Perseverance

Team BLYC had a great week at the 64th Annual I-LYA Junjor Bay Week this past month. While we may have had one of the smallest teams with only three sailors, BLYC made a great showing. All three sailed strong throughout the week and I want to commend each of them on their efforts. Thank you for representing us so well. This year's team was comprised of veterans Katy Schroeder and Olivia Smith along with "rookie" Bryor Burke. This is Katy and Olivia's last year of eligibility and we congratulate them on their accomplishments in junior sailing and look forward to their future successes. Katy received the award for top female sportsmanship this year. The first year of

competition is always tough, but Bryor persevered throughout and despite many challenges kept sailing, kept a positive attitude, and was *always* smiling. It was great to see him recognized with the Commodore Burgoyne Award at the end of the regatta.

It's been a great season for BLYC - so many improvements being made, increased activity around the Club and the lake, and a general feeling of fun and camaraderie. Our Club is very fortunate to have the great volunteerism that we do among our membership. Without you, BLYC would not be the great club that it is. Along those lines... do you want to become more involved? We are seeking enthusiastic candidates to run for the Board this fall. Yes, it is a time commitment and sometimes it feels more like work than fun. That said, I can honestly tell you that serving on the Board has been one of the most rewarding experiences I have ever had. If you love BLYC, I strongly encourage you to run and help us to guide our great Club into the future. For more information, feel free to ask any Board member or Past Commodore. They will be happy to answer your questions.

See you at the Club!

DOCKS & RENTALS

- Rear Commodore Bruce Ames

August — Football will be here SOON!

PLEASE STOP using docks that you have not rented.

I am getting lots of complaints from members who have rented docks. They call me or text me saying that someone is in their dock. We have non-members doing the same. We may have to start instituting fines if this does not stop! Transient docks are well marked with orange and blue tape. BLYC docks are for members only!

CLASSIC BOAT SHOW is just around the corner.

If you have a dock on Watkins Island you are required to remove your boat for the event. P/C Chuck Wadley will be coordinating this.

REMINDER - per Rule 17 of the BLYC By-Laws, gasoline and other flammable substances may not be stored on the docks or in the Clubhouse. Please store these items safely and properly.

**Let's all enjoy what's left of summer,
See you at the Club!**

RACE & REGATTA

- Governor David Paligo

Rain and thunderstorms go away...

We would really like to race today.

It's August... the Sail-O-Sunday (SOS) Spring and Summers series as well as the Memorial Day and July 4th long distance races are in the record books. Hard to believe that summer is $\frac{3}{4}$ over and only a few races left — the SOS Fall series, Commodore Haggard Long Distance and the classic Snowball Regatta.

Our all-volunteer Race Committees have done a great job in getting racing off on time. Special thanks to our Principal Race Officers (PRO's) for setting proper courses, answering questions, settling protests, and being a great asset to the BLYC organization.

We can always use help on race committee. If you have never had the opportunity to be on Race Committee, it is a really fun day out by the water watching the racers' strategies, starts, mark roundings, and finishes. So please come out on Sunday afternoon and join in. Not only is it FUN, it is the best seat in the house.

The old Club pontoon was in need of serious repair and the estimates for repair were not justified. We would like to thank Buckeye Lake Marina and Fishers Marina for their generous donation of our current Race Committee and Junior Sailing mark boats. It's great to have our programs working together for the benefit of all at BLYC.

Now, if you were looking for a reason to come to the Yacht Club, you've found it! I look forward to seeing you on the water.

Prep well, sail fast, sail safe.

ENTERTAINMENT

- Governor Jeff Hamilton

It's Sizzlin' Hot at BLYC...

What a summer it has been at BLYC! The lake is back in full swing and it has been so much fun. I sure have enjoyed it and I hope that you have as well.

The Gatlins kick off August on Thursday, August 1st from 7:00 to 10:00. This husband and wife duo are back at BLYC for an evening of wonderful music. If you have never seen them, you do not want to miss this show. You will definitely want to make reservations for this event. The menu for the evening will be a buffet since we will have a large crowd.

Saturday August 3rd, is the **White Hot Summer Night Fundraiser Party** presented by the BLYC Auxiliary. This is the third year for this spectacular event and we have some great entertainment for it as well. We will feature **Gayla Smith and Mike Nelson** from 5:00-7:00 then for your dancing pleasure we will have **The Hip Replacements**. Hopefully, no one will need a hip replacement from dancing the night away. You can find them at www.facebook.com/thehipreplacements. They play Blues, Rock, R&B, and Soul.

