## COMMODORE BILL COLLINSON

After four years on the board, one as Race and Regatta Governor and three as House and Grounds Governor, I now find myself as Commodore of the Buckeye Lake Yacht Club. I am humbled by your confidence in me to lead this club for the next twelve months. Given the long history of the club, 119 years, I do not take this obligation lightly.

The commodore is only as good as the board he or she works with. That being said, I would like to take this opportunity to introduce your board for the 2025 term:

### Vice Commodore

Vic Schroeder — *House & Grounds*

### Rear Commodore

Rickie Sue Grunden — *Docks & Rentals*

### Governors

Bob Hegedus — *Communications*

Mike Perez — *Membership*

Dean Pickett — *Entertainment*

Brian Thom — *House & Grounds*

Kendall Cottongim — *Race & Regatta*

Bill Ghiz — *Junior Training*

As you are aware, none of these positions are ceremonial in nature and all require a great deal of dedication and work to be successful on behalf of the club and its members. I encourage you to introduce yourself to the members of the board and to increase your understanding of their responsibilities.

We had our annual meeting on Sunday, September 22, and I am pleased to report that we had enough voting members present to meet the requirement of a quorum. This allowed us to take a vote on the constitutional change many of the boards in the past were trying to achieve. Simply, the change was to increase board authority for expenditures from \$500 to \$1,800 to put it in line with the consumer price index. This change not only provides a little more autonomy for the board but provides flexibility in the constitution to make the changes in the future based on inflationary concerns. All fiduciary obligations remain intact in that the financial health of the club is of paramount concern.

I would like to take this opportunity to share with you my goals for the upcoming year. Having been House and Grounds Governor for the past three years and working with Trustee Charlie Campbell on a number of projects before that, we have been successful in bringing a number of large projects to fruition. I am very proud of what has been accomplished. Having said that, it is time to take a bit of a breather. My focus as Commodore for the upcoming year will be to rebuild our capital

---

## COMMODORE

*Continued from p. 1*

budget, reduce our outstanding debt, and improve the service at the club.

That being said, there still remains one necessary project that needs to be completed. The rear staircase at the back of the club has seen better days. We have had a construction committee working on this project for the past year. We are now at the point we are waiting for the proper permitting and anticipate that to be in hand by late October. Once received, we will start with the demolition of the current staircase and concrete foundation. A new foundation will be poured and the new staircase will be made out of galvanized steel to prevent rusting. It is designed to later add a product lift to carry bulk items up to the kitchen. It is also designed so that we may be able to attach ornamental sides to the staircase at a later date to improve the appearance of the staircase.

I want to congratulate Commodore Mike Bruckelmeyer on his successful year and to thank him for helping me prepare for the task at hand. I look forward to working with the board and the trustees to move the club forward in the years to come.

Commodore Bill Collinson  
Commodore@buckeyelakeyc.com

---

## COMMUNICATIONS

*– Governor Bob Hegedus*

Thank you to everyone who came out to participate in our annual meeting and to elect new members to the Board of Governors. I look forward to getting to know everyone and working on all of the great plans for the BLYC Club! It's also great to no longer be the board newbie! I am also very appreciative and humbled for receiving the Commodores service award during the meeting, THANK YOU!

From a communications standpoint, I wanted to remind all of our first mates (non-primary members) that we can add you to our communications platform to receive all of our communications/emails from the club so you don't have to rely on the primary member to forward them to you. We have weekly/monthly and event specific emails we send out throughout the year that you may be missing out on! If you would like to receive these communications, just send me an email with your preferred email address, phone number, and birthdate and I will set you up!

With all of the events going on at the end of our season, especially with the elections and annual meeting process, we have been busy ensuring you are up to date and 'in the know!' Thank you for your support over the past year, and I look forward to working with you as I start my second year as Governor!

Bob Hegedus  
Communications@Buckeyelakeyc.com

---

## ENTERTAINMENT

*– Joel Gabor*

### **Please join me in welcoming BLYC's new Entertainment Governor!...**

Congratulations Dean! I am sure you will do a great job!

This summer has indeed been a very busy one for the Club as we worked to showcase our beautiful front patio space. I do hope that you all enjoyed the great events, as well as the entertainment selections. From the perspective of the live entertainment, the bands really enjoy playing at such a beautiful venue, and continue to ask to be considered for repeat performances. That's a good thing! There is plenty of fun on the calendar for the coming months with Buckeye tailgates, selective live entertainment inside, and the upcoming holiday celebrations. Please refer to the *Log* for schedules and times.

