COMMODORE

Happy Independence Day!

Summer is in full swing at BLYC! Besides celebrating our independence as a nation, we are grateful for all the men and women who answered the call to duty and have defended our freedom as a nation so that we can enjoy the little slice of heaven that we call Watkins Island. There is so much to celebrate and enjoy this summer at BLYC!

This month will be jam packed full of events at our Club. We start off the month with entertainment all holiday weekend beginning on July 1st. We will be ready for a fun evening for the BLAAST fireworks on Monday, July 3rd. Then on the 4th of July holiday we will begin the day with our Junior Sailing Pancake Breakfast. Then we will have our annual flag raising ceremony. This is one of my favorite days at the Club. It is still up in the air on how we will be doing the ceremony, but we will still have the festivities. Please join us and support

the Junior Sailors and stay for the flag raising ceremony. Also, this month, we have the cardboard boat races which will be a fun event. Will your Commodore and his crew be returning to take the Best in Show award again this year? You will have to wait and see. We also have the BLYC Car Show, the Annual Golf Outing, and the Auxiliary Fundraiser. So much to do this month. The Club is a great place to see your friends and make new ones.

As you are aware, we are in full swing with our construction project. It is a challenging summer with boat parking and patio seating. Our construction team is working hard to get the patio completed. At the time of the writing of this article, the framework for the band stage is being installed. I ask for your continued support and patience during this project. In the long run, it is my hope that all our members are going to be wowed with the outcome of this project. If you have not seen the rendering that we have posted at the Club, you should stop by and look at it. We will continue to keep you updated via the website and social media. We appreciate your patience and understanding.

I would like to welcome our new Fleet Chaplain, Mark Thogmartin, Ph.D. Mark and his wife Donna have been with the Millersport Covenant Church since 1987. They live in Millersport, and they have 3 grown sons. Mark is a sailor as well. We are very blessed to have Mark as our Fleet Chaplain. The Board of Governors voted to extend an honorary membership to Mark and Donna. He has

already been put to work with our Burning of the Socks/Pray for Wind ceremony and the Blessing of the Fleet in May.

Our staff works very hard to accommodate our members. We are very fortunate to have the staff that we have. If you are having issues with your service, please reach out to Ish Howe, our Front of House Manager. Also, please be sure to fill out the comment cards. If we are not aware of any issues, then we can't fix any problems. You can also reach out to me as well with any issues.

I hope that everyone is enjoying their summer at BLYC. If you haven't been to the Club lately, you need to make a reservation and see what is going on. This month will be filled with wonderful entertainment! Our Entertainment Governor, Joel Gabor, has been working very hard to accommodate all the musicians and the members. I greatly appreciate his hard work and the hard work of the Board of Governors who strive to make our Club an even better place.

See you at the Club!

Cheers!

Happy Independence BLYC!

The month of July gives us a chance to celebrate our independence and our gratitude for our wonderful Country. Yes, we have our differences and beliefs, but I can think of no other country in which I would want to live.

Just a quick reminder, during the summer months the Club is open for lunch Wednesday thru Sunday for your enjoyment. It is a great way to break away from your daily activities and enjoy a delicious meal with great food and service. And as always...when dining at the Club, please make reservations.

The construction around the Club continues so we thank you for your patience and understanding during this challenging and exciting time.

We are on the lookout for candidates for the BLYC Board. Being on the Board can be challenging but also comes with the satisfaction of seeing the Club succeed and grow. So, if you are someone with a servant heart who is willing to work on a team to make the Club better than when they arrived please let me, Trustee Mark Russell, or Member-at-Large, John Sowers know. We will gladly answer any questions that you may have about the election process and serving on the Board.

Until next time,

Enjoy!

DOCKS & RENTALS

- Governor Vic Schroeder

Happy 4th of July and God Bless and protect all those who keep us safe.

A few reminders... if you want a dock this year or next please contact me through the web portal on the club website. As mentioned before, please lock the gate coming and going at the Eastport boatyard. Docks behind the club (north side) are for Personal Water Craft (PWC) only and there are two transient docks there for PWCs. Please do not try to put your boat in this space. When visiting, only dock in slips marked with the red and white tape — all others are rented. There are more than a few marked in front of the Club boatyard (Eastport) for you to use.

