COMMODORE
MARK PYLE

In this month where we annually celebrate our independence as a nation, we can be thankful for those who answered the call to duty and defended our freedom so that we can have our little slice of paradise on Watkins Island. Thus far this year, we've experienced the nation in turmoil from an ongoing pandemic, to economic instability and unprecedented unemployment, to witnessing nationwide marches and protests. In spite of all the difficulties this year has tossed our way, we have a place to get away from it all and enjoy the beauty of Buckeye Lake. Let's be thankful for our hard-earned freedom and the ability to experience the views, the camaraderie, the entertainment, and the respite from a world that has really challenged our resolve in 2020.

Please give our Board and great staff a pat on the back for doing all they can to implement the ever changing State and County rules that keep the Club restaurant, bar and pool open, the docks working, the entertainers performing, the camps running, the sailors racing, the communication flowing and the repairs completed. Everyone continues to go above and beyond, dedicating additional

time, effort and meeting participation to remain in good standing with Licking County to stay open. The pool and outside seating areas are a challenge to keep in compliance and we continue to add staffing to complete the tasks needed to create a safe environment for staff and members. We ask everyone to be understanding with our staff and appreciate the challenge of working while wearing a mask and being asked to continually adapt to new situations as rules continue to change.

We continue to move forward on our large projects like the parking lot and front entrance. In the fall we will be relying on insurance proceeds to replace the entire roof due to weather damage. In addition, we are finally getting through the coronavirus slowed bureaucracy of the Army Corps of Engineers to get approval to begin the rear seawall project. We've been working with the Auxiliary officers who are committed to a limited and modified fundraiser August 1st where we will be listing out some of the key replacements and improvements we would like to have funded. Some of those items are mentioned in the finance committee article.

My hope is that all our members remain safe and healthy and continue to practice social distancing while enjoying the amenities at Buckeye Lake Yacht Club. From Ray Stevens, the man who brought you "The Streak" and "Along Came Jones," comes unexpected insights I find relevant in today's troubled times from the lyrics of "Everything is Beautiful."

*There is none so blind as he who will not see
We must not close our minds, we must let our
thoughts be free*

*For every hour that passes by, you know the
world gets a little bit older*

*It's time to realize that beauty lies in the eyes
of the beholder*

Commodore Mark Pyle

ENTERTAINMENT

- Governor Jeff Hamilton

Happy Independence Day!

For me, it has been difficult to write my articles over the last few months. It has been hard to write something positive, fun, and uplifting with everything going on in our world. As we adjust to the new normal that are experiencing, we have to remember that there are many great times to be had this summer at BLYC. We have a great month in store for you and it is going to be explosive!

Even though the fireworks have been cancelled this year, we will still have some great entertainment over the July 4th weekend. Entertainment kicks off on July 2nd with a big bang! **AJ Angelo** will be playing for a Thirsty Thursday to kick off the holiday weekend. He will be playing from 7:00-10:00 pm. **Reelin' in the Years** will be playing on July 3rd from 6:00-10:00 pm. Please join us on July 4th for the Junior Sailors Pancake Breakfast and for the Flag Raising Ceremony. BLYC will be the judging location for the boat parade again this year. The Grand Marshall is Clarence Miller who is a WWII Veteran and will be turning 100 years old this year. **Rick Barr** will be at the pool from 1:00 to 5:00 pm on July 5th.

Yours for the Taking will be performing Supper Club on July 10th. They will be rocking you from 7:00-10:00 pm. They are new to BLYC this year and you do not want to miss them. You can check them out on Facebook or YoursForTheTakingMusic.com. On July 17th, **The Dan Orr Project** will be playing Supper Club from 7:00-10:00 pm. They are also new to BLYC.

A BLYC Club favorite will be back on July 24th. **The Gayla Smith Band** will be playing for Supper Club from 7:00-10:00 pm. The Commodores Steak Nite is July 25th and we will have **Pete Mernedakis** here to perform from 6:00-9:00 pm. This is always a fun evening put on by the Commodores Association. Come enjoy some great food prepared by Chef Josh assisted by the Commodores. This is a decades-long BLYC tradition that you don't want to miss!

