COMMODORE MIKE BRUCKELMEYER

We have undoubtedly heard the idiom, "Time flies when you are having fun!" This year has certainly moved quickly, and I have certainly had fun! Thank you for the opportunity and the privilege to be your Commodore for this past year.

We have had a fantastic year at the Club, and it would not have been possible without individuals who worked tirelessly and sometimes behind the scenes to make it happen. I want to first share my appreciation to the members of the Board of Governors and the Trustees. Whether individually or as a group, this team, working together, has accomplished so much for our membership. It has been an honor to serve with you. I encourage the members to thank them whenever possible because that's how the Board Members get paid, your appreciation and support.

The staff have also made this a memorable year. General Manager, Rodney Probst, Assistant GM, Ish Howe, and their

kitchen and front of house staff have made the Club a very special place to be. Rebecca and Deana were there for all of us when we had questions or needed help from the office. Last, but certainly not least, thanks to Holly for keeping our island ship shape!

None of what we have all enjoyed would be possible without the support and confidence given to us by the membership of the Club. I have had the opportunity to meet with many members and make new friends and build relationships. Thank you!

I would not have been able to serve as Commodore without the love and support of my First Mate, Julie. We had to juggle, not only already busy lives, but also the increased activity that comes with being Commodore. I am very lucky to have her beside me.

I hope to see a LOT of you at our upcoming Election and Annual Meeting on September 22! This is a very important time for our membership as we have an opportunity to vote on an update to our Constitution to bring it into this century and make Club operations more efficient. We need a quorum of our members to attend and vote on this change, and this is the best time to do it.

Finally, I wish only the best to our new Commodore, Bill Collinson, and his 2025 Board of Governors. I have worked very closely with Bill over the last few years, and I know I am leaving the helm of the Buckeye Lake Yacht Club in good hands.

See you at the Club!

Commodore Mike Bruckelmeyer
Commodore@buckeyelakeyc.com

BAR & KITCHEN

– Rear Commodore Vic Schroeder

Summer is not over — still plenty of boating time and the Club business season is upon us. First and foremost, please be sure to mark your calendars and attend the BLYC Annual Meeting on Sunday September 22nd. At this meeting we will be proposing changes in the Constitution, so it is very important that we have a quorum of members in attendance. We will need your feedback and vote. In addition, the membership will be voting in the new Board. The weekend of events starts with Candidates Night on Friday the 20th with dinner and candidates sharing why they should be on the board. Sunday is the Annual Meeting. Voting for candidates starts at 9:00 am and ends at 1:00 pm. In conjunction, the Porch Picnic will be occurring. This is a great time when the board and candidates share tasty brunch and other treats for members. At 1:00 pm we have the Auxiliary annual meeting and 2:00 pm is the Club Annual meeting where we will discuss the Constitution, followed by the Commodore's Reception with the Lakeside Trio.

So please mark your calendar, come out, have fun, and help support your Club.

Hope to See you There!

ENTERTAINMENT

– Governor Joel Gabor

Fall is election season at BLYC and, again, we seek dedicated member volunteers willing to share their time and talent with the Club as members of the Board of Governors. Please contact VC Bill Collinson or P/C Mark Pyle if you are interested. Additionally, feel free to ask any current Board member or Past Commodore about it as well. They are always happy to share!

Equally important is the Annual Membership Meeting which follows the election festivities on September 22. This year's meeting, in addition to learning who the new Board of Governors are along with their positions of responsibility (including a new Entertainment Governor), we will also be voting on proposed Constitution changes. I would encourage to all to attend!

In other news ... We have a strong Labor Day/End of Summer relay for the end of September; CYNTsation (Friday - 8/30) is up first, followed by our initial Tailgate Party of the season as our National Championship contending OSU Buckeyes take on the Akron Zips (sorry guys) on 8/31, and we are anchored by our new friends Shucking Bubba Deluxe helping us rip it up to close out our Summer entertainment season. We don't stop there, so please check out our calendar for additional entertainment highlights in September and beyond.

I hope you all enjoyed our time together. Wishing you the very best and, of course, I will continue to...

See you at the Club!