Have a fun and safe summer.

ENTERTAINMENT

- Governor Joel Gabor

Echoing the sentiments of my Governor teammates, I want to thank you all for your patience and understanding as we work around the ongoing construction and sprint to complete our expanded front patio area. The "It's going to be awesome when it's done" comments are much appreciated.

Highlights for July include... *The Usual Suspects*, *AJ Angelo* poolside, *Big Bad Stache*, and the *BSTRD Royals*, all during the 4th of July weekend. Also paying us a visit during the month are *Karrie & Rich*, *Stella In The Can*, *Heart & Pine*, and *Off The Charts*. Please refer to our calendar for specific dates and times, and we hope you'll join us in support of these local musicians.

That's it for now!

Looking forward to seeing you at the club!

If you haven't set up your member portal via the Jonas system, please get that done. You can go the club website, www.buckeyelakeyc.com, and click on the member portal box on the home page. A link is there connecting you to a brief tutorial on using the portal. The main functionality currently is that you can view all of your club charges in real time and pay your monthly bill online. More functionality will be added as the club evolves using the Jonas system.

I hope you're having a great summer enjoying the Club and all our wonderful members. Since this is our busiest time of the year, please make sure you always make reservations for dining and honor the guest policy. We must maintain an awesome experience for all our members!

JUNIOR TRAINING

- Governor Stephanie Dolan

I cannot believe it is JULY!!! May and June were exciting months! We hosted the first I-LYA Junior Traveler Series Regatta of the season on Saturday June 3rd at BLYC. THANK YOU to all of the staff and volunteers who made this event GREAT! We had 51 sailors from various clubs competing in 3 classes and had a wonderful day!

We wrapped up our sailing camps in June and had a great turnout! The sailors learned so much. We are looking forward to watching their skills grow as they progress through the Junior Sailing program.

We will be hosting a Pancake Breakfast on Tuesday July 4th, 2023 to raise funds for the Junior Training program. Please call the club for more details and to make your reservation today!

We are SO excited to head to Put-In-Bay for I-LYA's Junior Bay Week Regatta in just a couple of weeks — July 16-20! Our club always has an incredible turnout on the island from our members to help and support our Junior Race Team. Thank you to all of those who have volunteered to assist so far. Please reach out to me if you too would like to volunteer for this AMAZING week!

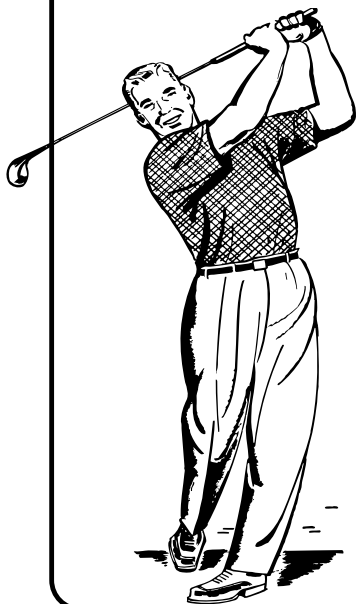

Let's continue to have a wonderful summer on Buckeye Lake!

See You at the Club!

HOUSE & GROUNDS

- Rear Commodore Bill Collinson

On May 3rd, a fire inspection was done at the Buckeye Lake Yacht Club by West Licking Fire Department. An in-depth inspection was made to facilities, and while most of the inspection went well, there were several electrical and signage violations that were identified. We took the steps to correct all the issues, and on June 15th I received notification from the fire department thanking us for fixing all the violations quickly.

About a week ago it was reported that we had a leak coming from our upstairs shower. In the past several days we have identified the problem and have effected repairs.

The pool has been in operation now since Memorial Day weekend. As many of you are aware, we put a new paint surface on the pool this spring. Even though the paint we used was certified for pool use, we discovered that its smooth surface made the steps entering the pool somewhat slippery. This past week, taking advantage of the poor weather, we drained the pool to level where we could repaint the steps using a sand mixture in the paint eliminating any slipping hazard. Since the repairs have been made, no further incidents have been reported.

