## COMMODORE CHARLIE CAMPBELL

### December; It's the holidays!!

Snow, Shopping, Bright lights of red and green, Decorations, Persons with white long beards, Trees with shiny bulbs, and those hearty Merry Christmases from all. Yes, Merry Christmas, and of course, Happy New Year. It's hard to believe that 2022 is so close.

This club does many wonderful things during this time of year. The "Good Neighbor" event, our own Christmas party for member children, New Year's Eve Ball with the Paul Clark Band, great food specials, holiday drinks and a "Cheers" like atmosphere of, "just glad you are here".

I have tried to keep you informed on the progress of our east side lake wall/dock project. It is moving along steadily. However, construction will slow to a snail's pace after November 15<sup>th</sup> when ODNR starts lowering

the lake. Read House & Grounds, Governor Bill Cullinson, article on all improvements affecting the club.

Your Board of Governors continuously works to better the club. One of our best demonstrations of perfection are the food and drink selections. Our kitchen, bar, server and busser staff are always finding ways to make each and every visit our member's make better than the last. The club hired a new chef. With our GM Rodney, a new chef and new kitchen staff our food quality took an upswing. But, when all seems to be running like a well-oiled machine, changes often come when least expected. Chef Patrick decided to continue his "chef's" journey elsewhere. To Patrick and his wife, Michelle, the club wishes them success in their next adventure. Don't make that deep sigh — our food service has not skipped a beat thanks to GM/Chef Rodney and staff.

We have finalized the 2022 budget, thanks to Past Commodores Pyle and Luttenberger who spent many personal hours putting the 60-page budget document together. The many factors impacting the operation of the BLYC make it necessary to increase membership and boat slip rental fees for 2022. Membership fees will increase by \$100 — It is split; \$75 to everyday operations and \$25 to capital improvements. Read the Dock & Rental, Governor Vic Schroeder, article in this month's log concerning rental fee increases.

## COMMODORE

*Continued from p. 1*

When I was House & Grounds Governor the seawall/dock improvement plan was implemented. We are now completing Phase IIB, the covered docks. Our next area of improvement is the front basin. We have preliminary engineering plans completed. We are forming a committee to address the expense of this final seawall preservation project. As we push towards completion of this entire project, bear with us as some inconveniences will occur.

One item that is being looked at is the cancelling of a reservation. When we receive your reservation, a few things are included that are not mentioned during your conversation. Food purchase, staff increase, beverage addition and sometimes, another member can't get one. Calling, or stopping by, to cancel your reservation is important. Please be considerate of fellow members. If you can't make your reservation, let the club know prior to your reservation time.

The Inter-Lake Yachting Association, I-LYA, meeting is this month in Westlake, Ohio. This is the sponsoring association for sailing competition with our Junior Sailors. Our Junior Sailing Governor, Barb Hein, will attend this conference. She is vying for the honor to get the opening sailing competition for our club. The club is behind her all the way.

As your commodore it's a pleasure to share a laugh or story and listen to your comments.

In closing, keep up with the club calendar of events, get involved your way and stay safe.

### Happy Holidays!

I can't believe that old man winter has returned and has reared his ugly head. It is time to turn our attention to the hustle and bustle of the holiday season. It is a time of year to be with family and friends and spread holiday cheer. We hope that you have the opportunity to spend some time with your BLYC family at any of the holiday events planned on the December calendar.

Our General Manager Rodney has been working hard in the kitchen and has been delivering some wonderful weekly specials. I am sure that during this holiday season, he and the kitchen staff will have some very festive and delicious specials. Adam will be behind the bar serving up some good cheer and all of our staff will be serving up you some holiday cheer. I am so very thankful for our staff. They have worked very hard this year. We continue to grow and to learn. I hope you appreciate our staff as much as I do. Without them, we would not have a Club to come to and enjoy.

Again, I want to stress the importance of when you want to dine at the Club, please make sure that you make a reservation. It is easy to do with the online capability and it really help us to plan and maintain appropriate staffing. As always, we will seek to accommodate our Club members wishing to dine with us, but the members who made reservations will be given first priority. With all of the events happening this month at the Club it will be busy. So, make your reservations early and often.

Don't forget about New Years Eve at BLYC. It will sure be an evening to remember. You will definitely need to make your reservations early for this special evening. We will have the legendary Paul Clark Party Band here to entertain you and dance the night away. The menu will be a feast to remember.

