HAPPY NEW YEAR!

What a fantastic holiday season! It was great to see our members taking advantage of all the fun festivities the Club had to offer. The awesome decorations, children's programs, and festive holiday entertainment enhanced the cheerful atmosphere and fostered camaraderie and fellowship throughout the season. While the weather may be frightful in January, we plan to continue offering entertainment and activities that are delightful. Returning to the Club in late January will be the Thursday Speaker Series, Sunday Euchre games, the Parrot Head Party, and Winterfest. In January we are scheduled to be open on the 1st for the bowl games. We will be hosting Supper Club entertainment this month and dance classes are also on the horizon, so stay tuned.

As a reminder, the Club will be closed from January 2nd through January 12th. This will allow us to replace the kitchen floor and refinish the bar top. The kitchen floor has been repaired several times in recent years but the tile continues to crack and break

and the floor must be reinforced and tile replaced with restaurant grade material. Our plan is to take advantage of the closure and perform other needed maintenance like properly refinishing the bar top. We will be open on Monday, January 13th to cheer on the Buckeyes in the National Championship Game.

We continue to assess our historic structure and strive to make the best use of our limited space. The Board, with concurrence from the Trustees, have approved an effort to remodel the upstairs space for our administrative offices and the junior activity room. We already have a few donations for both spaces and, like the past improvements to the history room and cupola, we are seeking donations and asking for volunteers to help complete the projects. The current junior activity room, which abuts the history room, will be remodeled and become our new administrative offices. The current office space will then be remodeled and become the new junior room. We are committed to preserving the historic look of the spaces and expect to have the changes completed this winter. More information will follow on how members can participate.

One note about winter weather... it seems like at least once each year we face the need to close or modify our hours due to inclement weather and safety concerns for our staff & members. We are committed to getting the information out to you as soon as practicable in these situations. If you haven't already done so, I encourage you to follow us on Twitter & Facebook and to sign up for the weekly e-News. These are our primary vehicles for getting such last-minute information out.

See you at the Club!

Commodore Mark Pyle

FINANCE COMMITTEE

The annual dues and docks billing statements will be arriving in your mailboxes soon. Payments are due by March 1, 2020. We are fortunate that we did not have to raise the dues or dock charges for 2020. However, with significant repair and capital improvement projects still in the queue for the next several years, members should expect an increase next year.

As a reminder, members can pay dues or dock fees by check or credit card. Take note that we add a 3% convenience fee to dues and dock payments made by credit card to cover the fee the Club is charged by the credit card companies. The convenience fee was approved and put in place a few years ago.

A New Year!... A National Championship?

As we ring in the new year, we're all excited, not only for the upcoming boating season (only 16 weeks until "Full Pool"), but also for the prospect that our beloved Buckeyes will be playing in just over a week for another National Championship. I'm excited for two reasons - One, everyone knows I'm a huge Buckeye Football Fan, and second, I want to see Rear Commodore Campbell bust his tail to get the maintenance work done early so that we can be open for the game! Seriously though, what a great way to start what is sure to be an exciting new year at BLYC!

As Commodore Pyle mentioned, we will soon start the remodeling project upstairs to make better use of the space and provide for much needed improvements to our business office. Like our Library and Cupola project a few years back, much of this will be done with volunteers and we need your donations to help bring the project to fruition. If you interested in learning more about our plans, please don't hesitate to ask. It's exciting what we can accomplish when our members come together to get a project done. We've already got a lot of the work covered but we're also looking for members with specific expertise. In particular, one of the biggest challenges will be moving all of our phone, cable, and networking into the new office space. If this is an area you have expertise in... WE WANT YOU! If you have other skills you want to share, please let me know. Of course, all support is appreciated and welcome. This will be a much needed improvement for the business side of the Club operation.

Going forward, we're looking at some exciting new plans and improvements in the bar & kitchen operation. Stay tuned...

GO BUCKS! See you at the club!

Bruce Ames

SHAKE OFF THE WINTER BLUES!

Looking for something fun to do on Sunday afternoons this winter?

Join your fellow BLYC friends for our weekly Euchre Tournament!

