### COMMODORE MIKE BRUCKELMEYER

It is my honor to proudly serve as the 111<sup>th</sup> Commodore of the Buckeye Lake Yacht Club! We have a wonderful Club with fantastic Members, and I cannot believe how fortunate I am to lead this great organization! It seems like yesterday that I was asked to run for the Board, served as Junior Training Governor for four years, and Entertainment and Bar & Kitchen each for a year. I and my family have enjoyed some truly wonderful friendships and have had a lot of fun at our Club. I have also had the opportunity to work with fantastic individuals on the Boards of Governors and Trustees.

Thank you to everyone who came out to our elections and especially to the candidates who stepped up to help guide our Club and run for the Board. We had four exceptional candidates and three were elected. It will be exciting to serve with these talented individuals. I am proud to announce your 2024 Board

of Governors:

*Race & Regatta*

I would like to thank Past Commodore Jeff Hamilton for his leadership while serving on the Board and especially for this past year as Commodore. With all the major projects and changes this past year, we are well positioned for the future. P/C Hamilton will now move on to the Trustees where he will serve for another 5 years and help the Club with its future operations. Thanks Jeff, it has been an honor to serve with you.

A special thank you goes to P/C Rose McEntire who served as Head Trustee this past year. Rose's dedication and devotion to our Club is beyond compare. She always has said that "serving on the Board is a labor of love" and she lived that commitment to its fullest. I first became a Governor at Rose's invitation, and I am grateful for

her leadership and friendship. Her passion for the Club and its members will be missed in our Board meetings but I have no doubt she will still be around supporting the Club.

The upcoming year will be exciting, and I look forward to being able to finally announce that our island will be secure when the front basin project is complete. This project is the culmination of the hard work and planning of not just the recent leadership but all the Boards and members of the past. We are in a fantastic position for our future. It is a great honor to serve you as the Commodore of this wonderful Club. Thank you for the opportunity!

**See you at the Club,**

## COMMUNICATIONS

*- Governor Dean Pickett*

As I close out my time as the Communication Governor and move over to Race & Regatta Governor it has been an exciting year. As mentioned in the Annual meeting, we greatly increased our social media engagement, completed the upgrading of our club Wi-Fi and many other accomplishments. In the coming year, we have more club improvements to make your club experience great.

Dean Pickett

While Dean transitions out of his role as Communications Governor I wanted to take a moment to thank him for his terrific work and for setting the bar high for me! I also wanted to take a moment and thank everyone for choosing me as your newest Governor. I am excited to dig in and begin work!

## ENTERTAINMENT

*- Governor Joel Gabor*

### Happy fall to all!

Please join me in welcoming our new BLYC Board of Governor members, as we have closed out a very busy September with the elections, the Annual Meeting and follow on reception. We all look forward to working together in the coming year to continue to strive to make our Buckeye Lake Yacht Club the very best that it can be for you, our membership. Welcome aboard!

October is always a fun month at the Club as we continue our *Game Day Tailgate Parties*, and look forward to the *Adult Halloween Party* on Friday, October 27<sup>th</sup>. Randy Goin will be our spooky entertainment for that evening. I am not completely sure that we will be able to live up to the meaning of "Adult," but we'll see what happens. Further information to follow via the website and other BLYC communication channels regarding the upcoming festivities.

Additionally, evenings with *The Lakeside Trio* (10/13) and *The David Spires and Shawna Corder Duo* (10/20) are also on the calendar for the month. As always, please refer to our Calendar for specific dates and times for all upcoming entertainment.

Thank you again for all of your continued feedback and support, and I look forward to seeing you at the club.

## DOCKS & RENTALS

*- Rear Commodore Vic Schroeder*

First, I would like to thank Jeff Hamilton for his thoughtful leadership. Some housekeeping going into the fall season... We will be removing and storing the flags that we have installed to fight the birds. We feel we did see some success where there was the proper amount of coverage. I know I am a broken record on this subject, but I hate seeing some of your boats being destroyed with bird waste. I highly recommend a product (and some of you are using them with success) called Bird Barrier Daddi Long Legs. I promise you, they will keep these animals off your boat. If you wish to rent a dock for next year please fill out the "Rental Request form" on the Club website under Docks and Storage. Also use this form to request changes or cancel rentals. Lastly remember the lake draw down starts Nov 15, 2023. Until then we still have October.

# HOUSE & GROUNDS

- Vice Commodore Bill Collinson

As I write this article, the summer has officially come to an end with the passing of the Labor Day weekend and the closing of the pool on September 10th. Is it my imagination or do the summers go by faster and faster every year? In any case, while summer has come and gone, the house and grounds work at the yacht club always continues.

We are currently getting permitting for the replacement of the elevator that services the front porch. In addition to that, the replacement of the windows in the dining room should be taking place by the end of October.