Finally, on July 26th, we will have **Big Bad Stache** duo style perform at the pool from 1:00-5:00 pm.

Please check the website for the full list of entertainment. There are also calendars posted at the Club as well.

I want to thank everyone who has supported the Club during these trying times the last few months. Things may be different, but we will get through this. Please keep following the guidelines and keep supporting your BLYC. Let's make the most of it this summer and let's have fun!

Cheers!

Jeff Hamilton

BAR & KITCHEN

- Vice Commodore Bruce Ames

SUMMER IS IN FULL SWING!

Now that we're over a month into it, I think we can safely say that the reopening has gone well and it's starting to feel like summer at Buckeye Lake again. Thank you everyone for your cooperation with all of the new, seemingly ever-changing, health department guidelines. While definitely an inconvenience, we can be proud of the job that our staff and members have done through this learning time.

Have you seen the Weekly Features and special Supper Club menus lately? Wow! Chef Josh and his team in the kitchen have been putting out some phenomenal, creative offerings. If you haven't been in to dine with us lately, you really need to check these out. Don't forget that we are offering dockside "Boaters To-Go" box lunches this season. Just call ahead to the Club, give us 15 minutes to put it together, and our staff will deliver right to your boat.

As we move through this new time, we realize that not all of our members are comfortable or able to dine with us onsite. We will continue "Curbside To-Go" service as long as it is necessary and there is sufficient demand.

Rodney and his team have been hard at work to make BLYC the best place on the lake. As we continue to improve the level of service, one of our staff members is really stepping up to the plate. Most of us know Tyler Haag. He has been one of our bussers at BLYC for some time now. While our online reservation system works well, it is a fairly simple system, built for a more traditional restaurant operation, and doesn't control well for multiple dining areas, large events vs. regular dining, etc. Seeing a need, Tyler is using his talents to develop a BLYC-specific online reservation system for us. This will not only provide us, the members, with a reliable, easy way to make our reservations online, but will also streamline the process and eliminate much of the manual adjustment the staff often needs to make due to the limitations of our current system. Thank you Tyler! I can't wait to see it in action. Isn't our BLYC family — members and staff — great to be a part of?

See you at the Club!

CALL TODAY TO SCHEDULE EARLY INSTALLATIONS AT BUCKEYE LAKE

HOUSE & GROUNDS

- Rear Commodore Charlie Campbell

The House and Grounds staff, along with our fellow BLYC employees, work hard to ensure your safety and enjoyment while at the club. Every day, starting early in the morning, the staff cleans and sanitizes all bathrooms, cleans and checks the chemical levels for our pool, keeps hand sanitizer dispensers full throughout the club, and assists other areas in providing excellent service to our members, and their guests and families.

With that, House and Grounds has been busy:

The parking lot is now finished — repaired, sealed, and new lines painted. Please observe the "No Parking" areas and display your blue BLYC 2020 parking sticker. We now have over 570 members and limited parking spaces. Parking stickers are for the member and spouse or significant other. The exception is if a member of your family is living with the actual member. Then another parking sticker can be requested. If you have guests with you or coming later, please go to the bar and get a visitor pass. It will be dated for the day of the visit and must be displayed in the guest's front windshield.

We have put up a sunscreen at the pool. Although it only provides shade in a limited area, it is the best we can do for now. Sadly, we have found beer bottles in the pool area during morning clean-up — Sorry no glass within the pool area fence and please observe the posted hours. The health department checks our pool regularly and we have an excellent record for cleanliness and chemical balance.

Our pool rules seem to be ever changing as the Health Department changes restrictions and what is permitted. Please continue to watch our posted rules and information

in the weekly e-News. They are kept up-to-date. Please remember, the guiding principles for these rules is your safety. Your cooperation is appreciated.

