HAPPY HOLIDAYS!

My favorite holiday, Thanksgiving, is now behind us and I hope everyone had an opportunity to reflect and give thanks for those important in your lives. We now turn our attention to *THE* holiday season with decorating, entertaining, shopping, and giving with a clear focus on family, friends, and those less fortunate. Anna and I would like to wish each of you, Happy Holidays, a Merry Christmas, and safe travels during this festive season! We hope that you will have an opportunity to celebrate the season at the Club with your BLYC family and enjoy some of the events we've packed into the calendar for December.

Our entertainment governor, Jeff Hamilton, the BLYC Auxiliary, and the BLYC Good Neighbor committee have filled the December calendar with events for friends and family of all ages. In addition to the traditional adult events like the Ugly Sweater night, Thirsty Thursday, Supper Club, and the New

Year's Eve masquerade themed evening, we are hosting the BLYC Children's Christmas Party on Sunday, December 8th and the Good Neighbor Christmas Party on Sunday, December 15th.

I'd like to take the opportunity to thank P/C Joe and Joni Campbell for leading the Good Neighbor Committee for the many years it has been a success in serving the less fortunate children of the Buckeye Lake area. Together they tirelessly organized shoppers, coordinated the event, managed the finances, shopped, wrapped gifts, and decorated as the number of children served increased each year. Their emphasis on every child being assured gifts to open occasionally led them grabbing an unfilled gift list and doing a little late-night shopping on the eve of the party. *Thank you, Joe and Joni.* We are fortunate that now leading the Good Neighbor Committee is the very capable P/C Greg and Karen Miller along with their daughter Malory. The entire Miller family has been active participants on the Committee for years and we are pleased they have agreed to coordinate the efforts this year.

The Governor's reports are chocked full of information about the events and projects on the horizon for 2020. Some coordinated projects to be aware of are the kitchen floor replacement, dishwasher hot water heater replacement, and bar refinishing. These projects are scheduled to take place from Thursday, January 2nd to Sunday, January 12th. During this time the Club will be closed! Please stay tuned for schedule updates.

RACE & REGATTA

- Governor David Paligo

Here it is December already and what can a Race & Regatta Governor write about in the winter months?! So, for entertainment, I thought I'd write a little irregularly rhyming ditty.

Tis the first month of winter and throughout Buckeye Lake,
not a skipper is stirring, not even his mate.

All sailboats are nestled away for a rest,
whilst visions of wind filled sails dance in our heads.

All soft-water racing has stopped, at least until spring,
when again we can start "our racing thing"!

But wait ... there are things that we can still do,
Attend 2020 Sunday Sailing Seminars at the Yacht Club,
It's all up to you!

Wishing you, your family and your crew a Merry Christmas
and a Happy New Year.

BAR & KITCHEN

- Vice Commodore Bruce Ames

BLYC is going GREEN!

As boaters, we are all concerned with the stewardship of our natural resources, particularly as it pertains to our recreational water resources. BLYC has long been a local leader in not only the improvement of our lake, but also in our concerns for its cleanliness and safety. As such, it is no surprise that many of our members have expressed their concern for, and interest in, making our entire Club operation more "environmentally friendly." Efforts have been underway. For example, over the past several months, we have been transitioning our lighting at the Club to energy-efficient LED bulbs. This obviously saves on energy costs but, long term, it also lessens our impact on the environment. It's time for the Bar & Kitchen operation to join in that effort.

Beginning this month, we are transitioning from styrofoam takeout containers and cups to those that are biodegradable. We are also returning to earlier efforts to recycle as much of the aluminum and glass as possible from the bar operation. **SKIP THE STRAW!** We throw away an inordinate number of single-use plastic straws. While it may not be the most significant cause leading to the growing problem of plastic pollution, these end up in the landfill or in our waterways (and, as Charlie pointed out this summer, they also wreak havoc on our pool filtration system.) If you still want a straw, that's fine... just ask. But, this one little thing *can* help and it may just also raise greater awareness. Working with Paul, Josh, and the staff, we are exploring other "zero-waste" opportunities as well. Some may question why this is necessary and just what impact it may actually have. The fact is, there is little or no downside... it certainly can't hurt... and it's the right thing to do. Do you have other ideas? Please let me know.

The new 2020 Winter Menu has been very well received and Chef Josh and his team have been offering up some great weekly features this fall. Did you know that the features are updated on the BLYC website each week? Check it out under the "Gob's Mess" menu.