We have been working on finding a new point of sale (POS) system. Within the next few months, we will have a new system and it will help with making the Club have better service and be more efficient. Look for more details in the months to come.

I would like to wish everyone a very joyous holiday season. I hope everyone will have a very safe and fun new year. We are very blessed to have such a wonderful Club and so many wonderful members. I hope to see you at the Club this holiday season!

**Cheers,**

Jeff Hamilton

## ENTERTAINMENT

- Rear Commodore Mike Bruckelmeyer

### "It's the Most Wonderful Time of the Year..."

The Holiday Season is by far my favorite time of the year! (Well, Summer is up there too!) We will have several opportunities to enjoy the Holiday at the Club during the month of December.

The month kicks off with the **Annual Children's Christmas Party** on **December 5<sup>th</sup>**. This is a wonderful opportunity to see your children and grandchildren enjoy in the holiday spirit. I have it on good authority that a "Jolly Old Elf" will visit our little ones. See the BLYC Website and the log for details.

Put on your ugliest Christmas sweater and join us at the Club where AJ Angelo will help us celebrate with our **Annual Ugly Sweater Party** on **December 15<sup>th</sup>**. This party is always a fantastic event and it is a lot of fun to see what your crazy aunt sent you for Christmas!

You do not want to miss **David Hogrefe and Friends** at the **Adult Christmas Party** on **December 18<sup>th</sup>**. This will be a great evening highlighting the talent from around the lake singing their favorite Christmas songs. The sing-along is always a special time singing that special carol.

We will ring in the New Year at our **New Year's Eve Party** featuring the **Paul Clark Party Band** on **December 31<sup>st</sup>**. Be sure to make your reservations for this special event.

January will be cold but our entertainment will be HOT! The **January 7<sup>th</sup> Supper Club** will see **Jason Turpening** returning to the Club to entertain us. We are glad to have him back! Get your best summer outfit together for our annual **Parrot Head Party** on **January 15<sup>th</sup>** when **Cat and Howard** will entertain us. Newcomer **Chaz Mechenbier** will join us for the **January 21<sup>st</sup> Supper Club**. To close out the month, be sure to the Club to celebrate the **Buckeye Lake Winterfest** on **January 29<sup>th</sup>**. Until then.....

**Salute,**

## RACE & REGATTA

- Governor Andrea Taylor

The sun was out, spirits were high, and a great crowd gathered by the fire for our competitors meeting lead by Steve Harris. The Annual Snowball Regatta had begun! It was an incredible day with high winds and quote "the most exciting start in two decades." Thank you to Steve Goodyear for allowing us to use the Tug as our committee boat, Thank you to Steve Harris for chairing this great event, and thank you to all of the volunteers!

On Saturday October 23<sup>rd</sup> our Fleet Captain David Paligo hosted the 2<sup>nd</sup> annual BLYC Haul-Out Day. The day was a great success they were able to pull out and de-mast 4 sailboats. The best part was reading all of the emails from the sailors and volunteers the following day, so much gratitude for the help they received and the level of camaraderie we have here at this great club!

We have completed our calendar for 2022 be on the lookout early in the year for Racing Rules, "Mini Safety at Sea", and Race Committee 101. In closing, what do sailors do in the winter? They ski!! We are in the process of creating a first annual BLYC Snow Trails Takeover in February 2022. Ski, Board, Tube, and definitely celebrate APRÈS!! This will be open to all members — come hang out with the skippers, crews, and you just might find yourself on a boat next spring!!

**IT'S THAT TIME OF YEAR AGAIN!**

The Good Neighbor Committee has kicked off their planning for this year's Christmas Party. In an effort to continue to keep everyone safe, we will be hosting the Christmas Drive-In. In a second year in a row, where families will meet Santa from the safety (and warmth) of their cars, while our volunteers load gifts, goodie bags, and food gift cards into their cars in the parking lot. For the past 20 years, BLYC has been the home to a Christmas Party hosted for over 120 less-fortunate children of the Buckeye Lake area, and with the difficulties that the families have faced, specifically over the past two years, we need your help now more than ever to make it a bigger success than in year's past.

# HOUSE & GROUNDS

- Governor Bill Collinson

We are making progress on two fronts updating our facilities at the club. At the time of this writing, the demolition of the docks on the east side of the island is almost complete. Once those docks and posts have been removed, we will be starting the process of building a sea wall along that portion of the island to prevent further erosion.

