Veal Loaf a la Frey
BLYC Salad — Stump Dressing

Boston Bread with Grasshopper Dope
Cream Cheese — South Side Beach
Sellers Point Hard Tack
Coffee — Avondale Blend
Assorted Cakes de Worthington
Gasoline Lubricators — 'Standard' Grade
Cigars & Cigarettes — 30 minutes in Summerland

Clearly the meal had a "flavor" of both Buckeye Lake and Lake Erie influences. Following dinner the "Gasoline Lubricators" were served in small "tanks" labeled "Gasoline — A Substitute for Beer for the Newark Trade." I'm sure there was a good story behind that.

Speeches by Commodore Lynch and others followed dinner. The keynote address was delivered by George Watkins, President of the State Board of Public Works, who spoke of improvements at Buckeye Lake — both those that had been completed and those contemplated for the future. He reported that boat registrations at the lake the previous season had brought in \$6,000 which was to be used for maintenance and improvements at Buckeye Lake. His remarks were received with "almost irrepressible applause" and at its conclusion a "spontaneous, resounding, unanimous vote was taken to rename BLYC's once watery home "Watkins Island" in honor of Mr. Watkins and all he had done to spearhead improvements at the lake. A few weeks later, on April 8, 1909, the Directors of the Buckeye Lake Building Company, who held the lease

George H. Watkins
President, Ohio State Board of Public Works
1906-1911

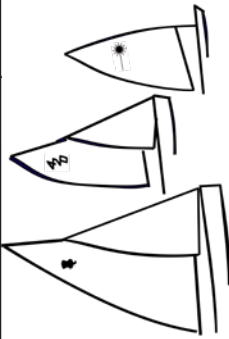

on the island and owned the clubhouse, reaffirmed the vote of the membership and officially re-christened "Sunken Island" as "Watkins Island." A resolution was drafted and sent to the State Board of Public Works notifying them of the change, acknowledging the contributions of Mr. Watkins, and detailing the efforts and accomplishments of the Club in improvements at the lake in encouragement of further efforts by the Board to do the same.

This month, on Monday, February 18th, Watkins Island will be officially 110 years old. Now, if we can just find the recipe for "Gasoline Lubricators," we could properly celebrate this historic occasion!

An early BLYC event, this photo is believed to be from either the 1908 Tar Social in Newark or the 1910 Tar Social in Columbus