Again, I want to stress the importance of making reservations. We've made it easy for you with an online system and it really does go a long way towards helping us to plan and maintain appropriate staffing and inventory levels. Of course, we will always seek to accommodate members wishing to join us for dinner, but members with reservations will be given priority. Things will be busy around the Club this month. So, please make reservations early (and often).

I would like to wish everyone a safe and enjoyable holiday season and an exciting and prosperous New Year!

See you at the club!

ENTERTAINMENT

- Governor Jeff Hamilton

HAPPY HOLIDAYS!

Wow! This year has flown by. I can't believe that we are almost into a new year and a new decade. The holiday season is upon us and the fun continues at BLYC. Hopefully, you are in the holiday spirit and ready for some great times at BLYC.

The Holidays are always jam packed with parties and family gatherings, but it is nice to come to the Club and enjoy a nice dinner and listen to some wonderful entertainment. December will be a month full of holiday events that you do not want to miss. **Dave Bott** will be tickling the ivories and entertaining you on December 6th for Supper Club. Saturday, December 7th is the Big Ten Championship and hopefully our Buckeyes will be playing. Stay tuned for more details of game time and who we will be playing. December 8th is the annual Children's Christmas Party sponsored by the Auxiliary. This is always a wonderful event for the children and grandchildren of the Club members. Be sure to make your reservations with Julie Bruckelmeyer.

The **Lakeside Trio** will be warming our hearts on December 13th with a Christmas sing-along. The Adult Christmas Party will be on December

14th and **Jazz Gallery** will be performing. You can check them out on their website at www.jazzgalleryproject.com or on Facebook at Jazz Gallery Project. December 15th, is the Good Neighbor Christmas Party. This is an annual event for the children of the Buckeye Lake community and always leaves you feeling warm inside. **AJ Angelo** will be entertaining us on a special edition of Wet Your Whistle Wednesday on December 18th for our Annual Ugly Sweater Party. On Friday, December 20th, **Rick Barr** will be here for Supper Club and for the final Supper Club of the year, we will have **Big Bad Stache** as an acoustic duo on December 27th. Then for the Grand Finale of 2019, we will have our New Year's Eve party with the **Dave Schubach's Little Big Band** on December 31st. This year, we are having a theme that has not been done at BLYC to my knowledge. We are having a Masquerade Ball! It will be an elegant evening of mystery, dinner, and dancing. Masks are highly encouraged! Be sure to make your reservations early! Check the *Log*, the website, and at the Club for more details.

With some much needed work being completed at the Club, we will not have any events until our annual **Parrot Head Party** on January 18th. **Cat and Howard** will be here to entertain us for an evening

of fun as always. Euchre Sundays will return as well in January. Date and time to be determined so look for details in the January edition of the *Log*. The Speaker Series will be back beginning on January 23rd. Once again, P/C David Luttenberger has put together a series of interesting speakers that will run through March on Thursday evenings at 7:00 pm. The highlight of January will be the Buckeye Lake Winterfest on January 25th. We will be open to the public from 6:00 am to 5:00 pm and we will be having local artists showcasing their talents. We will need the help of our members that day. We will have many volunteer opportunities for you to help with. We will have information out on the website and a sign-up sheet at the Club.

Be sure to come out to the Club and warm up by the fireplace and have some fun this winter. Next year is going to be a year full of fun events. I am working on details for events and will have more information as the time comes. If you have any ideas for a party or a favorite band, be sure to reach out to me through the website or if you see me at the Club just let me know. I want to wish you a very joyous holiday season.

See you at the club!

HOUSE & GROUNDS

- Rear Commodore Charlie Campbell

It's winter and living in Ohio would make one believe we are good at handling cold. But, the truth is we try to keep the house as warm as it was in summer, when we complained about the heat!

Don't worry... Club winter preparations are complete — Firewood stacked, chairs lined up on the porch, outside/inside fireplaces ready, chimney swept, snow shovels out, ice salt ready, water lines drained, patio furniture stowed, umbrella covered, band tent put away, and so on... this is House & Grounds from behind the scenes. I want to again thank all who helped on Work Day. What a tremendous look the club takes when our members take care of it. We filled not one but two extra-long dumpsters!