The work on the front basin continues and the backfill behind the new sea wall is pretty much complete. If you look at the old wharf on the west side of the island, you will notice the demolition has started in

preparation of the installation of pilings that will be the foundation for the new wall.

You may not have noticed but we have spent the last several weeks repairing the railing on the front porch and that job should be completed by the time you are reading this article.

Recently we had to get our air conditioning unit for the dining room replaced. The process of getting a new unit installed took

approximately one week to accomplish. I would like to personally thank Bob Seaton of Monogram Homes and a club member for providing the club two portable air conditioning units that allowed us to keep the dining room reasonably cool during the repair period.

Fall clean up day will take place on Sunday, October 15. The morning will start with coffee, juice, and donuts provided at 8:00 in the morning followed by three

hours of work concluded with pizza and beverage for lunch. The clean up day provides the club membership an opportunity to assist with the upkeep and maintenance of the club. We will have the usual interior cleanup including windows and dusting, but we are also going to focus on the removal of yet more debris under the clubhouse, storage of pool furniture, and relocating excess dining chairs to our storage house. There will also be a group to assist the junior sailing program in the power washing of their boats and getting them stored away at Eastport. Please check your calendar to make sure you can attend, dress appropriately, and be prepared to do some work.

## RACE & REGATTA

- Governor Rickie Sue Grunden

"Smell the sea and feel the sky. Let your soul and spirit fly." —Van Morrison

### Sailing's Fall Schedule

Come celebrate Sailing on Friday, October 13<sup>th</sup> in the fireplace room! We will award our winners of the various classes and races and celebrate the BLYC Sailing heritage! All the perpetual trophies will be awarded. The theme is Tropical so wear your Tropic Shirt and be prepared for rum drinks!

The Annual Commodore George V. Fisher Snowball Regatta is Saturday, October 14<sup>th</sup>. This sailing tradition originated in 1946 and has been held annually except during the Dam Remediation years. We invite central Ohio Clubs and various sailing classes to join our Club in a great end of the season regatta.

Come join the fun and enjoy the racing from the porch! P/C Steve Harris is looking for volunteers for this event.

Captain David Paligo on *Runaway* and Captain Jeff Robb, Jr. on *Fireball* are representing BLYC in the Old Fox Regatta at Alum Creek on Saturday, October 7<sup>th</sup>. Some of those boats will be racing here in the Snowball Regatta. The scores for the 2 events will be combined to determine the winner of the Snow Fox Trophy. The Old Fox Regatta was named for Hal Heberding, a BLYC sailor who was an early member of the Alum Creek Sailing Association.

The Fall Foliage Fun Series is a new series this year for those who enjoy being on the water when it is cool and crisp. The boats will race in front of the Club on Sundays starting at 1:00 pm. Dates are October 1, 8, 22, 29.

### New for 2024

If you are interested in Adult Sailing Classes, mark your calendars! Hoover Sailing Club invited our members to sign up for their adult sailing classes. Sign up is in January and classes fill quickly. Watch the weekly e-News for dates to sign up. There is a fee that you will pay directly.

### Sailing off into the Sunset

It has been my pleasure to work and play with the BLYC sailing community this year. We have worked at growing the fleet, getting more involvement with the Club members through the Tar Social and Racers' Row Open House. It is my hope that as our front of the Club construction comes to an end that more of us can enjoy Sail-On-Sunday either as a sailor or a spectator from the porch. Thank you, captains, crew, and race committee, for welcoming me into your group and working with me to re-establish BLYC's proud sailing heritage!

# MEMBERSHIP

- Governor Mike Perez

We have a couple more new members that were voted into the club at the September board meeting. If you run into any of them, please make them feel welcome. They will appreciate it!

## WELCOME ABOARD!

**James Poole and First Mate Jennifer  
Rachel Cira and First Mate Matthew**

Now that I have finished the first year of my two-year term, I just wanted to take this opportunity to say it has been an honor to serve the club as the Membership Governor. I have met a lot of nice people and learned much. I look forward to serving again this year.

As of the September board meeting, membership is at capacity with a waitlist for new members. If you sponsor a prospective member, they will be added to the waitlist once I receive their online application and 2 sponsor letters. Remember, only the actual member and not the first mate can sponsor a new applicant. Also, the only applicants not subjected to the waitlist would be a member's adult child who is under age 40.

Even with our usual member attrition this year, we still added 58 new members, which included 2 reinstatements. I believe demand for club membership will continue to be robust, especially with the wrap up of the front basin project sometime before next season.

As we head into a new fiscal year, I am going to ask two things of every member so that we can have the best member experience possible.....