The fun continues on Sunday, August 4th with **Zach Vanderink** at the pool. Zach has never performed at the Club but he has been known to pull out his guitar around the fire pit. He is part of the BLYC family as well, along with his parents. **Supper Club** on August 9th we will have the **Silver Band**. They are new to BLYC but not new to the lake. This group is led by our own Dave George. I wonder how they got their name. I am sure this will be a fun time.

Rese Jhordan will be singing for the August edition of **Thirsty Thursday** on August 15th from 6:30-9:30. **Supper Club** on August 16th will have **Jazz Gallery Project** from 7:00-10:00. Saturday August 17th will be the return of the **Classic Boat Show**

at BLYC. We will have **Pete Mernedakis** playing from 6:00-9:00. To wrap up the weekend, on Sunday August 18th, we will have **Lee Gilkerson** at the pool from 1:00-5:00.

The **Annual Luau and New Member Recognition** will be on Saturday August 24th. This is another fun tradition at BLYC. We will have **Sam McCoy** on the Steel Drums from 5:00 - 7:00 then we will have **KC & The Moonlighters** to help you get your groove on. To end the weekend, we will have **Eric Solomon** at the pool on Sunday August 25th from 1:00-5:00. He will be there to help celebrate Dave Luttenberger's birthday.

Hard to believe, but the last weekend of the month is Labor Day weekend and it going to be jam packed of fun and entertainment. **Supper Club** on August 30th will be **Barkley Zenoby** from 7:00-10:00. He is a newcomer to BLYC. We will have our first tailgate party of the OSU Football season on Saturday August 31st. The game kicks off at noon. Come out and support your Buckeyes and hang around after for the **End of Summer Blast** featuring the **Paul Clark Party Band** from 4:00-8:00. To end the weekend, **Pete Mernedakis** will be heating things up at the pool from 1:00-5:00, then we will have the return of **Reelin' in the Years** on Sunday, September 1st from 6:00-10:00.

Please remember that we have the full lineup of entertainment listed on the website and posted throughout the Club. When you come to your Club, be sure to call and make reservations so that the staff is capable of taking care of you and your guests.

This has been a fun summer at BLYC. I want to thank you for your support and for the great positive feedback about the entertainment that we have had this year so far. I hope that you have enjoyed it as much as I have. I am looking forward to the fall and more great entertainment. Stay tuned!

Party On!

FINANCE COMMITTEE

At the September 22, 2019 Annual Meeting we will be calling a vote to change the BLYC CONSTITUTION, ARTICLE VIII. MEETINGS, Section 3.

Currently the BLYC Constitution reads:

Section 3

Twenty percent (20%) of the eligible voting members in good standing shall constitute the required quorum at any Regular or Special Meeting, and a simple majority shall determine the issue(s) involved, unless otherwise provided.

As mentioned in previous articles, we need well over 100 members eligible to vote to attend any Regular or Special meeting to approve any change in the BLYC Constitution, as well as this proposed amendment. I've attended many meetings since joining the Club in 2006 and attendance has never come close to the required number to cast a vote. There are many areas in the BLYC Constitution that need updated and voted upon. However, we've chosen to focus only one simple modification to address the reality of our historic meeting attendance. With this change we will be able to propose and vote on changes at any Regular or Special meeting with the prospect of change taking place.

The proposed amendment is as follows:

Section 3

Ten percent (10%) of the eligible voting members in good standing shall constitute the required quorum at any Regular or Special Meeting, and a simple majority shall determine the issue(s) involved, unless otherwise provided.

We are in the process of drafting an official amendment document and obtaining the necessary signatures from twenty-five eligible and voting members in good standing as required by Article IX Amendment of Constitution, Section 1. Once that step is complete the proposed amendment will be posted on the official bulletin board in the bar area at least 30 days before the Annual Meeting, as well as published in the *Log* again in September in accordance with the rules for amendment.

This simple reduction from twenty percent to ten percent to define a quorum will be more in line with our members' historic interest in the governance matters of the Club. With this modification, we can then bring about needed changes to the Constitution in line with modern day gender terminology and anti-discrimination and equal opportunity language. One thing to note is that this proposed change retains all of the advance notification requirements for future changes and it still allows all members to attend a meeting and vote.

Please plan to show up and VOTE!

CANDIDATES NEEDED!

