COMMODORE MARK PYLE

A huge thank you to all the members who turned out for the candidate night, Snowball Regatta, Board election, Annual Meeting and Commodore's reception. I'm extremely fortunate to declare that you have elected a dedicated and talented team to lead the Club through the next year! This Board brings a wealth of diverse experience and knowledge to the table and I am looking forward to another year of progress, growth and financial stability for BLYC. As you might have noticed at the Commodore's reception with AJ Angelo in the house, I sometimes enjoy taking the stage for a song or two. With the Club hosting our first Snowball Regatta in several years and the bright future ahead, an excerpt from "Come Sail Away" by Styx captures the mood at the outset of this journey.

*I'm sailing away,
Set an open course for the virgin sea
Cause I've got to be free,
Free to face the life that's ahead of me
On Board, I'm the captain, so climb aboard
We'll search for tomorrow on every shore
And I'll try, oh Lord, I'll try... To carry on*

Your very capable 2020 Board of

What a great turnout for the Annual Meeting! We were able to accomplish something that hasn't been witnessed in decades, a quorum in attendance to vote for a BLYC Constitution amendment. We were able to make a change in the constitution to reduce the quorum needed to vote at the annual and special meetings from 20% of the active membership to 10% of the active membership. This change will allow the Board and members to bring other needed changes in the future that will not require a first in this century turnout of the members. Thank you to all of the members who attended the meeting and voted. What a great group of members who took the time to show they care about the future of this Club!!

OCTOBER — SUMMER IS GONE BUT FOOTBALL IS HERE

Please be aware that the state will start lowering the lake to winter pool mid-November. If you have not done so you need to be thinking about getting your boats and lift stations out of the water.

You may have noticed that the *Queen of the Lake III* is now out of the Eastport Storage Yard. This will free up some spots to rent. If you would like a spot, please contact the new Docks & Rentals Governor through the BLYC website.

Looking towards fall and cleanup day I would like to start thinking about getting the boat storage yard cleaned up. I ask that if you are renting a space you have your property in your spot only and in an orderly fashion. I have noticed some trailers encroaching on the neighbor's space. Also, we are planning to have a dumpster brought on site to get rid of most of the trash.

If you rented a dock from BLYC this year but do not plan to do so next year please let us know ASAP. This will help us better serve our membership next spring.

**Let's all enjoy what is left of the Indian summer!

Congratulations to all of the skippers & crew! I know that it is a sad time of year when we are all getting our boats out of the water for winter but the good news is that spring is right around the corner and we'll start a new and exciting sailing and racing year.

ENTERTAINMENT

- Governor Jeff Hamilton

WELCOME TO FALL!

We may be missing the long hot summer days and hanging out at the pool but it will be back in no time. Until then, we get to enjoy the cool days and crisp nights. It is time for sitting around the fire pit and to continue rooting for our beloved Buckeyes. Some of your hangouts around the lake may be closed for the season but your Buckeye Lake Yacht Club is open and ready for fun.

We start on October 4th with the talented Dave Bott on the piano for Supper Club. Dave will be playing from 7:00-10:00 pm. The Buckeyes play on October 5th at 7:30 pm against the Spartans of Michigan State. This is also our pot luck game. Bring your favorite dish to share. Watch the weekly e-blast for more details.

On October 11th, Supper Club will have a new comer to the Club by the name of JD Burlee. JD is a solo guitar player.

October 17th will be a Thirsty Thursday with the crowd pleaser AJ Angelo. He

will be playing from 6:30 to 9:30 pm. Friday, October 18th the Buckeyes will be playing at Northwestern for a special edition of Friday night football.

Saturday, October 19th is a fun packed day. We will have a pallet painting party at 2:00 pm with Amy's Pallet Painting. Depending on the size, the regular is roughly 13x16 and is \$35. The large is \$45 (roughly 16x24). The deadline to sign up is October 12th. Please visit <https://www.signupgenius.com/go/8050844A8A72FA57-buckeye1> to sign up. More information will be posted at the Club. Then that evening, we will have The Usual Suspects and the Repeat Offenders performing from 7:00-10:00 pm.