Sundays - 1:00 pm
Starting January 19th

Players of all Skill Levels are Welcome
COME JOIN THE FUN!

ENTERTAINMENT

- Governor Jeff Hamilton

It's a new dawn... It's a new day... It's a new DECADE!

Wow! Those are not the correct words to the song but they are fitting because we are in a new decade. I am so excited for a new decade and ready to make more memories at BLYC.

Happy New Year! I hope everyone had a wonderful holiday season and I hope that you were able to spend time with friends and family. Hopefully, you were able to spend time with your BLYC family as well.

With it being a new decade, I have been thinking about what kind of events to do for this year. We will definitely have plenty of events throughout the year but I am wanting to have some different types of events as well. I want to celebrate the decades of the past and celebrate the decades that a lot of us grew up in. I have several ideas that I am working on but if you have ideas for parties or events, please feel free to reach out to me. Entertainment does not have to be just about music. I am always looking for help to plan parties.

With the Club being shut down for several days for maintenance, we will not start having any entertainment until the work has been completed. We start off on January 17th with the wonderful sounds of

Pete Mernedakis. He will be entertaining you for Supper Club from 7:00-10:00 pm. On January 18th, we will have our annual **Parrot Head Party.** We will have **Cat and Howard** here to sing the night away. This is a fun event and it a great way to shake off the winter blues. So grab a pair of shorts, some flip-flops, a Hawaiian shirt and come join the fun.

Euchre will be back this month as well. We will start on January 19th at 1:00 pm. If you are an avid player or just to like to have fun, come on out to the Club and have some fun with your friends and make some new ones.

Winterfest is on January 25th and it is always a fun day at Buckeye Lake! BLYC will be open to the public beginning at 6:30 am and will continue until 5:00 pm. We will host the Art Show again this year. We have lined up local artists from Buckeye Lake and the Central Ohio area. We will also have entertainment throughout the day. Beginning at 9:00 am, we will have **Kelly Vaughn** playing until noon. **Jason Turpening** will be playing from 1:00 pm to 5:00 pm. We can't pull this event off without the help of our volunteers. If you haven't signed up to volunteer, please visit the BLYC website and look for the details there. This is great way to showcase our Club. Getting just one new member that day makes it all

worthwhile. Bring your friends and enjoy Winterfest 2020. Hopefully Benny eats the minnow and we will have an early spring.

Our **Speaker Series** is back again this year. P/C David Luttenberger has planned speakers through the end of March on Thursday evenings. All of the talks begin at 7:00 pm. He has enlisted speakers on a wide variety of topics. Beginning on January 30th, we will have Dick Williams who will be speaking about the Beatles on Ed Sullivan. I will have the rest of the speakers on the Club Calendar and on the website as well.

To end the month, we will have the talented guitarist **Terry Efaw** playing Supper Club on January 31st from 7:00 until 10:00 pm. Terry is a founding member of the band McGuffey Lane.

Looking forward to February, we will continue to have the Speaker Series on Thursday evenings except for February 13th. We will have a **Valentine's Day dinner** with a string quartet playing that evening. We will also have the **Mardi Gras Party** on February 22nd with the **Mike Roberts Band** returning.

Stay warm and stay tuned for more information on events happening at the Club!

Only 80 more days until Spring!

MEMBERSHIP

- Governor Greg Tobias

I trust that everyone had a safe and enjoyable holiday season and hope that you were able to enjoy time with family and friends. While it may be winter outside, the new year has begun and, before you know it, boating season will be here! Our membership continues to grow and we welcome six new members to BLYC this month. Please join me in welcoming them and please say "Hello" and make them feel welcome if you see them at the Club:

Dean Veneziano

William Gibson

Stuart (Scott) Sadoff

Chris McIntosh

Scott K Halstead

Jim Robinson

As we prepare for what is sure to be a busy summer at the lake this season, don't forget that BLYC is a "hidden gem" of our lake community. With the renewed excitement around the lake, our community is always welcoming new residents. Do you have a friend who recently relocated here? Why not reach out to them about the Club? Bring them for dinner, one of the fun winter parties, or the Speaker Series. Let's not keep the Club a secret. The more the merrier!

