COMMODORE MARK PYLE

A Commodore's Ode to the Times...

I was sittin' at the bar tryin' to improve my disposition,
When Commodore Don Harris made a simple proposition.
He said, "run for the Board, I think the time is right."
But I calmly said, "Don, I just don't look good in white."
No matter what I argued he was persistent you see,
He held the bar tab open and got the better of me.
Five years later I'm at the end of an adventurous term.
I can say this Board's successes this year have truly been earned.
Your Governors adapted to the State's ever-changing rules,
Laser focused on camps, restaurants, bars, entertainment, pools.
I'm proud of the accomplishments we made along the way,
All were done with an eye toward the promise of another day.
We held an Annual meeting with numbers never seen before,
Free entertainment and beer had 'em lined up out the door.
The pool was repaired and finished the west seawall,

A refurbished front gate and fancy fence installed
We hosted tailgates, parties, sing-alongs, and masquerades,
We were on a roll and nothing stood in our way
Winter brought the first Club shutdown in years,
Remodeled the kitchen, refinished the bar — Cheers!
Hired a General Manager to plan a new course,
Remodeled the office, something all could endorse.
All engines churning, new members joined, entertainment booked,
Communications planned and dock orders took.
And then it hit, as we all felt its chilling effect,
Clearly Covid-19 was the enemy on deck.
From that moment on we scrambled to adapt
Orders and mandates placed on our backs
The Board and Trustees Zoomed bi-weekly in order to adhere.
To overhaul what was carefully planned for an entire year
Since March the time and memories are often quite a blur,
But we've made lots of changes and the Club engine still purrs.
We hosted sailing camps and sailboat races on Sunday,
Entertainment with masks, outside dining and pool fun days.
Our capital projects and repairs continued to take place,
As we did our best to maintain all of our precious space.
So, I must thank the men and women who dare to wear white,
Without all their efforts it would have been a losing fight.
Many might say, "you should have done more,"
To those I reply, "you need to run for the Board"
Most importantly to my first mate, my wife,
Thanks to Anna — my bright beacon in the night!
Good Luck to the next Board, I hope for the best,
Because it's soon time for the Pyle's to take a rest.
Thanks to all for your support!!!

Commodore Mark Pyle

ENTERTAINMENT

- Governor Jeff Hamilton

Time Flies when You're Having Fun at BLYC!

It is so hard to believe that we are now in September. This summer has just flown by. Now we get to look forward to cooler temperatures and football season. Well... that is if there is a football season. We were very fortunate this summer. We were allowed to have entertainment and we made the most of it. We had some great events and I hope that you were able to attend some of them. Going into the fall, we will continue to have some wonderful entertainment.

There have been so many changes to our normal lives this year. Hopefully, we will be getting back to a somewhat normal life soon. One of the new changes at BLYC is the hours for alcohol service. We must cut off alcohol sales by 10:00 pm. Starting this month, entertainment will be starting at 6:30 and ending at 9:30 pm.

We start the month off with Labor Day weekend. On Friday, September 4th, we will have the **Lakeside Trio** entertaining us from 6:30-9:30. **The Paul Clark Party Band** will be rocking it out on September 5th from 4:00 to 8:00 pm. We will also have the **Kentucky Derby** on the big screen if it is not canceled. To finish out the holiday weekend, we will have **Big Bad Stache** return on Sunday, September 6th from 6:30 to 9:30 pm.

For Supper Club on September 11th, we will have a new performer to BLYC. **Hot Tonic** will be entertaining you from 6:30-9:30. Hot Tonic is a swinging acoustic based band that merges Americana/roots music with vintage swig/gypsy jazz, with vintage takes on popular songs. You can check them out at Hottonicmusic.com or at Facebook. [com/hottonic](https://www.facebook.com/hottonic).

We bring back **Thirsty Thursday** on September 17th with no other than **AJ Angelo**. He will be strumming his guitar and singing from 6:30-9:30. There will be no entertainment on September 18th for the **Candidates Night**. That will be entertaining in itself. Come out and hear the candidates talk about why they would like to be on the Board of Governors. I am up for re-election this year and I look forward to telling you why I would

like to continue on the Board. Sunday, September 20th, is the **Porch Picnic and the Elections**. Come out to the Club beginning at 9:00 am through 1:00 pm to cast your vote and to have some wonderful food served by the candidates vying for votes. With all of the changes due to the coronavirus, there will be changes to the logistics of the Porch Picnic. Please see the weekly e-News for updates. We will also have the **Annual Meeting** on Sunday September 20th at 2:00 pm. Please check the website and weekly e-News for how we are going to be able to have the meeting. The final weekend of September, we will have **Dave Bott** playing Supper Club on September 25th from 6:30-9:30.

