1:00 - 3:00

#### **Speaker Series**

Thursday, March 28

#### **Humane Society**

*Gloria Goodwin*

#### **Children's Easter Egg Hunt**

Saturday, March 30

#### **Easter Brunch**

Sunday, March 31

### COMMODORE MIKE BRUCKELMEYER

March reminds us that spring is just around the corner. It teases us with warm sunny days but reminds us that winter is still here. We just need to be patient because summer will be here before you know it.

Your Board of Governors is very busy getting fantastic programs and events —both on and off the water —ready for us to enjoy. Junior Training already has summer sailing camp registrations open... and they are filling up fast. Dock rentals are filling up with everyone getting ready for boating season. Sailing races have already been scheduled for our weekends and Holidays.

On Watkins Island, our Bar & Kitchen team is continuing to provide a wonderful experience in our clubhouse, and they plan an even better summer for us. We should

have our new sound system in place at the beginning of this month that will be enjoyed when we are not being entertained by the best bands around the lake. Along with the upgrades and updates to our Club, we look forward to the completion of our front basin project. And if that is not enough, we should be welcoming new members into our wonderful Club over the next several weeks. Have you noticed how easy it is to view your club records on the Jonas Member Portal?

Be sure to read the articles from all of the Governors to get up to date information and plan for the upcoming months!

#### **See you at the Club,**

Commodore Mike Bruckelmeyer

## BAR & KITCHEN

- Rear Commodore Vic Schroeder

Our team has been planning this winter in preparation for the 2024 spring rush and new boating season while also working to give you the best possible experience when visiting the Club this winter. Please check out the calendar for this March and all the fun events.

Please remember that guests are limited to three visits per year, no matter whose guests they are. While we appreciate their patronage and want our members to share with friends and family all that is great about the Club, it is important to remember that, as members, we pay dues to help keep the Club operating and we want to be fair to all members and follow the Club rules.

With summer on the way we are interviewing for all positions, front of house, handyman, and kitchen. Please have any quality friends or family looking for employment contact us. We do have summer positions for high school age ladies and gentlemen — what a great way to get your young resume started! Have them call the Club during business hours to set up an interview **NOW!**

Lastly, Rodney is working on the Spring Menu and, if you have any ideas about the menu or any other ideas that will help improve our kitchen and bar service, please email me at [barandkitchen@buckeyelakeyc.com](mailto:barandkitchen@buckeyelakeyc.com)

**Cheers!**

Vic Schroeder  
Bar & Kitchen

---

## CHEF'S *Weekly Dining Features*

Each week, Rodney and the kitchen staff prepare several great weekly features for your dining pleasure.

Check them out online at

[www.buckeyelakeyc.com/gob-mess/weekly-features](http://www.buckeyelakeyc.com/gob-mess/weekly-features)

**NEW WINTER MENU  
NOW AVAILABLE!**

---

## MEMBERSHIP

- Governor Mike Perez

**Happy Spring!** It's now time to watch our beloved lake fill back up. Let it rain, but no snow!

**I have great news!** Now that we're starting to see what attrition looks like this year, we are beginning to open membership back up. It is important for prospective members to get all their membership requirements completed so they are ready to go when a spot opens up. If someone has asked you to sponsor them, please ensure you return your sponsor letter as quickly as possible.

If you haven't set up your member portal, please get that done. **So far, well over half of the members have signed up.** Let's get to 100%! You can go to the club website [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com) and click on the **Member Portal** box on the home page. There is also a link right there for a brief tutorial on using the portal. The main functionality currently is that you can view all of your club charges in real time and pay your monthly bill online. More functionality will be added in the future as this will be *the* hub for everything!

Also, you now have the ability to receive your monthly statements, monthly *Log* and weekly news update electronically. Please reach out to the office to take advantage of this because it saves the Club a lot of money going paperless.

If there is anyone you know, like and care about that you think would be a good member for the Club, have them submit an online membership application and get on the waitlist.

