COMMODORE
DONALD DICK

Welcome to the Season!

In my nearly five decades at BLYC, I cannot recall a time that there was so much excitement going into the summer season! After what seemed like forever and endless negotiations, the dam remediation project is complete, we've got great new improvements happening to the Clubhouse and docks, our sailing programs are poised to "take back the lake" with more participation and interest than we've seen in several years, and there just seems to be a "good feeling" around the Club and the entire Buckeye Lake community. What a great time to be a part of BLYC!

May brings better weather, a full lake, the start of sailing and boating, and — of course — the opening of the pool. Things are going to get busy soon, but BLYC is ready and up to the challenge. Paul, Josh, Rebecca, and the staff have been making preparations for the summer season and are ready to make

sure that your experience at the Club is a good one. We've got some great events and entertainment planned and BLYC will, again, be the center of boating activity at Buckeye Lake.

One final reminder... If you have not yet paid your 2019 dues and fees, they are *past due*. If you have overlooked this obligation, please contact Rebecca in the Club office as soon as possible so as not to risk your membership status.

Peggy and I would like to thank everyone who came out for the Commodores Ball and shared the evening with us. Vice Commodore Mark Pyle and Anna did an outstanding job putting together this traditional club event. I think that everyone enjoyed themselves — I know that Peggy and I did. Again, it is a great time to be involved at BLYC and the Ball reminded me of all those — Commodores, Govenors, Members, and staff — who have come before and served this club for the last 113 years. I am truly humbled to serve as your Commodore this year.

Now... Let the Season Begin!

ENTERTAINMENT

- Governor Jeff Hamilton

BLYC is Ready for Summer!

Welcome back to all of our Snowbirds! The Club is ready for the summer and it is time to have fun on the patio. Thank you to everyone who came out for the spring work day and helped to get the Club ready for a busy summer season.

Entertainment kicks off on May 3rd with **Don Beck** playing **Supper Club**. The fun continues on May 4th — We will have the Kentucky Derby on the big screen and then we will have a newcomer for our **Cinco de Mayo Party**. We will have the amazing **Katie Zerby & Red Hot** band. Her soulful voice will rock you. Her band is primarily an 80's rock band but they also play classic 70's rock. You can visit the website at katiezerbyandredhot.com or facebook.com/katiezerbyandredhot where you can hear her music. We have another newcomer to BLYC on May 10th. The **BlackStone Duo** will be playing **Supper Club**. They play classic rock and country. You can listen to them at facebook.com/BlackStoneDuo.

Matt Frampton will be playing for **Thirsty Thursday** on May 16th. He will be playing from 6:30-9:30 pm. **Phil Clark** will be at BLYC for **Supper Club** on May 18th. Phil is a very talented vocalist and instrumentalist. You can hear him at <https://www.facebook.com/phillip.m.clark1> or www.JazzColumbus.com.

Finally, we have the kick off to summer weekend which will be jam packed of events. On Friday, May 24th, the pool opens! Also, for **Supper Club** that evening, we will have **Second Story** playing. Saturday evening we will have **Reelin' in the Years** back to rock us. If you missed them last year, you do not want to miss this show. You can check them out at www.riyband.com. On Sunday, May 26th, it is the grand opening pool party. We will have the wonderful sounds of **Pete Mernedakis** playing from 1:00-5:00 pm. Hang around that evening for the Juniors Seafood Boil. Chef Josh will be preparing a feast for you and there will be entertainment as well. Finally, on Memorial Day, May 27th, we will have the long distance race and we will have **Eric Solomon** entertaining you at the pool as well from 1:00-5:00 pm.

Summer is here and we are ready to have some fun at BLYC! There are boats in the water and the lake is full. It is time to enjoy the Club and hear some great entertainment. I look forward to seeing you at the Club!

FINANCE COMMITTEE

As many members and former Governors and Commodores are aware, the BLYC Constitution is a document that has served the Club well for many years, but it really needs some enhancements to bring the document up to the standards of the day. One of the problems past Boards have had with making changes to the BLYC Constitution is the challenge of obtaining a quorum of members who are eligible to vote at the Semi-Annual or Annual Meetings. Unfortunately, we've not had a quorum in many, many years at either of the meetings and therefore have not been able to put forth changes for vote.

In order to make the needed changes to the BLYC Constitution, our quest will be to get a quorum of members to attend the Annual Meeting on Sunday, September 25th, 2019. We intend to put forth one simple change for vote at that time — change the definition of quorum so that future changes can be publicized, discussed, and voted upon. Our first step in that effort will be publicizing in future *Log* articles the actual language to be voted upon in September. Once the language is cleared and published, we can move forward on the enticements for getting members to attend the Annual Meeting and voting.