Winter does not stop us from moving forward with projects:

- The club will be closed starting Thursday January 2, 2020 through January 12, 2020. We are removing/replacing the kitchen floor and refinishing the bar. On Thursday January 2, from 8:00 am to anytime dark thirty, the kitchen must be emptied. Yes, emptied – all food, appliances, plumbing, racks etc. If any member feels the need to rid themselves of some of those holiday gains, the Club is the place! Sign up sheets are posted. Come anytime leave anytime. All help is appreciated. The Club will be open when The Ohio State Buckeyes play and win the national championship game.
- Phase I of our seawall project and new pool fencing are now complete. So, Phase II now begins. It is behind the club. Upon completion there will be rental spaces for jet skis. (See Governor Brian Thom for details). During the construction, the rear area will be blocked off. All members are asked to enter and leave via the front door — Rear door for employees and deliveries only.
- The pool is being fitted with a chlorine injector. This will appreciatively enhance our ability to limit the growth of algae and control the quality of water.

There are many members who contribute to the successes of our club. P/C Dick is one. We were in need of a new reach-in freezer and refrigerator. The club now enjoys them. Thank you.

Kudos times 20 to the BLYC Auxiliary....

FINANCE COMMITTEE

The finance committee prepared the annual budget for the 2019-2020 fiscal year and submitted it to the Board for review and approval. In November the Board and the Trustees approved the budget and we're happy to report there are no increases in dues, capital improvement fees, garage rental fees, or dock rental fees for the upcoming billing period. As we reported last month, the rental rate for Eastport boat storage will be increased to \$395 per space in 2020.

Based upon our project list for the fiscal year we expect to invest in excess of \$300,000 in capital improvement projects. The list includes completing the seawall around the pool, adding a seawall with personal watercraft docks across the back of the Club, demolishing the house near the entrance, replacing the kitchen floor, rebalancing the electrical system and adding a street side parking lot gate to name a few. We've reached out to the Auxiliary to assist with the cost of some of the other projects. Over the last several years, the Auxiliary led White Party fundraiser has allowed us to undertake more needed improvements like replacing the stairs from the porch to the pool, repairing the awnings over the cook area and around the entertainment deck, purchasing beautiful rockers, and ordering new chairs for the pool area.

GOOD NEIGHBOR COMMITTEE

THERE'S STILL TIME TO GET INVOLVED!

For the past 18 years, BLYC has been the home to a Christmas Party hosted for over 120 less-fortunate children of the Buckeye Lake area, and we need your help to make it a success this year.

How does it work?

Lakewood Schools will select families in need from the area, and each child provides us with a Christmas wish list for the committee to utilize when shopping. The committee asks members to sponsor a child for \$50.

When is the party?

The Christmas Party is December 15th from 2:00 pm to 4:00 pm at BLYC.

Interested in shopping?

We are always in need of shoppers. Please contact us at GoodNeighborCommittee@gmail.com if you would be willing to shop.

Looking to donate to this cause?

Each year we are able to increase the amount spent per child on toys and clothing through generous donations from members and local businesses; all at no cost to the Club. Last year, members donated over \$13,000! Thanks to your generosity, we were able to sponsor over 125 children at \$100 each.

BLYC AUXILIARY

HAPPY HOLIDAYS!

We're looking forward to the Holidays at BLYC! Mark your calendars for the next auxiliary meeting Thursday, December 12th. We will have dinner from 6:00 to 7:00 pm, a meeting from 7:00 to 8:00 pm, and a holiday cookie exchange. Please bring two dozen cookies to share and a bin to take your cookies home with you. Chef Josh is creating a special holiday dinner for this event. The cost is \$15 per person with coffee and tea included along with one holiday hot chocolate. Please call the Club to reserve the holiday dinner as soon as possible so Chef can plan for all who would like to participate. (BLYC Officers who are meeting that night are also welcome to reserve the holiday dinner). This time is for you — everyone is invited! Please join us for the evening. However, don't let this stop you from coming last minute! And... bring a friend, spouse, partner, or bar buddy! The BLYC Childrens' Christmas party & brunch will be December 8th from 11:00 am - 1:00 pm. There will be children's activities during the brunch hours and Santa will arrive at 1:00 pm. Please RSVP to the club for brunch reservations or go online to reserve brunch. The Club will be providing Julie Bruckelmeyer

the names of the children, age & gender from your comments section provided in the reservation. Please feel free to reach out to Julie Bruckelmeyer at mbruckel@columbus.rr.com with questions about the event. Please reserve spaces for children through the club or on the form on the website even if you're not attending the brunch.