It has been an honor and my personal pleasure working for each and every one of you during these past 17 or so months, and I know that our Club's entertainment offerings will be in very good hands moving forward. Wishing you all the very best, and I will continue to ...

### **See You at the Club!**

Joel Gabor

---

## DOCKS & RENTALS

*– Rear Commodore Rickie Sue Grunden*

As the boating season nears the end, please remember that ODNR requires all docks to be vacated by November 1. As the water level drops, you may want to consider taking your boat out earlier. The issue is not only lower levels in the Club docks, but lower levels of water and the drop off at the boat ramps where your rear tires may go into the holes that are under the water.

As you plan for winter boat storage, consider the Eastport boat yard. The storage in the Eastport boat yard is an annual fee and includes trailer storage during the boating season. Eastport is a secure facility and you have the combination. Apply online at buckeyelakeyc.com under the "Our Club" tab. You will be invoiced in February, 2025.

It is my pleasure to announce that I will continue to serve as Docks and Rentals Governor. I will also be serving as the Rear Commodore of the Club. Thank you to each of you that have supported me and trust me to always put BLYC first.

### **See you on the Lake!**

Rickie Sue Grunden  
DocksandRentals@Buckeyelakeyc.com

## BAR & KITCHEN

– Vice Commodore Vic Schroeder

I wish to thank past Commodore Mike Bruckelmeyer for the dedication and leadership he has provided to our club this past year.

Fall is here so don't forget how much fun the Buckeye games are at our club and also how especially tasty Rodney's chocolate buckeyes are with the salty tears of the other team's fans.

Make your reservations now for this year's Adult Halloween Party on the 25<sup>th</sup>. I can't wait to see all your crazy costumes. The Club will be closed Sunday the 20<sup>th</sup> for work day. Come out and join your other members. The work really is not hard and the fun we have, along with the beer and pizza, makes it all worth it.

Lastly, and most importantly, I want to thank all the members that attended the annual meeting. It says a lot about our membership that you showed up. I and the other board members surely appreciate it!

**Cheers!**

Vic Schroeder

## CHAPLAIN'S CORNER

– Mark Thogmartin, BLYC Fleet Chaplain

### Four Winds, Four Corners

As you stand on the front porch of the Club and look out at the patio, one thing that immediately captures your attention is the beautiful compass rose embossed into the concrete. The four cardinal directions, North, South, East, and West, are prominent in the rose, reminding us that we occupy a specific place on this earth. (By the way, are you aware that there are two places on the globe where you can move in only one direction from where you are standing, no matter which way you turn? When on the exact North Pole, the only direction you can go is south and, conversely, when on the exact South Pole, the only direction you can go is north. Thank me later for this useless bit of trivia!)

The various authors of the Bible mention the cardinal directions often, but two different phrases referring to the four points of the compass are used in a poetic fashion to remind readers that the whole earth is under God's purview. In the books of Job, Isaiah, Ezekiel, and Revelation the writers use the phrase "the four corners of the earth," usually when referring to the gathering or dispersal of people throughout the entire globe. Most scholars believe that the four corners allude to the farthest reaches in all the cardinal directions. They reject the suggestion that the biblical authors thought the world was flat, with corners. Instead, the "corners" could be a reference to the corners of a map.

In a similar fashion, the phrase "the four winds" is also used to metaphorically describe the whole of earth and heaven. The authors of the Psalms, Daniel, Zechariah, and Ezekiel use this expression when uttering predictions of God's sweeping judgments or blessings that reach to the boundaries of the inhabited cosmos.

So, the next time you consider a compass rose, think about the fact that God is omnipresent...the winds of His influence fill everything, everywhere, even to the four corners of the earth.

Mark Thogmartin  
Fleet Chaplain

# HOUSE & GROUNDS

– Commodore Bill Collinson

## All good things must come to an end.

As I write this article, we are in our 8<sup>th</sup> week with no significant rain. The lake is almost down to winter pool levels and boaters are having difficulty getting their boats off lifts. The summer is saying goodbye and the fall is saying hello.

Just as the seasons change, changes will also be taking place at the club. This will mark my 4<sup>th</sup> year on the Board. My three year tenure as House and Grounds Governor has come to an end. These years have been a very active time for the Club as it has for me. The last three years have presented challenges as well as opportunities to improve the Club, and I hope my efforts to fulfill the obligations of the position are looked upon in a positive light. The elections held on September 22<sup>nd</sup> will result in the 119<sup>th</sup> edition of the BLYC board. My new position on the board will be that of Commodore. I am well aware of the responsibilities that come with the position and promise to do my best to continue the progress the Club has made in recent years.