With fall approaching, it's once again time to turn our thoughts to Club elections and selecting those who will lead our Club in the coming years. Without the dedicated volunteers on the Board of Governors, our Club could not continue to function. The past four years have been a very rewarding experience for me, even with the challenges that surface from time to time. I strongly encourage all members who care about BLYC to get more involved and considering running for the Board. If you want more information, please reach out to any current Board member or Past Commodore. They will be more than happy to answer your questions. If you are interested, please reach out to a member of the Nominating Committee — P/C Chuck Wadley or myself.

On the Bar & Kitchen front, the summer continues to move along and our staff is doing a great job for us this summer. We've moved the locked comment box to the front entrance table as well as provided blank comment cards should anyone wish to provide input about their experience without handing it to your server or bartender. We have several events scheduled for the month of August and making reservations is critical to our serving you efficiently. While we can typically manage a few walk-in members, large groups make it more difficult to accommodate. While we will do our best to make accommodations to serve you, delays in service for a large walk-in group should be expected. On another note, we are scheduled to have our handheld order devices installed and functioning by the end of the month which we anticipate will improve order timing.

Finally, some of our seasonal folks will be headed back to school soon. Please take a moment or two to thank them for all that they have done to make our season enjoyable and wish them the best of luck in their endeavors.

HOUSE & GROUNDS

- Governor Charlie Campbell

Obviously its HOT!!

Its humid, its sticky, you're sweaty, you need a refreshing cooling off — The club pool is the answer! Not only do we offer the best pool on the lake but the drinks at our pool bar guarantee you will be as cool on the inside as that first plunge makes you on the outside. I shouldn't have to remind anyone about pool rules but NO GLASS can be in the pool area at anytime! I am asking all members to not use straws in the pool. We have been cleaning them out of our filtering system. If you haven't noticed, we now have the original BLYC gate welcoming you to the club. A new fence is being installed behind the club and all around the pool. The large umbrella had a falling down but now is back up providing needed shade. Our foyer and adjoining hallway will be done soon. It is a beautiful welcome entry into our club. By the time you receive this issue of the *Log*, the new fencing around the pool will also be completed.

Parking is becoming a concern. Please display your RED sticker in the left front corner of your car or truck windshield.

I had the pleasure to watch our Junior Sailors at Put-in-Bay July 16 & 17. They are the best! One member of this gracious team, Katie Schroeder, won the Sportsmanship award. That is as prestigious as it gets.

Reminder that we need you to attend the all club meeting in September.

Many things are being done so next time you see Chuck or Trent just say thanks for all they do.

Until next time be safe!

BLYC AUXILIARY

We are days away from the 2019 White Hot Summer Night Auction. Thanks to the generosity of our fellow BLYC members, we offer wonderful auction items that generate funds to help improve our club. Your support is deeply appreciated!

We would like to express our gratitude to all members and staff of BLYC who helped make the auction a happening to remember again this year. It takes many hands to create a special event that is fun and provides funding for the projects we wish to pursue. Thank you!!!

Special thanks to member Misty Hoover Connor for creating the landscape plans that we will be using to enhance the grounds surrounding the club facility. We appreciate her expertise, attention to detail, and respect for the heritage of our building. We look forward to beginning phase one of this continuing project.

The August Auxiliary meeting has been changed to August 15th. This gives us an opportunity to close out the auction finances and to have a celebration! We are still soliciting auxiliary memberships that will continue for the 2020 year if renewed now in 2019. Your \$25 dues are vital to sustaining the Auxiliary projects and program. All members over age 18 are eligible to join. Please direct your request for membership to our treasurer, Stephanie Dodd — stephaniedodd@gmail.com

Kudos to Claudia Belt who has had a banner year as purveyor of club merchandise for 2019. We appreciate the time and effort that Claudia has spent keeping us well clothed in BLYC apparel!

Another shout out goes to Jane Paligo who has sent cards to members for various occasions. Her words of comfort or congratulations have been much appreciated! You can still contact Jane with your requests for cards at Jpaligo13@gmail.com

Have a wonderful end to this season!
A New Day at Buckeye Lake for sure!!

If you see them around the Club, please introduce yourself and make them feel welcome.

With the renewal of interest in Buckeye Lake, we also have a lot of interest in membership in the Club. If you have a friend, relative, or coworker who enjoys the lake, please invite them to consider the advantages of membership in the Club. Compared to most private clubs in the area, our initiation fee and annual dues are *very* affordable — *plus... no monthly spending minimums!*

Those who have traveled around to other yacht clubs will also attest that the amenities offered to our members at BLYC rival those of some of the more "elite" yacht clubs in our region while maintaining our casual, open, and friendly atmosphere.

If I can be of assistance in showing prospective members around and answering their questions, just let me know!