As always, please contact me, Toby Tobias, if you have any questions about memberships or want assistance in showing potential members around the club.

See you at the Club!

HOUSE & GROUNDS

- Rear Commodore Charlie Campbell

WOW its 2020!!

A short reflection on a few of the accomplishments of House & Grounds during 2019... Phase I of the seawall project completed — replacement of fence around pool and rear of club — entrance gates on docks — original iron gate welcoming each member to the club refurbished and back in its place — clean-up of our under-club storage — installation of wireless access points for the new handheld food & beverage electronic pads — pool leaks stopped — and... and... and... It was a phenomenal, successful year for club improvements.

As we enjoy all of these accomplishments, its now time to move forward with our continuing improvement program. As you come to the club after it being closed for a few weeks, you will see a new look to our kitchen and bar. The kitchen floor is being replaced and kitchen appliances rearranged. Our awesome classic boat replica bar is being refinished by Matt Zimmerman of Zimmerman Boat Works— thus providing many more years of “bellying up.” Phase II of the seawall project is ready to start but we are in a holding mode as we wait for ODNR to issue a permit for us to start. Understand, I write this article in December so maybe by the time you receive it, we will have their permission. A new outside cooking awning is being constructed and will be ready for use when our outside activities begin this spring. We will be moving the club office to the current junior room and moving them to the current office. As the year progresses, House & Grounds will continuously strive to improve and maintain the club. With this said, it is you — our members and our staff — who make these improvements and our club what it is — **THE** best place on the lake!

As you are aware, its winter — so be careful when coming up the steps to the club and across the bridge as they can be slippery.

Until Next Time... Be Safe

Charlie Campbell
House & Grounds

RACE & REGATTA

- Governor David Paligo

Ahoy all sailors and want-to-be sailors!

Allow me to generalize and say there are two kinds of people living at or around Buckeye Lake — those who complain about winter and those who find recreation in it. The Farmers’ Almanac is predicting we will experience colder-than-normal temperatures for much of the winter. So why am I even mentioning this? I would like to bring up the subject about a different kind of winter activity for the hardy souls.

There are two kinds of sailing: soft-water sailing and hard-water sailing. Ice yachting is the sport of sailing and racing iceboats. An ice boat (often spelled as “iceboat”) is a boat or a purpose-built framework similar in functional design to a sail boat but fitted with skis or runners (skates) and designed to run over ice (hard water) instead of through (soft) water. I know there are several members who own iceboats, so dust them off, check that rigging and let’s get out on that hard water for some winter FUN.

For the not-so-hardy souls, do not let gloomy winter thoughts cloud your horizon, as you can see below, indoor sailing activities will continue all winter long.

2020 Boating and Sailing Seminars

- Sunday, January 26: **All Hands Skipper/Crew/Fleet Meeting**
(2:00 pm – 4:00 pm)
- Sunday, February 9: **Introduction to Sailing - Part 1**
(3:00 pm – 4:00 pm)
- Sunday, February 16: **Introduction to Sailing - Part 2**
(3:00 pm – 4:00 pm)
- Saturday, February 29: **Ohio Boating Education Course**
(8:00 am – 5:00 pm)
- Sunday, March 8: **Race Committee RC-101**
(1:00 pm – 3:00 pm)
- Sunday, March 29: **Racing Rules of Sailing – Part 2**
(1:00 pm – 3:00 pm)

Another way to stay up on the latest sailing information is to subscribe to our Buckeye Lake Sailing mailing list — “Notice Board”. The sign up is located in the lower right-hand corner on the website’s main page.

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

HAPPY NEW YEAR!

2020 is going to be an exciting year for your Junior Training program. The Buckeye Lake Yacht Club Juniors will again be hosting the first **I-LYA Travelers's Series Regatta on May 30, 2020**. We can expect 125+ sailors and their families and friends for this event. The Yacht Club set the standard for hosting the Travelers Series last year and I have no doubt we will do the same this year. To pull this off we will need ALL HANDS ON DECK!