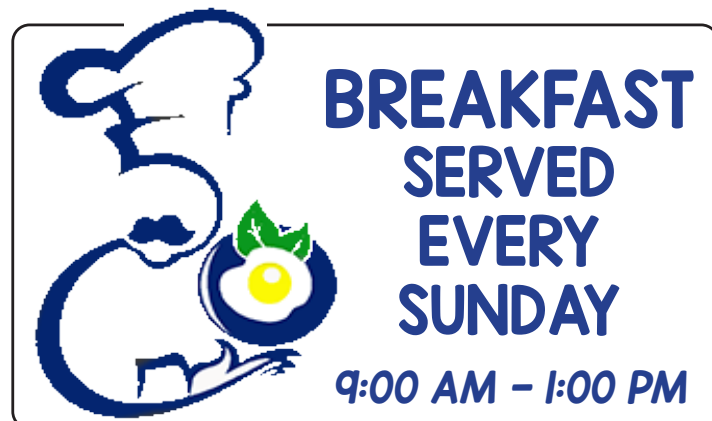

## Now for a few loose ends as House and Grounds Governor...

In late October we will be working on another project to improve the Club. The back steel staircase is going to be replaced. This is going to entail the removal of the existing staircase, demolition of the concrete that supports it and the construction of a new foundation that will support the new stairs as well as direct rain runoff away from the building. Once the construction has started it should take approximately 6 weeks to complete.

We will also be doing some excavation around the kiddie pool to determine the cause of the water leakage and decide what steps will be taken to address the problem. This excavation will require the temporary removal of the large umbrella, but it will be re-installed by the next pool season. Speaking of the umbrella, the fabric is at the end of its lifespan and will be replaced in the off season.

## I look forward to the upcoming year and seeing you all at the Club!

Bill Collinson  
Commodore@Buckeyelakeyc.com

---

# HOUSE & GROUNDS

– Governor Brian Thom

Thank you to those who came out on election day and supported my run for the Board. I am excited to be back on the board and looking forward to another productive year in House & Grounds. Commodore Collinson has set the bar pretty high, but I'm ready to get started and I appreciate his confidence in selecting me for this important role.

Hitting the ground running... don't forget that we have our annual Fall Work Day on Sunday, October 20th. We'll get started with donuts and coffee around 8:30 am and finish up with pizza and beverages for everyone who helped out. It's a great day and a great way to meet other members while helping to give back to the Club. I hope to see you there!

## See you at the Club!

Brian Thom  
HouseandGrounds@Buckeyelakeyc.com

---

# MEMBERSHIP

– Governor Mike Perez

## Happy October!

Now that election season is behind us and our new board is in place, I'm excited to see how we will continue to make the club the best story on the lake over the next year.

At the September board meeting, we had zero new members voted into the club. Due to incredible demand for club membership, we are currently at capacity with a waitlist for new members. The waitlist is starting to fill up!

If you sponsor a prospective member, they will be added to the waitlist once I receive their online application and two sponsor letters. Remember, only the actual member and not the first mate can sponsor a new applicant. Also, the only applicants not subjected to the waitlist would be a member's adult child who is under age 40.

Remember that securing a spot on the waitlist will also require a refundable \$500 deposit, which will be applied to the initiation fee once the prospective member comes off the waitlist. Also, if a prospective member's circumstances change (e.g. move...) the \$500 will be refunded to them.

Please continue to make sure all your personal information is current in the member directory. It can be updated through your portal. Almost 80% of our members are signed up for the portal. Awesome job everyone! If you haven't signed up, get signed up. It is the future of the club. If you don't know how, please reach out to me.

Finally, for those of you who participated in the elections and the annual meeting in September, thank you very much. The club is only as good as the engagement of its members. We appreciate you!

Mike Perez  
Membership@Buckeyelakeyc.com

---

## BLYC AUXILIARY

### Best Wishes to our 2025 BLYC Auxiliary Board and 2025 BLYC Board of Governors!

*Thank You, Thank You* to our 2024 BLYC Auxiliary Board President Barb Hein, Vice President Janine Conrad, Co-Treasurers PP Sue Headlee and PP Tami Headlee Schroeder, and Secretary PP Tracey Davis. We had a great year. In the fall we helped with the new ceilings and fans in the bar and fireplace room, Christmas songs by David Hogrefe, and the BLYC Children's Christmas party. For the 4<sup>th</sup> year in a row we hosted Put-in-Bay Yacht Club members for their "land cruise." Spring brought the BLYC Easter Egg Hunt, and we purchased 20 umbrellas for the patio and pool area. We had a progressive dinner and painting party. We added 15 ADA pool lounge chairs and 6 side tables. We held a fantastic Fundraiser with entertainment by The Gatlin's. Our staff enjoyed their evening and tickets to the Columbus Clippers... and we had a Pool Party, too!