October 20th is our Fall Work Day. If you could volunteer for an hour or two, we would appreciate any help that you can give us.

Finally, the Halloween Party is here on October 25th. We will have the Perfect Timing Band back to help you get your groove on. Get your costumes ready for an evening of fun and great music. I

look forward to seeing all of the creative costumes. We will have a costume contest as well. Look for more details on the weekly e-blast. On October 26th, OSU will host the Badgers of Wisconsin. The game time is still to be determined.

Please remember that we have the full lineup of entertainment listed on the website as well it is posted throughout the Club. When you come to your Club, be sure to call and make reservations so that the staff is capable of taking care of you and your guests.

I am looking forward to bringing you more great entertainment in the months to come. I had so much fun my first year as a Governor. I am already working on events for next year. I will continue to look for new entertainment and bring back some of your favorites. If there is a band or a solo musician that you would like to be at the Club, please feel free to reach out to me.

I look forward to seeing you at the Club! Go Bucks!

COMMODORE *Continued from p. 1*

We just completed our first year with the repaired dam and experienced a very successful summer season under the exceptional leadership of Commodore Dick. You turned out and supported the Club and this Board and we thank you. I want to thank Commodore Dick for his steady, unselfish approach to managing the Board. We all owe Commodore Dick a debt of gratitude and appreciation for his tireless efforts, leadership and generosity as we rebounded during this post-construction era.

Before we look to the future let me give a shout out for some help we received in the recent past. Let's all thank Don and Peggy for the fantastic revitalized entry hall. The bright clean look makes our Club that much more inviting. Also, for those who have noticed the large refinished captain's wheel and BLYC burgee will realize it didn't get done on its own. Please thank Sue Heber for repainting the burgee and Matt Zimmerman and Al Segna for refinishing the wheel. A job well done by all!

Now we look forward to the future and what a future we see. As you have witnessed there are several projects that have begun and our plan this fall is to close out the punch list on several including; the pool repair project, sea wall phase I and dock projects. On the horizon for next calendar year we have several other capital improvement projects to kick off now that we have the momentum from last year, so climb aboard!

HOUSE & GROUNDS

- Rear Commodore Charlie Campbell

It is evident that summer is over as our pool is closed. As it was leaking over 120 gallons of water per day, I kept it open as long as I could.

It is being repaired this fall prior to winterizing. Hopefully next year we will be able to keep it open through the latter part of September. We will see. You will notice gates at our boat slip areas 400 and 800. They will remain propped open until we are able to have all members notified of the combination.

The boat yard is in disarray. If you have a boat, trailer, boat lift, or whatever stored in our boat yard it must be usable. No flat tires, boat able to be used, lifts in working order, no trash etc. We will be cleaning that area so your cooperation and help is needed.

The phase I Lake wall project is finished. Phases II & III are now being considered. Phase II is directly behind club; Phase III — the covered docks. If you have suggestions as to what you feel we should do let me know.

Since cooler to downright cold weather is approaching, begin your plans for winterizing and removing your boat. For you smokers please use the ash cans. (Don't throw butts on the ground)

Don't forget Fall Work Day on October 20th. Come enjoy a day of camaraderie with your fellow members and help get some much needed work done around the Club!

Maintenance person Trent Brown has moved on to another job. We wish him the best in his new position.

Until next time be safe

BLYC AUXILIARY

The Auxiliary Fundraiser in August was a resounding success. With the leadership of the Auxiliary Board and the Fundraising Committee, an incredible effort was put into this event that surpassed last year's \$22,000 (final results will be available next month). It would be difficult to name every person involved with the planning of this event because there were so many people that made this event possible. We encourage you to visit, patronize and thank the businesses and individuals that sponsored this event. Many are listed below.