The locks on the dock entry and club entrance gates have caused us some problems. We are working to remedy the issues. If the doors are shut and the locking device is in place, please do not leave the door open. If the doors are propped open, do not remove the device keeping it open. We will be installing new locks which should solve the problem.

Due to storm damage, we will be replacing the shingles, and the underlayment as necessary, on the Clubhouse. This project will start as soon as the pool closes for the off-season.

As of this writing, the Army Corps of Engineers are still considering our application. We have been asked by the Ohio Historical Society to provide information concerning our project as well. This, too, has now delayed our start.

A new staircase is being built from the porch to the pool. NO food or drink can be brought from another venue or home to be used within the club. If you have a boat docked around the club you are permitted to take it directly to your boat.

Pets – The only animals allowed on club grounds are those properly trained and defined as "assistance animals" by the Ohio Revised Code — seeing eye dogs, for example. NO "service" dogs or good 'ole pets. Again, if taking your pet to your boat — yes they can cross our property just have them on a leash.

Thank you for your cooperation. It is appreciated.

COMMUNICATIONS

- Governor Barbara Hein

Summer is here and I hope you are enjoying our Club. We are in the process of compiling a service directory of BLYC member-owned businesses. Participation is voluntary and, upon completion, it will be an online resource for other members to use when they require services and would like to do business with a fellow member. To add your business, go to website, and fill out the online form. Any questions, you can email me at blychein@gmail.com.

As time moves on and changes continue to happen, please consult the website and the weekly e-News for the latest information. Unfortunately, some events have had to be postponed, but we can still enjoy the Club.

I always welcome your stories for me to share, and if you have good picture pass it along. There are still a few members who have directories to pick up please do so.

Talk to you soon,

Barb Hein

RACE & REGATTA

- Governor David Paligo

Passion, Knowledge and Enthusiasm... Pass It On

Everyone's excited about the official start of the sailing and racing season. Boats were polished, rigging was checked, and, most importantly, teams were being formed for the upcoming season. The Spring Series removes those winter cobwebs and gets you prepared for summer competitive racing.

The Commodore Earl O. Williams Long Distance Race is on July 4th. On July 5th, the SOS summer series officially starts. Be sure to check the Notice of Race (NOR) for competitors' meetings and race start times.

As I write this newsletter in mid-June, there are still skippers looking for crew and crew looking for a boat. This year, we are embracing the Grow-the-Sport theme and encouraging intra-fleet mentoring. If we're successful, we will be creating a whole influx of new sailors in our circle. That would be outstanding!

There are so many sailors responsible for "growing the sport", as we know it now on Buckeye Lake. This year, I urge all of you to step up your game and reach out just a little bit further. Do some cruising and invite your non-sailing friends. You may be pleasantly surprised that some fearless, strong, inexperienced person will shine in your light and mentorship.

Prep well, sail fast, sail safe.

Dave Paligo
Race & Regatta

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

Sailing Camps!

We are right in the middle of our 2020 **BLYC Sailing Camp** season and we have already had over **50** young sailors learn the basics and joys of sailing with **THREE** beginner camps and **ONE NEW** intermediate camp. We still have the New Advanced Sailing and NEW Race Team Camps still to go on the BLYC July Calendar.

Sail on Sundays — BLYC Race and Regatta has a race scheduled every Sunday through the summer and the BLYC Juniors have been participating in these weekly events. The BLYC Juniors will be scored separate from the adults and awards will be given to the top sailors at the end of the season. We are working in a perpetual trophy for the winner of the summer junior series.

Be sure to come out to the **Annual Pancake Breakfast** on July 4th. Our youth will be your hosts for a delicious breakfast before the Club's flag raising ceremony. Breakfast will be from 9:00-10:30 am with the flag ceremony commencing at 11:00 am

Unfortunately, the **SCUBA Diving Discovery Class** has to be cancelled for the 2020 season due to the coronavirus situation. We will plan on offering this fun class next season.