There will be a Junior Training planning meeting at the Club on January 18th from 10:00 am - Noon. Please mark your calendars and plan on attending as we will be drawing out our plans for events and programs for the year. The program is for all Children and Grandchildren of members of the Club. Bring the Juniors and bring your ideas!

Boating season is right around the corner so be sure to attend the ODNR Powerboat License Class on February 29. Watch the February Log for further details!

Fair Winds and Following Seas!

Mike Bruckelmeyer

COMMUNICATIONS

- Governor Barbara Hein

Happy New Year to all, may this be your best decade!

As I reflect on my years at BLYC, I come up with my "heart-felt memory." It is from the 4th of July, Colonel Preston arranging the fly by in the morning (just like Vice Commodore Ames arranged for Memorial Day this past year) and the fireworks in the evening with the American Flag lit up in the night sky. Please send me your heart-felt memory of life at BLYC and I'll share it in the Log.

Shared Memory...

Dr. Keith Crompton shared, "My dad noted in his 1943 diary that he attended a stag party on March 20 at the yacht club. Later that year he noted he paid the YC dues of \$15 plus tax." Thanks for your story!

This year with all of the fun-filled activities, make sure to mark your calendars — You don't want to miss a one! Please pick up your directory at the Club and send me your pictures. blychein@gmail.com

I look forward to talking to you.

BLYC AUXILIARY

On Monday, January 20th at 6:00 pm, the Auxiliary is having an activity for all to enjoy. We will hold this activity at the Harbor Community Center in the Village of Buckeye Lake. We will start off with Kitty discussing what the center has to offer to the community. Then, the Yoga instructor will give a free class and we will end with everyone trying out the equipment for free.

In February, March, and April the Auxiliary will be having dance lessons at BLYC. Details are being finalized but, they will probably be on Wednesday evenings. More information will come later. The lessons are free and we would love for you to bring a friend.

WHAT IS BUCKEYE LAKE 2036?

Buckeye Lake Region 2036 (BLR2036) is a grassroots Declaration created in January 2016 by over 270 volunteers to chart the economic growth of Buckeye Lake Region, in order to improve the well-being and prosperity of its residents and businesses.

Buckeye Lake Region Corporation (BLR Corporation) is a non-profit organization open to all political and civic entities of the tri-county Buckeye Lake Region, created to coordinate and implement the mission outlined in BLR2036.

LOOKING AFT

- P/C Steve Harris, BLYC Historian

Our Own Island Home!

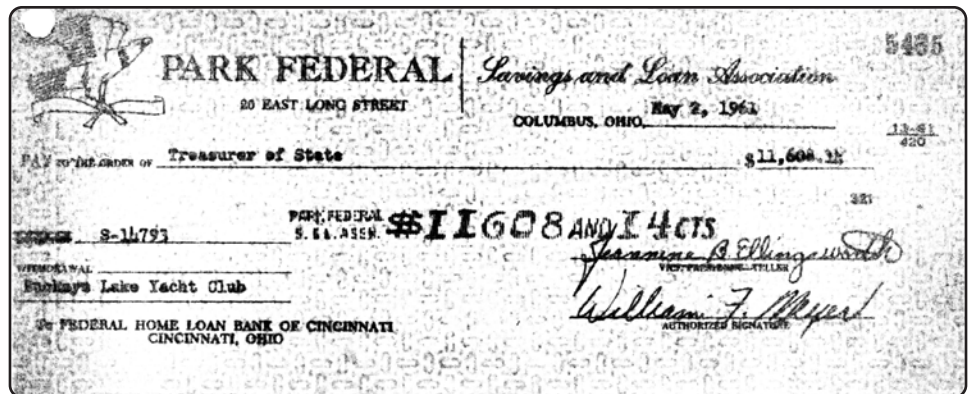

Today we, the members of BLYC, call Watkins Island home. While we have done so since 1907, its been "ours" for just half of our history, and it hasn't always been known as "Watkins" Island. In fact, in the beginning, it was barely an island at all!