**See You at the Club!**

Mike Perez

**2024 SAILING CAMP  
REGISTRATION  
IS OPEN**

Register Online at [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com)  
under the "Juniors" tab

## COMMUNICATIONS

- Governor Bob Hegedus

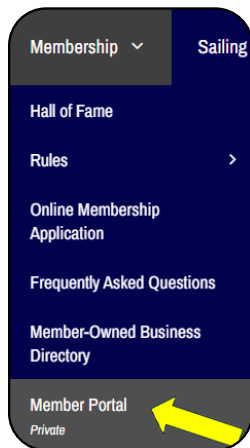

**Happy Easter everyone!** I am looking forward to hanging out with my Peeps at the club!

We continue to work on several projects to bring improvements to the club:

1. With help from our partners at Singlesource IT, internet filtering has been turned on for the entire club to ensure internet usage is safe and stable while using our network to access the internet. Access to sites containing adult content, sites known to promote computer viruses and hacking, and sites promoting terrorism and hate are just a few of the categories that are now blocked on our club network. If you notice a site blocked that you feel is in error, please tell me.
2. The Jonas Member Roster module is currently being finalized and will be tested during March. Stay tuned for the official spring launch soon! The member directory will let you update and share your information with other members. You will also be able to choose what information you want to share.
3. We are starting the implementation phase of the Jonas communications module which will improve our ability to communicate with our member community via newsletters and updates. The platform will replace our current manual process in place for our monthly and weekly communications.

**IMPORTANT:** If you have not done so already, take a few minutes to enroll in our club portal now to ensure you are able to use and be included in the directory and continue to receive club communications! To enroll, click on the Member Portal link under the Membership tab and follow the instructions. It only takes a few minutes!!

Bob Hegedus  
Communications

## JUNIOR TRAINING

- Governor Stephanie Dolan

2024 Junior Sailing Camp sign-ups are **OPEN** on the BLYC website! Registration is online **ONLY**! Sailing camps will be held in June of 2024. See the BLYC website for dates and information. These always fill quickly and have a waitlist year after year so please be sure to register as soon as possible! Registration is first come, first served.

We are excited to announce our 1<sup>st</sup> Junior Sailing Reunion. This fun event will be held at BLYC on Sunday April 28<sup>th</sup>, 12:00 – 3:00 pm. Stay tuned for more details!

With the anticipated growth of our Junior Sailing program we are planning to purchase a new Optimist and new Laser sailboat for the 2024 season. **We need your HELP!!** We will be running a fundraising campaign for the purchase of these new boats beginning March 1<sup>st</sup>!! This campaign will run through May 31<sup>st</sup>!! Our goal is to raise \$20,000 with this campaign! These sailboats will serve as great additions to our program and team and will allow for continued goals of safety, learning, and competition as well. Please remember that the Junior Sailing Program is a 501(c)3 charitable organization and all donations are tax deductible. Please reach out to me to coordinate donations to this great campaign to help our Junior Sailors!!

The first regatta of the season for the I-LYA Traveler's Series will be held on June 1st at BLYC! Volunteers are **NEEDED**! Please reach out to me if you'd like to help! It is sure to be a great day!

Be sure to make your plans and reservations **NOW** to join us at Put-In-Bay for I-LYA Junior Bay Week, July 14-18. BLYC always travels well to this amazing week and shows great support to our Junior Sailing Race Team. Volunteers are needed for this week as well! Please let me know if you are planning to attend and are able to volunteer.

Have a junior sailor who is interested in joining BLYC Junior Sailing Race Team for the 2024 season? Please reach out to me to find out more and alert us of your interest! 2024 is going to be **INCREDIBLE** and we'd love to have you join in the **FUN**!

**THANK YOU** to everyone for all of your support of the Junior Sailing Program! We couldn't do it without the help of the **AMAZING** members of BLYC!

**See you at the Club!**

Stephanie Dolan

DINING EXPERIENCE**  
[www.buckeyelakeyc.com/feedback](http://www.buckeyelakeyc.com/feedback)

## HOUSE & GROUNDS

- Vice Commodore Bill Collinson

During Winterfest Benny the Bass predicted only 6 weeks of winter to go, and based on the extended forecast for February, it appears he is correct. Aside from a week of cold weather, mother nature has been cooperating with our front basin project. I know it is difficult to see from the clubhouse, but I assure you a great deal of work has been going on. The new seawall on the west end of the basin as well as the southern end of the basin should be completed by the time you read this article. The reason you haven't been able to see the progress from the club is that your view has been blocked by the old wharf.

