"May you never be too grown up to search

– Unknown

"We make a living by what we get, but we
make a life by what we give."

– Winston Churchill

The Christmas season is one of my favorite times of the year! Parties, gatherings, Christmas carols and just plain get-togethers with family and friends. Like the Grinch, I think my heart grows three sizes during this month!

There are plenty of chances to gather and enjoy the Holiday Season at our Club. From the Auxiliary's Children's Christmas Party to the Adult Christmas Party, the Holiday spirit will be enjoyed at the Club. The generosity of the Buckeye Lake Yacht Club Members shines at the Good Neighbor event. (There is still time to contribute to this wonderful aspect of the Club.) The Ugly Sweater Party is always a fun event and

will have AJ Angelo entertaining and putting us in quite the festive mood. New Year's Eve at the Buckeye Lake Yacht Club is always an elegant event where we welcome in the New Year. Be sure to make your reservations for these wonderful events.

This season is a time of giving gifts and I would be a Scrooge if I did not thank your Board of Governors for the gift of their time and talents to this Club. The behind the scenes work these women and men accomplish for us is remarkable. Please take the time to read their *Log* articles and thank them for the work they do. I specifically want to recognize and thank Vice Commodore Bill Collinson for the upgrades he and his team accomplished on the clubhouse. The new ceiling and fans in the Fireplace Room and bar are beautiful and the new windows in the Lakeview Room.....WOW. "That view is tremendous!"

We have finalized the 2024 budget. A special thanks to Commodore Mark Pyle who spent numerous hours putting the document together. Our budget is used to determine what is needed to keep the Club operating, maintained, and providing the best experience possible. The Finance Committee and Board review several versions of the budget and we all scrutinize the numbers and assumptions before adopting the final version. That final version is then used to determine the dues and fees we charge for the year based upon the number of members we have. In 2024 it is necessary to

Continued on p. 2

COMMODORE

Continued from p. 1

raise membership fees \$200. Dock and rental fees will also increase and are outlined in the Docks and Rentals Governor, Rickie Sue Grunden's Log article.

One more housekeeping item to share with you. The Annual Assessment of \$500 plus tax will be billed to you in full along with your annual dues billing in January. If you would like to pay this year's assessment along with next year's final payment (totaling \$1000 plus tax), please feel free to do so. We will still offer the option of paying your assessment with monthly payments of \$50 plus tax but on an exception basis. Please contact the office if you would like to make arrangements to pay monthly.

Finally, on behalf of myself, my wife Julie, and son Evan, I wish you and yours a Merry Christmas and a safe, happy, and prosperous New Year!

See you at the Club,

Commodore Mike Bruckelmeyer

BAR & KITCHEN

- Rear Commodore Vic Schroeder

Greetings from Gob's Mess!

December is here with all of it's cheer. By the time you read this, Rodney should be finished with his final winter menu. Also, if you have not had one of his steaks, don't walk, *run* to the Club and order one up. I'm tellin ya... You don't know what you are missing,

The Club will have a very busy and festive end of the year. If you are having end of year celebrations or looking for a great place to entertain friends and have a party or dinner in the new year, you can't beat the Club in the winter months, beautiful views and warm fireplace. Call the Club and set up your event today. A few events you should try to attend are Children's Christmas December 3rd (morning session is full), the Adult Christmas party December 16th, Ugly Sweater party on the 20th and of course our famous New Years Eve event.

Please check out the monthly calendar for more information and make sure you make a reservation. We run a smaller staff in the winter and we want to make sure we are prepared to give you the best service possible.

Merry Christmas & a Happy New Year!

RACE & REGATTA

- Governor Dean Pickett

Merry Christmas Fellow BLYC Members!

The BLYC Fleet has been put away for the year. The sails are down and the engines are winterized. With winter fully upon us, my thoughts move towards the new year and next year's Race and Regatta events. In December, we don't have any scheduled events, however in January, we do have the 2024 Sailing Kick-Off and Tar Social on Sunday, January 24th from 1:00–3:00 pm.

As we embark on the new year, we are always looking for more people to participate in the sailing programs at BLYC. Whether you are a current sailor, a want-to-be sailor, or simply want to help out with the sailing program— we could use volunteers to assist the current Race Committee with Sail-on-Sunday activities in the coming year.

If you are a want-to-be sailor (skipper or crew), please reach out to me and we will connect on how to get you involved. *The only way to learn how to sail, is to get out and sail.*

Hope to see everyone at our Christmas and New Years parties.

Merry Christmas & Happy New Year!

ENTERTAINMENT

- Governor Joel Gabor

Happy Holidays to All!

Our holiday entertainment for this month is wrapped around Christmas parties, Ugly Sweater contests and, of course, celebrating the coming of the new year 2024 on New Year's Eve. DJ Johnny Garber, AJ Angelo, and The Paul Clark Party Band will be providing the entertainment along the way.