The Helen M Dressel Award for the Auxiliary is awarded to auxiliary members who have volunteered and gone above and beyond. This year, on Thursday, September 12, it was awarded to Jo Fedor and Sue Zawislak. We also held our annual elections:

### Congratulations to our 2025 Auxiliary Board

**President Michele DelMatto**

**Co-Vice Presidents: Jan Buescher and Cathy Blaies**

**Treasurers: Matt Fennan and PP Jeff Hamilton**

**Secretary Karen Lawler.**

Afterwards, we enjoyed Music with David Spires and Shawna Corder.

Please join us for our next meeting and Fun activity on... Thursday, October 10<sup>th</sup>.

**Reminder:** Please go online and visit the club website at [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com), under the Auxiliary tab, to support your Auxiliary with a \$25.00 donation for membership dues or fill out the form. Payment can be made by cash, check, or member charge. Annual dues run from now until August 31, 2025. We have added a Lifetime Auxiliary Membership for \$500 and a spouse, significant other, or family member for \$300.

More information will be given through our BLYC website and BLYC e-News.

2024 BLYC Auxiliary Board  
Barb, Janine, Sue, Tami and Tracey

*The BLYC Auxiliary was founded on October 10, 1940 as the "Ladies Group of the Buckeye Lake Yacht Club." The pin pictured to the left is a members pin from the early years of the Auxiliary.*

## JUNIOR TRAINING

– Stephanie Dolan

### Happy Fall!

Summer is behind us but we are already making preparations for next year's junior sailing season. If you have a junior sailor who is interested in joining the Race Team please reach out. Joining the BLYC Race Team is a great way to meet new friends, have fun, and enjoy competitive sailing.

As my time on the board comes to a close I would like to say **THANK YOU** to all members, staff, and junior sailors of BLYC! It has been an honor and a privilege to serve this great club and all of you as both Communications Governor and Junior Sailing Governor. The junior sailing program has a very special place in my heart and I intend to stay in the mix and help on the Junior Sailing Committee this coming year. I'm so grateful for my three years on the board, and I look forward to many more special times at BLYC! We will absolutely...

### SEE YOU AT THE CLUB!

Stephanie Dolan

---

## JUNIOR TRAINING

– Governor Bill Ghiz

Thank you to everyone who showed up and voted at the annual meeting. We have a great board that will work very hard for the club members.

Please join me in giving a very special thank you to the previous Governor of Junior Training, Stephanie Dolan, and all the people who worked so hard to make Junior Training a success last year.

As the incoming Governor of Junior Training, I am extremely excited to work with all the wonderful people who are very passionate about training our next generation of sailors.

Together, we will put together another wonderful year for our juniors.

Bill Ghiz

# LOOKING AFT

- P/C Steve Harris  
BLYC Historian

## A Quaint Little Drinking Club...

Among all of the activities our members enjoy at BLYC, one of the most popular is definitely having a few drinks with friends. However, this was not always necessarily the case. Up until the 1930's, the Club's bylaws had strictly prohibited alcohol on Club premises and, according to Commodore Kyle Armstrong in his 1956 book, *Story of the Buckeye Lake Yacht Club*, "Terms of lease of club land had always forbidden the sale of alcoholic beverages and consumption of those of intoxicating nature on the premises." It's probably safe to assume that members still enjoyed drinks with friends. But, the Club policed itself in this area, particularly in the early 1900s when public sentiment regarding alcohol was not always positive. As far back as 1916, records indicate members being expelled from the Club for violating these policies. With the advent of prohibition in the 1920s, the issue became even more troublesome. However, with the repeal of the 18<sup>th</sup> Amendment, public opinion regarding alcohol was changing and BLYC, too, went forward. Under the leadership of Commodore George Doyle, the Club applied for, and was issued a Class D liquor permit in 1933.