RACE & REGATTA

– Governor Dean Pickett

It's hard to believe it is already September, and my first year as Governor for Race and Regatta is ending. Our club is lucky to have a great group of people who help make the races happen each week. A few of them are Rick and Marcia Henderson, Dan Spence, Dave Paligo (Fleet Captain) and Steve Harris (our Principal Race Officer). So, from all the sailors, a huge **THANK YOU**.

Our spring and summer Sail-on-Sunday series are behind us, and we are well into our fall series, with the long distance race on the horizon, followed by the highlight of the season, the Snowball Regatta.

In September and October, the following events will be occurring in the Race & Regatta area:

- Sail on Sunday
 - weekly through 9/15 — 12:00 - ~3:00 pm
- Wind on Wednesday
 - weekly through 9/18 (relaxed sailing)
- Special Events
 - Commodore Dwight R. Haggard Labor Day Long Distance Race
 - Commodore George V. Fisher Snowball Regatta
 - Sailing Awards Dinner on October 11

Lastly, it is also time for our Annual Meeting in September. This Annual Meeting we are looking to pass a constitutional change related to fiscal and operational responsibilities for the Board of Governors and Board of Trustees.

Best Regards

Dean Pickett
RaceandRegatta@Buckeyelakeyc.com

ANNUAL MEETING

**Sunday
September 22
2:00 PM**

Each week, Rodney and the kitchen staff prepare several great weekly features for your dining pleasure.

**Check them out online at

MEMBERSHIP

– Governor Mike Perez

Happy September! Now that summer is in the rearview mirror, it's time to start enjoying all the Club has to offer during the fall months. Be on the lookout for Club communications with details about all the great events coming your way!

At the August board meeting, we had zero new members voted into the club. Due to incredible demand for club membership, we are currently at capacity with a waitlist for new members. If you sponsor a prospective member, they will be added to the waitlist once I receive their online application and two sponsor letters. Remember, only the actual member and not the first mate can sponsor a new applicant. Also, the only applicants not subjected to the waitlist would be a member's adult child who is under age 40.

Remember that securing a spot on the waitlist will also require a refundable \$500 deposit, which will be applied to the initiation dues once the prospective member comes off the waitlist. Also, if a prospective member's circumstances change (e.g. move...) the \$500 will be refunded to them. Please continue to make sure all your personal information is current in the member directory. It can be updated through your portal.

Finally, September is election season at the club! Since the club is driven by the members, make sure you participate in the process to elect a new Board of Governors. Also, we will be voting on some changes to the Club Constitution. Make sure you participate in that process because these changes are important to our future success.

Mike Perez
Membership@Buckeyelakeyc.com

JUNIOR TRAINING

– Governor Stephanie Dolan

September is HERE! It has been a wonderful summer with many great moments in the world of junior sailing! We are in the process of storing and putting away boats and equipment and already looking forward to next year!

Congratulations to Junior Sailing Race Team member, Bryor Burke. He was chosen to receive the Commodore Howard and Rosa Clark Scholarship for the Buckeye Lake Yacht Club Junior Sailing Inc. program this year. Congratulations Bryor and best wishes in your future college and sailing endeavors! It has been wonderful to have you as part of the BLYC Sailing Team and as an instructor in our junior sailing camps!

On a side note, mark your calendars and attend the Annual Meeting on Sunday, September 22nd. This is a very important meeting and the best way for members to get updates on all the important things happening throughout the year and around the club. Proposed changes in the By-Laws and Constitution will be discussed at this meeting and it is very important that we have as many members attend as we possibly can.

THANK YOU all for your incredible support of the Junior Sailing program this summer and ALWAYS! It is so greatly appreciated!!

Stephanie Dolan

JuniorTraining@Buckeyelakeyc.com

COMMUNICATIONS

– Governor Bob Hegedus

August, while a bit dry and the water level a bit lower than we would like, held some of the best evening sunsets in my recent memory, I hope you were able to enjoy them from the new Club patio!

And now Fall is right around the corner!

"It's the first day of autumn! A time of hot chocolatey mornings, and toasty marshmallow evenings, and, best of all, leaping into leaves!"

