Please provide a brief letter of support for the applicant. You can either write your letter in the space below or, if you prefer, upload a file below.

Our son, Joseph Giovannelli, is quite an impressive young man. We are so very proud of his many accomplishments in life. In high school, Joey served on an Ohio State Governors board for Key Club and volunteered for various nonprofit organizations. In college, he studied a semester in Italy and he served as the Vice President on the Student Council board and lead an effort to create a ring monument for Duquesne University that stands today in the middle of the campus. He worked in a leading role at JP Morgan Chase as a Process Improvement Consultant focusing on Robotics, machine learning, and AI. While there, Joey completed his Masters Degree in Business Administration at the University of Cincinnati and is currently working at Edward Jones as an Enterprise Operational Excellence Initiative Leader. We strongly feel as though Joey would become an outstanding and active participant at the Buckeye Lake Yacht Club! Please consider him for membership!

I endorse the above named applicant for membership in the Buckeye Lake Yacht Club	Yes
