

PRIVATE PARTY & BANQUET MENU

THE BUCKEYE LAKE YACHT CLUB

Situated mid-lake and just minutes south of I-70, the Yacht Club is the ideal location for your party or event. Our year-round facility offers a number of opportunities for anything from large parties, to small gatherings, to business meetings. Our Chef and professional staff are ready to customize your event to suit your needs.

Dine in the Fireplace Room — hold a small business meeting in the Commodores' Lounge or the Library — or host your party lakeside on our beautiful front porch with stunning views in all directions of beautiful, historic Buckeye Lake.

Our management team has years of experience in event planning from small luncheons to large weddings. Come visit, tour the facility and see all that BLYC has to offer!

THE FIREPLACE ROOM

The main room of the BLYC Clubhouse, the Fireplace Room, has been the central hub of activity at the Club for over a century. Centered around the large brick fireplace, this room is large enough for your group's dining needs yet still cozy and comfortable — with room for your entertainment and dancing too!

The room can accommodate a wide variety of events from sit down dinners, to large receptions, to business meetings. Our state of the art projection and sound system makes the room ideal for your business meeting or training seminar.

Easily adaptable to fit your needs, the room can be set for groups from small luncheons to large parties and wedding receptions of 100+.

CUPOLA ROOM & LIBRARY

The newly remodeled upstairs offers the perfect location for your small cocktail party or reception at BLYC.

The Cupola room offers both casual seating and stand-up cocktail tables for your gathering while the Library has additional seating and a formal conference table for your small group meeting — all the time surrounded by historic photographs and memorabilia from the Club's rich 100+ year history.

COMMODORES' LOUNGE

Located on the first floor of the Clubhouse, the Commodores' Lounge is the ideal location for a small meeting, luncheon or cocktail party. The lounge, which features photographs of the men and women who have led our Club through the years, offers a private location in the Clubhouse that can be easily adapted to fit your needs.

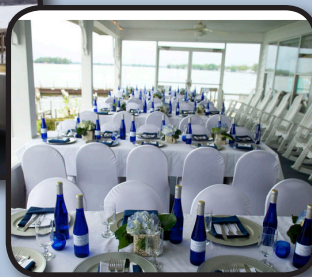

FRONT PORCH & PATIO

With panoramic views of the main lake, the front porch of our historic Victorian-style Clubhouse and the patio area offer the ideal place for your warm season party or event.

With plenty of room for dining, dancing, and fun lakeside, the area is very popular for wedding receptions, graduation parties, and class reunions. It can easily accommodate groups from small luncheons to large receptions and parties.