Bar and kitchen has ordered new tables that will be used in the dining room and on the front porch. We will be removing some of the existing tables on the porch and storing some of the older tables in our rental house located by the parking lot. The new tables are lighter and more easily handled by our staff.

Work continues on the basin with the foundation for the band deck in place. We will continue backfilling to the new sea wall as we push forward on the project.

I hope everyone is enjoying their summer at the club.

RACE & REGATTA

- Governor Rickie Sue Grunden

"A sailor is an artist whose medium is the wind."

Webb Chiles, Sailor

Commodore Edward C. Metzgar Memorial Day Race Results — Bill Collinson and crew on *Fair Wind* outdueled Barb Spence's *Second Wind* and Holly Hanbaum's *Capri Schuss* crews in an exciting race in 7-9 knot winds. Congratulations to our winners!

Mills Trophy Race Results — Captain Jeffrey Robb, Jr., Bill Collinson, Chuck Bendig, and Nick Starr represented BLYC in the Annual Mills Trophy Race from the Toledo Yacht Club to Put-In-Bay. The *Ariel* set off from the Toledo Light on Friday at 17:45 and finished at 03:20 on Saturday morning. Most of the night they had light winds around 5-7 knots which allowed them to go most of the distance on one tack. Near Green Island, the winds freshened to 14 knots and they flew home! The *Ariel* raced in the Cruising Class and the team finished 7th of 12 boats, bettering their time from last year by 44 minutes. Congratulations to Jeff, Bill, Chuck and Nick!

Sail-on-Sunday Summer Series begins Sunday July 2 and continues July 9, 23, 30, and August 3. All races are at 1:00 pm and can be viewed from the Club porch. Racing forms are available at the bar and on the porch tables. Because of construction, the race start and finish line is at the end of Area 8 in front of the Boatyard.

Commodore Earl O. Williams July 4th Long Distance Race will be held

Tuesday, July 4th. The Independence Day Celebration at BLYC begins with the Annual Pancake Breakfast put on by our Junior Sailors at 9:30. Our Flag Ceremony is at 11:00 followed by the Annual Buckeye Lake 4th of July Parade. The Long Distance Race begins about 11:45am. Join us for a full day at our Club!

Meet the Captains of the BLYC Fleet: BLYC has a long and storied sailing and racing history. The tradition is carried on by our fleet captains and crew. Each captain has a story. Please join us in saluting our fleet and gaining a background of the men and women who captain our boats.

Tom Reynolds — I became a sailor because my father decided to start racing as he was recruited at BLYC by other sailors. He thought it a great family experience. He purchased a sailfish sailboat kit and we built the boat in our garage during the winter. That was so much fun as a kid to start sailing. We loved to tip over and experience the deck wash over the

boat. Most interesting sail was from Martinique to Naples aboard Frank Benson's 32 ft Morgan. Sailing at BLYC is local and racing is fun. Racing and the social aspects of the racing group make it so much fun. Racing gives sailing more purpose and sharpens sailing skills.

David Paligo — I started out sailing when a co-worker asked if I'd like to try out for his race team, there were 4 of us that practiced & raced one-design J/30's on the Columbia River, Oregon. My best race was my first offshore experience that was called the Oregon offshore, 200 nautical miles from the mouth of the Columbia River up the western face of Washington to Victoria Canada.

What I like about BLYC sailing/racing is that I'm able to pass-along my 30 years' experience of sailing & racing. It gives me great satisfaction to see a newbie's face after a few practices & races. My goal for a team is to be able to fly the spinnaker (kite) with ease & understanding. As my mentor used to say was, "to pass it on," this has been my motto for many years.

Barb Hein — My grandparents, my parents and my siblings were sailing when I came into this world. My BLYC sailing world was learning from all older sailors. When a part broke on the boat, we would walk down the towpath and Mr. Roundy would fabricate us a new part and we would head back out on the Lake.