Be sure to show your pride in our Club by purchasing a BLYC Dry Bag (Red, Blue or Black) and vinyl BLYC Boat Decal from the BLYC Juniors! Both items are available at the Club for a combo price of \$25!

FROM THE GM...

- Rodney Probst, General Manager

With the first month of summer behind us, I would like to thank all of the members for their patience as we have struggled to serve you with the State mandated COVID restrictions in place. Thank you for utilizing the online reservation system. With a little foreknowledge of who is going to be joining us for dinner, the entire evening seems to run smoother.

Kudos to the entire staff for embracing the restrictions and making their best effort to keep themselves and those they are serving safe as possible. I can attest to how difficult it is to wear a facemask while serving food.

Junior Sailing Camp seems to be running at Full Sail. A tip of the hat to Mike Bruckelmeyer and his coaches Susannah and Katy and the assistant coaches, Kyle, Zeb, Bryor, and Makenzie. The Junior Program is indeed the future of Buckeye Lake Yacht Club.

As the summer rolls along with COVID restrictions, we have numerous avenues for you to enjoy your club. The Traditional Pancake Breakfast will be held July 4th. Come out and support the Junior Sailors! We have a full slate of musical entertainment... and YES dancing this month. Always a Club favorite, the "Commodore's Steak Nite," July 25th, will be sure to please. Before you know it, the annual White Hot Nights Party will be here. Mark your calendars for August 1st! This will prove to be the "can't miss" event of the summer.

As always,

See you at your Club!

Rodney Probst
General Manager

BLYC AUXILIARY

Greetings from your BLYC Auxiliary Board,

Thursday, June 11th, we had 22 of our members for dinner and a meeting! We were "social" from a distance, and it was so good to see everyone and share ideas. As an Executive Board, we welcome Sue Derlis as the 2020 Auxiliary Treasurer.

Mark your calendar and join us:

Thursday, July 9 — We will have social time and dinner, if you wish, 6:00 pm, 7:00 pm meeting, and 8:00 pm wine tasting. The wine tasting will be \$8.99 a person. This includes sampling 3 whites and 3 reds. and a cheese plate. You need to make reservations for dinner, meeting and wine tasting if you want to attend, please indicate in the notes that it is for Auxiliary. This will be a fun evening out so please come. Kathy Severance has donated the cheese.

Saturday, August 1 will be our WHITE HOT AMERICAN NIGHT. Our committees are working hard to put together a fantastic event and fundraiser. More details will be coming soon.

Thursday, August 13 will be another Auxiliary social, meeting, and fun activity

Please see the BLYC website, BLYC Facebook page and the weekly e-News for the most up-to-date information.

Looking forward to seeing you at the club.

Tracey, Debbie, Jan, Kathy, & Sue

FINANCE COMMITTEE

It's hard to believe that we are ten months into the fiscal year with our two busiest months ahead. With the receipt of the Paycheck Protection Program ("PPP") loan, generous contributions from members to our Coronavirus Employee Relief Fund ("CERF") fund, and the member support we received during the curbside carryout period, the Club remains on solid financial footing. Due to delayed government approvals we've not been able to begin some of our more expensive, yet necessary, seawall replacement projects. However, that delay has allowed us to remain in a strong cash position until we were permitted to fully open the Club under social distancing rules.

As for the PPP funding of \$99,800, with the recent changes to the program in Congress, it is a safe assumption that most, if not all, of the loan will be forgiven. With the skillful coordination of the Auxiliary, we are still moving forward on hosting a fundraising event on August 1st. With that, we have identified several projects we plan to undertake over the next 18 months and will be looking for assistance in funding.

The following projects have been identified:

- Replace stairs to pool,
- Reconfigure and replace entertainment tent and add surrounds,
- Island landscaping (after sea wall completion),
- Parking lot entry design and landscaping, including gate(s),
- Lights and sea gull prevention for docks,
- Sound system enhancements for better island coverage,
- Phone system upgrade to improve functionality,
- Pool bar area remodel, including repairing house skirting behind bar,
- Additional security cameras to improve coverage in external dark spots,
- Tables and chairs for events to replace damaged or deteriorating furniture,
- Umbrellas for the pool and patio.

