BLYC Board Members,

I am writing concerning Betty Wershing, who is applying to become a member of the Buckeye Lake Yacht Club. I have been a member of the club for almost 4 years and live on the lake. Betty and Bill Wershing are our neighbors and are long term part-time residents of the Buckeye Lake area, with Betty's family being here since she was a child. Betty is a retired teacher and Bill will be retiring in August of this year. Currently, they are in the process of moving here as full-time residents, as they are selling their home in Upper Arlington. They have a true commitment to the Buckeye Lake area and have been active in many organizations.

Betty and Bill belong to the local libraries, attend the area local farm markets, eat locally and shop locally whenever possible. Betty even started a local book club that has been active for a year now. They have enjoyed boating and lake activities with their family for many years.

Betty and Bill currently know several members of the yacht club. They have shown through their community involvement that they will be active, valuable additions to BLYC. It is with great confidence that I recommend them for membership.

Sincerely yours,
Stephen Koos
