**The Pool is Open... Boats are on the Water...
We're Sailing Again... Our Lake is Back...**

SUMMER IS HERE!

Remember over the past few summers how it felt as though life at the lake would *never* get back to normal? This is what we've all been waiting for! It's been so great to see the completion of the dam project and the improvements we've made around the club this past year.

There's a lot going on and life at BLYC is wonderful. I am very pleased with the work of the current board and all that they've done the past several months in preparation for this season. I feel I can rightly speak for the entire board that we are also very appreciative and grateful for the patience and understanding of the membership as we've tackled some of these projects. That said, now is also a good to time for all of us to reflect back and again express our appreciation and gratitude to the Commodores, board members, Trustees, and members who

helped to guide us through the "dark years." Looking back, it's hard to believe that we made it through as strongly as we did. But, we are here and the season is upon us. Let's make it a great one!

This summer holds great promise and the Club is gearing up for it. Paul has begun bringing on seasonal staff to prepare for the busy days ahead, Chef Josh is working on a new summer menu, and our maintenance team is hard at work making sure that the Club is ready to be your resort getaway this summer. Looking at our summer calendar, one cannot help but be excited — We hosted a wonderful celebration this past month commemorating the 125th anniversary of the state's designation of Buckeye Lake as a public park; for the first time in several years, BLYC will host the I-LYA Junior Sailing Traveler Series kickoff regatta *on our home waters*; we'll again have fireworks on the lake July 3rd; the Classic Boat Regatta will make its return, continuing a decades-long Buckeye Lake tradition; and, the Snowball Regatta will be back on Buckeye Lake this fall.

It's a great time to be part of BLYC!

See you at the Club

ENTERTAINMENT

- Governor Jeff Hamilton

Summer Fun at BLYC!

The Club is ready for the summer and it is time to enjoy some great entertainment. It is going to be a busy month at the Club.

Entertainment kicks off on June 1st with a newcomer to BLYC. After the Junior Regatta, we will have **Jason Turpening** from 7:00-10:00 pm. He is an acoustic guitar player and rock n roll singer. You can check him out at www.facebook.com/turp111. The fun continues on June 7th and we will have **Pete Mernedakis** joining us for **Supper Club**. On June 8th, we will have **Heart and Pine** performing from 7:00-10:00 pm. On Sunday, June 9th, we will have **Lee Gilkerson** playing at the pool from 1:00-5:00 pm.

We have another newcomer to BLYC on June 14th. **The Full Count Band** will be playing **Supper Club**. They are a group of seasoned musicians playing music in R&B, Pop, and Smooth Jazz. You can check them out at www.facebook.com/fullcountband.

Not a better way to start off the first day of summer than with **AJ Angelo**. He will be rocking us for **Thirsty Thursday** on June 20th. He will be playing from 6:30-9:30 pm. **Rick Barr**, another newcomer to BLYC, will be at BLYC for **Supper Club** on June 21st. He is an acoustic guitar player. You can hear him at www.facebook.com/rickbarr or www.rickbarrmusic.com. On Saturday, June 22nd, come out and listen to **Big Bad Stache**. They are also new to BLYC. You can hear them at www.facebook.com/bigbadstache. They are a cover band playing lots of different genres including 60/70's rock, 90/00's alternative and everything in between. To end the weekend we will have **Eric Solomon** at the pool on June 23rd from 1:00-5:00 pm.

To close out the month, we will have **Kelly Vaughn and the Remnants** on June 28th. Kelly was here April and was so good that I wanted to have her and her band come back. They will be playing from 7:00-10:00 pm.

The July 4th holiday is just right around the corner. We will have the **Fireworks** back on the lake on July 3rd and we will also have **Agent 99** here to party with us. We will also have the **Paul Clark Party Band** on July 6th. Make your plans now and join your friends this holiday weekend. It will be a BLAST!

Lots of fun things going on at the Club. We have our lake back and it is time to enjoy it. In words from Wayne's World, "Party On"! I look forward to seeing you at the Club.

Cheers!

BAR & KITCHEN

- Vice Commodore Mark Pyle

I hope everyone had a wonderful Memorial Day weekend honoring our fallen military heroes for their sacrifice for our Country.