Given the deterioration of that wharf, we do not have the luxury of just pulling out the old steel plating. Doing that would simply cause it tear creating a hazard in the water. We have contracted with divers to cut the old steel as it enters the lake bed. That process will start around February 26 and is estimated to take 18 days to remove the old seawall structure. I had the opportunity to take a boat out to the construction site and have captured the following pictures that notes our progress as of February 7.

I am pleased to report that we have replaced the vent fixtures and light fixtures in the pool restroom. What once was a bit of a dungeon is now properly ventilated and better illuminated with the new fans and LED lights.

Spring will be here before we know it and rest assured the House and Grounds is working diligently to make sure the club is ready for the summer season.

Bill Collinson  
House & Grounds

## DOCKS & RENTALS

- Governor Rickie Sue Grunden

**Top of the Morning to all the Irish and those who celebrate St. Patrick's Day!** Thank you to all our members who are returning their signed dock lease agreements and Eastport storage agreements! If your declaration page to your boat insurance is not renewed until late spring, please send a copy to [docksandrentals@buckeyelakeyc.com](mailto:docksandrentals@buckeyelakeyc.com) when you get it. BLYC is required by our Liability Insurance carrier to have it on file.

**Dock Waiting List:** As the new docks on Watkins Island are completed, you may ask yourselves, "What I need to do to have a dock on the Island?" BLYC has a dock waiting list for all docking areas. Go to our website and complete the dock application with your preferred dock area (Eastport, Area 8, Watkins Island (East, Front Basin, West Basin)). Consideration for a dock is outlined in the BLYC Constitution and By-Laws and are followed for dock assignments when docks become available.

**Eastport Boat Yard:** When your boat goes in the water this spring, what will you do with your boat trailer? The lease agreement for boat and trailer storage is for the entire year. Put your boat in the water and leave your trailer in BLYC's secured storage area!

Cleanup of the boat yard fence row will begin in April when we have warmer weather conditions. We are looking for volunteers to help clear the weeds and vines. It is good exercise and a great opportunity to get to know your fellow Club members. It is community service since this will make BLYC Eastport boatyard more attractive to the Buckeye Lake community.

"I know everybody says money can't buy happiness, but it could buy me a bigger boat!"

**See You on the Water!**

Rickie Sue Grunden  
Docks & Rentals

**HOW WELL DO  
YOU KNOW  
THE RACING  
RULES?**

### RACING RULES SEMINAR

**Sunday, March 24 — 1:00-3:00**

We will focus on the Rules of Part 2 —  
Right of Away

*Sailors of all skill levels and experience are  
encouraged to attend*

## ENTERTAINMENT

- Governor Joel Gabor

### It's All Downhill From Here!

Well, here we are beginning to knock on the door of spring. Players are beginning to show up at baseball spring training sites, tickets are being sold for the OSU spring game, and the early flowers are beginning to show their faces. Rushing the calendar a bit? I think not!

March will be another busy entertainment month at the Club. Early on, we will be installing and testing our new, upgraded sound system capabilities. We are all looking forward to the improvement in quality (clarity and volume control) and flexible distribution of audio (inside, covered porch, and poolside) as well as being able to offer additional music sourcing options for those times when we want to selectively vary our entertainment choices (live, recorded, both). I am very excited for you to hear the difference, and to bring the improved entertainment capabilities to our members.

Additionally, as another sign that spring is just around the corner, I am very excited about our upcoming St. Patrick's Day Party with *Dying Breed*, on March 16<sup>th</sup> featuring our friend and fellow Club member Brian Moore. By the end of the evening you will swear that somehow you have just been to an Irish Pub!

*David Spires and Shawna Corder, Carrie and Rich*, and the *Lakeside Trio* help us enjoy the month of March, and please don't forget the continuing Speaker Series and the Children's Easter Egg Hunt.