1. If you haven't set up your member portal, please get that done. So far, over half of the members have signed up. Let's get to 100%! You can go to the club website [www.buckeyelakekc.com](http://www.buckeyelakekc.com) and click on the **Member Portal** box on the home page. There is also a link right there for a brief tutorial on using the portal. The main functionality currently is that you can **view all of your club charges in real time and pay your monthly bill online**. More functionality will be added in the future.
1. Please make **RESERVATIONS FOR DINING!** When you make a reservation it allows for Rodney and the crew to plan appropriately so they can give us the best member experience possible. It's so easy to make a reservation. You just click the **Online Dining Reservations** box on the website home page and follow the prompts. You can even do it on your phone (that's what I do) by accessing the club website.

I thank you for your consideration.

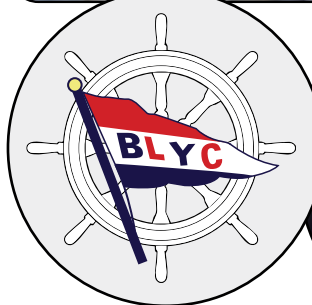

**See You at the Club!**

## CHAPLAIN'S CORNER

- Mark Thogmartin, BLYC Fleet Chaplain

### Our True North

Several years ago, my youngest son and his wife accompanied Donna and me on a nighttime sailing adventure on Buckeye Lake. The evening was beautiful and breezy, with a nearly full moon lighting our way. The boat skimmed across the water as we enjoyed the ever-changing scenery. Even though the lights from the surrounding villages and the glow of the moon muted the brightness of the stars, we were still treated to a lovely display of celestial splendor.

As we peered at the stars we began to talk about the North Star, Polaris, and how it could be found by using the "pointer stars" on the Big Dipper constellation. I explained that the North Star is the only star in the northern sky that doesn't move as the other stars seem to travel in an arc around it as the earth rotates. Since ancient times, travelers have used the North Star and the tools of dead reckoning to determine true north and, thus, their location.

The late leadership guru, Stephen Covey, popularized the idea of "true north principles" in promoting his style of organizational leadership. Covey defined true north principles as fairness, kindness, dignity, charity, integrity, honesty, quality, service, and patience. While Covey admitted that there was not always agreement on how these principles should be defined, he said that most people acknowledged their merit. And I think he is right. Even immature children and hardened criminals, because "the work of the law is written on their hearts" (Romans 2:15), maintain a sense of what fairness or honesty looks like. The problem is that there is a tendency in sinful human nature to define these principles in terms of what is best for "me." Our conscience is easily seared by continually ignoring its still, small voice.

For Christians, our Polaris, our true north, is embodied in Jesus Christ who "was full of grace and truth" (John 1:14). We know that His words are reasonable and honest. The writer of Hebrews instructed us to "run with endurance the race that is set before us, looking to Jesus, the author and perfecter of our faith" (Hebrews 12:1-2). Our internal compasses should always orient themselves to the true north instruction we find in the Word of God because, as the author, Jesus wrote the book.

## JUNIOR TRAINING

- Governor Stephanie Dolan

### Happy Fall!

Summer is behind us but we are already making preparations for next year's Junior Sailing season.

We are planning to wash and store the Junior Sailing boats at BLYC Workday which will be held on Sunday October 15<sup>th</sup>. Please let me know if you would like to volunteer to assist with this process.

We will be having two informational sessions each year on the Junior Sailing Program. These sessions will highlight camp, Race Team, and additional opportunities to continue to sail within the junior program. The first session will be hosted at the club on Saturday October 21<sup>st</sup> from 10:00 am - 11:00 am. Please email me with any questions.

Social events are in the works to keep the junior sailing fun going even as we go into fall/winter/spring. Please watch the calendar for these events.

The junior program is a HUGE part of BLYC! Let's continue to make it GREAT and watch it GROW!

# LOOKING AFT

- P/C Steve Harris, BLYC Historian

## What do all those flags mean?

This month's "history" article isn't so much historical as it is perhaps educational. Recently, as part of the front basin project, we installed a new yardarm on the east side of the new patio. There are a number of flags flying from it, there are more on order, but what do they all mean?

A bit of background.... A "yard" is a horizontal spar on a mast from which sails are set. In the days of the old sailing ships, signal flags were hoisted on halyards (lines) off these yards to communicate with other vessels. According to Meriam-Webster, a yardarm is either end of that yard or horizontal spar. In yacht club vernacular, a flagpole with a yard is often just referred to as "yardarm." Our yardarm at BLYC, like those found at yacht clubs and naval bases all over the world, represents that mast and yard that would be found on a ship and serves a similar purpose.

At the top of the yardarm on the "mast" flies our BLYC burgee. This identifies our "ship," our club. Burgees are also flown on boats to identify the owner as a member of the club as well.