HOUSE & GROUNDS

- Governor Charlie Campbell

As true as it can be... "The road to success is always under construction." That describes the BLYC. Check out the foyer with its sliding doors, new paint scheme, and ceiling. No... we didn't tie a rope around the pool to keep it from sliding into the "deep" Buckeye Lake — We opted for a better solution by replacing our seawall. Chad and Clint Ervin of Cottage Maintenance & Construction are placing galvanized steel sheets daily. They soon will stop working on the seawall move to building additional boat slip space at Eastport then return. Two bike racks are now in place for club use. Pool cleaning begins April 23rd with draining, scrubbing, paint touch-up, repairs, refilling, and starting the heater. Thank you to everyone who came out and helped on Spring Work Day Sunday, April 28th.

As you first enter the club parking lot, look immediately to the right at our new flag pole. Thank you Governor Barb Hein for sewing and donating the BLYC burgee! The old entrance gate is now in the metal shop for repair. It soon will be placed on our side of the bridge. Hand rails for the steps are on order with delivery within four weeks. Thanks to Chuck Wilson, the "glass man," several windows have been repaired. Trash cans are for your trash — please make an effort to drop trash in one and not on the ground. We are currently receiving quotes for fencing around the pool and rear of club. Anyone knowing of a fence company that would like to quote, please let the House and Grounds staff know. Very soon, we will be refinishing the flag poles by the front patio.

FYI: There is an AED wall mounted next to the rear door. If interested in learning or refreshing on its use let me know.

BAR & KITCHEN

- Vice Commodore Mark Pyle

It's once again time to return to "Where the Wild Things Are" — otherwise known as the BLYC pool, bar, & grill. Construction on the sea wall surrounding the pool is moving ahead on time and we expect the pool, bar & grill to open the weekend of Memorial Day and begin summer hours thereafter. Our Bar & Kitchen managers are currently seeking bussers, servers, and kitchen staff to be fully staffed for the summer season. So, if you are aware of anyone looking for seasonal work, please contact our service manager Paul Eblin to submit an application.

With the pool opening and the docks soon available, please let me remind you that our liquor license prohibits members from either bringing alcohol on to the premises or from carrying alcohol off the island. Please take note that our BLYC By-laws are aligned with the liquor license requirements so we ask that you adhere to the rules and avoid awkward encounters with the Governors who are tasked with enforcing the By-laws. We also ask that you take advantage of the grill and kitchen and avoid bringing food into the pool area. Clearly, we understand when parents occasionally need to provide snacks for small children, but we expect everyone else to take advantage of the variety of meals and snacks offered. If there is something that you would like offered at the grill, please let us know so we can assess whether it makes sense from a cost and logistics standpoint to accommodate your suggestion.

Recently we introduced comment cards in the bar and dining billing sleeves. Thus far we've seen a fairly strong response with well over a hundred comments to date. The responses have been very positive in nearly all areas and it seems the majority of you are pleased with the food and service. One area for improvement is the weak greeting members receive when entering the Club. In addition, we've had some constructive comments on the food and entertainment. We are taking all of the comments into consideration as we move forward even with simple things like changing the whipped spread to butter, adding more substantial toppings at the salad bar, and considering different lettuce offerings. While we cannot accommodate each unique member request, we are able to address issues more effectively when your comments are specific and constructive. **Thank you to all who have responded!**

May — Summer is Just Around the Corner!

This season, the lake will be back to normal and we expect a very busy season. I know everyone is anxious to get their boats out but I ask you to be patient. We have a ton of work going on around the club which will hinder dock access.

Cottage Maintenance is currently working on the new seawall and will also be doing the work at Eastport. Our priority is to get the pool open by Memorial Day weekend but also have access to Eastport. I will have updates posted on our weekly e-mail. Complete Marine Construction has committed to having Area 8 complete by May 19th.

Again, I know everyone wants to get their boats in the water, but please be patient. Our contractors are doing the best they can!

REMEMBER — In order to use your dock, you must be current on dock rental fees, membership fees and any other outstanding debt to the club. Your signed dock agreement must also be turned in.

ADJOURNMENT

RACE & REGATTA

- Governor Dave Paligo

Hey, hey, hey, first of May...

Boating season officially starts today.

(Sorry I could not resist).