Additionally, we will begin to recruit volunteer elves to help us support Buckeye Lake Winterfest 2024. Please be on the lookout for further communication, sign-up sheets and the Club entertainment schedule for this annual winter extravaganza. I'll give you a bit of a hint... does the batting order of Heart & Pine, Chris Logsdon, and the Big Bad Stache Duo sound like fun?

I thank you all for your continued support of our Club, particularly our entertainment efforts. I greatly appreciate all the feedback, the opportunities to improve, and the kind words along the way.

**NEW FALL/WINTER MENU
COMING SOON!**

HOUSE & GROUNDS

- Vice Commodore Bill Collinson

As promised, it has been a pretty busy month. Since my last article, on Sunday, October 15th, we had our fall clean up day and along with staff and about 20 member volunteers, we accomplished quite a bit. All the pool furniture was moved to the basement. We prepped the bar and fireplace room with drop cloths and protection for the ceiling tile replacement project that started on October 16th. In addition, we were able to wash and store all of the junior sailing boats at Eastport. We were also able to clean up discarded items in the basement. Our workers were treated to a pizza lunch as a reward for their efforts.

The ceiling tile replacement project started on Monday, October 16th and was completed on Friday,

October 20th. This project included new lighting installed in the bar and fireplace room ceilings. In addition, three

new fans were installed in the bar and four new fans in the fireplace room. The new ceiling tiles match the tiles we installed in the dining room earlier this year. The changes made not only enhanced the beauty of the rooms but also afforded us better control of the lighting and fan operation.

As you may be aware, the windows in the dining room were leaking when faced with driven rain. On Wednesday,

November 1st, we had all the windows in the dining room replaced. I encourage you all to make dinner

reservations and check out the new look.

The water at Eastport was turned off on Monday, November 15th.

This is done every year to prevent the pipes from freezing in the cold winter months.

Work on the patio and docks on the south side of the island continues on schedule. We

are currently putting in place the steel pilings and steel sheathing that will make up the outside wall on the west side of the island.

As we enter the Holidays, I wish all our members a joyous season.

Bill Collinson

IT'S THAT TIME OF YEAR AGAIN!

The Good Neighbor Committee has kicked off their planning for this year's Christmas Drive-In. At the Drive-In, families will meet Santa from the safety (and warmth) of their cars, while our volunteers load gifts, goodie bags, and food gift cards into their cars in the parking lot. For over 22 years, BLYC has been the home to a Christmas Party hosted for over 120 less-fortunate children of the Buckeye Lake area, and with the difficulties that the families have faced, specifically over the past few years, we need your help now more than ever to make it a bigger success than in year's past.

How does it work?

Lakewood Schools will select families in need from the area, and each child provides us with a Christmas wish list for the committee to utilize when shopping. The committee asks members to sponsor a child for \$50.

When is the Drive-In?

The Christmas Drive-In is December 17th from 2:00-4:00 pm at BLYC.

LOOKING AFT

- P/C Steve Harris, BLYC Historian

There's been a lot going on in the Clubhouse this past year — new ceilings, updates to the dining room, seawall construction and more. Sometimes, as we make progress, it's also good to take a look back to see how far we've come. It occurred to me recently as I was looking out the new windows in our lakeview dining room, that 2024 will be the 100th year of our use of that dining room. Previous to the 1925 season, it was a porch. Here is Commodore Foster's 1985 article about that porch

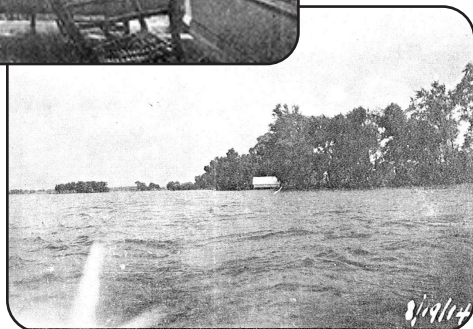

— SGH

The West Porch of the Clubhouse

- P/C Frank Foster, III, BLYC Historian

Have you ever sat in the west dining room and looked west across Buckeye Lake? Did you ever wonder what the same view looked like about 71 years ago? Like the Commodore's Lounge, the west dining room was once a porch. The left photograph is dated August 19, 1914 and looks west. The lake looks the same, the trees are many and small and the column of the porch is identical to those now on the front porch. The railing appears to be wainscot like the type found in the upstairs of the club. The floor was wood and so was the furniture. It would be interesting to stand outside the club and see if the present very large tree still standing on the island is one of the trees in the photograph (*Editor's Note: the tree to which P/C Foster refers was removed in 2003 due to disease and decay*). It probably is. The other photograph is marked with the same date. I will need someone to tell me what it shows.

These photographs were received by Governor Greg Alspach when he was Log Editor. They were sent to him by Mrs. M. F. (Ruth) Howard. My sincerest appreciation. I will retain these photographs for future display. If others of you have old photographs around the lake and especially of the yacht club, I would appreciate any copies.