I am finishing out my second year as Governor for Entertainment and I have thoroughly enjoyed every minute of it. I know that you can't please everyone, but I hope that I have raised the bar on entertainment. I hope that the people that have played here over the past two years either being new or a veteran to BLYC has been a pleasure to listen to. Coming into this position, I really had no idea what I was doing. I knew that all I wanted to do was to make it better. I feel that I have accomplished that.

As I mentioned earlier, I am up for re-election this year. I would be honored to serve another term on the Board of Governors and I humbly ask for your vote. It is the Commodore's decision who he or she would like to place in what position. If re-elected, I look forward to working with our new Commodore Bruce Ames in whatever capacity he chooses for me. Thank you to all of the Club members who have supported me over the last two years during my term as Governor.

Finally, please don't forget to check out the website for the full list of entertainment and look at the listings posted at the Club. Also, please make sure that you make your reservations either online or by calling the Club. With the guidelines that we now have in place, reservations are required.

Cheers!

HOUSE & GROUNDS

- Rear Commodore Charlie Campbell

For House & Grounds, the first half of 2020 has been successfully busy. We have resealed & lined the parking lot, built a new shade awning by the pool, (thanks to the Auxiliary, we installed a new cooking tent/have new rocking chairs/new pool chairs but can't use them right now), tore down the 2 story house to make way for an electronic gate, installed a new tile floor in the kitchen, refinished the bar, built new stairs from the porch to the pool area, prepared for a new roof and new docks behind the club, and new electric install. Plus... the everyday pool maintenance and grounds repairs. I will continuously repeat myself about the cooperation of my staff, the members, Rebecca, and our board. In the near future we are:

- September 13 — Pool Closes
- September 21 — New Roof
- September 21 — Rear Basin Dock & Seawall Construction
- September or early October — (date TBA) Club Cleaning
- October/November — Repair Docks after Boat Removal

Wearing a mask while in the Club and not seated is **required** by Health Department re regulations. The door latch at dock area 800 is still allowing me to come to the lake on numerous unplanned occasions.... **WORKING ON IT!**

Please join us on September 20th to **VOTE**. Hopefully, your favorite candidate will be elected. Either way, please continue to support your Board.

Until next time, Be Safe!

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

As we wrap up the 2020 summer season on Buckeye Lake, I must reflect on the fantastic season we have had under the most trying of circumstances. I, and especially our Juniors, are extremely grateful for the support from the Buckeye Lake Yacht Club Members. We are all very fortunate to be part of such a wonderful Club. We have had a busy year and there is a lot to do get ready for the winter and plan for next year. I am planning on having a Junior Work Day on September 19th. Details on the TO DO list will be sent via email.

Finally, I encourage ALL voting members to attend the Election and Annual Meeting on September 20th. I hope to see you there.

BAR & KITCHEN

- Vice Commodore Bruce Ames

What a Year!

We started this Club year recognizing the need to change our management structure in the bar & kitchen operation. It was decided that our "de-centralized" system was no longer the most effective and it was time to hire an overall General Manager for the Club. I think we hit a home run! We are very fortunate to have had Rodney join us in January, bringing his decades of experience to our Club. Almost instantly, we saw benefit as both service and quality were improved under his leadership. Then... disaster! We know all too well how the coronavirus pandemic has disrupted our lives. When the announcement to close was made, it looked very grim for the Club. But Rodney, Chef Josh, and the entire staff stepped up, adapted and made things even better than before — Curbside To-Go, followed by Dockside To-Go service kept the Club open, our staff employed and also introduced new services to our members. The hours that they put into our re-opening plans to maintain social distancing and the safety of both members and employees have paid off through a very successful summer season. Hopefully, in the near future, things can return to normal and we won't have to limit on-site service as much as we do today, but I am confident that many of the procedures Rodney and the staff have developed through this challenge will continue to pay great benefit once things get back to "normal." ***Kudos to all of them!***

As the summer winds down, many of our seasonal staff members are returning to school. I, for one, think that they did a fabulous job for us this summer. Please join me in wishing them the best and thanking them for being a part of our BLYC family this summer.