When the Club was formed in the spring of 1906, it held its early events at various locations around the lake — in particular, the Lake Tourist Hotel on the south shore. Certainly, finding a permanent home for the Club was of paramount importance and, in 1907, several members formed the Buckeye Lake Building Company, a for profit corporation, to sell shares in order to finance a Clubhouse. In that time, the State of Ohio, specifically the Canal Commission and later the State Board of Public Works, owned most of the land surrounding, and all of the islands within, the lake. Those lands were then leased to the citizens for private use.

The Building Company first tried to assume ownership of a delinquent lease on Castle Island, but the lessee got wind of the effort and paid his arrears. Later, the Building Company was able to buy out the lease held by Colonel William Wells, an early BLYC member, on a spot of "sometimes land... surrounded by always shallow water... and, in spring, often flooded completely" known as "Sunken Island" at a cost of \$3.00 per year. A somewhat spartan "clubhouse" and boathouses were erected that year on the east edge of the island and efforts to dredge the surrounding waters and raise the island began.

Sunken Island, although unique, is not a particularly attractive name — especially for a "Yacht Club." But, it was our home and the young Buckeye Lake Yacht Club grew and enjoyed many activities there.

Instrumental in both the founding of the Club and in the many improvements at Buckeye Lake was George Watkins. Watkins had served as the Ohio Erie Canal Superintendent and, later, as the President of the Board of Public Works. At the Club's Annual "Tar Social" in April of 1908

"Uncle George" reported on the many improvements thus far accomplished at the lake — new waste weirs, repairs to the leaking dam, and a significant increase in boat registrations — all monies from which were designated for further improvements at Buckeye Lake. He was met with "irrepressible applause" and, on the spot, the members of BLYC voted to rename "Sunken Island" to "Watkins Island" in his honor and in appreciation for his good works at Buckeye Lake. The island was finally, officially, dedicated as such on July 4, 1925 with a bronze plaque hanging in, what was that season, the "new" dining room.

The first clubhouse was barely adequate, but it served its purpose well. As the Club grew through the early 1900's several key members joined, purchased shares in the Building Company, and brought both their talents and passion to the effort of building a "real" Clubhouse on Watkins Island. Among these were Harry Freeman, a Columbus real estate developer (who later also developed Harbor Hills), Walter Whitacre, a Columbus lumberman, and Harry Holbrook, a noted Columbus architect (who also designed the Midland Theater in Newark.) These men made the new clubhouse, our current Clubhouse, a reality. Completed and dedicated in the spring of 1913, it was built at a cost of \$5,000, for which the Club would pay annual rent to the Buckeye Lake Building Company of \$800 per year.

By the 1930's, BLYC had secured control of the majority of shares in the Building Company. The Building Company was dissolved and its ownership of the Clubhouse was transferred to BLYC. BLYC assumed the Building Company's lease on the island in December of 1938, now at a significantly higher annual rate

than that originally paid by Col. Wells. For years, BLYC continued in its beautiful, Victorian-style Clubhouse on Watkins Island — leased from the State of Ohio. In the fall of 1957, the State passed a resolution declaring the lands in, and much of the lands surrounding Buckeye Lake, Indian Lake, and Grand Lake St. Mary's (all previously canal reservoirs) as "unnecessary" for public use and offered them for sale to the leaseholders — including offering Watkins Island to BLYC. The Club had the land appraised and arrived at a value of around \$5,000. Although a lot of money, it was certainly possible. BLYC had over \$9,000 in savings earmarked for "land purchase." However, when the State presented their offer in June of 1960, it included nearly 30% more land — much of it underwater — than that which the Club had based its estimate on... and at a higher price. The total cost would now be over \$11,000! Although meeting minutes from the time are incomplete, it is clear that there was much discussion and disagreement on proceeding with the purchase. After all, why would the Club want to pay for land that was covered by water? In the end, the purchase was approved by the Board of Trustees in August of 1960, the payment was made to the State of Ohio on May 2nd and, on May 22, 1961 the Quit Claim Deed transferring ownership of Watkins Island to BLYC forever was signed by Ohio Governor Michael DiSalle.

Incidentally, most of the "extra" land included in the sale is between Watkins Island and Northbank. Fifty-five years later, in 2016, that fact was critical in our negotiations to maintain our access to and our ability to use the island and Clubhouse during and following the dam remediation project... Money well spent.