– Winnie The Pooh

First off, I wanted to thank everyone for supporting the Junior Sailing program with your recent purchase of BLYC glasses and decanters. Governor Dolan and the program are deeply appreciative of the generosity of the club in their support of the program. THANK YOU! Also, we still have extra glasses if you would like to purchase them. If so, let Ish know or stop by the office to purchase them (\$10/Glass. \$40/Decanter) while supplies last!

Secondly, I wanted to remind everyone to please attend the annual meeting and elections on September 22. Having survived my first year as Governor, I continue to be reminded that the strength and success of the club depends on strong participation by its members.

Bob Hegedus

Communications@Buckeyelakeyc.com

HOUSE & GROUNDS

– Vice Commodore Bill Collinson

As I write this article, summer is quickly coming to an end. As you all are aware, we have had very little rain in the past several weeks and, as such, the lake levels are dropping. For those of you who have boats in the water, I suggest you check your mooring lines frequently to make sure your vessel is tied up safely.

We normally close the pool on the Sunday after Labor Day. This year the Board has decided to possibly keep it open for a couple of weeks after the 8th of September for the enjoyment of our members. Obviously, this will be dependent on the weather and staffing. We will keep you informed through announcements in the e-News. Please be aware that even though we will try to extend the pool season, the pool bar will not be open.

As I have indicated in previous articles, we will be uncovering the plumbing connecting with the kiddie pool to identify what is causing the leakage and

determine what will be necessary to effect repairs. More to come on that in future articles.

You all may be aware of the issues we have had with our sewer pump station this year. I am most pleased to report the pump station system has been rebuilt. All of the lines have been cleaned and it is currently in good working order.

We have taken our initial steps in addressing the replacement of the rear steel staircase. This project is going to require the dismantling of the current staircase, the removal of the current cement foundation and replacing that with a new foundation. The staircase itself will be fabricated from galvanized steel which will eliminate any rusting issues that we now face with our current staircase. At this time we are finalizing the exact cost of the project and are proceeding to obtain the necessary permits to start construction. Based on current projections, we expect the project to commence around the week of October 7th and be completed by the

week of November 11th. I will continue to update you on our progress in future articles.

I am sorry to report that our new elevator has suffered a malfunction and the part necessary to effect repairs has been ordered. Hopefully by the time you read this article, the elevator will be up and running once more.

As our fiscal year comes to a close, we look forward to the elections for the new Board members. I would ask that you keep the following dates in your calendar and make plans to attend the Candidates Night September 20th, the Porch Picnic and Elections Sunday September 22nd, and the Annual Meeting, also Sunday, September 22, at 2:00 pm. Your attendance is extremely important for this meeting in that the board wishes to make a change to the constitution that will require a quorum. Details on the proposed changes were shared with the membership via email on August 22.

Bill Collinson

HouseandGrounds@Buckeyelakeyc.com

DOCKS & RENTALS

– Governor Rickie Sue Grunden

Classic Boat Show

Thank you for removing your boats from the Watkins Island docks for the Classic Boat Show. You contributed to the success of the show! The people who came enjoyed walking around and seeing these classics floating in the water. It really helps you appreciate the craftsmanship and beauty of these boats.

Bird Watching

As summer rolled into August, we had the invasion of the seagulls on our beautiful new docks on Watkins Island. To counter the birds, we installed a sonic box that emits attacking eagle sounds to scare away the gulls. The ducks, however, are not fazed by the noises. If you are at Area 8 and Eastport, we recommend that you dangle shiny discs that move in the wind from your boats.

Winter Boat Storage

Have you planned for winter boat storage? The storage in the Eastport boatyard is an annual fee and includes trailer storage during the boating season. Eastport is a secure facility, and you have the combination. An advantage to you as a Club member is that you will pass your stored boat each time you come to the Club and dream of last summer's fun and next summer's adventures! Apply online today.

The Dock Committee numbered all the docks on Watkins Island and installed the nameplates and the green BLYC signs on the transient docks. They also worked on the Eastport boatyard and installed the dori poles on the Eastport and Area 8 docks. Say thank you to P/C Charles Campbell, P/C Jeff Hamilton, Mike Smith, Matt Fennen, Mike Fornataro, Scott Evans, and Tom Reynolds. Also, a big thank you to P/C Bruce Ames for preparing a new Watkins Island dock diagram from the construction plans.

