Please provide a brief letter of support for the applicant. You can either write your letter in the space below or, if you prefer, upload a file below.	Both Tim and Cindy come from very well respected multigenerational families in Zanesville . Tim is a civil engineer and has had his own engineering company for over 30 years. Both are quite active in many civic and charitable organizations in Zanesville. They have also served as officers and on committees at our country club and have been a very helpful in that regard. Their character is above reproach, and they would be very strong supporters of the Buckeye Lake Yacht Club both personally, and financially. My wife and I would recommend them without any reservation whatsoever.