FINALLY, the season is here... It is always nice to have a chance to start over, especially if your first start found you buried in the back of the race fleet. Then, the General Recall flag is a wonderful sight! With the new race and sailing season starting this month, we all get that chance for a new start. At this point, Mother Nature's spring has been a rather wet one, but let's hope for a bit more sailable weather with some warm 10 to 15 knots of wind.

We've got some great plans coming together for the summer season and always looking for more ideas. Join your fellow sailors on Friday May 10th at 7:00 pm as we renew an old BLYC tradition with our **"Pray-for-Wind & Tar Social"**. To add to your sailing vocabulary, "tar" is an old term for "sailor." This is a social event where you can also get all of the latest scuttlebutt on this season's racing.

This year we're going back to another old BLYC tradition and will divide the Sunday racing season into a Spring, Summer, and Fall Series. We will also be sailing on the three summer holidays, plus the club's long-standing Snowball Regatta is back. If you plan to race in any of these events, you must pre-register separately for each series or race. Participation in at least two of the three series is required to qualify for the prestigious Lambrecht Cup (Overall Season Winner). We will again use noticeofrace.net for registration and scoring.

- **Spring Series:** Sundays — May 26–June 23, 1:00 pm start
- **Summer Series:** Sundays — July 7–August 4, 1:00 pm start
- **Fall Series:** Sundays — August 11–September 8, 1:00 pm start
- **Commodore Edward C. Metzgar:** Monday May 27, 11:00 am start
- **Commodore Earl O. Williams:** Thursday July 4, 11:30 am start
- **Commodore Dwight R. Haggard:** Monday September 2, 11:00 am
- **Snowball Regatta:** Saturday September 21

And it's not just racing — we want to invite everyone to join us. Starting in May, we are bringing back our Thursday evening cruising. If you want to feel the sensation of sailing for the first time, or it has been a long time since you've sailed, come out Thursday evenings. We will match you to a boat — boats leave the Eastport dock at 6:00 pm. Who knows? You might like it enough to get on a team and join in our Sail-On-Sunday (SOS) series or Long-Distance holiday races.

As we move through this month, we've inventoried and upgraded our race committee equipment and getting the Club's Race Committee boat ready for the water again.

Prep well, sail fast, sail safe.

BLYC AUXILIARY

The new season has begun at BLYC with lots of exciting things happening at the Club! After your boats are back in the water, stop in for some refreshment at BLYC. Also, enjoy a drink after walking the new path or biking around the lake. You can park your two-wheeler in our new bike racks at BLYC!

Upcoming Events & Meetings:

- May 2 – Auction Committee Meeting
 - 7:00 pm in the Library.
- May 5 – Auxiliary Showcase Sale
 - Front Porch
- May 5 – Landscape Committee Meeting
 - 12:00 pm on the Front Porch
- May 5 – Auxiliary Monthly Meeting
 - 1:00 pm on the Front Porch
- May 5 – BLYC Semi-Annual Meeting
 - 2:00 pm in the Fireplace Room

BLYC Clothing Sales — The former Showcase is no more. It was moved from the front entryway and, with no alternative site available, the Auxiliary decided it was time for a change. We will be “displaying” the items for sale on a monitor to be mounted in the hallway that will offer information about ordering apparel in the size,

color and style of your choice. Further information will be available after the May 5th sale.

Landscape Committee — The committee has been following the reconstruction of the seawall, new steps, walkway, and fence replacement to determine what and where to plant. Since this important work continues to evolve, it is our intention to plant mostly annuals in our beds and pots this year. Creating a master landscape plan will continue during the season. The meeting on May 5th will summarize progress thus far and set a time for planting of annuals after danger of frost has passed. Please join our committee on May 5th if you would like to be involved. Susan Hite chairs the committee susanhite@insight.rr.com

Auction Planning Committee — Join this committee to continue our planning for The White Hot Summer Night on August 3rd. We are nearing a critical time for moving forward with primary parts of this fundraiser. Please come to the meeting on May 2nd at 7:00 pm to find out how you can help.

Stephanie Dodd chairs the committee — stephaniedodd@gmail.com

I-LYA Traveler's Series Regatta — June 1, 2019. The Auxiliary is helping the Junior Sailing Program to host this event. Join us at our May 5th meeting at 1:00 pm to see how you can help. Lots of volunteers will be needed for this event with the potential of 120 sailors and their families at BLYC.

Sunshine Cards — Send the names of members who you would like to acknowledge for congratulations or comfort to Jane Paligo. Please include the name, address and reason for the card to Jpaligo13@gmail.com or call 1-503-807-9103.