Hot fun in the summertime is back at BLYC! We are now operating on summer hours so please check the website under Gobs Mess for the expanded hours of service for the pool bar and grill, main bar, and dining room. Once again, the poolside bar and grill will be open on Monday and Tuesday from 11:00 to 5:00, but the Club will remain closed those days. The poolside bar & grill will be open from 11:00 to 7:00 from Wednesday through Sunday. Remember that the pool closes at sunset each day and importantly our liquor license does not allow members to bring alcoholic beverages anywhere onto the island including the pool area. Please familiarize yourselves with all the pool rules posted near the pool.

The porch is also open for meals, so please stop inside to let the staff know you plan to dine outside. Chef Josh and the kitchen team are changing up the menu again in June to bring some lighter fare to the lineup as well as introducing weekly features down at the poolside grill. You will notice several new faces around the Club as we've increased our serving and bussing staff to better serve you during the summer season. You probably noticed several new staff starting in May with an expectation they would be acclimated to our Club processes and ready to go by June.

Finally, the board and service and kitchen teams are currently exploring the use of handheld ordering and payment devices offered through our NCR Aloha point of sale system. We hope to have a solution for presentation at the June board meeting and introduce the new service devices sometime in July. More to come on this upgrade. We continue to gather the comment cards and take seriously the suggestions and comments you make. While we continue to try to address your comments and concerns, please be aware we might not be able to address every suggestion made.

HOUSE & GROUNDS

- Governor Charlie Campbell

"Come on up" yes, come on up to the club via our new steps. They are finished so give them a try. Parking is one of the many amenities club members enjoy. Please park within marked lines. If you park in the field do not park so as to block someone from exiting. Do not block the entrance to the field even though you think it is too wet for others to enter. Please display your BLYC car sticker.

The pool opened on Friday May 24th. There was a lot of great activity to start off the season. The pool fence was not completed when the pool opened, but all safety measures are being taken to ensure your pool experience will not be impeded. We are currently working on a more permanent and attractive solution. Your patience is appreciated.

The seawall is at a standstill for now as our construction company is completing the new docks at Eastport.

Come ride your bike on the dam pathway. UH OH!! You can't get your bike to the club — no worries... We have two bikes available for club members use for free. They are great bikes and easy to ride. When you have finished come inside the club for something to eat or drink or both. All that we ask is that you put the bikes back in the bike rack and lock them. If you find anything wrong with our bikes let the maintenance staff know and they will repair.

Check out the entrance foyer to the Club. Lots of changes. The Eastport crane is locked out. Safety is our concern so until a decision is made as to its use it will remain locked. As always, a pat on the back goes to the H&G staff for all their hard work in maintaining our club. It looks great!!

Be Safe...

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

THANK YOU to everyone who donated, volunteered, and participated with our Junior Sailing Shrimp Boil and Fundraising event over Memorial Day weekend. Without all of you it would not have been a success. I will announce the final tally of the event in the July Log.

Sailing Season Is HERE!!!

Come out and watch the I-LYA Traveler's Series Regatta on June 1st. This is the first regatta of the 2019 Junior Sailing season and is the first regatta on Buckeye Lake in many years. It will be fun to watch and definitely a great way to announce that the Lake is back!

Registration for this year's Sailing Camp (June 10-14 and June 24-28) is open and available on the BLYC Website. Registration forms are also available at the Club. Children and Grandchildren of Club Members are welcome to come learn to sail and gain a lifelong love of sailing and boating. Camp is also available for Non-Members' Children and Grandchildren.

Other Dates to Remember:

- **Youth DIVE-IN Movie Nights by the pool**
 - June 10th and June 28th
- **July 4th Independence Day Celebration.**
 - Pancake Breakfast — 8:45-10:30 am
- **SCUBA Diving Discovery Class — July 13th**
- **I-LYA Junior Sailing Championships at Put-in-Bay**

DOCKS & RENTALS

- Rear Commodore Bruce Ames

June — Our Lake is Back!

I would first like to thank everyone for being patient while waiting on our dock construction projects! We had to overcome a few hurdles along the way but we are nearing completion.

If you would like to put your name on your dock please contact Dandy @ Pal Printing in Hebron (740-928-8933). Dandy knows what to order to match the dock tags.

Please, please do not park in a dock that is not yours! Transient docks will be marked with a blue tape this year. Eastport storage spaces are available for \$275/year. If you would like to lease one you must first contact me. DO NOT just pull in and use an empty spot. It may already be leased.

DOCKS — Even though you may have paid for dock you must also sign and return the "Dock Rental Agreement" form before using your dock. I will be checking!