As I write this, we look forward to the start of another Club year. When I first ran for the Board, I never would've guessed that I would be assuming the helm in such an uncertain time. As scary as it may seem, I know that the Club will be fine, thanks in great part to the calm leadership of Commodore Pyle. Mark, you've laid a solid foundation on which we will continue to build. I cannot express my appreciation enough. I can't think of anyone better to follow. ***Thank you for your service to BLYC and our members!***

As you will read elsewhere in this issue of the *Log*, we are currently exploring options on how best to conduct elections in this time of social distancing. Whether the final result is an online option or drive-up "curbside" voting in the parking lot, we will have options available for our member who are not comfortable or able to join us on the porch on election day. Details are being finalized and will be shared via the Club website, Facebook page, and the weekly e-News. ***Please vote!*** We have a great slate of candidates this year, all of whom I would be honored to serve with on the Board!

See you at the Club!

Bruce Ames

DOCKS & RENTALS

- Governor Brian Thom

The season isn't over yet!...

It's been a crazy summer, but I am thankful that we've all been able to enjoy our lake again this year. Docks & rentals isn't the most glorious or visible job on the Board, but I have enjoyed working with all of you this year to help provide this great benefit of membership in the Club. We've had our challenges, but we always do. We will continue to work on them, streamline the process, and keep boating at the forefront in our Club activity. Thank you for your support.

The season isn't over yet... but, sadly, as we return to fall activities, it is time to start planning for getting boats out of the water, buttoning them up for the winter, and, for most of us, doing all those small maintenance projects that we may have put off over the summer when enjoying the water was a higher priority. I encourage all of you to make your plans early as the marinas will certainly be busy this fall and you don't want to get caught pulling your boat in snow (trust me, it happens). I would ask that while you're planning your off-season maintenance you help us plan ours as well. If there are issues with your dock or docking area — repairs, etc. — please drop me an email so that I can get them on our list as we prioritize our needs for the coming year this fall.

BIRDS! I don't know what to say. The variety of waterfowl on the lake are part of its natural beauty. But, the mess that they can make on the docks? Well... We continue to explore options to help mitigate the problem, but there's only so much we can do. Thank you for your patience and cooperation.

See you at the Club

MEMBERSHIP

- Governor Greg Tobias

Despite all the issues with the pandemic we have had a great summer at the club. With a little luck maybe we can still have a great late summer and early fall. For the month of August we have accepted 10 new members:

Travis & Ashley Milliser — Andrea Ryan

Mark Stauch & Sylvia Knoetze

David Moran & Teresa Bower

Eric & Emily Lash — Gary & Rebecca Buehl

Frankie Tackett & Lisa Disalve

Adam & Holly Mitchell — Kenneth & Sandy Warner

Clayton & Lisa Gibson

I want to apologize for the misspelling of two new members in our September Log. The correct spellings are *Tom Blaies* and *Kaleigh Lambert*. I would also like to welcome our new junior member and sailor *Kyle Buchwalter*. Interest in our club is still running very strong and I will always make myself available to assist with any new perspective members with regards to membership to the BLYC

RACE & REGATTA

- Governor David Paligo

Simply stated, Sailors want to sail...

This year of the Covid-19 pandemic has been very difficult for planning boating and sailing events. Many yacht clubs across the nation and around the world have cancelled all of their events. Our Club was very fortunate to find a way to social distance while keeping everyone safe even at our post-race socials.

September is already here and as I write this, we are starting to wind down the racing season. We still have our last SOS on September 6th and the Commodore Dwight R. Haggard long distance race is September 7th.

But wait... the 2020 sailing season isn't over yet! Here is another idea for sailing into the fall — Sail-FUN-Sunday is a family-oriented opportunity for a FUN, stress-free sailboat chase experience. This event is all about having FUN and learning about the pleasure of sailing and sailing fast with an objective.

October is fast approaching and our thoughts are going to our perennial invitational Snowball Regatta, but the fact that the C-19 restrictions are being changed daily brings two major challenges — the planning of this event and making sure they are conducted safely for our sailors. In order to do so, our event chair, P/C Steve Harris, is consulting the latest guidelines from US Sailing and the Board is currently discussing and making decisions regarding this event. As of today, we hope to still have a Snowball Regatta this year so plan on joining us. We will announce any changes as soon as we know.