Dock Holders, it has been a pleasure to work with each of you this year. You were patient throughout the construction period and the move back to Watkins Island. You were also good about getting your dock lease agreements and boat information into the office in a timely manner. Enjoy the rest of the boating season!

Transient Dock Users we hope you enjoy coming to the Club by boat! Opening more docks for your use seems to be helping all. There were very few complaints regarding parking in leased docks. Keep looking for the green BLYC signs!

It is an honor to serve as your Governor for docks and rentals and I wish each of you the best days on the water!

LOOKING AFT

- P/C Steve Harris
BLYC Historian

While looking through the archives for inspiration for this month's offering, I stumbled across the following article I wrote a few years back. Realizing that this month marks the 100th Anniversary of Gettrost being elevated to the office of Commodore, I felt that it was timely to share it again.

— SGH

Bowling, no Billiards, and the Best Dining Views on Buckeye Lake...

Captain Eddie Gettrost was a well known citizen of Columbus, a veteran of the Spanish-American War, a Captain in World War I, a successful businessman, and our Commodore in 1925.

Born in Bellaire, Ohio in 1877, Gettrost came to Columbus at the age of 16 where he worked in a restaurant by day and attended business school at night. When the Spanish-American War broke out, he enlisted in the US Army, served in Cuba and participated in the landing at Guanica, Puerto Rico in 1898. After returning from the war, he purchased the Swift Bowling Alley on East Gay Street. Over the years, he purchased several other bowling alleys and restaurants throughout Columbus, culminating in his lavish Gettrost Recreation Hall encompassing the second, third, fourth, and fifth floors of 44 North Front, at the corner of West Gay (this location is the site of the Leveque Tower Garage today.)

At the start of World War I, Mr. Gettrost placed his businesses in the hands of his managers and again enlisted in the US Army. He was soon thereafter commissioned as a First Lieutenant and sent to Virginia where he organized and trained a company of African American soldiers. In August of that year, he accompanied them to France as their Commander where they were assigned to the Quartermaster's Corps. While overseas, he was promoted to the rank of Captain, and was honorably discharged in August of 1919.

Mr. Gettrost owned property on the south shore of Buckeye Lake near Millersport and was quite apparently a very active part of the lake community and BLYC. In that time period, one of the more popular "off-season" activities BLYC members enjoyed was participating in the Inter-Lake Yachtsmen's Bowling Association. Frequently, their tournaments were hosted at Gettrost's fine establishments in Columbus.

Sadly, club records from the 1920's are scarce and, according to Kyle Armstrong's Book, *Story of Buckeye Lake Yacht Club*, there is also some question as to the manner of how officers were elected during that time. There are no records available, save the names of the Commodores, of who served BLYC on the Board or its committees. Regardless, Eddie Gettrost became Commodore, our 14th, in September of 1924.

Commodore Gettrost's elevation to the office coincided with the period of U.S. history later to be known as the "Coolidge Prosperity." Industrial production was up 70%, wages rose nearly 25%, widespread electrification improved the lives of many Americans, and by the end of the decade over half of all American's owned automobiles and other "luxury" items previously beyond their reach. The Club, too, benefitted from this era. Activity at BLYC was higher than ever! In order to accommodate this increase in participation, the Board eliminated the old "billiard hall" upstairs, enclosed the staircase, and added additional sleeping accommodations for members visiting the lake on the weekends. BLYC had also outgrown "Gob's Mess" (today, the bar) as it's only dining area with meal service frequently spilling over into the "lounge" (as we know it today, the Fireplace Room). The Board elected to enclose the west porch to add our current glazed-in dining room with arguably the best dining views on Buckeye Lake. As a part of this project, BLYC *finally* and officially dedicated our island in the name of the Honorable George H. Watkins who was immensely instrumental in the early

Eddie Gettrost - 1916

development of both the lake and of BLYC years earlier. On the evening of July 3rd, 1925 — 11 years after his death and nearly two decades following the Club voting to so dedicate the island — a group of Mr. Watkins' friends, along with members of the Club, unveiled and dedicated a monument appropriately commemorating this "member and lover of the Club, friend of the common people," who "departing, left to them in Buckeye Lake a beautiful and valuable heritage to which his spirit invites us to return again and again to enjoy the fruits of his labors. He it was who made our Yacht Club possible." So originated the large bronze tablet still mounted, although perhaps somewhat obscurely, on the chimney in the Club dining room.