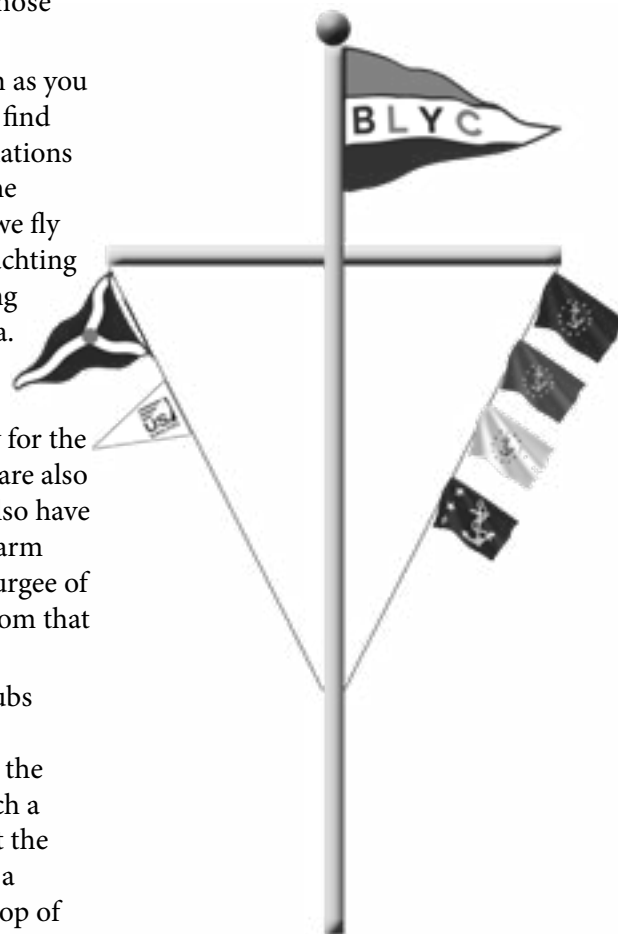

On sailing ships, officer flags are flown to indicate who the ranking officers are that are on board at the current time or which officer in the fleet is in command on that ship. On the right halyard of our yardarm as you look from the porch towards the lake, we fly officer flags for the three "flag officers" of the Club — Commodore (white on blue), Vice Commodore (white on red), and Rear Commodore (red on white) — and one for our Past Commodores (3 stars and a fouled anchor; white on blue). At many clubs these are flown only when those officers are present. At BLYC, we typically fly them all

the time to show respect for those officers.

On the left side of the yard arm as you look towards the lake, you will find flags indicating our Club's affiliations with other organizations. In the upper-most spot on that side, we fly the burgee of the Inter-Lake Yachting Association, our regional sailing & boating authority in this area. Below that, we fly a pennant bearing the logo of US Sailing — the national governing body for the sport of sailing — of which we are also a member. Often, Clubs will also have a "courtesy spot" on their yardarm from which they may fly the burgee of another club when someone from that Club is visiting.

On many yardarms at yacht clubs and naval bases, there is also a gaff — a "sprit" extending from the yard upward at an angle. In such a situation, protocol dictates that the U.S. Flag would be flown from a halyard on the gaff, not at the top of the center pole, as you might assume. This harkens back to the naval traditions that gave rise to yardarms. The national flag couldn't be clearly viewed if it were flown from the top of the ship's main mast. As such it was typically flown from the stern and the yard was reserved for other flags. U.S. Flag Code only dictates that the U.S. Flag must be at the top of flags flown on the same halyard.

Our BLYC yardarm was originally installed in 1976, and dedicated on July 4<sup>th</sup> of that year in memory of our 1971 Commodore Murray Headlee. Following his term, Commodore Headlee also served as BLYC's Secretary-Treasurer for several years. Commodore Headlee's family is now in it's 4<sup>th</sup> generation at BLYC. His son, Marty, sailed for BLYC in the 1950s and served on the board in the 1980s. His grandchildren, Tami & Chad, sailed in the 1980s & 90s. In recent years, four of his great-grandchildren — Suzannah, Katy, Clay, & Abby —

have also sailed for the club. This past summer, great-granddaughter Katy Schroeder was our head sailing instructor and great-grandson Clay Headlee coached our team at Junior Bay Week. It is my understanding that the new yardarm will also bear the dedication to Commodore Headlee. If one looks around the clubhouse, there are certainly other club traditions that may warrant explanation. Some of these are explained in the BLYC History Archives on our website. It can be found under the "Our Club" tab. Here you will find many articles from past Club Historians and myself, the complete text of Commodore Kyle Armstrong's *History of Buckeye Lake Yacht Club* published for the Club's 50<sup>th</sup> Anniversary in 1956, an archive of past issues of the *Log*, and much more. There are certainly others that need to be researched and explained. What are you curious about? Let me know and I'll see what I can find.