Tune in for Part 2 in the August Log!

See you on the Lake!

LOOKING AFT

- P/C Steve Harris, BLYC Historian

The following article was written by P/C Frank Foster and originally published in the March, 1987 issue of the Log. Now that our sailing season is in full swing, it seemed like a good time to share it with you again.

This season, the front basin construction has necessitated some changes in how we enjoy the Club and sailboat racing isn't immune to the challenges. Whereas we typically start our Sunday races from the "Race Shack" on the southeast pier, this year that isn't possible. But, our intrepid race committee crew has adapted and our races continue. Fortunately, you can still sit on the porch, watch the races, and take part in this time-honored tradition at BLYC.

Porch Sitting & Race Watching... a Long Tradition

Commodore Frank H. Foster, III

Public notice of a meeting to form a club was given in late April, 1906. Through the summer and fall of 1906, the Buckeye Lake Yacht Club was formed. That winter, around January of 1907, a corporation was formed to sell 1,000 shares of stock at \$5.00 each for the purpose of acquiring land and constructing a clubhouse. About that same time the incorporators of the building corporation took over a lease on "sunken island" and a half lot on the lake's main shore facing the island. It was a spot of sometimes land with several half grown trees, mostly willows, surrounded by always shallow water and, especially in the spring, frequently flooded completely. They envisioned that it could be raised and enlarged and the waters around it deepened. It offered privacy because it was an island and was located only about 300 yards from the interurban railway. Drawings of a beautiful building were prepared, and I have a copy of it and published it in an earlier log. When the bids were opened, the building was too expensive

and the club officers decided to confine their efforts to the bare necessities within their limited needs. Bids were requested for a simpler building and a contract was awarded for \$1,811.00. Construction began in early summer of 1907 and was completed in November.

In the summer of 1908 a porch was built across the building's outer end extending somewhat past the easterly and westerly walls.

In 1912-1913 the new, present clubhouse was constructed and the old one was modified, later damaged, and ultimately replaced by our current boat houses on the east side of the island.

Thus, it appears that this picture must have been taken between 1908 and 1912. The picture looks north-easterly or east-northeast down toward our present Eastport facility. Much as we do today, it appears that a group had gathered on the front porch and was watching the racing sailors. Others were pursuing their activities. From the appearance of the flags, the wind seems to have been at the same slow speed we often find now days. As you can see "Sunken Island," now Watkins Island, was raised and a seawall poured around it. The island, in fact, was considerably more circular and smaller than now. Since the porch was so close to the water they must have been able to hear pleasant sounds of the water slapping against boats, docks, and seawall. Our

new deck, adjacent the swimming pool on the west side of the island, may afford us an opportunity for the same pleasant sounds.

From the appearance of the shadows it must have been around mid-day, probably a Sunday. Our lawn is certainly in much better shape now that it was then.

While the building is a neat, old building, I certainly am glad they later acquired a stronger financial position and built the current clubhouse. They sure had the right idea for a good way to spend a Sunday afternoon.

Hope to see you on the front porch this summer!

BLYC AUXILIARY

Happy 4th of July!

Our June Auxiliary fun was brought to us with Mallory teaching us line dancing. Thank you to all who were brave enough to join us on the dance floor!

Plan to join us July 13th for our social hour at 5:30 pm and meeting at 6:30 followed by an activity from Earthly Pottery Co. We will be shown how to create a succulent bar. Please make your reservation through the website or by calling the club. The fee is \$20 per person (\$50 value). We have room for 25 participants.

Our Annual Auxiliary Fundraiser, *BLYC Hot Summer Night*, will be held Saturday, July 29th. The event will open at 5:00 pm and end at 11:00 pm. Reservations are now open, call Deana Brown in the Club office at (740) 929-9941. Please note that due to anticipated limited seating we are accepting reservations for BLYC Members and their First Mates only at this time. Cost is \$65 per person. Those who sponsored tables are welcome to bring guests. Seating will be limited this year due to the ongoing construction. We will do our best to accommodate all. Also, please be aware that we may not be able to accommodate requested seating locations and table size.