**See you at the Club!**

Bill Collinson  
House & Grounds

# BLYC SPEAKER SERIES

THURSDAYS  
7:00 pm

*What & How?*

Thursday, March 21 — Bill Babbitt

## The Humane Society

*... and Trap, Neuter, Release*

Thursday, March 28 — Gloria Goodwin

## RACE & REGATTA

- Governor Dean Pickett

### Happy St. Patrick's Day!

With spring right around the corner, more sunshine and warmer temperatures, Race and Regatta is gearing up for a fun and exciting sailing season.

In February, we attended the ISCA (Interlake Sailing Class Association) winter meeting. While there we held collaborative and information sharing sessions on growing and maintaining the Interlake class fleets in the Midwest. At BLYC, we have a few Interlaces and are always looking for BLYC members to sail the Interlake during our Sail-on-Sunday and Long Distance Races. Additionally, we held a US Sailing Basic Race Management Seminar for those in our region seeking to attain their certification as Race Officers. There were over 20 participants from all over Ohio, Indiana, and even one attendee from the Chicago area!

In March and April, the following events will be occurring in the Race & Regatta area:

- Mar 3<sup>rd</sup>, 1:00 pm to 3:00 pm — *Mini Safety at Sea Seminar*
- Mar 24<sup>th</sup>, 1:00 pm to 3:00 pm — *Racing Rules of Sailing Review*
- Apr 28<sup>th</sup> — *Ohio Boater Education Course*, taught by ODNr Division of Watercraft

Lastly, I am still looking for people who are interested in joining any of the following committees. Committees are a great way to give back to the club.

- Race Committee for the 2024 Sailing Season
- Cardboard Boat Race — This is our 4<sup>th</sup> year of Cardboard Boat Race, it is an exciting event for the entire family.

If you are interested in being part of the Race Committee or part of the 4<sup>th</sup> Annual Cardboard Boat Race committee, please contact me at [raceandregatta@buckeyelakeyc.com](mailto:raceandregatta@buckeyelakeyc.com)

**Looking forward to a great year of fun and excitement at the club,**

Dean Pickett  
Race & Regatta

## SAFE BOATING IS NOT AN ACCIDENT!

## MINI SAFETY AT SEA SEMINAR

**Sunday, March 3 — 1:00-3:00**

This FREE seminar is an adapted and abbreviated version of US Sailing's Safety at Sea Program. While focused primarily on sailboats, all boaters should find the information useful.

***Are YOU being as safe as you can be on the water?***

# LOOKING AFT

- P/C Steve Harris, BLYC Historian

## Catboats & Clubs...

Recently, I came across the following article, published by P/C Whitey Limes in the July, 1981 issue of the *Log*, celebrating our 75<sup>th</sup> Anniversary. Unfortunately, Commodore Limes did not reference the source, but I presume from the writing that it was originally published in 1910. It appears to be part of a larger work discussing the lake. This excerpt speaks highly of our Club, details the sailboats which were raced here in that time, and also mentions a number of other private clubs around the lake — over a dozen! Today, only BLYC remains.

Catboats moored at Watkins Island c. 1910

*This picture was taken in the years prior to the building of our current Clubhouse. It appears that it was taken from the front porch of the original Clubhouse, looking west.*

## Principal Pleasure Clubs

*Bordering the lake on all sides are to be found many clubhouses, representing Columbus, Newark, Zanesville, Circleville, Lancaster and many other cities. Of these the largest and most noted is the Buckeye Lake Yacht Club, composed of about 200 members, being live business men, principally from Columbus and Newark.*

*Their handsome and commodious club and boat house is located on Watkins Island, along the North Bank, a short distance west of the Park.*

*The motto of this club is "The Promotion of Yachting – The Improvement of Buckeye Lake*

*for Boating Purposes," and to this should also be added, for purposes of fishing, sport, summer living, good health, good cheer, good friends, a wholesome place for the little ones, and a broader spirit of good fellowship.*