Prep Well, Sail Fast, Sail Safe.

COMMUNICATIONS

- Governor Barbara Hein

I am thrilled to be able to share Part 2 of the yardarm story. These pictures are from the original dedication on July 4, 1976. In the left picture (L-R) are Commodore Ivan Rollitt (1973), Marty Headlee, and Commodore General Bob Preston (1976). In the middle picture we add Virgil Bateman (far right) and Tom Greiner (left of Virgil). The picture on the right shows Marty Headlee with son, Chad, and the dedication plaque. Ivan, Murray, Tom, and Virgil were all employed by Columbus Steel. Ivan asked Virgil to draw up plans for the yardarm. It was constructed, hauled up onto Watkins Island and then hoisted up. As always, I welcome your story to share along with your

pictures too.

As we move into September, you may wish to consider running for the Board of Governors. Election Day is rolling around quickly — Sunday, September 20th. Please make sure to come out for the Porch Picnic and to cast your vote. Also, please remember to wear your mask when on the island and maintain your social distancing, as we at BLYC must continue to follow all of the guidelines set upon us.

Talk to You Soon,

LOOKING AFT

- P/C Steve Harris, BLYC Historian

Classic Boats at BLYC

In 1907, BLYC assumed the lease on Sunken Island (now Watkins Island) and began construction of the first Clubhouse. This Clubhouse, quite spartan compared to our home today (built in 1913), was out over the water along the east side of the island approximately where the race shack sits today. While building the clubhouse was an important first step for the new club, being a *yacht* club, docks were equally important. As most boats in that day were of wooden construction, the first docks built were a row of covered boathouses also along the east side of the island (wooden boats don't do well in constant sunlight) as was very common all around Buckeye Lake at that time. Through the years, the boathouses deteriorated and were replaced in the early 1980's with our current covered docks. I have been told that much of the capital necessary for that project was put up by the dockholders themselves! Through the years, classic boats of all varieties have made the BLYC covered docks their home. Not too long ago, as one walked onto the island, you would be greeted by Gus Schell's 1948 Chris Craft sedan, *Margus II*, Steve Schilling's 1970 Lyman Cruisette, *Lybation*, George Fisher's Chris Craft, *My Gal*, Dave Cox's Skiffcraft, *Happy Hour*, and many others. There were also quite a few old boats in the covered docks at Sayre Bros. Marina. Those docks were, sadly, a casualty of the dam remediation project. Through the years, the number of classic boats has certainly diminished and all boats in the covered docks were removed in the fall of 2014 for repair work on the docks. Now that the dam remediation is over, they are slowly making their way back. Steve has *Lybation* back in the water and *Margus II* will be making her return soon as well.

Beginning in 1981, until the dam project, BLYC hosted a Classic Boat Regatta each summer. Resurrected last season, sadly we had to cancel this year due to the pandemic. This event brought even more of these old beauties to our lake and was always a highlight of the season. Several BLYC members own classic boats and this great tradition will certainly continue into the future. They are a throwback to a simpler time, a piece of nostalgia, and a large part of Buckeye Lake and BLYC history.

IMPORTANT UPDATE ON CLUB ELECTIONS

Given this unique time that we are in with social distancing, elections will certainly be different this year. The Boards of Governors and Trustees are committed to providing safe voting for all members on Sunday, September 20.

We are exploring all options available and will be providing an alternative to voting in the Clubhouse for those who are uncomfortable or unable to do so. Whether this be an online or drive-up option remains to be seen.

Please follow the weekly e-News and Club website for the most current information.

VOTE ON SEPTEMBER 20!

SEPTEMBER 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		1 <i>Clubhouse Closed Pool Open</i>	2 <i>Pool Bar 11:00-7:00 Dining 11:00-9:00</i>	3 <i>Pool Bar 11:00-7:00 Dining 11:00-9:00</i>	4 Supper Club <i>Lakeside Trio</i> <i>Pool Bar 11:00-7:00 Dining 11:00-10:00</i>	5 Paul Clark Party Band 4:00 - 8:00 <i>Pool Bar 11:00-7:00 Dining 11:00-10:00</i>