LOOKING AFT

- P/C Steve Harris, BLYC Historian

This past month, we concluded the 2019 Club year and welcomed in the next. The Annual Meeting is always an exciting time. One of the highlights of the day is the presentation of BLYC's perpetual awards. It occurred to me, that it has been several years since I first published the following article about our highest honor — The Heber Yachtsman Merit Trophy. There is an interesting story behind it and the man for whom it is named.

-SGH

The Heber Yachtsman Merit Trophy

As fall approaches, we can look back on another successful year at BLYC and, perhaps, reflect on just how truly wonderful it is to have such a fun, friendly place to share our passion for boating with others of the same mindset. But, as you know, the 100+ year history of the Club would not be possible without the tireless dedication of the countless members who provide not only service to the Club, but also an example for the rest of us of what it truly means to be a "yachtsman." At the annual meeting each year, some of these individuals are recognized for their efforts. Our Club has two trophies awarded annually to such people — The Heber Yachtsman Merit Trophy and the Commodore Gustav Schell Award, "The Gussie." While many of us know Gus and his example which recipients of the "Gussie" typify, not too many people know the story behind the Heber Trophy.

One might assume that an award of such significance would be named for a Past Commodore of the Club, perhaps a great leader who carried us through a particularly rough time, a championship sailor, or one who went on from BLYC to serve boating in some national capacity. Not at all.

Reg Heber

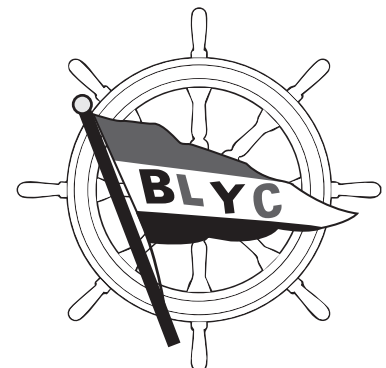

Reg Heber was a very active member of the Club in the 1930's and 40's and, although he did serve on the Board of Governors, he only served one year (1942-43) and was never Commodore.

Reginald F. Heber was a successful Columbus printer. A graduate of the Ohio State University, in the late teens and early 1920's, he gained particular notoriety as the leader of a popular dance orchestra in Columbus. It was Reg Heber who first envisioned, and subsequently dedicated and presented the Yachtsman Merit Trophy to the Buckeye Lake Yacht Club. It was, and continues to be, the highest recognition our Club bestows upon one of its members. However, he only lived to see it presented once — in 1942 — the same day on which Reg Heber was elected to the Board of Governors. And that, as Paul Harvey would say, brings us to "the rest of the story..."

On the afternoon of Sunday, October 17, 1943 there was a large gathering at BLYC with over 200 in attendance. As part of the festivities, Commodore Clarence E. Smith (1940-41) was giving rides on the lake in his speedboat. As later reported by the

Newark Advocate, a combination of choppy waters on the lake and water in the bottom of the boat led to a tragic capsizing at around 4:15 pm. Six of the eight persons aboard drowned, only Commodore Smith and one passenger, Miss Imogene Hughes, survived. Four of the six victims were recovered in short time, yet two remained missing for several days. Among the still missing was Dr. Francis Keck, also a BLYC member and good friend of Reg Heber. The search effort included Deputies from Fairfield & Licking Counties, State Park Officers, and countless volunteers, including Reg Heber — tirelessly searching for the body of his departed friend. As a result of countless hours on and in the water in the cool, autumn temperatures, he contracted pneumonia and, within a few short weeks, Heber also lost his life.

Dr. Keck's body was finally recovered on Sunday, October 24 at 4:15 pm — one week to the hour after the tragic accident — by volunteers from the Firefighters Protective Association and the Franklin County Red Cross. The Heber Yachtsman Merit Trophy is given annually to a member who best displays the merits of Seamanship, Sportsmanship, and Character. One cannot question the character of the man for whom this trophy is named. His example of fidelity and friendship, of self-sacrifice and unselfish effort, if only from this single example, certainly adds to the value of this distinguished award.