Let's all have a great summer, see you at the Club!

ONE NAME FOR EXPERTISE
formerly

EXPERIENCE THE SYNERGY

RACE & REGATTA

- Governor Dave Paligo

What the Heck is PHRF?

Most of you have heard about a golf handicap and that it is a numerical measure of a golfer's potential ability.

In match play, the handicap difference between players is used to determine the number of strokes a high handicapper should receive from a low handicapper during their round.

So, what does this have to do with sailing and racing in our area? There are several types of rating systems used in sailboat racing, one is called One-Design where all the boats are of the same design and the other is called Performance Handicap Racing Fleet (PHRF).

PHRF is a handicapping system used for racing in North America and allows dissimilar classes of sailboats to be raced against each other. The aim is to cancel out the advantages and disadvantages of each class of boat, so that results reflect crew skill rather than equipment superiority.

The handicap number assigned is based on the yacht's speed relative to a theoretical yacht with a rating of zero. A yacht's handicap, or rating, is the number of seconds per mile traveled that the yacht in question should be behind the theoretical yacht. Most boats have a positive PHRF rating where some very fast boats have a negative PHRF rating. If Boat A has a PHRF rating of 15 and Boat B has a rating of 30 and they compete on a one-mile course, Boat A should finish approximately 15 seconds in front of Boat B. Results are adjusted for handicap by the race committee after all competitors have finished.

To give you an idea where our ratings are here at the yacht club, they rate between 204 and 282 — that is a 78 second difference. So now, when someone asks why we race under the PHRF system, you'll be able to explain why a boat crossing the finish line first may not be the overall first place winner.

COMMUNICATIONS

- Governor Barb Hein

I am hoping you have already been for a swim in the pool or kayaking in the lake.

I am hoping you have already been out for a motorboat ride or a sail.

I am hoping you have already had your family picture taken for the new Yacht Club Directory.

If you have not, you are in luck...

Specifically — on June 12th-15th please come get your family picture or individual picture taken. Then it's up to you to work out the rest. You can easily schedule your photography session online through the BLYC website.

Talk to you soon

FINANCE COMMITTEE

We are happy to report that the Club finances are stable at this point in the fiscal year thanks to the diligence of our members paying their dues, docks, bar, and dining invoices on a timely basis. The finance committee reviews our accounts receivable on a regular basis to ensure that all members are meeting their obligations and members are treated fairly when we need to remind them to abide by the by-laws and meet those obligations. Because of members' continued support, we were able to move forward with the seawall reinforcement and pool repairs along with the Eastport reconnection and expansion and the Area 800 rebuild.

With your capital improvement dues, along with the support of member donations and the BLYC Auxiliary's fundraising efforts, we've been able to continue the major construction activities noted above and replace the kitchen dishwasher, install new steps from the parking lot, remodel the Club entrance, refurbish the old BLYC bridge gate, and continue to maintain the aging Clubhouse building and grounds. There is still a lot of work to be done and we are committed to prudently finance the long list of major projects needed in the future.

As a reminder, we ask that you plan to attend the September 22, 2019 Annual Meeting this year. We are pushing to have our first quorum in decades and need to have at least 120 members attend to vote on a needed change to the Club's Constitution. We expect to publish the exact language members will be asked to consider in future issues of the *Log*.

BLYC AUXILIARY

It's exciting to see the improvements to the club take shape as the 2019 summer season begins! We can all be thankful that we have the sources and resources to make the changes that enhance our club and make it better and better. The Auxiliary has been moving ahead with plans for summer as well. We have exciting new things to offer this year.

BLYC Clothing Sales

We are reinventing our sales approach to help you select apparel items bearing the BLYC designation that are just right for you! Our intent is to feature a special item each month that will be shown on the monitors located in the Gob's Mess bar and in the hallway as you enter through the beautiful new front entrance. Along with important club information you'll see pictures of clothing purchases that you might like to add to your BLYC collection. Whatever you need, we can help you find it then custom order the color, size, and style of your choice. Watch for the newest offerings on the monitors. Contact Claudia Belt at Cmbheronbay@hotmail.com or 614-464-7631. PS...you may see us wearing something you would like to order!

Landscape Committee

There has been some delay in our planting based on the changes in fencing surrounding the flower beds. Our intention is to transplant some plants in current beds to new spots, plant more annuals for summer beauty and concentrate on building an overall plan for the club. Funding an updated landscape is a goal for the summer auction fundraiser.