A One-Sided Christmas Surprise

You've seen the famous oil painting by Emanuel Leutze, and you've heard the phrase "Washington Crossing the Delaware," but do you know the story of the first Commander-in-Chief's Christmas nautical adventure?

Independence had been declared in July of that year, 1776, but this was only the beginning of a long and difficult slog toward the young nation's true independence from Great Britain. Several times through that summer, fall, and into December, the under-equipped Continental Army had encountered the vastly superior British forces and had escaped total annihilation due to Washington's cunning and through apparently Providential interventions. Now, the Americans, after having retreated across New Jersey and into Pennsylvania, were encamped on the west side of the Delaware, hoping that the river and the winter weather would keep the British forces at bay.

Washington needed a decisive victory. Morale was low among the men, and most of their enlistments would come up at the end of the year. He devised an ingenious plan to make a surprise attack on the Hessian mercenary forces stationed across the Delaware in Trenton, New Jersey. This attack would come in the predawn hours of December 26. Surely the Hessians had celebrated all Christmas Day, and the schnapps would have flowed freely, causing them to sleep heavily that night.

As the Continental troops stealthily loaded into boats and started across the river, a violent snow and hailstorm came up suddenly, reducing the visibility to near zero. At first this seemed like a blow to the American effort, but the effect was actually reversed. Most of the enemy sentries took cover inside and, besides, what general in his right mind would purposely mount an offensive under such conditions?

The surprise was so total that the Hessians could not believe what was happening. Henry Knox was there, and in a letter to his wife a few days later he said, "The hurry, fright, and confusion of the enemy was not unlike that which will be when the last trumpet will sound." The American victory was overwhelming. Only 5 men were injured on the Continental side, but the British forces suffered 22 killed, 83 wounded, and 800 missing or captured. Once again quoting Henry Knox, he told Mrs. Knox that "Providence seemed to have smiled on every part of this enterprise."

The Apostle Paul said in Romans 8:31, "If God is for us, who can be against us?" God proved He was "for us" by sending His beloved Son on that first Christmas, to live and die on our behalf, so we can have the assurance of total victory when the last trumpet sounds.

DOCKS & RENTALS

- Governor Rickie Sue Grunden

Merry Christmas and Happy New Year!

May you and your family enjoy the Holidays!

It is time to renew your dock lease and/or Eastport Boatyard storage lease. The leases are included with your 2024 membership invoice. Each year you need to sign and return the leases with boat and/or trailer information which includes a copy of the current boat registration and the declaration page of your boat insurance. The current BLYC insurance carrier requires this to be on file in our office. Thank you for being compliant with this requirement. If your lease agreement is not included with your invoice, please contact me at docksandrentals@buckeyelakeyc.com.

Please note that construction on the front basin is on schedule and we expect all boats will be returned to Watkins Island this spring. The amenities on the island will include water and electricity for all boat docks.

Our Dock Rental fees for 2024 are as follows:

Eastport Docks — \$1,200

Area 8 Docks — \$1,300

Watkins Island East — \$2,100

Watkins Island Front Basin — \$2,100

Watkins Island West Basin — \$2,100

Watkins Island Back Basin — \$620

Eastport Storage (Nov 1 through Oct 31) — \$450

If you are interested in changing docks or getting a dock for 2024, complete the Dock Application on the website under Docks and Rentals. We also have storage areas available in the Eastport Boatyard.

Happy Holidays!

MEMBERSHIP

- Governor Mike Perez

I hope this Membership update finds you enjoying the holiday season here at the club with your friends and family.

As mentioned before, membership is at capacity with a waitlist for new members. If you sponsor a prospective member, they will be added to the waitlist once I receive their online application and two sponsor letters. Remember, only the actual member and not the first mate can sponsor a new applicant. Also, the only applicants not subjected to the waitlist would be a member's adult child who is under the age of 40.

Effective December 1st, securing a spot on the waitlist will also require a refundable \$500 deposit, which will be applied to the initiation dues once the prospective member comes off of the waitlist. Also, if a prospective member's circumstances change (e.g. move...) the \$500 will be refunded to them.

Like last year, membership will probably not open up until we see what the attrition looks like from the annual dues cycle in the first quarter of 2024. However, it is important for prospective members to get on the waitlist now so they can be considered at that time.

Also, you received an email from Governor Hegedus recently regarding all the ways you can go paperless and save the club a lot of coin. I highly recommend that you consider this for the future.

If you haven't set up your member portal, please get that done. So far, 354 members have signed up. Let's get to 100%! You can go to the club website at www.buckeyelakeyc.com and click on the Member Portal box on the home page. There is also a link right there for a brief tutorial on using the portal. The main functionality currently is that you can view all of your club charges in real time and pay your monthly bill online. More functionality will be added in the future as this will be the hub for everything!

If there is anyone you know, like and care about that you think would be a good member for the club, have them submit an online membership application and get on the waitlist. 2024 is going to be an amazing year with the completion of the front basin project.

Merry Christmas and Happy New Year!