*Members of the club own about 50 power boats and 30 sail boats, of which fifteen are cat boats, which will be placed on the lake in the spring of 1911. These designs were furnished by C.D. Mower of New York City, one of the most expert designers in the world of this line of craft, and were built by Messrs. Pack, May & Co., of Toledo, Ohio, who are looked upon as one of the best building concerns on the Great Lakes. Specifications call for these boats to be of the best possible workmanship and material throughout. This was the largest order for individual yachts of high class design and construction that has ever been placed in the history of yachting in this country and possibly in the world. For the benefit of the uninitiated it may be explained that a cat boat is a boat having a certain kind of rig called a cat-rig. This consists of a single upright mast stepped well forward near the bow, on which is carried the canvas consisting of a single "fore-and-aft," supported on a "gaff" and the head and handled or "trimmed" by a rope called the "main sheet" attached to the "boom" at the foot of the sail. By means of the main sheet the boom is hauled in-board or let out to "trim the sail," and thus hold the canvas in proper position to most effectively propel the boat. For windward work, the cat rig is superior to all others.*

*Next in importance is the Camera Fishing Club, located on the north shore, a few hundred feet west of the Yacht Club island. It has but 15 members, all of Columbus, who are extremely active and enthusiastic in the welfare of the lake. Just west of the Waste Weir Gates are located the club houses of both the*

*Ohio Fishing Club and the Pirate Club. Also, along the north bank, are situated the Big Eight Club, the Silver Star Club, and the Ogwehia Club. At the extreme west end, some distance west of Lakeside, is to be found the Magnolia Club. At the extreme southwest end of the lake, at the entrance to the canal, is to be seen the beautiful club houses of the Sunfish Club. Along the south shore, also near the west end, are the Bonehead Club, the Columbus Club, the Isaak Walton Club, the Lancaster Club, and the Bismarck Club. Further east on the south shore and across from Buckeye Lake Park are the Jollity Club, the Fishing and Hunting Club, and the Buckeye Boat Club. The Gibson Club and Beach Island Clubs occupy sites on islands by the same name.*

In his book, *An Appreciation of Buckeye Lake*, Commodore Kyle Armstrong mentions several other Clubs that were on the lake in the early years — the Allegro and Black Diamond Fishing & Hunting Clubs, both located at Black Diamond Bend, the Magnolia Club south of Lakeside, and the Osceola Club on Miller Bay. It would be interesting to find what happened to these early Clubs and what stands in their locations today. If anyone has sources that may help, please feel free to share.

Catboats racing on Buckeye Lake c. 1910

## St. Patrick's Day Party Saturday, March 16

### MENU

#### APPETIZERS

Broccoli, Peas & Carrots, Cole Slaw, House  
Salad, Fresh Fruit, French Fries, Cottage Cheese

## CHAPLAIN'S CORNER

- Mark Thogmartin, Fleet Chaplain

### The Heavens Proclaim

*The heavens proclaim the glory of God.*

*The skies display his craftsmanship.*

*Day after day they continue to speak;*

*night after night they make him known.*

*They speak without a sound or word;*

*their voice is never heard.*

*Yet their message has gone throughout the earth,  
and their words to all the world.*

Psalm 19:1-4 (NLT)

Sailors, throughout history, have depended on their ability to read the skies more than any other travelers. When out at sea there are no landmarks and no transcribed meteorological reports. Only until recent years have electronic means been available to aid ocean goers in navigation and weather forecasting.

In our technological times, the sun, moon, planets, stars, and clouds are beautiful curiosities that are wondrous to behold, but we don't depend on our ability to interpret their guidance as did our ancestors. But this does not mean that these heavenly messengers do not have a story to tell. As the Hebrew King David reminds us in Psalm 19, the skies are talking to us all the time. They are telling us about their (and our) Creator. They are giving glory to the Master Craftsman who spun galaxies from His fingertips and who "makes the clouds His chariot, and who rides on the wings of the wind." (Psalm 104:3)

Make it a goal, sometime soon, to quietly ponder a gorgeous sunset, a star-studded panorama, and/or a towering cumulus cloud...and just listen. What are they telling you? If you can filter out all the "noise" produced by overly modern, scientific explanations about their origins, I'll bet they will proclaim the majesty of their Designer. And if you keep listening, they might lead you all the way home to the One who loves you most.

## SUNDAY EUCHRE