THE WHITE HOT SUMMER NIGHT PARTY

Our summer auction FUNdraiser is coming — August 3rd. This annual party is always a sellout and you'll want to get your tickets early. All members will receive a letter in the mail that details how you can be involved in making donations to the silent and live auctions and also how you can get your tickets! Your event ticket includes dinner (including tax and tip), dancing to a great band, and bidding on great live and silent auction items. The cost is \$50 per person with options for plated dinner selections and designated seating requests. New this year — all seats are under cover as we have added tents to the lawn seating area. Call Rebecca in the Club office at 1-740-929-9941 for reservations beginning June 1st.

June Auxiliary Meeting – June 13, 2019 6:00 pm

Meet for dinner & drinks in Fireplace Room, meeting begins at 7:00 pm. We invite you to attend and join the service organization of the BLYC. Contact Treasurer, Stephanie Dodd, stephaniedodd@gmail.com, with any questions.

The Classic Boat Regatta

(Updated from an article first published in 2012)

Don Wilson's Matthews Cruiser at the 2012 Show
Photo by Greg Miller

In the late 1970's and early 80's, sailboat racing was king at BLYC. If one peruses old issues of the *Log*, it's easy to see that most of the Club activity at that time centered around sailboat racing and social events. There just doesn't seem that there was that much geared towards our power-boating and non-racing members. In 1981, BLYC's 75th Anniversary year, that changed...

It was first announced in the December, 1980 *Log* by Race & Regatta Governor Gordon Forster that a new weekend activity was being developed...

"An invitational classic and antique WOODEN power and sail boat regatta." The first chairman was P/C Ed Metzgar. The entry fee was \$20 per boat and 28 boats participated. According to the post-event write-up in the *Log*...

Commodore Jim Dressel, committee members and entrants were more than pleased after launching the first, of what's hoped to be many, antique boat contest.

The weatherman cooperated by bathing the north shore area with plenty of sun, perfect to bring out the patina of lovingly cared-for mahogany, gleaming chrome and mellow brass.... Last minute scurrying before judging found them polishing hulls and wiping telltale finger and foot marks from chrome hardware and touch-me-not-decks.

In the nearly four decades that have followed, the show has certainly evolved. The name has changed, it now includes classic non-wooden boats, and each year may bring different types of boats and participants from different parts of the country. But, it doesn't sound like that much has changed. Every year since 1981, BLYC has hosted this highlight event of our summer season with the exception of the past four due to low water levels. And, just as in that first show, nervous boat owners clean & polish and prepare their pride-and-joy crafts for the admiration of spectators.

At the 1981 event, the "Best of Show" Trophy went to Mrs. Zenna Sayre for her 1928, 26' triple cockpit Chris Craft Runabout, *Cherokee*. The First Place trophy for "Nearest to Original Condition" went to Phil Schell for a 1948 Chris Craft Sedan, *Margus II*.

Other BLYC members earning trophies in 1981 included Mrs. Nancy Benson, 1st Place "Oldest Restored," for her 1928 Chris Craft Runabout and P/C Gus Schell, "Sailboat Special Award," for his 1931 Ludke "K" Boat, *Cat's Paw*. I'm pretty sure that both boats are still around Buckeye Lake, although the years have taken their toll on *Cat's Paw*. She is one of the last "K" boats remaining of what was once one of the premier sailing fleets in this region.

This year will see the return of the Classic Boat Regatta and, just as in 1981, the primary focus will be on classic boats from Buckeye Lake. It will most certainly be a highlight of our summer season. I know that Chris Hebert will be there with his Chris Craft, P/C Steve Schilling will participate again with his 25' Lyman, *Lybation*, as will P/C Tim Ryan with his Chris Craft, *Squaw Man*. Phil Schell, his son Matt, and I are working to get *Margus II* back in the water for the show this year. There will definitely be others.

The boat show is one of only two times each year that we open our Club to the public. As stated by then chairman, P/C John Sproat, in a 1998 *Columbus Dispatch* article about our show, "This

is a private club, but our mission is to promote an interest in boating and boating safety. This is a perfect opportunity for us to do that."

Make plans to attend this year's Classic Boat Regatta on Saturday, August 17th as we continue this BLYC and Buckeye Lake tradition!