As it had always done, the Club still policed itself and things went along as usual. It wasn't until years later that there appeared to be any real problem. Two days prior to the Club's annual election in 1968, BLYC was cited for the sale of liquor. Apparently, for over 35 years, the Club had been in violation as the license only permitted the sale of beer, not "spirituous liquors." The Club's old D1 permit was cancelled and under the leadership of Commodore Ed Metzgar, a D4 "Private Club" permit allowing the sale of liquor was applied for and granted by the state. However, this new permit restricted some of

the activities allowed on the island — "no more raffles... no more gambling of any kind... no more 'brown-bagging' of booze onto the permit premises." This permit excluded the docks and guestrooms and restricted sales to Club members only. However, BLYC moved forward and the problem appeared solved. For a little while at least...

In 1993, with increasing use of the Club by non-members for private parties and opening some events to the public, it became apparent that the Club was, yet again, in violation. Under the direction of Commodore Al Wing, the Board sought to obtain the proper D5 permit which would allow for public sales. However, most liquor permits are issued on a quota system in Ohio and, as we all know, the lake area is already saturated with such establishments. Getting the permit was going to be quite a challenge. Commodore Wing asked then-Governor John Sproat (Commodore 1996) to look into it. What John discovered was that BLYC might be able to bypass the quota on the regular D5 permits and secure a "Marina" permit. In order to qualify though, the Club had to meet certain criteria:

- The Club had to have 25 or more docks.
- The Club had to have a minimum of 2,500 square feet of floor space in the Clubhouse.
- The Club had to show that it made more money from the sale of food and other items than from the sale of liquor.
- The Club, itself, had to be located on a navigable river.

The first three criteria were easy, but the fourth? Buckeye Lake a navigable river? Diligently looking for a way to get this done, John discovered that "navigable river" is further defined in the code as any "navigable water used for interstate commerce." Buckeye Lake was originally built as a reservoir for the Ohio-Erie Canal. But in 1993, the canal hadn't been in operation for over 80 years!

Members enjoying beverages together upstairs — c. 1937

There wasn't any interstate commerce happening here.

Undaunted, John found two U.S. Supreme Court cases which established that once a waterway is deemed navigable, it retains that quality even if it is no longer used for that purpose. It appeared as though we could meet the criteria. John gathered all of the supporting paperwork and, with hope and trepidation, submitted it to the State. After a difficult, even impatient, wait, not wanting to bug the State and risk the application being rejected, the word finally came down that BLYC would be granted our current D5F — Marina permit. We were now legal, but at the cost of the loss of Sunday sales. The Board went to work immediately getting a Sunday sales option on the ballot, which passed handily by a 127-75 margin in May of 1994. Commodore Sproat's diligence and legal work had paid off.

Through the years, many Commodores of BLYC have made great contributions towards the fulfillment of our Club's Mission Statement — "... the promotion of yachting and aquatic sports, cultivation of sociability among its members and the improvement of Buckeye Lake for boating purposes" — we all certainly owe a debt of gratitude to Commodores Doyle, Metzgar, Wing, and Sproat for their efforts to "cultivate sociability." Next time you're at the Club, it may well be wise to raise a glass and toast them, for without their efforts, you could not.

## RACE & REGATTA

– Governor Dean Pickett

As my time as your Race & Regatta Governor has come to an end, I would like to thank the club and sailing community for a ton of help during my tenure. Besides the sailors who show up every week and have a passion for sailing, we have an exceptional Race Committee (P/C Rick Henderson, Marcia Henderson, and Dan Spence), Fleet Chaplain (Mark Thogmartin), Fleet Captain (Dave Paligo) and our PRO (P/C Steve Harris). Without these volunteers, our racing program would not exist. After numerous years, the Hendersons are retiring from the Race Committee. On behalf of the sailors, Race and Regatta team, and BLYC... **THANK YOU** for the years of service.

At this point in the season, the Fall Series of Sail-on-Sunday has been completed. Assuming the water levels have not been more depleted, we will be having the Snowball Regatta on October 12<sup>th</sup>.

**Best Regards,**

Dean Pickett  
Entertainment@Buckeyelakeyc.com

---

## RACE & REGATTA

– Governor Kendall Cottongim

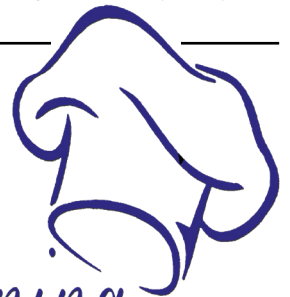

I would like to take this opportunity to thank all the members who were able to attend the Annual Meeting and make our Election Day a success. Also, thanks to everyone who supported me for election as one of your new Governors. I look forward to serving Buckeye Lake Yacht Club and all our members as your new Race and Regatta Governor.

Sincerely and With Respect,

Kendall Cottongim