Commodore Gettrost passed away in November of 1929 following a stroke suffered at his Buckeye Lake cottage. He was 52 years old.

While bowling may not enjoy the popularity today that it once did and both the billiard hall and sleeping rooms upstairs are now gone, the members of BLYC are certainly indebted to Commodore Gettrost for his leadership and vision in providing us what is, arguably, still — nearly 100 years later — one of the greatest features of our Clubhouse. Regardless of the season, is there anything better than enjoying a good meal with friends while looking out over our beautiful lake?

BLYC AUXILIARY

Happy Fall from your BLYC Auxiliary

Thank you to our donor of the staff shirts for our annual Auxiliary fundraiser, and to All Out Designs for creating them. Also, thank you to Sharon Heise for her help and donations. We also got to acknowledge the 50-year Anniversary of a family tradition. 1974 BLYC Commodore Mike Hein, 1974 BLYC Ladies Auxiliary President Joan Hein, Tracey (Hein) Davis BLYC Auxiliary President 2000 for the first time. (Also 2012, 2014 Co-President, 2020 & 2021) 2024 BLYC Auxiliary President Barb Hein. We also acknowledged the 50 year anniversary of the Commodores Lounge being built and decorated. The primary purpose of the Auxiliary is to support the club through facility improvements, beautification, and to foster a fun, social, community spirit within the Club which has always been the Auxiliary mission since its beginning in 1941.

Our Celebration Pool Party and meeting was fun and lots of good discussions. Please let us know what ideas you have for next year's activities or adventures you would like your Auxiliary to schedule.

Thursday, September 12 — Join us for 5:30 Social 6:30 Meeting/Elections 7:30 Music with David Spires and Shawna Corder (Sponsored by your Auxiliary) Everyone is invited, please make a reservation.

Reminder: Please go online at www.buckeyelakeyc.com, the Auxiliary tab, to support your Auxiliary with a \$25.00 donation for membership dues or fill out the form — payment can be made by cash, check or member charge. Annual dues run from now until August 31, 2025. We have added a Lifetime Auxiliary Membership for \$500 and a spouse, significant other, or family member \$300.

More information will be given through our BLYC website and BLYC e-News.

Your continuing support is much appreciated

ADJOURNMENT

CHAPLAIN'S CORNER

— Mark Thogmartin, Fleet Chaplain

Praying For the Wind

Central to the mission of the BLYC is “the promotion of yachting and aquatic sports” which has, historically, featured sailing and sailboat racing. Sailboats are solar-powered; the breezes that fill their sails are caused by the sun’s uneven heating of the earth’s surface, the resulting rising air, the rotation of the globe, and so on. Steve Harris, the Club’s resident science teacher, would be more eloquent in explaining these phenomena, so I’ll move on to matters that are within my wheelhouse.

God is the Overseer of the atmosphere and its processes. As Fleet Chaplain, part of my job description is to lead the Club in entreating the Creator for fair winds so that our races can go on as scheduled each week. I believe I’ve been faithful in doing so, even if the posted race results would indicate otherwise. At the risk of looking like I’m making excuses, allow me to offer these observations and reflections:

- God has the entire world to administer, and a lot of prayers are directed to him 24/7. While we are praying for spritely breezes, the hot air balloon club is praying for little to no wind, and the local farmers are praying for soaking rains to relieve the drought.
- Because the Lord works out all things for the ultimate good of His people (Romans 8:28), our frustrations might be better character-building instruments in His hands than the winning of a trophy.
- The Bible is full of situations where even the greatest saints did not receive the desired answers to the petitions they made. Righteous Job, the Apostle Paul, and even Jesus Himself submitted to God’s will above their own at the height of their suffering.
- Psalm 104: 3 says that God “rides on the wings of the wind.” It is ultimately His prerogative as to whether He wants to ride over Buckeye Lake on a particular day.

It’s not my intent to be irreverent with these lighthearted musings. But I think they do reflect just a bit of the mysterious workings of God’s will that have befuddled theologians for centuries. So, let’s keep calling out for fair winds. Our sails will fill soon enough!