MEMBERSHIP DUES DRAWING

You'll find a form on the next page of this *Log* for the Annual Membership Dues Drawing. This is a fundraiser for the Auxiliary that helps us support our favorite Junior Sailors (BLYC Junior Sailing is a 501c3) and they will receive 50% of the net profits. You have the opportunity to enter the drawing for \$35 to have your 2020 membership dues paid. So... take a chance, or two, or three, or more (\$35 each) to win! Information is available in this publication, from an Auxiliary officer, or at the Gob's Mess bar. Raffle tickets must be purchased by December 29th, with the drawing at the Club's New Year's Eve Party. You do not need to be present to win!

Thanks to your generosity at the White Hot Summer Nights fundraiser, twenty new rockers are available for your enjoyment on the front porch. New pool furniture is also on order for the 2020

swimming season. Members wishing to sponsor a rocking chair may contribute \$300 (covering the cost of the chair and a plaque for the back of the chair to commemorate your generosity.) You can see your dollars at work! Join us in thanking Rear Commodore Charlie Campbell for supervising this year's projects from start to finish!

Thank you for your donations of candy for Buckeye Lake Trunk or Treat. Children and their families weathered sleet to find BLYC & the greater Buckeye Lake Community there at the Community Center providing treats for their enjoyment. The Auxiliary will again join Club members this year in supporting the Good Neighbor Christmas Party. Thank you to the Good Neighbor Committee (now headed by Mallory Sherer, daughter of Commodore Greg Miller and Lady Karen) for heading this event that brings so much joy to the Club members who donate as well as the children! The feedback received from the children annually is both gracious and heartwarming.

Merry Christmas and a Happy New Year from Your Auxiliary Officer Team!

Newt Davis at MA 4493 or DO 5534

IMPORTANT... NO LIQUOR IS SERVED at the
Fiesta Club. So.... BRING YOUR OWN LIQUOR.

This was clearly a different time. I'm not certain that even the most die-hard partiers at BLYC today would welcome in the New Year into the wee hours of the morning like they did in 1951. But, then again...

New Year's 1950-1951, our Commodore was Gus Schell. Those who have been around for several years likely remember Gus. He remained active at BLYC, and in I-LYA, up until he passed away in late 2012... just shy of his 100th birthday. If any Commodore could host a party that ran well into the evening with breakfast served at 1:30 am, its probably safe to say that Gus would certainly be one.

Celebrating New Year's has long-been a tradition at BLYC. On January 1st, 1913, BLYC held it's annual "Tar Social" at the Hartman Hotel. The first reference, however, to a New Year's Eve party is in 1947, apparently at the Clubhouse. That fall, oil-fired heaters were installed in the Clubhouse "to stimulate even greater off season activities." The 1950 party was the first to go "off site" to the Fiesta Club and it seems that this tradition continued for many years. Interestingly enough, although the New Year's Eve Party certainly continued well into the next morning, according to Commodore Armstrong's book, *Story of the Buckeye Lake Yacht Club*, the following day, "The New Year's Day Sauerkraut-Sparerib-Backbone Dinner was served by the new Stewardess and Steward..." at the Clubhouse. Members back then really knew how to make the most of a holiday! Having been fortunate to be reveled in stories of earlier days at the Club by Commodores Schell, Fisher, Lambrecht, and others, I can only imagine what a great time New Year's 1951 at BLYC must have been!

Considering that Gus (an avid Buckeye fan) was our Commodore that year, I couldn't resist but to check OSU's record for the 1950 football season. Unfortunately, OSU didn't play in a New Year's Day Bowl Game in 1951. That was the year of the infamous "Snow Bowl" in November and, unfortunately, yet another loss to the "team up north." Although all was not lost — OSU finished 10th in the Coaches Poll, 14th in the AP, and Vic Janowicz recieved the Heisman Trophy that year! Hopefully, our Buckeyes aren't playing in a *New Year's Day* bowl this year either... and maybe once again a Buckeye will earn the Heisman?

I don't know if we'll have sauerkraut, spareribs, and "backbone" on January 1st at the Club this year, but we can certainly come enjoy the bowl games and each other's company.

Whether on the 31st or the 1st,
Let's Party like its 1950!