We are excited about what the Auxiliary has to offer this season. All are invited to join the service organization. Our dues are \$25 per year payable by check, or cash to BLYC Auxiliary. Contact Treasurer, Stephanie Dodd at stephaniedodd@gmail.com or 740-629-1333 with your questions.

LOOKING AFT

- P/C Steve Harris, BLYC Historian

125 Years Ago...

On May 21, 1894, the State of Ohio passed an act entitled *An act providing for the dedication of the Licking Reservoir as a public park*. It read, in part...

"Be it enacted by the General Assembly of the State of Ohio, That the body of water known as the Licking reservoir, situated in the counties of Licking, Fairfield and Perry, contained within the metes and bounds of the land owned by the state, be, and the same is hereby dedicated and set apart forever as a public lake, to be known by the name of the Buckeye lake."

Thus, 125 years ago this month, our lake was "born." The "lake" at that time, however, was far from the recreational paradise that we know — or even that which our predecessors knew a century ago! An abandoned canal reservoir, it was basically a stump-filled containment with a leaky earthen dam, locks, and weirs. Shallow and in many areas impassable, it was hardly an area conducive to boating and recreation. Its management and planned improvement was placed under control of the Ohio Board of Public Works.

George Watkins was a canal man. Born and raised near Portsmouth, Ohio, he spent much of his career working on the Ohio-Erie Canal and served as its last Superintendent. After the last canal boats passed through the reservoir in the 1890's, the former canals and reservoir became a hodge-podge of semi-public water supply, waste disposal, and flood control. In 1906, he was elected President of the Board of Public Works. In addition to other duties, he was charged with the maintenance of over 300 miles of the former canal system and its reservoirs — most of it in disrepair — including the newly designated "Buckeye Lake."

The 1894 act of the General Assembly did not magically transform the old, neglected reservoir into a "real lake" however. Lacking any significant

funding, Watkins had a monumental task ahead of him in making the lake into a usable public park. Fortunately for Watkins, he found an enthusiastic group of Columbus and Newark businessmen who wanted to form — of all things — a yacht club in central Ohio... and he knew just the location!

For years, the press had still referred to Buckeye Lake as the "Licking Reservoir." While there was some recreational use and early development as a resort area, it wasn't until the first "official" meeting of the new Club, held on Orchard Island on May 6, 1906, and once the Club adopted the name "Buckeye Lake Yacht Club," that our lake was referred to by its now-familiar name.

In adherence to a key point of our mission statement — *The Improvement of Buckeye Lake for Boating Purposes* — the officers of BLYC worked tirelessly during those early years to encourage improvements of the old reservoir. On July 6, 1906, officers of the Club hosted state officials on a tour of the lake during which the leaky locks and weirs were inspected, areas impassable due to vegetation were pointed out, and they encouraged the state to cease all drilling for oil under the lake. After much refreshment and, by all accounts, an enjoyable day on the lake, promises for improvements were secured. Within the month, repairs were begun and the seasonal lowering of the lake levels was slowed. In the coming years, many more improvements would come. As a result, not only did the Club flourish, but also the entire area. The Interurban brought visitors to the lake from all over Central Ohio, the park and nearby hotels became popular destinations and Buckeye Lake began to come into its own.

In recognition of his leadership in improving the lake, and for his support of BLYC, following his talk at the Club's Tar Social in 1908, the Club spontaneously voted to rename our home island from Sunken Island to Watkins Island, as it has since been known. Unfortunately, Mr. Watkins

died suddenly of a stroke in 1911 and would not live to see the great improvements that followed.

In the epilogue of his book, *The Story of Buckeye Lake*, Joseph Simpson wrote in 1912...

Some day Buckeye Lake will be a grand spot compared with what it is now. It may be fifty years hence or longer when expensive buildings and fine grounds will beautify its shores. With ponderous machines, shallow place now harboring useless herbage will be deepened and broadened, when wide canals and islands will appear forming unique building spots to be adorned with beautiful residences, and gardens and trees, including tall spear pointed poplars in the distance.

The reader may smile at our picture and call it 'a fancy,' but someday it will come true, too true alas, when you and I and hundreds of others will be dead and gone. The people of Central Ohio need such a spot."

Indeed Buckeye Lake is now a "Grand Spot" and one enjoyed by the people of central Ohio as Simpson, and certainly George Watkins and the founders of the Club, envisioned.

Co-Hosted by the Buckeye Lake Yacht Club and the Buckeye Lake Region Chamber of Commerce