The other project that has been underway for the past couple of months is the entrance gates that provide access to the parking lot. At the time of this writing, the new turnaround has been asphalted along with the exit route from the parking lot. Once the project is completed, there will be one access into the parking lot and one egress from the parking lot. You may have noticed the bright yellow balusters that have been put in place in recent weeks. These are 6-inch diameter steel pipes that are buried five feet in the ground and filled with concrete. They have been put in place to protect the gate mechanisms from any driver mishaps. I would strongly recommend you avoid hitting them. The gate mechanisms will ensure private access to our parking lot. It will be activated by either a key card

or fob yet to be determined that you would use from your vehicle. All members will be receiving two activators per family.

We realize that there are situations where the member may have forgotten their activator and the security system provides phone access at the gate from which they can identify themselves to the club and access will be provided. There will also be processes in place to ensure smooth entrance for our contractors and food, beverage, and equipment suppliers. In addition, there will be a process for member's guests to obtain access to the parking lot. Signage will be put in place to direct the flow of traffic.

At the same time we receive your two access cards, we will provide to you a document answering your questions regarding the various scenarios you might run into while accessing the gates.

This project also includes the revamping of the gates on the bridge to the island as well as the gates on Area 8 and Eastport Dock. Our expectation is that the parking lot gates will be completed by the end of the year and the gates for the docks will be up and running some time in early spring.

We continue to work with our engineers to develop the plans for removal and construction of the docks on the south side of the island facing the lake and there will be more to come on that in future articles.

## LOOKING AFT

- P/C Steve Harris, BLYC Historian

### The West Porch of the Clubhouse...

This month, we share the following article from P/C Frank Foster III, first published in the *Log* in February, 1985...

*Have you ever sat in the west dining room and looked west across Buckeye Lake? Did you ever wonder what the same view looked*

*like about 71 years ago? Like the Commodores' Lounge, the west dining room was once a porch. The above photograph is dated August 19, 1914 and looks west. The lake looks the same, the trees are many and small and the column of the porch is identical to those now on the front porch. The railing appears to be wainscot like the type found in the upstairs of the club. The floor was wood and so was the furniture. It would be interesting to stand outside the club and see if the present very large tree still standing on the island is one of the trees in the photograph (Editor's Note – the tree to which P/C Foster refers was removed in 2003 due to disease and decay.) It probably is. The other photograph is marked with the same date. I will need someone to tell me what it shows.*

*These photographs were received by Governor Greg Alspach when he was Log Editor. They were sent to him by*

*Mrs. M. F. (Ruth) Howard. My sincerest appreciation. I will retain these photographs for future display. If others of you have old photographs around the lake and especially of the yacht club, I would appreciate any copies.*

These photos are, sadly, lost to history. I cannot locate them today. All we have are the scans from the February, 1985 issue of the *Log*. But, like Commodore Foster before me, as your Club Historian, I also ask if you have any photos or other items pertaining to our history, *please, please, please* consider sharing them with us. Scans and photos are fine. If you have something interesting you're willing to loan to the Club that we can put on display in the Library and Lounge upstairs — that would be wonderful too!

The porch was enclosed to create the current dining room in 1925 — nearly 100 years ago! That same year, on July 4, the island was finally, and officially, dedicated as "Watkins Island."

— SGH

## SAILING FLEETS

- Fleet Captain David Paligo

As I write this, I want to recognize what we have to be thankful for as sailors being part of the sailing community and coming together to make the best of 2021. We are all so fortunate to have sailing in our lives.

When we hear, "What a difference a year makes," we generally are recognizing significant positive progress. A lot can happen in a year, but with COVID-19 in 2020, few imagined where'd we be a year later if it were not for the dedication and hard work going on behind the scenes.

I want to encourage each of us next year "to give the gift of sailing" to someone new and make a point of taking someone sailing for their first time! It is a great way to grow our sport.

I am thankful for the great work that Buckeye Lake Yacht Club has done to provide opportunities for sailors who might be taking their first sail as well as those who are experienced racers and cruisers. I thank you for your continued involvement in sailing and racing. Our sport is full of amazing people who "give back" and inspire us each day.

**I know we are looking forward to exciting days ahead on the water in 2022!**