- Governor Greg Tobias

It's nice that the summer season is finally upon us and that the Club is able to start to function in a limited but positive way. On many occasions, people ask me how many members are there at the club. Currently we have 547 members. This includes all categories of membership. For the month of June, I would like to welcome two new members...

Carl Hamilton

Jeffrey Christensen

This month I presented seven new applications to the Board for their first reading. Interest in BLYC is growing!

As always, feel free to contact me, Toby Tobias, with any questions regarding membership to the Buckeye Lake Yacht Club.

See you at the Club!

DOCKS & RENTALS

- Governor Brian Thom

The season is here! WOW! Some weekends in particular, its just a bit amazing how many boats we're seeing on Buckeye Lake. It's both a good thing to see — after the double-hit of the dam remediation project and the COVID shutdown, we need it — and a challenge — more boats brings a challenge on where to dock as you travel around the lake. The Club has designated transient docks for member use when you are coming by boat. These are marked with blue and orange stripes on the outermost posts. **DO NOT DOCK IN OTHER SLIPS** — these are rented by other members. Just because there isn't a boat in the slip doesn't mean that it is open and available. Let's all be considerate of each other and work together. Overnight transient dockage is not permitted.

Although not specifically dock related, another issue that this busy season has brought to light is boating safety. Sadly, many boaters don't seem to understand and follow the navigation rules. *Be on the lookout when you're on the lake!* There's some crazy stuff going on out there.

As a reminder, in Ohio, anyone born after January 1, 1982 is required by law to pass a boating safety course to operate a boat. It's a good idea for everyone! There are a number of free online courses available and BLYC Junior Sailing hosts an ODNR safe boating course at the Club each winter. I think that promoting safe boating is in the interest, if not a part of the mission, of BLYC and BLYC members. Together, let's set the example of safe, responsible, and FUN boating for the greater lake community.

See you on the Water!

Brian Thom

GATLIN

THURSDAY, AUGUST 6TH

LOOKING AFT

- P/C Steve Harris, Club Historian

The Commodores' Steak Nite

Since the 1960's, each summer, the Past Commodores of BLYC, don their summer whites and get together for an evening of grilling and fun at BLYC. Sounds like an exclusive event, doesn't it? Not at all. The purpose of Steak Nite is the same today as it has always been — to provide the members with a good meal and good entertainment at a reasonable price while raising some money for the BLYC Commodores' Association. In fact, it is the only fundraiser we do.

All of the monies raised go directly back into the Club for improvements and support of the Club's mission. Over the years, the group's projects have included remodeling the upstairs men's restroom, purchasing the metal entrance gate, and helping to preserve our history by restoring and reframing the pictures in the Commodores Lounge, to name just a few. Originally, the event was called the "Commodores' Steak Fry." In the early years, the Commodores would bring their charcoal grills from home, set up on the front lawn, and cook for the members. Back then, regular restaurant service wasn't as readily available at the Club. The Steak Fry was a unique treat. Exactly when it began is unclear, and the event has changed some over time. But, it's been an integral part of the Club, and one of our great traditions, for many years.

Commodores are indeed a unique lot and come from many, varied professions. While we certainly have fun when we get together, we also realize that none of us are chefs by trade. Although it is called the Commodores' Steak Nite, Josh and

The tradition continues... Commodores' Steak Nite

GREAT ENTERTAINMENT

Pete Mernedakis 6:00 - 9:00 pm

the BLYC kitchen crew do the real cooking. We assist, swap stories, serve complimentary beer, and add to the evening's entertainment in our own unique way (we may even drink a bit of that beer ourselves). As in the beginning, the Commodores are there to provide a fun, affordable evening for the members and give back, in some measure, to the Club we love.
